Message from the Mayor

A May Message from Your Mayor

May is such a powerful time in our community. It's a season that invites us to pause—just long enough to look around, to reflect on how far we've come, and to celebrate the people and the values that make our town so special. This month gives us so many reasons to gather, to give thanks, and to recommit ourselves to the work of building a better tomorrow—together.

This is **Mental Health Awareness Month**, and I want to be clear: mental wellness matters. It matters in our homes, in our workplaces, in our schools, and in our places of worship. It matters to me personally. We are continuing our commitment to removing the stigma around mental illness and making space for real conversations, healing, and support. Whether it's through mindfulness workshops, educational panels, or just checking in on a neighbor, I encourage you to lean into compassion and community.

We also celebrate **Asian American and Pacific Islander Heritage Month**—a vibrant, joyful time to honor the culture, history, and contributions of our AAPI neighbors. Their stories are deeply woven into the fabric of this country and into the heart of our town. This month, let's celebrate that richness through art, food, music, storytelling, and togetherness.

And as we move through **Military Appreciation Month**, our thoughts turn to the brave individuals who have dedicated their lives to service. Their sacrifices are not just remembered—they are felt. We honor their courage, and on **Memorial Day**, we hold space for those who gave everything to protect our freedoms. May their memory guide how we serve one another right here at home.

Another group that deserves our full appreciation this month? **Our educators**. During **Teacher Appreciation Week**, we pause to lift up those who show up day in and day out to mold minds, nurture dreams, and spark futures. If you know a teacher, please reach out and thank them. A simple word of gratitude goes a long way.

This month also calls attention to some other critical causes that deserve our awareness and support:

- **Lupus Awareness Month**, as we shine a light on the strength and perseverance of those living with this disease.
- **ALS Awareness Month**, reminding us of the importance of continued research and advocacy.
- **Older Americans Month**, where we honor the wisdom, resilience, and contributions of our seniors—who have laid the foundation we now build on.

Mark Your Calendar: Cheverly Divine 9 5K – May 10th, 3–6 p.m.

We've got an incredible event coming up that speaks to the heart of who we are. On **May 10th**, from **3 to 6 p.m.**, join us for the **Cheverly Divine 9 5K**—a celebration of unity, health, heritage, and service. Hosted by members of the Divine Nine, this family-friendly event brings together our historically Black Greek-letter organizations for a cause greater than ourselves. Come run, walk, dance, or cheer—just be there. It's going to be a beautiful afternoon full of joy, movement, and purpose. Starts at Town Hall and you can register here: <https://runsignup.com/Race/MD/Hyattsville/DivineCheverly5K>

And while we reflect and honor, the work of governing continues. As we move through the budget process, I'm proud to say we've done the hard work in previous years that now allows us to **keep taxes flat**. That's no small feat, and it's a direct result of strategic planning, strong partnerships, and a shared commitment to doing right by our residents.

Now, I'd be remiss if I didn't mention the moment, we're in. By the time you read this, we may have a newly elected mayor or councilmember—or perhaps I'll be blessed to continue in this role. Either way, I want to say this clearly: **servicing as your mayor has been the honor of my life.** Each day, I wake up with gratitude in my heart and a strong sense of purpose. Whether I continue in this role or pass the torch, I am proud of what we've done together.

Here are just a few of the things we've accomplished:

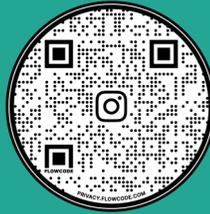

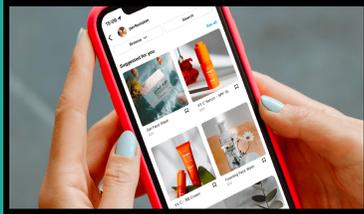

- Maintained a **strong fiscal foundation** while protecting essential services
- Invested in **youth programming, parks, infrastructure, and community spaces**
- Strengthened **public safety** and built stronger relationships between our officers and residents

- Fostered a culture of **inclusion, sustainability, and civic pride**

No matter what, I want to encourage each and every one of you to stay involved. Continue volunteering, continue looking out for your neighbors, and continue dreaming big for this town we love. The strength of our community has never been about one person, it's always been about us.

Thank you for trusting me, for challenging me, for walking alongside me. I love this town with everything I have, and I am forever grateful for the opportunity to serve you.

With love and gratitude,
Kayce Muniyeh
Mayor

~ Christopher R. Wade

WARD 2: COUNCILMEMBER MICAH WATSON

It's budget and tax season, so please let me know your priorities! Please tell your elected officials, we can't afford a third straight year of big tax increases. I'm also focused on public safety, on Hospital Hill - which still isn't resolved with Bladensburg, and on making sure everyone feels safe and appreciated in Cheverly! Contact me any time at 240-603-9366 or cmward2@cheverly-md.gov ! -- Micah

WARD 3: COUNCILMEMBER NICOLE BRYNER

Hello Ward 3! If you'd like to receive my newsletter, where I summarize meetings and highlight upcoming events and issues, you can use this QR code, or go to www.nicolebryner.com. -Nicole

WARD 4: COUNCILMEMBER JOSEPH DALAKER

It has been an honor to serve this community as Ward 4 Councilmember. As I said at the last town meeting, you demonstrate to me that the people really do have power, and that gives me hope. I won't be far away, and I plan to keep protecting and upholding the Constitution as I swore upon taking office.

We can be an intense community, but we're intense because we care so deeply about what happens here in town and in the country generally. Keep using your voices. And while we are standing up for what's right, take time to appreciate how much we've accomplished together. As much as we strive to improve, we have a lot going for us.

Last — to whomever occupies the seats on the dais, and to all who elect them — remember that we are an employer as well as a place to live. The police, public works, town office staff, all bend over backwards to do right by the community. To keep cultivating that spirit, remember that noticing and appreciating is also a part of accountability. Catch people doing the right thing!

My best to you all.—Joe

WARD 6: COUNCILMEMBER AMY JEAN CHUNG FRY

Message from the Chief and Assistant Chief of Police

The Cheverly Police Department and surrounding jurisdictions have been made aware of an increase in various telephone scams. We would like to remind everyone to stay vigilant and protect yourself from these erroneous crimes. Scammers often impersonate government officials, bank representatives, credit card representatives, or technical support staff in an attempt to steal your personal information or money.

Here are some important tips to keep in mind:

1. Do not share personal or financial information over the phone unless you are absolutely certain of the caller's identity.
2. Legitimate organizations will never ask for passwords, bank account details, security pins, or social security numbers over the phone.
3. If a call seems suspicious, hang up and call the organization directly using a verified number.
4. Do not be pressured into making immediate decisions or payments over the phone.
5. Report scam call to your local authorities or appropriate consumer protection agencies.

Often banking institutions will not reimburse funds if it is determined that account information was given to the scammers.

Stay informed. Stay protected. Let's work together to stop telephone fraud.

Sincerely,

David C. Morris, Chief of Police
Jennifer A. Krauss, Assistant Chief of Police

CODE COMPLIANCE

PARKING COMPLIANCE

According to Code Sec. 18-4.2 and Sec. 27.5

Vehicles that have not moved for 72+ hours may be towed; all vehicles need to be operational & legally operable on both private property and on the street.

Commercial vehicles are prohibited to park in front of residential properties.

REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

- 1. Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
- 2. Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes
- 3. Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.
- 4. Place the “No Parking” signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply “No Parking” signs once the event is permitted.

- 5. We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
- 6. Your street must be clean and open to traffic no later than 10 PM.**

SIDEWALK AND ROAD OVERGROWTH

Spring is here and the days are getting nice. With the nice weather, and rising gas prices, more and more residents are out walking. Whether they are out for a weekend stroll or headed down to the Metro for a train ride to work, they are using our sidewalks and walking paths.

The warmer weather also marks the start of the growing season. As trees and other vegetation grow, they tend to encroach upon the public right-of-way (sidewalks, streets, or alleys). This overgrowth of vegetation or low hanging branches can obstruct view, creates tripping hazards or otherwise impede the public's ability to use the streets and sidewalks. This encroachment has been deemed a public nuisance in the Town Code and constitutes a hazard, which impedes the free movement of pedestrians or vehicles. As such, residents are required to ensure that public right-of-way abutting their property are kept free of overgrowth and intersections are obstruction free.

Trees located within the first (11) feet of the curb are the responsibility of the Town. Please call if you have a question or notice any condition that may pose a hazard to the community.

CODE COMPLIANCE

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Store valuables, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture inside.
- Set lights inside the house on a timer.
- Set telephone bells as low as possible.
- Draw shades and drapes.
- Lock cars left in the driveway.
- Make sure smoke detectors are working.
- Lock all windows and doors.
- Give your house key & itinerary to at least one friend or neighbor.

BOY SCOUT TROOP 257

Put your son on the path to fun outdoor adventures this spring! – Boy Scout BSA Troop 257 has activities planned for boys 11 to 18 (sixth to twelfth grade.)

Congratulations to two of our scouts for completing their Eagle projects! Canaan Parris and Steve Albert both led projects to help improve Cheverly. Canaan is to thank for the new picnic tables at the Cheverly United Methodist Church and Steve responsible for the installation of the new chess table at Town Park.

Welcome to the 6 new scouts who joined this month, after crossing over from Cub Scout Pack 257!

In April, scouts went backpacking to an old civil war lookout and practiced their backcountry cooking. Later in the month we camped by a race track off the Appalachian Trail. This summer we're camping at the beach and planning for both a week of

scout camp in the Pennsylvania mountains for our junior scouts and a week of backwoods canoeing for our older scouts. If you are interested in joining Scouts, please contact Brian Callahan at callahan.brian.t@gmail.com. (We can also connect girls 11 to 18 with a neighboring BSA Girls Troop.)

Support the Troop: Our firewood sales are ongoing! Need some well seasoned wood for your firepit? If you need firewood, please let us know.

CHEVERLY DISCUSSION GROUP

The Cheverly Discussion Group (AKA - FOFA) has been gaining more interest and our attendance is slowly increasing from 5 or 6 at the beginning to now 12-15 at our last two meetings. More neighbors are interested in meeting new neighbors in friendly discussion while sharing coffee and snacks.

At our two recent meetings we shared some funny and feel-good personal stories which we all need. We also covered politics, the history of discrimination in Cheverly, helping families recently unemployed, possible town ethics violations, door to door solicitors, air monitoring, local activism, increasing Cheverly real estate taxes and the Columbia Park Road bridge traffic and safety issues.

We used to meet only in the morning, but have decided to **alternate morning and evening meetings** to accommodate working people who cannot meet in the morning. If this seems popular, we will continue it. While this complicates our schedule, you can also follow us on the Cheverly Exchange for the latest changes.

Upcoming meeting schedule:

- April 29th – 10 AM to noon at the Cheverly Community Center
- May 13th – 7 PM to 9 PM at the Langs, 6424 Forest Road
- May 27th – 10 AM to noon at the Cheverly Community Center (election day)
- June 10th – 7 PM to 9 PM at the Thompsons, 6428 Forest Road
- June 24th – 10 AM to noon at the Cheverly Community Center

Come join us and meet your neighbors while enjoying a cup of coffee and friendly conversation. Any topic. Anytime. We even do “show and tell”. We supply the coffee. You may bring a small “pot-luck snack” (our new format) and your own coffee mug. This facilitates clean-up. Also bring any issue

important to you, your point of view and your experiences for sharing.

Contact **Joel Lang at langfinancial@verizon.net or text (301)-613-6424**, for further information, or if you would like to be on our email list. Also check the Cheverly Exchange for meeting changes.

Please email RSVP if you are planning to attend, this helps with planning. But, you can just show up! Hope to see you soon--and bring a friend!

Would you like to lend your communications, marketing, and social media skills to a good cause? CPRC is seeking a Social Secretary! The Social Secretary will help develop Canva posters, post to Instagram and Facebook, and promote the CPRC events that we all love. If you are interested in serving on the Board or running a single event- please reach out to CPRCmembership@gmail.com.

May will be an exciting month with something for everyone! Join us for the CPRC Spring Festival, Saturday, May 3, from 2 pm - 4 pm (see flyer for details). Come out and enjoy lots of games, ponies, face painting, skating, petting zoo and tons of delicious food. Does your little one have a green thumb? It's not too late to join the CPRC Junior Garden Club. The first meeting will be held on Sunday, May 4 (click here to sign up). The CPRC Game Night will also be back on May 16. Save the date and more details will follow soon. And don't forget our weekly playgroup every Monday, Wednesday, and Friday in the gym from 10-12. If the gym is closed for some reason, there will be an email to the list and post on Facebook to alert parents and caregivers. We also try to host a Sunday coffee hour playgroup either in the gym or at a local park. Volunteer opportunities are on our website to meet your requirement for CPRC Membership!

Finally, did you miss the inaugural CPRC Sip and Chat? On March 20, we facilitated an open forum for grown-ups in our community to connect, share, and support one another. Due to the success of this event, we're planning a follow-on event, so please look out for a message. Be on the lookout for the next event.

COMMUNITY NATIVE PLANTING PROJECT

SHRUBS! Just a reminder Community Native Planting Project's Spring Native Shrub Sale is on May 10, 9AM-until sold out, at the Cheverly Town Center. It's a great opportunity to purchase native shrubs and is held in conjunction with the Cheverly Garden Club Plant Sale and the Cheverly Community Market!

The sale has 10 different kinds of shrubs: Arrowwood Viburnum, Black Huckleberry, Eastern Ninebark, Elderberry, Fragrant Sumac, Inkberry, New Jersey Tea, Shrubby St. John's Wort, Southern Waxmyrtle, and Sweet Pepperbush. We have experts to answer questions and volunteers to help carry your shrubs. CNPP members get discounted prices!

VOLUNTEER! We invite you to come volunteer with CNPP. All the work we do - from transforming sites into thriving native plant habitats to our shrub sales and giveaways - happens because of people like you sharing your time and talent. Over the next few months, there are plenty of volunteer opportunities, including planting more than 2,000 native plants, shrubs, and trees! Much of this year's work is at 5701 Landover Rd, the vacant lot CNPP, Anacostia Watershed Society, and the Town of Cheverly are turning into a welcoming, ecologically-healthy nature park.

More info about the sale, membership, or volunteering is on at our website, www.communitynativeplantingproject.org. Or, email us at info@communitynativeplantingproject.org with any questions.

CHEVERLY VILLAGE

During the COVID pandemic all of us experienced social isolation to some degree. Now, 5 years after the start of the pandemic, most of us have resumed a more outgoing lifestyle. However, during that time we have aged, we have lost loved ones, people have moved away, and as a result we may have a smaller circle of friends. I'd like to encourage you to reach out to Cheverly Village – join us as a member or become a volunteer. Play some games with us – in person or on-line. Connect with our Tech Team to optimize your phone or help someone else with a technology issue. Join in on substantive conversations about aging and changing family roles. Bring your leadership and your skills to our community. We need you, and you may actually also need us. Broaden your circle of support, and your own sphere of influence. Enrich yourself by enriching our lives with your insights and contributions.

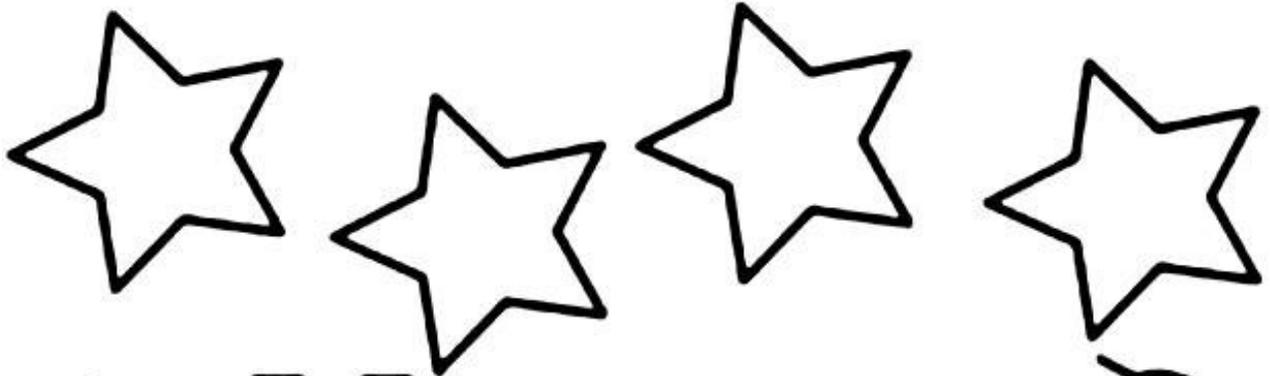

Upcoming event open to all of Cheverly: May 17 – Emergency Preparedness in Cheverly – a presentation by CERT and Cheverly Village – Village members will receive their own “Go-Bags” full of items useful in case of a short-notice evacuation. Non-members – we will have a raffle for you to get a free Go-Bag! Come one come all!

I look forward to seeing you there!

To donate, volunteer or join the Village, check out www.cheverlyvillage.org, email us at Village@cheverlyvillage.org, call 240-770-1033, or look for our table at the Cheverly Community Market.
