Message from the Mayor

There is a chill in the air and rustle in the leaves. Fall is here. As we transition into the cooler months, we have to take a quick look back at all we managed to do in September. September is one of Cheverly's busiest months and packed full!

Many thanks go out to the Cheverly Police Department. We held our first ever National Night Out in August of this year, but that didn't stop us from having our Annual Public Safety Day! More people attended than ever before and the helicopter still proved to be the showstopper. Next year, I am going to see if they will let us get in and shift some gears around!

A huge thank you goes to the Rec Council who hosted our first ever Pickleball Tournament. Pickleball has taken the world and Cheverly by storm. It is a great way to get some cardiovascular exercise, even if you have some limitations in mobility. If you have not checked out our players, you can find them in town hall every Tuesday!

September also brought back Cheverly Prom. I know I personally look forward to a wang dang doodle all night long at least once a year. If you have never been to Cheverly prom, it is really the "Planet Fitness" of all parties-there is no judgement, and you can dance like no one is watching! Thank you to the coordinators and congrats to the fundraising recipients.

Now, as we look ahead, there is still much to do for October as well. As you know, October is Breast Cancer Awareness Month. So many in our community have been impacted by breast cancer; at times it seems staggering. Remember that early detection can save lives. Please get regular check-ups and mammograms.

October is also Domestic Violence Awareness Month. While Cheverly is an idyllic

and charming town, it does not mean that domestic violence does not exist here. There is no barrier to family violence. It can happen in any home, regardless of socio-economic status. There are many resources for victims available if someone is being abused. If you need information or help, you can call 1-800-799-SAFE (7233). Professionals on this helpline can help with safety planning and finding local shelter resources. If there is an emergency, please always call 911 first.

This month also highlights the awareness of Pregnancy and Infant Loss. I know I am an ecstatic godparent after my dearest friend suffered several miscarriages. So many of the people we love who are able to get pregnant have lost children and feel pain in silence. Let's create space for people to vocalize their

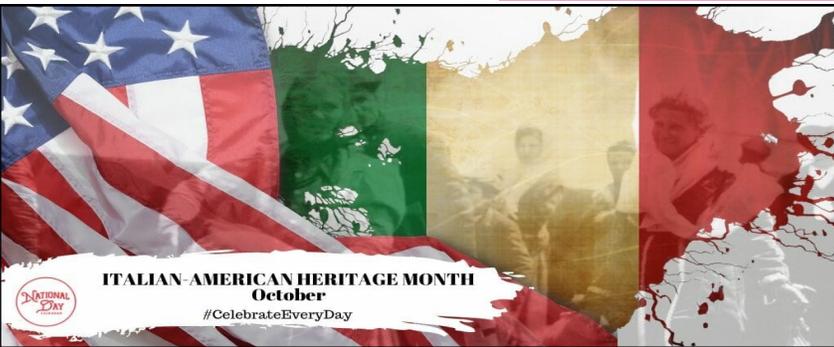

feelings regarding these experiences.

Additionally, October highlights mental health with World Mental Health Day on October 10th. There continues to be stigma around mental health and diagnoses. The more we talk about such issues, the more commonplace it will be to prioritize mental well-being. Remember that your mental health is just as critical as your physical health.

Last but not least the Mayor's Mention for October is always going to be our Cheverly Day Committee and volunteers. It is truly a labor of love to see how the day comes together and creates a sense of unity in town...even if just for one day Cheverlians are all family.

Trick-or-Treating Reminders

Each year, eager children and adults alike celebrate Halloween. However, amidst the excitement and festivities, it is crucial to prioritize safety for trick-or-treaters and drivers. Parents must accompany young children while they go trick-or-treating. This helps to ensure their safety as they navigate neighborhoods searching for candy-filled adventures. Additionally, costumes should be visible at night by incorporating reflective materials or opting for bright colors, allowing drivers to spot trick-or-treaters on the roads quickly.

1. Walk on a sidewalk if one is available and use crosswalks.
2. Before the Halloween festivities, create a "buddy system" to get each other home safely and prevent walking alone.

Drivers, be cautious!

Drivers should exercise extra caution on Halloween night. Slowing down in residential areas and being vigilant for children crossing streets can prevent accidents from occurring. Avoiding distractions such as cell phones or loud music also helps maintain focus on the road.

1. Continue to scan the road in areas where they are likely to be or where sight distances are limited.
2. Stay alert for pedestrians who may come out from between parked cars or behind shrubbery. Stop and wait for them to pass.
3. If you see a drunk driver on the road, contact law enforcement.

General Safety

Safety in your neighborhood extends beyond

Halloween. Here are some general safety tips to promote a secure environment throughout the year:

1. Know Your Neighbors: Get to know your neighbors and establish a sense of community. Look out for one another and report any suspicious activity promptly.
2. Home Security: Ensure your home is secure with good locks, well-lit entrances, and perhaps a security system. Don't advertise vacations on social media.
3. Emergency Contacts: Keep a list of emergency contacts, including local law enforcement, nearby hospitals, and neighbors you can trust.
4. Street Lighting: Advocate for better street lighting in your neighborhood to deter criminal activity and improve overall safety.
5. Children's Safety: Educate children about safe routes to school, the importance of not talking to strangers, and what to do in emergency situations.
6. Bike Safety: Encourage bike safety in your neighborhood by wearing helmets and obeying traffic rules while riding.

Daylight Saving Time Reminder

The fall season is often a reminder that the end of daylight-saving time is approaching. "Fall Back" is a common term to denote the fall time change. It is also a reminder that we move our clocks back one hour. On Sunday, November 5, 2023, at 2:00:00 a.m., clocks are turned backward 1 hour to 1:00:00 a.m. local standard time instead. Don't forget to adjust your clocks to stay on schedule and enjoy the benefits of the time change.

~Interim Chief David C. Morris

CHEVERLY GREEN INFRASTRUCTURE COMMITTEE

Serving the Cheverly Community since 2011
October Monthly Meeting
Date: Monday, October 2, 2023

7:30-9:30 p.m., virtually via Zoom, watch for announcements on www.greencheverly.org, the Cheverly Exchange, and the Cheverly List.

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact sheila.salo@gmail.com or see www.greencheverly.org for the meeting agenda.

GREEN @ HOME – GOT LEAVES?
Recycle those leaves right at home

- Mow your leaves
Save yourself time and increase your lawn's health by leaving the rake or leaf blower in the shed and mulching tree leaves with your mower. Here's a helpful video: <https://youtu.be/125EbGBQFD4?si=W-vj0mstfhxzmLP>
- Compost your leaves
See the composting guide on the Cheverly Green Plan website.
- Send your leaves to mulch school

The town will have your leaves mulched and make the mulch available in the Spring. For information on the leaf collection schedule, leaf bagging, and mulch delivery, see the town newsletter or the town website.

Place leaves in large brown paper yard waste bags or trash cans. The Cheverly Public Works Department suggests leaving the lid off the yard waste can and placing that can separate from the regular trash can. That will reduce confusion on collection day.

See more practical ideas for building Green Infrastructure in your own yard at www.greencheverly.org.

CHEVERLY BOY SCOUT TROOP 257

Put your son on the path to fun outdoor adventures this fall! – Boy Scout BSA Troop 257 has activities planned for boys 11 to 18 (sixth to twelfth grade.) In September, our boys completed a 4+ mile paddle on the Patuxent River during our kayak/canoe campout. This month we have our annual Search & Rescue event, Scouting for Food plus the Haunted Hike! In November, we are planning a campout at the Antietam Battlefield and an archery event. If you are interested in joining Scouts, please contact Micah Watson at micah@cheverlyday.com or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.) This fall we are resuming our firewood sales. If you are looking for some, please reach out!

Thanks to all who came out to our back-to-school pool party to enjoy some music and cotton candy and those of you who stopped by our table at the great town events in September. If you did not join or renew your membership, you may have lost access to our list and Facebook group—but it is not too late!! Visit cheverlyparent.org to fill out the form and pay your dues to participate in the great fall activities we have in store. We are having a family skate day at Skate Zone in Crofton on 10/22. Please continue to visit us at our table at the Cheverly Market for fun activities or just to chat and/or join CPRC. We are in need every other week to fill three shifts at the market to sit at the CPRC table. This is a wonderful way to meet neighbors and fulfill your volunteer hours! Please check out our new tab on our website that lists our ongoing volunteer activities at cheverlyparent.org/volunteer.

Please remember weekly playgroup happens every Monday, Wednesday, and Friday in the gym from 10-12. If the gym is closed for some reason, there will be an email to the list and post on Facebook to alert parents and caregivers. Please no skates, scooters or bikes in the gym as it is hard on the gym floor. Please dispose of diapers in the plastic bags provided at the Community Center.

CHEVERLY VILLAGE

Vaccines Clinic for All Ages October 22!

It's that time of year to protect yourself and your family from influenza. Every year the flu viruses mutate, so these yearly shots are the best way to avoid serious illness. This is especially true for older adults. The best time to get the flu shot is before the end of October each year.

On September 12, 2023, CDC recommended a COVID-19 vaccine updated for 2023-2024 for everyone aged 6 months and older to protect against serious illness. *We hope to be able to provide the newly approved COVID-19 vaccine.* Look for updates on our website (www.cheverlyvillage.org) for availability.

Cheverly Village with Wegmans Pharmacy will offer a drive-thru, walk-thru, and bike-thru vaccination clinic on **October 22** at the Cheverly Community Center at 6401 Forest Road.

This is our fifth year partnering with Wegmans to offer a community-wide vaccination clinic, providing appropriate flu vaccines for children, adults, and seniors. The pneumonia and shingles vaccines, also

especially important for older adults, as well as the RSV vaccine, beneficial for both children and at-risk seniors, will be available as well. In early October a registration link will be posted on our website, www.cheverlyvillage.org. Pre-registration for the clinic helps the day move smoothly and will also allow Wegman's to do their best to alert you to any possible insurance incompatibilities in advance of the clinic.

If you are a Cheverly Village member and need a ride, please email the Village Coordinator or call 240-770-1033.

Cheverly Village is grateful to Wegmans Pharmacy for their dedication to bringing their best to this clinic each year, and to our Cheverly Town staff and Police Department for their support.

See you October 22 – let's all do our part to stay healthy!!

To become a member of Cheverly Village, or to support the Village as volunteer or a donor and help make possible community events like the flu clinic, please contact us at Cheverlyvillage.org or call 240-770-1033.
