**FOR YOUR INFORMATION**  
by Mayor Mike Callahan

Welcome to September and the beginning of a new school year. We had a very hot summer so let's hope September brings us cooler weather. Speaking of *school days* I'd like to give a very special *shout out* to the 44 individuals and 3 organizations that donated over \$4000 in school supplies to the students at Gladys Noon Spellman Elementary. Led by Ann Barsi, the Cheverly Community was able to supply more than 32 children with needed supplies for the upcoming school year. It's people like Ann, who identified a need and spurred neighbors into action that make Cheverly a special place. Thanks to Ann and to everyone who participated in this effort.

**Schools are Opening – Please drive safely;** Traffic tends to move a little faster in September as parents are in a hurry to get their children to school. Please obey all speed limits and traffic signs. Did you know that virtually every street in Cheverly resides within ½ mile of a school building? This allows us to use speed cameras in these zones as a mechanism for calming traffic. We'd prefer to never give a ticket, especially to residents, so please drive carefully.

**New Trucks for Public Works:** In the August 13<sup>th</sup> Town Meeting, the Town Council approved an expenditure of \$187,000 for the purchase of new trucks. This allows the Public Works Director to replace a 1985 Leaf Truck (yes, that is correct 1985!!) as well as replace two mid size Ford 550 Pick-up trucks (one from 1989). The mid-size trucks are ideal for a town of Cheverly's size as they are extremely versatile. They can plow, pick up yard waste, and carry asphalt. Our Public Works department should be congratulated for keeping our truck fleet operating long beyond their expected life-times. This allows the town to save money. However, these purchases were long overdue, and we are excited to get some new trucks in our fleet.

## **LABOR DAY HOLIDAY**

**Monday, Sept. 6, 2010**

**Offices Closed**  
**No Trash Pickup**

**Drive safely**

## **The FALL FLEA MARKET**

Sponsored by the Recreation Council, will be held on Saturday, **October 2nd from 9:00AM to 2:00 PM** at the Community Center.

Tables are **\$15 Call Barbara at 301-773-5883**. The Flea Market is very popular and tables go fast, so make reservations early.

There will be plenty of bargains, good food and fresh baked goods for sale. See you Saturday, October 2nd rain or shine, event is indoors!

**Sign up for Town Announcements:** Frequently I've been told "*the Town doesn't communicate well*" or "*I didn't know the council was going to ....*" You can help us communicate better by signing up for Town Announcements and Meeting Agendas on the town website <http://www.cheverly-md.gov/subscriber>. Residents who have signed up have received updates regarding town business and services. During the recent snow storms daily updates were sent about snow removal and trash collection. Sign up now!

**Speaking of the Town Web-Site:** Improvements are on the way with thanks going to the Communication and Technology Committee. If you have ideas regarding content or navigation, please contact former Councilmember Norm Oslik ([noslik@verizon.net](mailto:noslik@verizon.net)) who chairs the committee. We have already added a section on the website where residents can view Town Letters regarding current issues. We will also be adding a section for key topics of interest (The Point, Concrete Plant, etc) and we are going to work with the Planning Committee to allow them to add content to their page as well.

**Youth Program Request for Proposal (RFP):** The Town Council received many bids regarding the Youth Program RFP. These bids were reviewed in the July Worksession, and one was selected that best met the cost and content criteria established by the council. We hope to award the RFP in the upcoming month.

**Boom Update:** The good news is that we have seen a reduction in the number of Booms that have occurred this summer. The bad news is that we still haven't pin pointed the source of the Booms. We have received two very well thought out responses in reply to the reward we established in June. However, neither response concretely establishes the source in a manner that is verifiable. This is just a reminder that the Town has offered a \$2,500 reward to anyone who can positively identify the source.

**Cheverly Reaching Out:** This month the Town Administrator and I have met separately with our County Councilwoman, representative of State Highway Administration, and businessmen in the Tuxedo area to discuss issues of concern to our town. The topics ranged from the traffic and pedestrian issues at the Columbia Park Bridge to environmental issues surrounding the town. The issues discussed were raised by the Town Council, Town Staff, and residents. While no concrete solutions have been identified, we are working hard to open the doors of communication with our partners.

**Attend a Cheverly Club Event This Month:** As you read the newsletter this month think about trying something new. Each month town organizations publish their events in the newsletter hoping to attract new members. Why not make it a point to stop into a meeting. You could attend the Community Market, build paths near Lower Beaverdam Creek, learn a little about Cheverly History, improve your gardening skills, help restore the tree canopy, work to improve the town's Green Infrastructure, coach or referee a sports team, donate blood or even attend the Recreation Council meeting and create your own ideas.

**Adult basketball starting up:** Speaking of creating or starting your own club. Robert Braddock ([rbraddock@doc.gov](mailto:rbraddock@doc.gov)) and Chad Clay ([clay02@yahoo.com](mailto:clay02@yahoo.com)) are starting up a weekly adult over-35 basketball pick-up game. They will begin in September, so please drop them a line if you're interested.

**CHEVERLY'S PUBLIC SAFETY DAY:**

**Please mark you calendars!!** The Cheverly Police Department, C-PACT, and Cheverly Watch cordially invite all residents to the 2010 version of Cheverly's Public Safety Day. Public Safety Day is scheduled for Tuesday, September 21, 2010, from 5:30 PM to 8:00 PM at the Town Park located at 6401 Forest Road. As in previous years, food will be provided free of charge and dinner will be served from 6:00 PM to 7:00 PM. The menu this year comes from 3Brothers and will include a variety of foods. Bag dinners with treats will be available for children.

**Please save the enclosed flyer and post it on your refrigerator so you will not forget the date.** In addition to free food and police and fire department demonstrations, a bake sale sponsored by the Department will be held and all donated funds will be given to Heroes Incorporated. Heroes is very near and dear to public safety as this tax exempt organization helps families of police officers and firefighters who are killed in the line of duty in the Washington Metropolitan Area. Please make every effort to attend. Your presence sends a strong message out to the criminal community that crime and disorder are not welcome in Cheverly.

**CHEVERLY WATCH:** The Department recently received a new batch of portable radios and is currently looking for any resident who has an interest in this important program. Cheverly Watch has been critical to the identification of suspicious persons and automobiles and its award winning partnership with the CPD has resulted in reduced crime rates three years running. The confidentiality of all resident volunteers is always assured.

**C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING** – There will be a joint meeting of C-PACT (Cheverly – Citizens and Police Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program on Tuesday, September 7, 2010, at 7:00 PM in the Police Department Conference Room.

## Refuse Collection Recycling Bulk trash and Yard Waste

They are found on chapter ten of the Town's code which is accessible to all on the Town's website [Cheverly-md.gov](http://Cheverly-md.gov) under the "Town Services" heading. Although the rules are clear they are also clearly on a daily basis overlooked by some residents.
