

# FYI

## FOR YOUR INFORMATION by Mayor Mike Callahan

Call 301-789-8009 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.

**Town Council Reviews Traffic Study Results:** As reported in the newsletter this past year, the Town commissioned a traffic study to examine the north east quadrant of our community focusing specifically on the areas near our schools and parks. The study area was north of Forest Road and east of Cheverly Avenue. The Town Council reviewed the plan in recent work sessions but conducted a more public session on September 13th during the regularly scheduled council meeting. The discussion can be viewed on the town website: <http://cheverlymd.swagit.com/play/09142018-792>. (By the way you can catch all your favorite councilmembers and the councilmembers on the site)

The Traffic Study does not provide any magic bullets that will prevent traffic in our neighborhood. The study basically confirms what we already know; Cheverly has narrow roads, with cars parked in the road, and schools; that draw a significant amount of traffic during drop off and pick up. Additionally, we have some intersections that are abnormally wide causing pedestrian issues when attempting to cross them.

The Traffic Study does provide a very nice inventory of actions the town can take that will address Public Safety issues caused by traffic. In the past the town has taken piecemeal actions to address these issues, the Traffic Study offers a complete inventory of

actions that can be addressed over a number of years.

The Traffic Study can be found at: [http://cheverly-md.gov/Pages/CheverlyMD\\_MayorsBlog/06287060-000F8513.0/CHEVER~1.PDF](http://cheverly-md.gov/Pages/CheverlyMD_MayorsBlog/06287060-000F8513.0/CHEVER~1.PDF)

**Air Quality Permit Meeting for Smith & Sons:** On Monday September 17th the Town hosted the Maryland Department of the Environment (MDE) and Smith & Sons Metal Recycler at an Informational Meeting. Smith & Sons is revamping its operations and is placing a number of new machines on site. These changes triggered a requirement that Smith and Sons acquire an Air Quality Permit from MDE.

This meeting was the very first step in the process of obtaining the Air Quality Permit. This meeting was designed to inform the public of what is happening and allow the public to comment to MDE about any concerns so that the comments can be considered as MDE reviews the application. Approximately 25 to 30 residents attended to listen and comment. A Public Hearing will be conducted after MDE reviews the application.

During the course of the meeting Smith and Sons explained that they believe the new machinery being implemented will produce fewer air quality issues

*FYI Continued Next Page...*

*Mayor's FYI Continued...*

because they are moving to "wet systems" for their sifting and sorting processes. Their view is that the "wet systems" prevent particulate matter from entering the air therefore it will not leave the site. MDE basically agreed with this assessment.

Cheverly citizens expressed some of the following concerns and skepticism regarding the application: Smith & Sons past history of creating booms, noise and water issues and odors from their property, issues regarding the specific equipment being implemented, issues with ongoing air monitoring to ensure air quality, and issues regarding the MDE statistics and verification.

The Town will closely monitor the permit process as it proceeds and keep the community informed. The town is also taking the following actions to address residents concerns: 1) We are initiating discussions with local air quality experts, 2) We are exploring any opportunities to implement an air quality monitoring station and share costs with Smith & Sons and others, 3) submit a FOIA request to MDE to identify any past violations, 4) a copy of Smith & Sons application can be obtained at Town Hall and will soon be on our website.

How Does our Tree Canopy Rank? So let's get this straight, I hate when neighboring communities out rank us in anything. So I was disappointed to hear that our tree canopy lags behind towns like Takoma Park and Greenbelt by 10 to 15%. Yeech!

Our resident local arborist Nathan McElroy gave a presentation to the Town Council regarding the health of Cheverly's tree canopy. Nathan focused his attention on the changes in our canopy over the last 15 years. To be honest, I was very concerned about his findings given the loss of so many of our larger trees. The news was better than I expected, but we still have a ways to go.

Tree Canopy Coverage: Given a 2% margin of error, our tree canopy covers approximately 46% of the town. The good news is the tree canopy has remained stable over 15 years. The bad news is that this number doesn't come close to communities like Greenbelt and Takoma Park which are in the high 50's to low 60's. Nathan indicated that our goal should be 60%.

Diversity of Tree Canopy: More good news, our tree canopy is actually more diverse that it was 15 years ago. Thanks to the efforts of Public Works we have a more diverse canopy.

Also as street trees have died Public Works has done a much better job of placing the "right tree in the right place". In other words, we no longer plant giant oaks and maples under wires that will eventually have to be trimmed in egregious ways to ensure power lines are clear.

Impermeable Surface Coverage: This is the bad news. This statistic measures how much of our permeable surface is covered by tree canopy. In other words, if you were looking down from the sky how much impermeable surface would you see? Our tree canopy now covers 4% less of our permeable surface than 15 years ago. While it is not clear specifically why, it very well could be that our larger street trees have died and the younger trees have not yet grown sufficiently.

So what does all this mean? Simply put, we need to plant more trees. We need to double our efforts on both Public Property and Private Property.

*Private Property Trees:* I beseech every resident in town to please call Public Works right now and ask them to plant a free tree on your property. I know you're reading this at 9:00PM and Public Works is not open. Well, dang it, call 301.773.2666 right now and leave them a message. They'll call you back. Remember all you have to do is tell them what type of tree and where you want it planted, they do the rest!

*Public Street Trees:* The Town Council agreed to allocate \$15,000 to plant additional street trees throughout the town in an effort to jump start the process of improving the coverage of impermeable surfaces. What is a street tree? Obviously any tree planted in the tree box (grassy area between the sidewalk and the street) is a public street tree. However, some of you do not have sidewalks. In this case the first eight to eleven feet of lawn closest to the street is actually a town right of way. These areas may be planted by the town as well.

What is Happening With the Dog Park? Excellent question, and one that I have heard a lot lately. Unfortunately, the process of obtaining the property from the State Highway Association (SHA) is much more cumbersome than our original plan of signing an MOU. I recognize that this has dragged on for a year, and unfortunately the timeframe for completion could still be a six months to a year. Unfortunately, we are not in control of the timeframe. Good news, is that recent conversations with the head of SHA seems to have created a greater level of focus by SHA.

*FYI Continued Next Page...*

*FYI Continued...*

The town continues to have funds in the budget to execute immediately when the transfer of land occurs.

Hey Mike, "Why not just build the Dog Park at 6301 Kilmer?". Certainly the Town Council has considered this location, but it has been ruled out. Why? The primary reason is the proximity of this property to neighbors. While a Dog Park is a community asset, none of us want our home to be located abutting the Dog Park. It would be unfair to the neighbors to place the Dog Park in such close proximity. Other reasons are the proximity to the Spellman School and potential distractions there while children are at recess and the fact that there is limited parking in the area. Residents in this area already face significant congestion (see Traffic Study above).

Hey Mike, Where will the Dog Park be located? The Town is working with the State Highway Administration (SHA) to acquire the land behind the Public Works building next to Town Park. The site will be approximately one acre. This site is well protected from any homes and will be shielded by the Public Works building.

Hey Mike, Is that Area Appropriate for a Dog Park? Currently this particular area has some large trees, but mostly the area consists of low level brush. The current plan calls for retaining any significant trees and removing the brush. The park will be fenced and there will be separate areas for large and small dogs. The area is relatively flat and will be covered with mulch. The area is proximate to water and electricity, so while these amenities may not be available immediately they will be available in the future.

Hey Mike, Why has this taken so long? As mentioned above in our early meetings SHA agreed to pursue an MOU, where SHA would retain the ownership of the property and allow us to use it. This path was pursued for a number of months, and through a number of personnel changes. Unfortunately, early this year SHA concluded that this property could not be used via MOU, and began a process for property transfer to the town. My apologies for the delay. However, the good news is that we have identified and agreed on a property for a Dog Park and someday soon we will have this amenity for our four legged friends.

Why are our Police always on Route 202? Oh my gosh, I get this question almost every week. So, I decided to chat with Chief Robshaw and ask him to please explain to me how we

deploy our police. Of course, Chief Robshaw never discusses specific tactics or strategies but this is what he indicated.

The Chief indicated that over 50% of patrolling time has always been spent inside the residential area of town. However, as the crime rates along Route 202 have dropped over the last year our police have been able to spend even more time in the residential areas of our community.

So why do folks feel that the Police are always on Route 202? I have three reasons why this might be true. 1) All of us use Route 202 to exit and enter the neighborhood. When we see police lights on Route 202 it grabs our attention. However, once we enter the neighborhood we only travel a few streets. If we are not on the same streets as our police, we simply won't see their police cruisers. 2) Generally, the police do not have their lights on as they cruise the neighborhood, therefore they do not draw our attention. 3) Most of our police vehicles are unmarked black vehicles. Many times they can pass by and simply not be noticed. Over the next few years the Police Department is moving to utilize more Cheverly branded police vehicles hopefully this will help us identify them more often.

Wouldn't Cheverly Look Good in the National Register of Historic Places: In the late summer and fall of 2018, staff from the Ottery Group and M-NCPPC will be surveying and photographing houses and landscapes in the older part of Cheverly to prepare a National Register Nomination to list the historic portions of Cheverly in the National Register of Historic Places.

Via Resolution 1-18 adopted May 24, 2018, the Town of Cheverly resolved to apply for financial assistance to the Prince George's County Planning Department to engage the Ottery Group for this work.

Listing in the National Register of Historic Places is largely honorary and is non-regulatory; therefore there will be no burdens placed on a homeowner who is looking to improve their property. However, there are benefits, properties that are identified as contributing to the district would be eligible to apply for Maryland Heritage Structure Rehabilitation Tax Credit Program. Homeowners have the opportunity to earn a state income tax credit equal to 20 percent of qualified rehabilitation expenditures. This credit can help pay for potentially costly restoration expenses, such as replacing a slate roof or rehabilitating windows.

*FYI Continued Next Page...*

*Mayor's FYI Continued...*

There are over 100 National Register properties and districts in the county already, including Old Town College Park, University Park, College Heights Estates, Greenbelt, Riverdale Park and Mount Rainier. Cheverly should definitely be one!

Once some initial survey work is completed, staff will make a presentation to the town on the potential size of the district, potential contributing properties, and benefits. If you have questions about the nomination process please contact Mr. Daniel Sams in M-NCPPC's Community Planning Division at 301-952-5447 or [daniel.sams@ppd.mncppc.org](mailto:daniel.sams@ppd.mncppc.org).

So this fall if you see someone walking the neighborhood looking at homes, they are not casing your house they are helping us achieve this goal. The Town will provide the team with a letter of introduction so that if a resident asks they will be able to identify themselves.

**Volunteers Needed!:** Hopefully, you all didn't just skip right by this headline. The Town Council needs you. If you are reading this newsletter and thinking, how come I didn't know this or I wish someone asked my opinion on this, or I would have done that differently... then guess what YOU NEED TO VOLUNTEER! The Cheverly Planning Board and the Cheverly Green Infrastructure Committee need new members as you read about the topics in this newsletter please know that the Planning Board and Green Infrastructure Committee give continual guidance to the Mayor and Council on all of these topics.

**What is Happening at Town Park?** Changes continue to happen in Town Park. Approximately five years ago the Town Council and the Green Infrastructure Committee hosted a series of well attended community meetings to modify the Town Park Plan. Some of aspects of the plan have already been implemented: a New Stage, Handicap access to the Pavilion, and with the help of the county storm water management concepts.

However, one of the biggest aspects of the plan was to move the existing basketball courts to the tennis court area. These new courts will be multi-use courts, but the primary purpose will be for basketball. This allows for increased area for the courts and two full length courts. This move also eliminates long standing issues between nearby neighbors and the existing basketball courts.

*"What will happen to the area where the basketball courts*

*are now?"* This area was planned to be more of a park area where we might eventually place a pavilion. This would be a nice complimentary use to the Community Market.

**PickleBall Coming to Town Park:** Well, I don't know about you but many of my friends are raving about pickleball. Admittedly, my friends are a little older. What the heck is pickleball? Pickleball is a paddle sport that combines elements of badminton, tennis, and table tennis.<sup>1</sup> Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, similar to a wiffle ball over a net. The key is the court is much smaller than a tennis court and the play can be fast moving.

Our new multi-use courts will have two modular pickleball courts for everyday use.

## RECYCLING TOTALS

Aug 2018

Curb Recycling - 48.77 tons

Electronic Recycling - 0

Appliances - 2

## Columbus Day

Monday,

October 8, 2016

Town Offices Closed

No Trash Pickup

## Fall Flea Market

The fall flea market, sponsored by the Cheverly Recreation Council, will be Saturday, October 13th, from 8:30 a.m. to 2 p.m. at the Town building. Come rain or shine, it's held indoors!

There will be lots of bargains, good food, and fresh baked goods for sale.

Come down for lunch and bring a friend. See you on Saturday October 13th.

# FILEA MARKET

## TOWN MEETINGS & WORKSESSIONS

*Votes are unanimous unless otherwise noted*

### ACTIONS TAKEN

September 13, 2018

1. MOTION CM Ivey to excuse CM Stewart and Riazi. Seconded CM Garcia. Approved 5-0.
2. MOTION CM Ivey to approve O-4-18 Healthy Families Act. Seconded CM MacKenzie. Approved 4-0.
3. MOTION CM MacKenzie to make a budget adjustment in the amount of \$10,300. Seconded CM Ivey. Approved 4-0.
4. MOTION CM Ivey to award the contract to Old Dominion. Seconded CM MacKenzie. Approved 4-0. Mayor cast the fourth affirmative vote. CM Garcia absent
5. MOTION CM Eldridge to authorize a the Mayor to send a letter of opposition to the FCC to Small Cell Towers. Seconded CM MacKenzie. Approved 4-0. Mayor cast the fourth affirmative vote. CM Garcia absent.
6. MOTION CM Ivey to approve a budget adjustment in the amount of \$15,000 to hire a contractor for street tree planting. Seconded CM Eldridge. Approved 4-0. Mayor cast the fourth affirmative vote. CM Garcia absent.

September 27, 2018

ITEMS FOR TOWN MEETING October 11, 2018

1. Adoption O-5-18 Amending Housing Code

### DISCUSSION ITEMS:

1. Woman's Club Presentation
2. SHA Response
3. Small Cell Towers
4. Traffic Survey Actions
5. Discussion November Worksession Date
6. Graffiti
7. Electronic Signs

*Message from the Chief*

Buddy Robshaw

[policechief@cheverly-md.gov](mailto:policechief@cheverly-md.gov)

CHEVERLY PUBLIC SAFETY DAY- A great big thank you for all who attended Public Safety Day on Thursday, September 21, 2018, in the Town Park. Once again, MISSION BBQ served an outstanding meal and our public safety partners came through with outstanding equipment displays. I would particularly like to thank the Prince George's County Police, the County Sheriff's Department, the Chapel Oaks Volunteer Fire Department, the Greenbelt City Police, the Maryland Park Police, and a host of other volunteers who made this year's event spectacular. One crowd estimate was 700 attendees, which speaks to the strong partnership between the CPD and the Cheverly community.

I would also like to take this opportunity to also recognize all of those who donated baked goods, the proceeds of which along with those of the dunk tank will be donated to the Maryland Chapter of the Concerns of Police Survivors (COPS). COPS is an all-volunteer national organization that cares for the survivors of police officers killed in the line of duty. I would also like to recognize the Cheverly Police Chief's Advisory Board (PCAB), a great number of whose board members helped with the planning and food service for Public Safety Day. The PCAB has been working very hard over the last several months to establish community trust, to provide practical guidance, and to begin to serve as an important community organization to improve public safety and social outreach within Cheverly.

WEARABLE CAMERAS – Just a reminder to the Cheverly public, that all Cheverly patrol officers are assigned and wear on their uniforms video cameras that record both sight and sound. These cameras serve many distinct functions, not the least of which, include the capture of crimes in progress, the collection of evidence, and the direct actions of both the officer and those persons who interact with the officer during the course of his/her duty. Officers are required to announce the use of these cameras upon their arrival on the scene of a crime or incident and all recordings on these tamper-proof cameras are collected and preserved.

In addition to wearable cameras, the Department recently installed additional cameras in all patrol vehicles to record traffic stops and other police actions from a wider view than body cameras alone. The wearable cameras are slaved to the in-car cameras to ensure greater storage and picture clarity.

On a related note, the footage from these cameras has saved the Town thousands of dollars in legal costs and fees from false claims of police misconduct and also improved how our officers interact with the public. This footage has also been responsible for an increase in our prosecution rate as evidence of our police actions is readily accessible at trial.

**DID YOU KNOW THAT THE CHEVERLY POLICE DEPARTMENT WILL DISPOSE OF, FREE OF CHARGE, THE FOLLOWING:**

1. All unwanted firearms, magazines, ammunition, or other weapons. Please call the station first to ensure a police officer is available to receive the unloaded weapon. In cases where a resident is unable or unwilling to unload any firearm, please call the station and an officer will be dispatched to take the weapon. This applies to all handguns, rifles, shotguns, BB or pellet guns, or any other dangerous weapon. It is the policy of the Department that all such weapons will be utilized by the Department or destroyed, and not traded in for discounted law enforcement weapons or purchases.

2. All unwanted prescription medicines. The station maintains a prescription medicine container in the lobby and residents may utilize this service unattended. Please cross out any names or addresses on the prescription container and ensure all lids are tightly fastened. All such medicines are destroyed.

3. All controlled dangerous substances (marijuana, cocaine, etc.). Residents who find such substances are encouraged to call the station first to ensure a police officer is available to receive the substance. In cases where a resident is unable or unwilling to collect the substance, please call the station and an officer will be dispatched to take such substances. Confidentiality will always be employed in these circumstances. Again, all such substances will be destroyed.

4. Other found property. The Department makes an attempt to identify the owner of all found or recovered property. All unclaimed property is auctioned or sold, if possible, with the funds used to purchase police equipment.

**TEAM CHEVERLY:** Please take a moment if you have not already done so to sign up for Team Cheverly. To do so, simply send an email to Team (Your Ward Number) @ Cheverly police.org with a brief note asking to join. Example: Team4@cheverlypolice.org. This is the best way to get the latest information about crime in our community and what you can do to help. Thank you in advance.

## **Cheverly Green Infrastructure Committee**

October Monthly Meeting

Monday, October 1, 2018 Time: 7:30-9:00 p.m.

Large Conference Room, Cheverly Community Center

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact [sheila.salo@gmail.com](mailto:sheila.salo@gmail.com) for a copy of the meeting agenda.

## **GREEN @ HOME – Bay-Wise Cheverly**

There are now 11 yards certified, 8 private yards and 3 public areas, with more awaiting Master Gardener visits. Congratulations to the new Bay-Wise gardeners! Ward 4 is still ahead in yards certified, with ward 1 close behind.

Check out the map of certified yards at [www.greencheverly.org](http://www.greencheverly.org). Will your yard be the next to be certified?

Bay-Wise yards:

- ◆ Control stormwater runoff: install rain barrels, rain garden
- ◆ Provide food, water, and shelter for wildlife
- ◆ Reduce or eliminates use of chemical pesticides and fertilizers
- ◆ Compost yard clippings, leaves, and vegetable scraps
- ◆ Use native plants and trees
- ◆ Convert lawn to a conservation landscape
- ◆ Protect your neighboring stream or seep

Maybe this is your yard already. Maybe you need just a little encouragement.

Using the University of Maryland Extension's Bay-Wise Maryland Yardstick you can get credit for your environmentally-friendly landscape practices, even a cool sign for your yard.

The Cheverly Green Infrastructure Committee and Maryland Master Gardeners are helping promote the Bay-Wise program right here in Cheverly.

Find the Bay-Wise Yardstick on [www.greencheverly.org](http://www.greencheverly.org). Click on the LED lightbulbs to find more information and ideas for your yard.

You can also pick up yardstick brochures and information at the Maryland Master Gardeners table or the Friends of Lower Beaverdam Creek / Cheverly Green Infrastructure Committee table at the Cheverly Community Market.

Let's make Cheverly a Bay-Wise community. How many of our Cheverly yards can we certify? Be wise, be Bay-Wise!

---

## **4th Ward Civic Association**

When - Every 3rd Monday or the month

Time - 7pm

Location - Cheverly Town Center, 6401 Forest Road, Cheverly, MD 20785

POC - [kaycesimmons@yahoo.com](mailto:kaycesimmons@yahoo.com)

NOTE: Meetings will be held every month, 3rd Monday.....unless cancelled.

Additionally, I will be holding CareGroup/BibleStudy meetings at my house 2 times a month (not in conjunction with 4th Ward Civic Association) Can you also add the following:

What Are Bethel World Outreach CareGroups (Bible Study)?

Everybody needs to be discipled. We all need a place where we can grow spiritually, love deeply, and serve selflessly. A place where we can experience God with others and become devoted disciples of Christ.

Our Care-Groups provide all of this, plus more! These groups meet once each week in various homes within the community.

Please call 240-478-4077 or email [kaycesimmons@yahoo.com](mailto:kaycesimmons@yahoo.com) for more information, dates, and times.

# Community Bulletin Board

## **St. Ambrose Blood Drive for Children's Hospital: November 10!**

Please consider sparing a few minutes to help children in our area in need of blood at Children's National Hospital. St. Ambrose Men's Club has arranged for the hospital's bloodmobile to be in the church parking lot from 9:00-2:00 on November 10.

To sign up call 202-476-5437.

For information on donating visit <https://www.cnmcblooddonor.com>.

## **Unplug your children and put them on a path to outdoor adventure and character development –**

**Cub Scout Pack 257 and BSA Troop 257** are expanding and have fun activities including camping, hiking, Search and Rescue activities, and kayaking planned for older boys and girls. Cub Scouts will be **CAMPING** at Watkins Park on October 19-21! BSA Scouts are kayak-camping on September 29-30 and will backpack-camp in the autumn and cabin-camp in January! Be on the lookout for the Annual Scout Haunted Hike at Cheverly Town Park on Saturday, October 27<sup>th</sup>. Scouting improves confidence, develops outdoor skills, teaches citizenship and builds character through community service. Our Cub Scout Pack is co-ed, and our BSA Troop (formerly known as Boy Scouts) will be co-ed beginning February 2019. Cub Scouts are for youth in grades K through 5 and BSA Scouts are for young men and women in grades 6 through 12.

For more information on Cub Scouts please email Janice Cornish at [scoutpack257@gmail.com](mailto:scoutpack257@gmail.com).

For more information on Boy Scouts email David Abram [abramdavid@aol.com](mailto:abramdavid@aol.com). You can call Micah Watson at 240-603-9366 for more info on both scouting opportunities.

Keep up with both groups on Facebook at Cheverly Cub Scouts or Cheverly Boy Scouts. A special Thank You to our generous sponsor, Cheverly American Legion Post 108.

## **Progressive Cheverly**

Please join us on Thursday, October 4th, as we continue our forums on the important elections this year. For the first part of our program, Delegate Jimmy Tarlau will discuss "**What's at stake for Maryland in the November election.**" You will have a chance to delve a little deeper than all the campaign rhetoric as to the significance of the outcomes in the races for Governor and the General Assembly. Following that, please join us for a postcard writing campaign. Thursday, October 4th, 7:00 pm, Hoyer Education Center cafeteria, [2300 Belleview Ave.](#) Stay tuned for future forum announcements.

Please consider supporting Progressive Cheverly's commitment to bringing you monthly educational forums as well as our advocacy on important issues affecting our community. Membership is only \$20.00/year (individual), \$35/year (household). You can send a check, payable to Progressive Cheverly, to Treasurer, Progressive Cheverly, [5711 Euclid St, Cheverly MD 20785](#), or sign up on-line at our web site, [progressivecheverly.org](http://progressivecheverly.org). We are also on Facebook at [facebook.com/progressivecheverly](https://facebook.com/progressivecheverly).

**CHEVERLY COMMUNITY MARKET**  
6401 Forest Road  
Cheverly, MD 20785  
[www.cheverlycommunitymarket.org](http://www.cheverlycommunitymarket.org)

MARKET DATES: October 6, October 20  
Holiday Markets: November 17, December 8

# Community Bulletin Board

**Cheverly Garden Club** - Welcome to Autumn and getting in the last of Spring and Summer gardening, while wishing to save some seeds and getting gardens ready for Winter. Looking at the limbs and bushes we know we will be doing a lot of pruning when they go dormant. If your tools need sharpening the garden club has a commercial sharpener and someone with ability to use it. This is a free service for members and others pay a minimal charge.

We are very pleased to announce one of our members and Cheverly resident, Harold Belcher, won the District 1 Perennial Award. If you want to share designs with us at our next meeting (Monday, October 15th at 7:00 pm, 4th floor, Cheverly United Methodist Church) come with a small pumpkin. You will be creating a Fall arrangement to take home using a sharp knife, Oasis, and fresh flowers. There is a \$5 charge for non-members. For a little more you can pay dues and join the garden club. Remember to rake leaves and put them in paper bags and in the Spring, they can come back to you as Cheverly's black gold (leaf mulch).

Put these dates on your calendar and share with us these exciting events. Holiday Spectacular Friday, November 2nd at the Cheverly Community Center, hosted by Cheverly Garden Club. Doors open at 10:30 am for social and snacks. From 11:00 am to 12:30 pm three special designers will be sharing holiday designs. Free for garden club members and guests pay a \$3 charge. Winter Visit at Hillwood Saturday, December 1st. The trees will be decorated "Faberger." The cost for lunch, entrance, and private tour is \$40. Call 301.773.3006 to make reservations. We are Dirt under the Nails club and would like to share our knowledge with you. Everyone over 18 in Cheverly is eligible to apply for the Garden Club Life Long Learning Grant. It is up to \$500 for your education and there are rules, but it is an easy way to add gardening related interest and knowledge. Applications from club members and at the Town Center.

## **Back to School Drive Updated and Prepping for Fall Festivities**

From CPRC's Community Gifts Team: Thank you all so much for supporting our annual school supply drive!! Along with a \$2000 Town Grant, we raised over \$900 from Cheverly citizens and over \$250 worth of in-kind donations. We were able to send supplies primarily to Gladys Noon Spellman Elementary School, Judith P. Hoyer Montessori School, Cesar Chavez Dual Language Immersion

Elementary School, and Seat Pleasant Elementary School - all schools that serve Cheverly students. The Cheverly United Methodist Church also contributed a number of backpacks for our Spellman students! Together we were able to provide full supplies to over 100 students, and partial supplies to many others!

We did have some money left over, which we will put towards the Thanksgiving Turkey Drive. More details on that soon, but we will start fundraising soon! If you'd like to help with shopping (particularly the weekend of November 17-18), or assisting on other service projects, please let me know!

Recently I had the pleasure of sharing my experience as Community Gifts Coordinator with the 7th grade students at Capitol Hill Day School. They were very excited to learn of our work on the Summer Nutrition Kits, the practical considerations of community service projects, and ways to engage young volunteers. I am so grateful that our town is so supportive of all the fundraisers we conduct with CPRC and you make the work very fulfilling. Thanks so much for your enthusiasm and generosity! - Laura Frese, [laura.s.frese@gmail.com](mailto:laura.s.frese@gmail.com)

BOO! Join us at the October 20 Market for CPRC's annual Costume Swap! Bring an old costume and take home a new-to-you costume. If you don't have a costume to swap you can make a small donation to support our Thanksgiving meal drive instead. All sizes welcome, from infant to teen.

Join us at the pumpkin patch: CPRC will take a trip to Shlagel Farms on at NOON Monday, Oct. 29, 12850 Shlagel Road, Waldorf, Maryland. Take a wagon ride through the fields, a stroll through the petting zoo, and pick out pumpkins so you're ready for Halloween!

Don't forget to renew your CPRC membership for the year! We will be at the Cheverly Community Markets signing people up and renewing memberships for 2018/19. Membership supports playgroups, activities, outreach, and the listserv. If you have any questions about membership contact Katy Blevins, at [cprcmembership@gmail.com](mailto:cprcmembership@gmail.com). Thank you for your contributions to our community!

## Cheverly American Legion Post 108

The Cheverly American Legion family is a vibrant and growing group of veterans and family who share an interest in supporting veterans, military service members and their families,

**Bluegrass Show (Live Music)** - Sunday, October 21, 1 - 4 p.m. The 108 Music Series presents "Blue Crab Grass", a bluegrass band that is great to bring the whole family to see. Doors to the event open at 12 p.m. for food before the show. Food and beverages will be available for purchase. Admission is \$20. Children 12 and under are admitted free (must be accompanied by adult). Some kids' activities will be available. Tickets available at [The108MusicSeries.com](http://The108MusicSeries.com) or at The Dugout.

**Halloween Dance Party** - Friends of Spellman PTA and Post 108 will be throwing a Halloween Dance Party. The dance party will be in a similar vein as the ever popular Cheverly Prom with friendly competition between group costume themes. Specific details weren't available as of the October newsletter but the dance is currently planned for November 3. Look for more details on the email exchange and on Cheverly American Legion's website calendar.

**Second Friday St. Ambrose Men's Club Game Night** - Friday, October 12, 8 p.m. Join the Cheverly American Legion and St. Ambrose Men's Club for pool, darts, and cards. This is a great evening to learn a little bit more about both of these great Cheverly groups.

**Ladies' Night at the Legion** - Friday, October 19, 7:30 p.m. Knit, drink, repeat! Last year, one of our members knitted 100 caps for Vets & the homeless. Let's join her & get all of us knitting caps! Some of us just need to learn how. Yarn & needles provided for those who want to learn & if you can teach, so much the better! - Adult (over 21) ladies - & men - are welcome. Let's get our knit on!

**Cheverly American Legion hosts many events open to the public! It's a great chance to ask about how to join or learn about our charitable initiatives. More event details at [CheverlyAmericanLegion.com](http://CheverlyAmericanLegion.com)**

**Board Game Night** - Thursday, October 25, 8 p.m. Work together in Pandemic or turn against a fellow Cheverly neighbor in Game of Thrones. The Dugout is opened up to the public every fourth Thursday of the month for board game fun!

**Iraq & Afghanistan Happy Hour** - Friday, October 26, 8 p.m. Let's be honest, it's always happy hour pricing in The Dugout bar. Shoot some pool or throw darts with fellow veterans who served from the Gulf War to current. Only one single day of military service makes you eligible to become a Legionnaire. Being a member enables your spouse and children to join as Auxiliary or Sons members, opening up opportunities such as Boys & Girls State and scholarships.

**Commander's Hours** - Every Wednesday, 7:30 - 8:30 p.m. Learn more about becoming a Legionnaire, Auxiliary or Sons member. Also, find out about our charitable efforts and programs to support veterans and their family members.

**Cheverly American Legion Post 108 Membership** (\$35/year): The American Legion is open to men and women who are serving or have served at least one day of active duty in the Armed Forces of the United States during times of war. Find eligibility dates, application form and documentation requirements at [CheverlyAmericanLegion.com](http://CheverlyAmericanLegion.com) or contact Joseph Pruden (301) 602-2117.

Upcoming meetings:

Tuesday, October 2, 7:30 p.m. - Executive committee

Monday, November 19, 7:30 p.m. - General membership

**Cheverly American Legion Auxiliary Unit 108**

**Membership** (\$25/year; Jr. \$5/year): The ALA is open to women veterans and women service members, and to many women whose family member is/was a veteran or service member. If you are interested in joining or learning about the American Legion Auxiliary, email us at

[cheverlyauxiliary@gmail.com](mailto:cheverlyauxiliary@gmail.com).

Upcoming meetings:

Monday, October 1, 7 p.m. - Executive committee

Monday, October 1, 7:30 p.m. - General membership

**Sons of the American Legion Membership** (\$20/year): The SAL is made up of men and boys of all ages whose parents or grandparents (including adopted and stepsons) served in the United States military and who are eligible for membership in the American Legion. All who would like to know more about the Sons are welcome to attend the general meeting. For meeting dates and times or more information, please email [cheverlyamericanlegion@gmail.com](mailto:cheverlyamericanlegion@gmail.com).

# Community Bulletin Board

**“That’s SO Cheverly!”**

**Cheverly Village** members and Girl Scout Troop #2071 are teaming up this month to

provide the Scouts an opportunity to receive the Bronze Award, the highest honor that a Junior Girl Scout can receive. Cheverly Village members are providing yards that need to be raked, weeded and tended and the Girl Scouts are providing the tending. As a neighbor recently stated, “That’s SO Cheverly!”

At Cheverly Village we are embracing and adapting this sentiment and are also saying, “That’s SO Cheverly Village!” When we enjoy the regular gatherings of the Cheverly Village Book Group, Game Days, Singing for Fun Group, Master Aging Plan (MAP) sessions and Tech Talks, “That’s SO Cheverly Village!”

When we offer workshops like last month’s ‘Hands-Only CPR and STOP the BLEED’ training -in partnership with Prince George’s County Fire and EMS Department - for Cheverly Village volunteers, we invite all our neighbors to attend, also. “That’s SO Cheverly Village!”

When we - in partnership with Wegman’s Pharmacy - provide the opportunity to receive vaccines for both the flu and shingles to Cheverly Village members right here in Cheverly, and we extend the opportunity to all our eligible neighbors, “That’s SO Cheverly Village!”

The shots are available on October 6, from 10am-12pm during the Cheverly Community Market. Stop by the Cheverly Village table for more information about the vaccines or contact us for more info. There are age requirements, and both are free with Medicare and most insurances, so bring your insurance card.

We, at Cheverly Village, hope to see or chat with you soon about membership, volunteering, upcoming events and other opportunities because “That’s SO Cheverly!”

Call or write us to find out how to be a member, a volunteer, or a supporter of Cheverly Village. 240 770 1033, [Village@CheverlyVillage.org](mailto:Village@CheverlyVillage.org)

By Teresa Williams, on behalf of the Cheverly Village Board

of Directors

## **A Planting Party and You Are Invited!**

**Friends of Lower Beaverdam Creek (FLBC)** is holding our monthly volunteer session a week earlier than usual. Join us Saturday morning, Oct. 20 as we add more plants to the garden at "Ken's Korner" and participate in the County's fall Clean Up, Green Up program.

The planting party is from 9 - noon. Look for the yellow canopy past the green gate at the corner of Parkway and Arbor Street. Dedicated last year to trail guru and dear friend Ken Furnkranz, the trail side Bay-Wise garden is the one with the funky tree-hugging metal bench next to the bamboo forest. And LOTS of ferns!

Gloves, snacks, water and tools are available (feel free to bring your favorite trowel or spade). All ages are welcome. School community service hours can be earned. For more information contact Dan Smith at [smithdc@comcast.net](mailto:smithdc@comcast.net) or 301-386-4394.

## **The Garden at Magruder Spring**

Have you seen the new stone work around Magruder Spring? How about Cheverly's newest garden on the hillside next to an important source of cool, clean drinking water here until well past World War II?

Along the Woodworth Park trail where it climbs to lower Cheverly Avenue, the garden is a showcase of flowering native plants that attract and nourish butterflies, birds, bees, and a croaking toad or two. A sign with photos will help you name plant favorites (or try out one of the many available phone apps!).

Take home ideas for bringing more of nature's beauty and grace -- and healthy, sustainable Bay-Wise practises -- to your own home garden. For a hands-on learning experience join us at Ken's Korner at 9 am,

# Community Bulletin Board

**WOMAN'S CLUB** - "The future is not something we enter. The future is something we create" - (Leonard I. Sweet. - American writer).

We are excited about our plans as we prepare to celebrate our 100th anniversary. That was twelve years before Cheverly was incorporated. Isn't it amazing that the Cheverly Woman's Club was formed a year before women in Cheverly even were able to vote! We're studying who the forward-looking women were who formed this group to work together on issues like improvement to our schools. Were they inspired by the passage of the 19th amendment? We are beginning to research and update our archives, and celebrate the accomplishments of these women.

Another plan that's underway is spreading the idea that "Love is an action word!" One of our members has been giving "Friday Love" for the last 15 - 20 years. She reaches out to surrounding homes with Love Gifts - small items like pop corn / flowers. She is now sharing this message with all of us - "Passing Love to you. Pass your Love on to another! One neighbor sent a thank you - "To the world, you may be one person but to one person you may be the world. Today, you were the world to me. Thank you for your kind gift." We are reaching out to ask you to find your action of love.

Next meeting - Monday, October 1, 7 p.m. at the Community Center. We are excited to begin this work and welcome new ideas, experiences, and gifts from the wonderful and talented women of Cheverly. We invite you to come to any of our meetings to share in the process.

We are also meeting most Monday mornings for coffee/tea to further the conversation. We'd appreciate your input. If you'd like to be involved but can't make morning meetings, let us know. We can be flexible. Call first to make sure it's a Monday we are meeting and for the location (Joyce Lang 773-2211).

## **Cheverly Recreation Council**

The meeting is Tuesday the 23rd of October at 7 p.m. conference room, Town Building. The topic of discussion will be the children's Halloween party 10-27-18 and how we need lots of help—Volunteers to put this party on.

# HALLOWEEN PARADE

The annual Halloween Parade and Party, sponsored by the Recreation Council will be **Saturday, October 27th at 11:30 a.m.** But first the Parade starts off at Gast Park (Tot Park) at 11:10 a.m. and precedes down Parkway and up Forest Road to the town building. Parents are invited to come in costumes and join in the fun! There will be crafts to make and then enjoy some refreshments.

**We need volunteers!**
