For most of the Town (approximately 95–99%), residents must park on the odd-numbered side of the street during snow events until roads are cleared, parking is prohibited on cul-de-sacs and courts, and residents are encouraged to fully utilize driveways. Portions of 59th Avenue, Tremont, and Inwood require parking on the even-numbered side to allow equipment access, and vehicles must be parked at the curb. Crews are expected to be deployed from Saturday evening through Monday, and some services, including trash collection, may be delayed or postponed. Mr. Brayman noted that snow may be pushed back toward driveways during plowing and encouraged residents to prepare for cold temperatures, possible ice, power outages, and to check on neighbors.

BLACK HISTORY PROCLAMATION

**CELEBRATING AFRICAN AMERICANS' ACCOMPLISHMENTS AND
RECOGNIZING THE STRUGGLE FOR FREEDOM AND EQUAL
OPPORTUNITY**

WHEREAS, Carter G. Woodson originally established a “Negro History Week” in 1926 to highlight the contributions of Black and African Americans (hereinafter “Black”) in American society. Black History Month evolved from “Negro History Week” and is an annual celebration of the achievements of Black Americans. Each February, the nation observes Black History Month to recognize the role of Black Americans in U.S. history. Since 1976, every U.S. president has officially designated February as Black History Month. Other countries worldwide, including Canada and the United Kingdom, also devote a month to celebrating Black history.

WHEREAS, our community is made up of a diversity of people, and specifically fifty-four percent who identify as Black Americans.

WHEREAS, the Town of Cheverly continues its efforts to acknowledge its past while being forward-thinking for its future. Through civic engagement, Cheverly has removed symbols of supremacy from its town seal, passed the “In Defense of Black Lives” Resolution, established the “Civic African American Community Organization” (CAACO), and honored Historically Black organizations and institutions such as the Fourth Ward Civic Association and Cheverly Divine Nine.

WHEREAS, Black History is American History. While some Black Americans experience tremendous success, wealth, and opportunity, many still struggle to realize America’s promise. The Town of Cheverly recognizes that acknowledging this makes it a stronger municipality, poised to adequately meet the needs of ALL its residents and not just some.

WHEREAS, the Town of Cheverly has embraced every effort to be more inclusive and representative in government and leadership. In July of 2021, Cheverly gained its first Black Mayor in the history of the town, Kayce Munyeneh, who is also a proud member of Delta Sigma Theta Sorority Inc. Additionally, Dylan Galloway serves as the Town's

first African American Town Administrator and is also a member of Omega Psi Phi Fraternity Inc and Council Member Christopher Wade a member of Kappa Alpha Psi Fraternity, Inc. In the past years, Cheverly has signed a proclamation for Juneteenth, had its first representation in Maryland Black Mayors Association, named a town structure after an African American with the William Eley Jr. Building and the Robert Tucker Sr. Town Pavilion, and engaged in reconciliation efforts through community organizations like The Mount Hope Commission and The Forum.

WHEREAS, the national theme for Black History Month 2026, “A Century of Black History Commemorations,” honors the 100-year legacy that began with Woodson’s establishment of Negro History Week and recognizes the profound impact that a century of remembrance, scholarship, and public engagement has had on transforming how Black history is understood and valued in the United States.

WHEREAS, the Town of Cheverly had never proffered a proclamation for Black History Month before 2021. The Town welcomed the opportunity to be a leader for surrounding municipalities in celebrating February as Black History Month. The Town of Cheverly applauds Governor Hogan’s first Proclamation for Black History Month in the State of Maryland in 2021.

WHEREAS, the Town of Cheverly is honored to recognize the historic moment of Wes Moore becoming Maryland’s First Black Governor on January 18, 2023, serving as the 63rd governor of the state, the third Black person elected as governor of any U.S. state, and as of 2026, is the only Black governor in the United States.

NOW, THEREFORE, the Cheverly Mayor and Council do hereby proclaim the month of February as Black History Month in the Town of Cheverly, to be celebrated and commemorated with appropriate programs, ceremonies, and activities.

WHEREAS, following the conclusion of Chair Aimee Olivo's tenure in February 2025, Joyce once again stepped forward to serve as Interim Chair, ensuring a smooth transition while new leadership was identified and safeguarding the continuity of the Board's essential duties; and
