#### **Update on Lawsuit with Bladensburg**

As many of you know, the Town of Cheverly filed a lawsuit against Bladensburg for their attempt to annex Hospital Hill on January 13, 2024. The lawsuit seeks both an injunction and damages totaling \$40 million. We believe we will not be alone in this lawsuit and that other aggrieved parties will join.

An injunction is a legal order that requires a party to either take or refrain from certain actions. In this case, the injunction aims to address serious issues that have impacted our community's well-being and operations.

While we have made numerous attempts to resolve this matter amicably, including private meetings with Bladensburg's mayor, discussions between our Town Administrator and theirs, and ongoing talks between our legal teams, these efforts have unfortunately not led to a resolution. As a result, we felt it was necessary to take legal action.

As your Mayor, my goal is always to resolve disputes at the lowest level possible. Unfortunately, this situation demanded a more formal approach. Rest assured, we are committed to protecting the interests of our town, and we will keep you informed as the case progresses.

#### **Public Safety Updates**

Our commitment to enhancing public safety in Cheverly remains a top priority. We are excited to announce that Cheverly now benefits from 24-hour policing, a key achievement in ensuring that our community remains safe at all hours of the day. In addition to this, we have expanded our surveillance capabilities with more cameras throughout town to enhance security and provide better coverage. Looking ahead, we are also working on implementing red light cameras, which will help manage traffic and improve safety on our roads.

#### **Let's Drive Safer – Stop Sign Camera Pilot Program**

I'm sure you have heard and seen that drivers are just not as cautious as they were

prior to COVID. I have personally been shocked by the running of red lights and speeding. It is a miracle we have not all been in accidents these days. To improve traffic and pedestrian safety, we've partnered with Obvio Inc. to test stop sign camera technology. Cameras have been temporarily installed at key locations for data collection. These cameras are part of a trial program to assess stop-sign running in these areas, with no citations being issued during the pilot.

**Chillin' for a Cause: Cheverly Police Department's First-Ever Polar Bear Plunge!**

You all know how I feel about the cold. I am allergic to it! So, you know it had to be for good reason that I would support our police department in frigid temperatures. It was an honor to cheer on our 24-hour police department at the first-ever Polar Bear Plunge! The Cheverly Police Department took the plunge to raise funds for Special Olympics Maryland athletes. We're proud to support such a worthy cause.

**Black History Celebration by the Cheverly Women's Club**

February is Black History Month, and we invite everyone to join us in honoring this important occasion with the Cheverly Women's Club. This event will celebrate the rich history, culture, and contributions of African Americans.

**Date:** February 16, 2024

**Time:** 2 p.m. to 5 p.m.

**Location:** Cheverly Town Hall Gymnasium

We encourage everyone to attend and participate in this meaningful celebration.

**February Awareness Months**

February is also a time to raise awareness about several important causes:

- **Black History Month:** A chance to honor and reflect on the achievements and contributions of African Americans throughout history.
- **Heart Health Month:** An opportunity to focus on cardiovascular health and encourage healthy living practices.
- **Teen Dating Violence Awareness Month:** A time to promote education and resources that prevent and address dating violence among teens.

Let's come together as a community to reflect on these important topics and support one another in creating a healthier, safer, and more inclusive society.

**Lastly, Are You Tired of Election Fatigue?**

I know I am. After the nonstop campaign signs (even my own) and constant election coverage, it's easy to feel worn out. But don't let that be a reason to disconnect from what matters. All elections are local, and our very own town elections are scheduled for **May 5, 2025**. As an engaged community, we always turn out to vote, so make sure that election fatigue doesn't keep you from participating this year.

The county elections should be wrapped up shortly after **May 27, 2025**, and then, we can all take a much-needed break. Let's stay plugged in and continue to make our voices heard in local elections—our community thrives when we all participate!

Thank you for your continued support and engagement in our town's progress. We look forward to another month of positivity and growth in Cheverly!

**Important Information Regarding Wrong-Way-Parking Citations**

In May and November of 2024, a number of Cheverly residents were issued citations from the Prince George's County Revenue Authority for parking the "wrong way" (with left wheels to the curb, facing oncoming traffic), County Code 26-127.04.C10 - Cannot Park Facing Oncoming Traffic.

The Town of Cheverly and County Council Chair Ivey's office have been in communication with representatives from the Revenue Authority, and they have agreed to dismiss outstanding citations and refund fines already paid for citations issued within the Town of Cheverly.

If you received a citation from the Revenue Authority in May or November of 2024 for parking the wrong way, you can request a dismissal or refund by contacting Ms. Tonya James, Chief Safety Enforcement Officer, at [tljames@co.pg.md.us](mailto:tljames@co.pg.md.us). She will need your citation number; investigation and processing could take up to five business days.

If you have any questions or concerns, please contact Council Member Bryner at [CMWard3@cheverly-md.gov](mailto:CMWard3@cheverly-md.gov) or Town Hall at 301-773-8360.

Please note that parking facing oncoming traffic continues to be a violation in Prince George's County. While we are hopeful that there will not be future citations for that violation, we cannot guarantee that. We continue to encourage residents to park in the direction of traffic, with the right wheels to the curb, to avoid receiving a citation from a county agency. The Town is in the process of updating our town code related to parking to ensure consistency with state and county statutes and to prevent future misunderstandings.

Sincerely,

David C. Morris, Chief of Police  
Jennifer A. Krauss, Assistant Chief of Police

## REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

**1. Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.

**2. Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,

**3. Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.

**4. Place the “No Parking” signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply “No Parking” signs once the event is permitted.

**5. We recommend that you communicate with your neighbors a week prior to the Block Party.**

Communicating with your neighbors help to ensure all are notified and remember not to park on the street.

**6. Your street must be clean and open to traffic no later than 10 PM.**

## **WINTER 2025 NATURE HIKES AND BIRD COUNTS**

Saturday, Feb. 15 Time: 9:00 am to 10:30 am.  
Woodworth Park, Cheverly MD  
Sunday, Feb. 16 Time: 9:00 am to 10:30 am. Cheverly Nature Park, Cheverly MD  
Organizer: Matt T. Salo, E-mail: [matttsalo@gmail.com](mailto:matttsalo@gmail.com), Tel: 301-341-1261

The Cheverly Green Infrastructure Committee is again sponsoring nature hikes, coupled with the annual Great Backyard Bird Count (GBBC) of local birds, on four days (Friday through Monday) from February 14th to the 17th, 2025. Two public hikes are planned for Saturday and Sunday, February 15th and 16th, at the Woodworth and Cheverly Nature Parks, respectively, and two more, on Friday and Monday, by invitation or request for more experienced birders (call or e-mail Matt for information). All hikes will be guided by experienced naturalists. In addition to birds, we will also be identifying trees and whatever plants we come across. This is a great chance to get outdoors, learn about birds, trees, and other plants, and enjoy what nature has to offer this time of the year.

**Woodworth Park**, 6401 Forest Rd, Cheverly, MD. Meet at Tucker Pavilion next to the Town Hall parking area.

**Cheverly Nature Park**, entrance at the northern end of Tremont Ave., Cheverly, MD. Park along Tremont Ave. Do not block anyone's driveway.

Bring: You will need a good pair of binoculars; bird or plant guides and snacks are optional, but be sure to dress appropriately for the weather.

Note: Fairly easy walking on good trails, but there are some slopes to climb. Hikes may be canceled for heavy precipitation, wind, or other inclement weather. Call 301-341-1261, if in doubt.

## CHEVERLY VILLAGE **Death and Taxes!**

Ben Franklin's famous quote says, "Our new Constitution is now established, everything seems to promise it will be durable; but, in this world, **nothing is certain except death and taxes.**" Turns out, Cheverly village can help you with both of these items! With respect to taxes – your donations to the village are tax deductible, so feel free to pony up and donate to the village ASAP! With respect to death, well, we can't help you avoid that reality, but we can help families develop a plan for end-of-life care needs. This topic is not for the elderly! It is for the younger generation of the family, those most often involved in caregiving and decision making. Cheverly Village is hosting a seminar for the entire community, "**Courageous Conversations about Hospice and Palliative Care**" on Sunday Feb 23, 2-4 PM.

Did you know that Jimmy Carter spent the last 2 years of his life in Hospice care? Did you know that people receiving hospice care for certain cancers or heart failure lived an average of 29 days longer than those who didn't? Come and learn more. Hospice care focuses on comfort and quality of life for people with serious illness expecting to live 6 months or less. The emphasis is on making one's last months better, rather than on extending life. Hospice also includes family supports and is covered by Medicare, Medicaid, and most insurances policies.

Join us at Cheverly United Methodist Church, Fogle Hall as Miriam Rendon-Ponce from The Hospice of the Chesapeake leads a discussion about the nature of hospice and palliative care.

**Refreshments will be served.**

## **BOY SCOUT TROOP 257**

Put your son on the path to fun outdoor adventures! – Boy Scout BSA Troop 257 has activities planned for boys 11 to 18 (sixth to twelfth grade.) In January, we held our annual Iceman Challenge, our winter campout, where the boys worked on rank requirements, learned Orienteering and fire-building, played games and went on a long hike in the Pennsylvania wilderness. Everyone had fun! Coming up we are planning a skiing event and a climbing day. This spring we are going to have a backpacking campout, an archery event and more! If you are interested in joining Scouts, please contact Micah Watson at [micah@cheverlyday.com](mailto:micah@cheverlyday.com) or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and girls 11 to 18 with a neighboring BSA Girls Troop.) **Support the Troop:** Our firewood sales are back! This is our main fundraiser, so if you need firewood, please let us know.

## **CHEVERLY DISCUSSION GROUP**

The **Cheverly Discussion Group** (formerly known as FOFA) is the newest approved town organization. As neighbors, we meet **every other Tuesday at 10 AM**, till about noon.

The meetings have previously been held in two member's homes for the past year or so, but we are outgrowing the space. At our last meeting on January 14<sup>th</sup>, we had 15 people, our largest group yet. **As a result, we will have our February meetings at the Cheverly Community Center (see schedule below).** Come and meet your neighbors while sharing coffee and donuts for a friendly, informative conversation. No dues. No minutes. No fixed agenda. Any topic. Anytime. We don't shy away from controversy. Most any topic is OK.

At our last meeting, we discussed the hospital site redevelopment and the new lawsuit brought against the town of Bladensburg. Other topics: the new planned data center at the former Landover Mall site, Womens Club plans for 2025, the Prince George's County Library app, Dorothy McClain's history and her new book, false information provided by AI, the resignation of Ann Telnaes (political cartoonist) from the Washington Post, Meals on Wheels needing volunteers for deliveries in Takoma Park on Sunday, January 19<sup>th</sup>, the lack of meaningful information in the town newsletter, past and present "Robber Barons" and Commanders football. As you can see, we are quite diverse.

## FRIENDS OF LOWER BEAVERDAM CREEK (FLBC)

### **New Dogwood Grove and Bench**

Check out the new dogwood trees and bench along the north end of the Woodworth Park Trail, a short walk from the pavilion entrance at Town Park at the first turn in the trail.

FLBC members, friends and town officials dedicated the grove on Saturday, Dec. 14 to longtime resident, member and volunteer Rud Moe. Rud was a NASA employee who spent many a Saturday helping to establish and maintain the trail. He took special delight in ripping out invasive vines and was often riding the tractor over the challenging roots and ruts to deliver gravel for the trail.

The trees were provided and planted by the GreenWorks Team at Joe's Movement Emporium. The bench was purchased with a donation from the Moe family which will also support tree and trail maintenance.

## **New Meadow**

At the other end of the trail, from Ken's Corner to Magruder Spring, preparation has begun to cultivate a native meadow under and along the Pepco power line right of way that parallels the trail. Mowing continues and native seed will soon be spread in the first phase of the project to restore native pollinator species and reduce the interference of trees with the power lines.

Watch this space and the Cheverly Exchange for volunteer opportunities or contact Joani.Horchler(at)gmail.com

## **Redirecting County Development Practices**

Over the past year our county council has taken some alarming backward steps from the stated goals of the county to reduce sprawl development, restore forests and take meaningful steps to slow climate change and the public health and safety threats these measures pose. We urge all to speak up on land use, sustainable development and healthy communities issues, and to vote your values in the March 4 special elections for our District 5 council member and for a new county executive.

For information on county issues FLBC weighed in on in 2024 contact Dan Smith at smithdc6019@gmail.com.
