FOR YOUR INFORMATION by Mayor Mike Callahan

Call 301-789-8009 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.

Cheverly Names New Acting Chief of Police:

Mayor Mike Callahan had the honor to swear in a ten-year veteran of the Cheverly Police Department as acting police chief. On October 25th the Mayor and Town Council unanimously selected Sgt. Jarod Towers, a highly decorated officer, to serve as acting chief following Chief Harry "Buddy" Robshaw's retirement on Wednesday.

Sgt. Towers was named Officer of the Year in 2010 and 2013, Detective of the Year in 2012 and received the Chief's Award for his leadership in 2013. He is responsible for significant technology upgrades to our department's body worn cameras, in-car video and police radio equipment. Mayor Callahan said today, "In his role as acting chief, Sgt. Towers will undoubtedly call upon his leadership skills from both his law enforcement experience and his service as a United States Marine. The Council and I are confident he will lead our department with a keen sense of responsibility, transparency, community and professionalism."

Acting Chief Towers will work to ensure the residents of Cheverly continue to enjoy lower crime rates and receive the same professional experience they've come to expect, and that public safety remains a top priority.

Since his appointment Acting Chief Towers has been checking in with every community group, outlining his vision for even greater community involvement for the Cheverly Police Department.

Cheverly Names an Interim Town Administrator:

The Mayor and Town Council named David Deutsch as the Interim Town Administrator on Tuesday November 13th and will serve in that capacity while David Warrington is on leave.

The town council is pleased to have the services of Mr. Deutsch, who previously retired from the City of Bowie where he served as the City Manager for twenty-three years. Prior to that he served as the Town Manager in Springettsbury, Pennsylvania for thirteen years.

Congratulations to Councilmember, Soon to be

Delegate Ivey: CM Ivey recently won election to the Maryland House of Delegates and will be sworn in to his new office in early January. CM Ivey will be resigning from his office on January 6th as he moves to his new challenge. The Town Council congratulates CM Ivey on his election and thank him for his efforts on behalf of our town.

Town Council Will Consider Replacements for Ward 2 Councilmember: The Town Council will select a replacement for the vacancy for the Ward 2 council seat in the January 24th council meeting. The council will follow the procedures that have been used when other previous openings have occurred. The council will review submitted documents, listen to a 3 to 5 minute speech from the applicants and then vote for the replacement. The selected candidate must receive a majority of the votes.

Residents of Ward 2 who are interested in filling the vacancy should submit a letter of interest outlining the reasons they are interested in joining council, a resume and fill out a financial disclosure form. These documents should be submitted at Town Hall prior to close of business on January 16th.

Given that town wide elections will be held for the Mayor and all Councilmembers on the first Monday in May, the selected candidate will serve for only 3.5 months.

Town Council to Reconstitute the Ethics

Commission: Recently the Town Council became aware that the town has been operating in violation of the Town's Ethics policy for at least the last 15 years. This action was not purposeful, it was simply due to the continuation of previous council's actions without a proper review ever occurring.

During this time it was my belief that the Ethics Commission was episodic, and that it was only to meet when an ethical violation was reported to be investigated. Given, that no violations were reported the Ethics Commission was never convened. However, rereading the Ethics Code the commission is to meet at least once a year to at minimum review the financial disclosure documents submitted by the elected officials.

The Council will discuss reconstituting the Ethics Commission during the November 29th Council Meeting, and has asked for recommendations from the Town Attorney and the Acting Town Administrator as to how to proceed. Here is the weblink for the for the town's ethics policy: https://library.municode.com/md/cheverly/codes/code_of_ordinances?nodeId=PTIIR_CH3COET

Cheverly Police Department Expands Hours of Service: Acting Chief Towers announced new hours for the Cheverly Police Department in an effort to better support the community. The new hours started on November 26th!

Monday - Friday 7:00AM to 7:00PM

Saturday 8:00AM to 4:00PM

Sunday Closed

Recent Cheverly Booms: Many Cheverly residents complained of experiencing a significant "Cheverly Boom" on the evening of November 19th at approximately 8:00PM.

The Cheverly Mayor immediately contacted the Smith & Sons Company to ask if the boom originated from their site. Smith & Sons acknowledged that the boom was from their site. In follow-up conversations, the Town expressed their disappointment that the inspection procedures, recently implemented, failed in this and other recent incidents and requested that Smith & Sons bring forth proposals that would address these failure in procedures.

Smith & Sons has agreed to come forward with new proposals as well as strengthen the existing procedures. The Town plans to meet with Smith & Sons next week to discuss their proposals. We will keep town residents informed regarding progress in these discussions.

Meals on Wheels Needs a New President and Vice

President: Cheverly has long been a great supporter of the Meals on Wheels program. Our community supplies many officers and drivers to this incredibly valuable program that delivers a hot meal to homebound seniors in the greater Cheverly area. The current President (Gail Scott) and Vice President (Tom Foley) have been leading this program for many years. However, it has come time for them to step away. We thank them for their years of service, however the best way to honor them is to identify people who will step into their shoes and continue the program.

These officers give up to 10 hours a month performing various responsibilities such as signing up new members and coordinating the driver's activities. Please consider stepping up to assist in these roles.

If you are interested, give me a call at 301.789.8009.

Mark Your Calendars for the Holiday Tree

Lighting: On December 7th the Town Council will once again invite local choirs to the Town Gym for a Holiday Song Fest, followed by a parade to Legion Park for the lighting of the Holiday Tree, more singing led by the local Girl Scouts and of course the Yule Log Fire.

This has become one of my favorite traditions for kicking off the holiday season. What better way to start the season than singing with your neighbors, or simply listening to them sing if your voice is like mine.

Message from the Acting Chief
Jarod J. Towers
(policechief@cheverly-md.gov)

First and foremost, I want to thank our Mayor and Town Council for the opportunity to serve this great Town as the Acting Chief of Police. Secondly, I want all of Cheverly's stakeholders to know that the Cheverly Police Department and I are committed to better serving the Cheverly Community. I strongly believe in transparency and teamwork. I believe that the community and the police department should work together to establish a relationship that fosters trust, respect, and effective community policing strategies.

Over the last few weeks, you may have seen officers getting out of their cars, attending community events, and even patrolling the halls of our schools. This is just the beginning of our officers getting to know our community and you, our community, getting to know your officers!

Just to share a few of the things we are doing to better serve our community:

- Effective November 26th at 7 am, the police department's administrative offices are now open Monday through Friday, 7 am to 7pm, and Saturdays, from 8 am to 4 pm (This excludes federal and town holidays).
- The department has begun utilizing social media as a means to communicate quickly with the community. Be sure to follow us on Facebook, Twitter, and Instagram!
- The department has contacted all of our schools and initiated conversations to bring them on board with the department's current radio program. This will enable the schools to quickly relay emergencies to officers on duty and allow the department to quickly relay lockdown information in the event of a community emergency.
- The department has ordered a "call box" to be mounted to the front of the police department. This will allow a citizen, who visits the police department after officer hours, to quickly contact an officer or the 911 dispatch center regardless of whether the citizen has a cellular telephone.

What Are Bethel World Outreach CareGroups (Bible Study)?

Everybody needs to be disciplined. We all need a place where we can grow spiritually, love deeply, and serve selflessly. A place where we can experience God with others and become devoted disciples of Christ. Our Care-Groups provide all of this, plus more! This group meets twice a month.

Please call 240-478-4077 or

email kaycesimmons@yahoo.com for more information, dates, and times.

Cheverly's Pack 257 and Troop 257 are wrapping up their biggest and busiest fall yet! Our 12th annual Haunted Hike brought neighbors and friends to Cheverly Town Park for a chilly walk and spooky storytelling. Our Scouts ventured out into the community to immediately start our Scouting for Food Drive collection that yielded hundreds of pounds of canned goods for the area needy. The Troop sold wreaths and firewood at the November Holiday Market and then the Troop wrapped up the pre-holiday season with an all-day 10 mile hike through the scenic Massanutten Ridge trail. The Pack enjoyed a science themed fall Camporee at Watkins Park including cooking, hiking and robot building. Once back from this exciting adventure, the Pack prepared over 400 snack bags for homeless shelters in the area.

There's still time to get in on all the fun: Join us at the Cheverly Holiday Market on December 8th, where we'll have more wreaths and firewood. Hear about our plans for the annual Ice-Man Challenge campout in January 2019. And remember: our girls Troop launches in February 2019! For more information on joining our girls' dens in our Pack (ages 5 to 11) or girls' Troop (ages 12 and up), please contact us. For information on the Pack contact us at scoutpack257@gmail.com and for more information about the Troop contact us at Troop257.Boyscout@gmail.com or call Micah Watson at 240-603-9366. There's space for everybody in your family to enjoy Scouting together.

CHEVERLY GARDEN CLUB We hope some of you made it to the Hillwood Trip on December 1st. Our next meeting will be our annual brunch (\$20 inclusive) at Fratelli's on Sunday, December 16th at 12:00 PM. If you are interested, call Barbara Pejokovich at 301.773.5884 to reserve a spot. It is our way of joining together and sharing for the Holidays. Our meeting on January 21st will be to share a class in CPR. It is free and necessary for all of us. Please come and join us at Cheverly United Methodist Church 7:00 PM 4th floor (if it snows, the meeting will be cancelled). We hope each of you are reading this and will let others in Cheverly know that we are offering a \$500 grant without any strings. Just ask for an application that will allow you to read what is available. The grant can be used for all types of classes. We had a landscape person at the University of Maryland, who after getting our \$500, applied to the National Capital State Garden Club and won another amount that covered a sizable part of the tuition for a year. We also offer the grant to the Cheverly town employees if they want to take a course in planting, landscaping, or other related fields. Garden centers like Homestead or Behnke's offer several courses you can take. Maryland Master Gardener courses are also eligible. Don't miss out! You can email acgardenh@aol.com and she will get the details to you (there is an age requirement 18 and you must be a resident of Cheverly). You must apply before December 20, 2018!

Woman's Club - History project

As we continue our year of celebration of the founding of Cheverly's Woman's Club 100 years ago, we are researching and highlighting the amazing women who founded the Club and those who provided significant leadership over the years.

This month, before I highlight one of our founders who was our first president, let me try to remind you of what Cheverly was like 100 years ago. First, it wasn't even incorporated until 1931, 12 years after the Woman's Club was founded. There was very little developed area. The only (dirt) road was the lower part of Cheverly Avenue, then known as LeBlond Ave. There were a few houses in the area known as the Tuxedo Colony. Two of those built in 1915 still stand on 64th Ave in today's 4th Ward. There were a few houses along what is now Beecher Street, not all of which is part of the incorporated area of the town. Some of these still stand, including one that was built in 1900. There were also houses in the area that is now Euclid Park and Euclid Woods. Some of the former home sites have been identified although none of those houses currently stand. And, of course, Mount Hope, which was built about 1839 and appears on our town seal still stands at 1 Cheverly Circle. Most of the land that was developed into Cheverly as we know it today was agricultural land, woods, or weeds. Residents of some of the houses scattered through what it now our town began in 1918 to talk about improved schooling for their children. There was a Prince Georges County school board at time, but their attention and resources were focused on "urban" areas of the county and our little community was considered rural. There was a small school in Tuxedo which some of the children attended and some parents sent their children to "town" (Upper Marlboro?) for their schooling. I have found widely discrepant descriptions of the school in Tuxedo. Either it was a one-room frame building with a leaking roof, only four remaining students, and difficulty

keeping teachers, or it was growing so fast that the one room couldn't hold all the prospective students and the school needed a second room and some playground space. In any case, the parents of the remaining students and a teacher they recruited decided they needed to take action to get an improved school for their children and in 1919 they formally founded the Cheverly-Tuxedo School Improvements Club and went to work. With a gift from Robert Marshall and lobbying in Upper Marlboro, by 1923 the Cheverly-Tuxedo School was built, a second teacher recruited, and the name of the club changed to the Cheverly Woman's Club. Yes, I know I never said anything about the first teacher. She was a founder, president of the Club for its first five years, and a teacher named Mrs. Lura Buck. (Quoting from a history prepared for the 50th Anniversary of the Club, "In 1918 she was 50 years of age, a tiny little lady not 5 feet tall, and weighing under 100 pounds. She was gentle and sweet, deeply religious, determined and energetic. . . [she] wore a size 2 ½ shoe.") To prepare for teaching in the new school she went back to the University of Maryland (then the Maryland Agricultural College) and took a refresher course in teaching. Meanwhile she was caring for her minister husband (Mr. A.P. Buck) and six children. They lived in the house which still stands at the corner of State and 64th Streets until she passed away in 1944.

As I've done the research to start this series of articles, I've been greatly inspired by the founders of our Woman's Club and especially by Mrs. Buck. In the coming months, there will be more stories about the Club so stayed tuned.

Meeting - December Meeting – Monday, December 10, 7:00 p.m. at the Community Center

Have You Visited Cheverly's Newest Park?

The park at 6301 Kilmer Avenue is the newest of Cheverly's parks. The park is open to pedestrians, with limited street parking. It is closed to vehicles.

Cub Scouts -- both girls and boys -- have helped plant berry bushes along the sidewalk. There are blueberries, black raspberries and a thornless blackberry. We hope that will be the beginning of a food garden within the park whose produce will be available to all. There is already a fruiting persimmon tree.

The park land was purchased by the town in 2015 and annexed in 2017. Through a public process conducted by the Cheverly Planning Board, citizens made many suggestions for uses within the park.

How Do You Use the Park?

We have posted a simple survey at www.greencheverly.org, to find out how you are using the park. You can also use the QR code posted at the park entrance to get to the survey. We have seen it being used for informal Frisbee tosses, quiet strolls, and as a great place for children to run and play informally. There is a dog waste station, and many who have already taken the survey walk their dogs in the park. Survey results so far also show that people arrive at the park on foot, and come from all over Cheverly.

Abundance

During this season of appreciation, thankfulness and gift giving we would like to share our story of abundance. At Cheverly Village we have an abundance of caring, dedication, vision, fun, good times and community spirit. *Cheverly Village, which is a non-profit that depends partly on donations, makes membership available to any qualifying resident of Cheverly regardless of their ability to afford the*

full membership fee. So, if you are financially fortunate and your dollars are abundant enough to share this year, we can gladly translate them into community abundance. We have community members who contribute to our town in many ways and want to remain in Cheverly. Some of them rely on the rest of us to keep their Cheverly Village membership affordable.

Cheverly Village is rich with the talent, vision and commitment of our volunteers, members and supporters. Please think of making a tax-deductible donation to Cheverly Village if you are fortunate enough to be able to consider monetary donations and end-of-year giving.

Call or write us to find out how to donate or to become a Cheverly Village member or volunteer. 240 770 1033, Village@CheverlyVillage.org
