Happy September! Please remember to slow down, especially in the mornings, because our kids are back at bus stops or walking or biking or driving to and from school.

The Eley Building, your brand-new public works building that will include multi-functional meeting space, is finally ready! Please join us for the ribbon-cutting on Saturday, September 27th at 1:00pm near the Town Park stage and ballfields. We'll work on getting the public room scheduling up and running as quickly this autumn and winter as possible.

Your Mayor and Council will meet in September on the 11th and 25th at 7:30pm. We voted to make 7:30pm our start time for meetings that are regularly scheduled on the second and fourth Thursdays. Please join us on September 11th to hear from District Five County Council Member Shayla Adams-Stafford and to discuss the Preliminary Plan of Subdivision for Cheverly Hill.

Please join us for a special Education Roundtable with School Board Member Aimee Olivo on Wednesday, September 17th at 7pm.

In October we'll turn our attention back to the Town budget and the audit for FY25.

Community Market Saturdays are September 13th and 27th. ChevProm is only a few days away, on Saturday, September 6th. Cheverly Day, our town's 94th birthday party, is on Saturday, October 4th.

I'll hold mayor's hours, in person and on Zoom with ASL interpretation, on Saturday, September 13th from 9:30am to 11:00am in the Tucker Pavilion during the Community Market, and on Monday, September 22nd from 7:00pm to 8:30pm at Town Hall.

Keep in touch,
Mayor Micah

CARING FOR CHEVERLY EAST PARK'S FOREST

Starting in spring 2025, the Clean Water Partnership will begin removing invasive plants from the forested areas around Red Maple Run in M-NCPPC's Cheverly East Park and nearby Town-owned land. This effort supports the recent Red Maple Run stream restoration project and is focused on protecting the native oak canopy along the stream and throughout the park's wooded areas. Work will be limited to forested sections of the park. No invasive species management will take place near the playground or play equipment.

This two-year effort is supported in part by a National Fish and Wildlife Foundation Chesapeake Bay Program Small Watershed Grant.

Message from the Chief and Assistant Chief of Police

The Cheverly Police Department has recently investigated an increase in thefts from vehicles as well as stolen automobiles throughout the Town. We are working in partnership with neighboring and allied jurisdictions to combat these incidents. Increased saturation patrols and surveillance operations are underway, and several arrests have already been made.

In many of these incidents, vehicles were left unlocked, and items of value were left unsecured inside. We would like to remind our community:

- Always **lock your vehicles** when unattended.
- **Do not leave valuables inside your vehicle**, even if locked.
- If you are the victim of a crime, please call **911 immediately**.

Your cooperation and vigilance help us keep Cheverly safe.

Back to School Safety Reminder – Drive Safe in Cheverly

With the start of the new school year, the Cheverly Police Department would like to remind all motorists to be especially cautious while driving in and around our community. Increased pedestrian activity, school bus traffic, and students walking or biking to school require all of us to stay alert and practice safe driving.

Key Safety Reminders:

- **Slow Down in School Zones:** Obey all posted speed limits and be prepared for frequent stops.
- **Watch for Pedestrians:** Children may unexpectedly cross the street, especially near schools, playgrounds, and bus stops. Always yield to pedestrians in crosswalks.
- **Stop for School Buses:** Maryland law requires drivers to stop for school buses that are loading or unloading children. Do not pass a stopped bus with flashing red lights.
- **Be Alert for Bicyclists:** Share the road safely and give extra space to children riding bicycles.
- **Avoid Distractions:** Keep your full attention on the road. Put down your phone and avoid multitasking while driving.
- **Plan for Extra Time:** With school traffic, give yourself a few extra minutes to reach your destination safely and without rushing.

If you observe dangerous driving behavior or need police assistance, please call 911 immediately.

Together, we can ensure a safe and successful start to the school year for students, families, and our entire community. We thank you for your dedication and support!

Sincerely,

David C. Morris, Chief of Police
Jennifer A. Krauss, Assistant Chief of Police

Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
- 2. Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes
- 3. Remind your neighbors 1 week before the party that**

the street will be closed. It is important to keep your neighbors informed.

- 4. Place the "No Parking" signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply "No Parking" signs once the event is permitted.
- 5. We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
- 6. Your street must be clean and open to traffic no later than 10 PM.**

CHEVERLY VILLAGE Chocolate Anyone?!

Dark chocolate, in moderation, may offer several health benefits for seniors due to its high concentration of antioxidants and beneficial compounds. Benefits include improved blood flow to the brain, enhanced cognitive function, and potential reduced risk of heart disease. Chocolate contains substances that can stimulate the release of endorphins, leading to a feeling of well-being and potentially reducing stress. However, it's important to consume chocolate in moderation due to its calorie and fat content.

What better way to learn about other healthy tips and fun facts than to join us in Cheverly Village, especially as we play scrabble to win chocolate prizes! We are true to our motto of Aging in Motion: Live life, learn more about life from each other and eat a little chocolate while engaging with all that the Village has to offer.

All are welcome to join us! www.greencheverly.org .

GREEN @ HOME – How Does Our Garden Grow?

Are you looking forward to planning next year's plantings? Why settle for beauty alone when you can use your garden to support our environment? Let's plan for ecological function. Let's choose native trees, shrubs, and herbaceous plants that hold the soil, prevent stormwater runoff, comb particulate pollution from the air, and certainly not least, support beneficial insects, birds, and other wildlife.

How can we learn more about eco-friendly plantings? Check out the Cheverly Green Infrastructure Plan for recommendations that apply to both town land and our own yards. Take a hike – Examples of native plant gardens and naturalized areas created by Friends of Lower Beaverdam Creek are on view at Magruder Spring and along Woodworth Trail. Similar plantings by the Community Native Planting Project may be seen on private and public property around town.

How can you get started planning your garden for both beauty and the environment? You'll find helpful links and reading suggestions at www.greencheverly.org.

Be sure to visit our table on Cheverly Day, October 4th.

CHEVERLY DISCUSSION GROUP

The **Cheverly Discussion Group** (AKA - FOFA) has been gaining more interest as more neighbors are

interested in meeting new neighbors in friendly discussion while enjoying a beverage and snacks.

We have had some especially interesting and unique meetings lately. At our meeting on August 5th, we had a presentation concerning end-of-life planning which is more complicated than most of us would have imagined. On August 12th in concert with the Town of Cheverly we had a presentation from Tara Jackson, our new State's Attorney for Prince George's County and her staff. The main topic was potential Frauds and Scams we all are exposed to online and on our phones.

These two meetings provided a wealth of information. Of course, future meetings will entertain a variety of topics of interest such as racial history and real estate taxes, which were covered recently.

We now **alternate morning and evening meetings** to accommodate working people who cannot meet in the morning.

Upcoming tentative meeting schedule at the Cheverly Community Center

September 2nd – 7:00 PM
September 16th – 9:30 AM
October 1st – 7:00 PM (Wednesday)
October 14th – 9:30 AM
October 29th – 7:00 PM (Wednesday)

We usually meet on Tuesdays. However, some Wednesday meetings are scheduled to accommodate the use of the meeting room by other groups.

Meeting reminders and updates are sent via the Cheverly Exchange and Chevlist. Look for them.

Everyone is Welcome! Come join us and meet your neighbors while enjoying friendly conversation and snacks. Any topic - anytime. Bring a small "pot-luck snack" for sharing if you wish, and your own coffee (or beverage of your choice). This facilitates clean-up. Also bring any issue important to you, your point of view and your experiences, advice and wisdom for sharing.

Contact **Joel Lang at langfinancial@verizon.net or text (301)-613-6424**, for further information, or if you would like to be added to our group email list.

Hope to see you soon--and bring a friend!
