**Message from the Chief**

Buddy Robshaw(policechief@cheverly-md.gov)

**CRIME IS DOWN STILL -** Crime in the

Town of Cheverly is down some 34% from the previous year at this time, the lowest five-month total since the Department first began keeping such statistics electronically in August of 1979. As I have indicated previously, resident calls to their police complaining about suspicious persons, solicitors, abandoned vehicles, and other such circumstances have played a significant role in this reduction and I urge every resident to continue to be watchful. In addition, I am always looking for residents to join Cheverly Watch (resident radio users), participate in C-PACT, and/or ride along with Cheverly police officers.

**TASK FORCE OPERATIONS** – The Task Force has been in operation since April 15, 2009 and has made 24 adult arrests, 3 juvenile arrests, 3 arrests for DUI, cited over 400 traffic violations, and written 49 Field Observation Reports. If you have any specific complaints about suspicious persons or vehicles, constant noise or code enforcement violations, or other neighborhood issues they we can help with, do not hesitate to call or Email.

**CHEVERLY WATCH** – I have recently been able to purchase a number of additional radios for the resident police radio program. Anyone who has any interest in joining this important effort, please contact me at (301) 341-1055. Remember, the police are most effective when they partner with local residents to reduce crime.

**WE NEED YOUR VEHICLE DONATIONS** – I want to thank all of you who responded to my recent requests for vehicles. As always, all donated cars and trucks are towed for free and those that are not in good condition are scrapped and the scrap money added to the Department’s equipment account. The Department is still looking to convert some of our donated vehicles to surveillance uses. Please keep us in mind if you want to donate a used vehicle or if you just wanted to get rid of a vehicle that is passed its prime.

**TRAFFIC COMPLAINTS** – Residents who Email their traffic complaints, i.e., speeding, stop sign violations, parking complaints, etc., get put onto a list right away and service is usually directed toward these problems within a week. My Email address is [policechief@cheverly-md.gov](mailto:policechief@cheverly-md.gov). This same address can be used to notify me about issues in your neighborhood that need police attention. In lieu of an email, please feel free to contact me at (301) 341-1055.

**SOLICITORS** – In lieu of the recent incidents for soliciting without a permit, all residents are encouraged to call the police whenever a solicitor confronts them. Solicitors in Cheverly are required to display a permit issued by the Town (that must be displayed upon request of any Town resident) and they are required to leave private property immediately when told to do so by a homeowner or face trespassing charges. Please do not hesitate to call the CPD if a solicitor knocks on your door.

## MOSQUITO SPRAYING

Cheverly has been scheduled for adult mosquito surveillance and possible spraying on Tuesday nights. The program began June 16, and will run through September. Their action threshold is 3 female mosquitoes in 2 minutes in a landing rate court or 24 female mosquitoes in a baited light trap. This may influence the amount of spraying done for adult mosquitoes. Due to variable weather conditions and other factors, they will not guarantee that surveillance or spraying will be done even if they receive complaints. The complaint areas will be checked first. If they receive no complaints, they may not do surveillance or spraying in our area.

Please contact the Public Works Department if you notice any mosquitoes swarming. Note the problem area, time of day when the mosquitoes are the worst, and any area of stagnant water in their vicinity. We will notify the Department of Agriculture.

**Woman's Club** -Our 2nd annual Month of Peace in May has ended and was outstandingly successful. We thank everyone who participated and hope you felt like you grew in your own peace and helped to plant seeds of peace in the universe. Some folks told us that they wanted to participate and May was just too busy for them. We're telling everyone that you can work at growing peace all the time. We'll be glad to include what you've done in this article in an ongoing way. Please send your information for future plans or tell us what you've already done anytime. Peace building has no schedule and needs to be done on a daily ongoing basis. Meanwhile we're beginning to think about a next project. The next Season of Nonviolence is January 30 - April 4, 2010, a period of 64 days. This was started by Arun Gandhi, the grandson of Mahatma Gandhi. It spans the dates between the assassinations of Gandhi and Dr. Martin Luther King, Jr. and focuses on individual and personal peace building and nonviolence. We'd enjoy any input you'd like to give. Please contact Joyce Lang at [joycelang@verizon.net](mailto:joycelang@verizon.net) or call 773-2211 for more information or to share your ideas.

Our June meeting marked just over one year of formal existence as a town organization for CAPS. We will not hold our monthly meetings in July or August but will be back in September. Over the summer, we'd love to hear from you: What topics would you like to learn more about? What speakers would you like to hear from? Please feel free to contact any of the co-chairs with your thoughts and ideas.
