## FOR YOUR INFORMATION

By Mayor Micah Watson

Call 240-603-9366 to contact the Mayor

Cheverly Day is Saturday October 4th! It's our Town's birthday and the most important day of the year. Please join us at Town Park at 6401 Forest Rd! Please walk, take the shuttle bus, or park at the Cheverly United Methodist Church and take a free golf cart. There will be designated handicap spaces at CUMC. <http://www.cheverlyday.org>.

One of my top priorities is public safety, which is why the Town continues to fight for red light cameras on the Columbia Park Road bridge. We're waiting on PEPCO to finish the connections for the cameras. Until then, your police department will continue to do targeted enforcement. In related news, listening to resident concerns, the Council directed the installation of two speed humps on 63rd Place; which have recently been installed.

The preliminary plan of subdivision for Cheverly Hill (a.k.a. the Hospital property) has been submitted but not yet accepted by the County Planning Board. Please review the plan and continue to provide your Council Member and me feedback ([www.cheverlyhill.com](http://www.cheverlyhill.com)). In the next several weeks, the Mayor and Council will release draft legislation to annex the site into Cheverly. I believe now is the time to act to protect our interests. Please read the draft legislation when it's released, participate in the hearings and meetings, and let me know what you think.

This month we will review the finances for FY26 first quarter. We intend to have an on time audit for FY25 and the presentation to follow. We will begin forming the calendar for FY27 budget process. Please tune in and participate!

We're at the midpoint of Hispanic and Latino Heritage Month! Please read the Town's proclamation at [www.cheverly-md.gov](http://www.cheverly-md.gov).

The Town will host the annual Trunk or Treat on October 31st, both at the Legion Park and Cheverly Station Apartments. Your police department will hold its annual Haunted House on October 30th and 31st at the police department and a party in the parking lot on Halloween night at Town Hall (6401 Forest Road). Please slow down throughout Town on Friday, October 31st, it helps everyone stay safe and helps you avoid a ticket. The Police Department is actively recruiting police officers and we offer a \$20,000 signing bonus!

Please come out to your Cheverly Community Markets on the 11th and 25th from 8 am to 12 pm at 6401 Forest Rd!

The Eley Building Ribbon Cutting was postponed as we continue working with Keller Construction to secure the Use and Occupancy permit from Prince George's County. Please be assured that the Town Administrator and his team are actively holding the contractors accountable throughout this process. We look forward to celebrating the building with a Ribbon Cutting and Open House, and we will share the new date soon.

The Council meets in October on the 9th and 23rd at 7:30 pm in person, on Zoom. I'll hold mayor's hours on Monday, October 6th and Wednesday, October 22nd from 7:30 pm to 9:00 pm in person and on Zoom and phone.

Keep in touch,  
Mayor Micah

## COUNCILMEMBERS' UPDATE

### WARD 2: COUNCILMEMBER JOHN LEGLOAHEC

Happy October and Happy Cheverly Day Ward 2! We've made it to Fall, the weather has turned crisp, the leaves are changing, and it's time to get ready for leaf raking and fall clean-up! I'm hoping to hold another Triangle talk sometime in October or early November – but please reach out to me if you need anything or have any issues across the Ward. If you need to reach me, my email is [cmward2@cheverly-md.gov](mailto:cmward2@cheverly-md.gov). I'm also available by phone at 301-641-3425. If you would like to join my Google Group, let me know and I can add you. I'm also sending out an electronic newsletter monthly with other regular updates. I am here for you!

~John LeGloahec

### WARD 3: COUNCILMEMBER NICOLE BRYNER

Hello Ward 3! You can always reach me at [CMWard3@cheverly-md.gov](mailto:CMWard3@cheverly-md.gov), 301-892-6384, or Facebook/Instagram. Please don't hesitate to be in touch!

-Nicole

### WARD 4: COUNCILMEMBER DAVID TANSEY

Cheverly has received a \$400,000 Kim Lamphier Bikeways grant for what I call "the PepsiCo Route" — a planned connection from Kenilworth Avenue at Lydell Road directly onto the Anacostia River Trail. This was the largest award in Maryland this year. Looking ahead, we hope to link Cheverly to this route with a new path from Euclid Street to Lydell, via an easement around the old Craftsman Building and Schuster Drive. That would make it just 1.5 miles from the pool entrance to the trail.

At the last Ward 4 Civic Association meeting, it became clear that we need functioning cameras along Trent Street in the Old Fourth Ward. I am working with the Cheverly Police Department and the Town Administrator to install a camera at the location.

~David Tansey

## CARING FOR CHEVERLY EAST PARK'S FOREST

Since Spring of 2025, the Clean Water Partnership has been removing invasive plants from the forested areas around Red Maple Run in M-NCPPC's Cheverly East Park and nearby Town-owned land. This effort supports the recent Red Maple Run stream restoration project and is focused on protecting the native oak canopy along the stream and throughout the park's wooded areas. Work will be limited to forested sections of the park. No invasive species management will take place near the playground or play equipment.

This two-year effort is supported in part by a National Fish and Wildlife Foundation Chesapeake Bay Program Small Watershed Grant.

## TREE EVALUATION PROGRAM FOR TOWN RESIDENTS

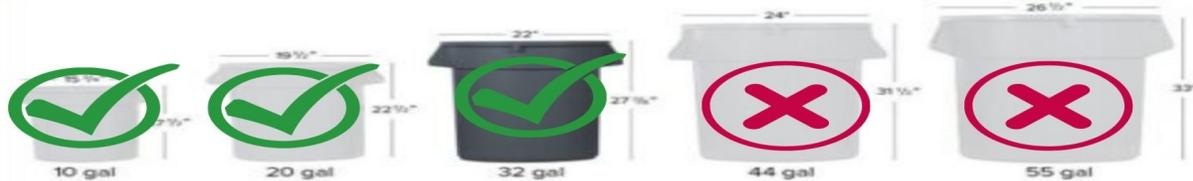

**Did you know you can request one tree inspection per year by the Town's Arborist?**

To request a private tree inspection visit the Town website at [www.cheverly-md.gov](http://www.cheverly-md.gov), complete and return the Tree Evaluation Agreement form, and submit the \$85 inspection fee.

Fees can be made online or via mail by check. Checks should be made payable to the Town of Cheverly and mailed or dropped off at: Town Hall, Attention Public Works, 6401 Forest Road, Cheverly, MD 20785. Once the inspection is completed the resident will receive a report on their tree. Please note: checks will be cashed upon receipt.

## TRASH CAN SIZE FOR COLLECTION

Just a reminder, containers are not to exceed thirty-two (32) gallon capacity.

Public Works will not pick up nor empty trash containers larger than 32-gallons. This is for the safety of our Public Works employees who manually lift each and every trash can.

\*In the interim, until you purchase a 32-gallon trash can with a tight-fitting lid, please remove all trash bags from cans larger than 32-gallons and place them on the curb prior to trash collection.

If you have any questions, contact the Public Works Department at 301-773-2666.

## Report Street Light Problems to Pepco

If you are having any problems with street lights (they are out, blinking on and off, etc.) you can contact Pepco directly. Go to [www.pepco.com](http://www.pepco.com), go to Outages, and click on Report a Street Light Outage. Enter either the address or pole number. A map showing the street lights in the area will appear. Click on the street light you wish to report. You will be directed to enter information about the light and your contact information.

Or Scan the QR Code >>>>

## DO THOSE OLD BROKEN-DOWN TRASH CANS AND RECYCLING BINS HAVE YOU IN A DUMP?

**Important Reminders:**

The Cheverly PD and surrounding jurisdictions have experienced an increase in theft from auto cases. We are working diligently with surrounding jurisdictions and PGPD, District I detectives to solve these cases and prevent further incidents. Thanks to the hard work and dedication of many officers, several suspects have been identified and arrested.

The Cheverly PD has increased patrols within the town in order to prevent further incidents from occurring.

To help prevent thefts and other crimes in our community, we urge all residents to stay vigilant and report any suspicious or unusual activity. Please remember to lock your vehicles, homes, sheds, and garages to help deter theft. Please call 911 if you see or experience any unusual activity.

If you require police assistance, call 911, identify yourself as a Cheverly resident, and request for a Cheverly officer to respond. The Cheverly Police Department is committed to delivering a level of service that exceeds expectations. Your awareness and prompt reporting can make a significant difference in keeping Cheverly safe. If you see or hear something suspicious, don't hesitate, say something. Call 911.

During the most recent town meeting, Chief Morris emphasized that the Cheverly Police Department does not enforce immigration laws. For more information, we invite residents to review the Chief's comments by visiting the Town website.

Vehicles that have not moved for 72+ hours may be towed; all vehicles need to be operational & legally operable on both private property and on the street.

Commercial vehicles are prohibited to park in front of residential properties.

## REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

- 1. Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
- 2. Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes
- 3. Remind your neighbors 1 week before the party that**

the street will be closed. It is important to keep your neighbors informed.

- 4. Place the “No Parking” signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply “No Parking” signs once the event is permitted.
- 5. We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
- 6. Your street must be clean and open to traffic no later than 10 PM.**

## LEAF COMPLIANCE

### **A Data Center Next Door?**

The county is studying the installation of a data center on the former Landover Mall site. The center can be expected to have negative effects on all the surrounding communities, including Cheverly. We should note that Maryland has enacted laws that make data centers exempt from environmental oversight by the Public Service Commission, further putting citizens at risk of negative environmental impact. In looking at their environmental effects, we should remember that the data centers must run 24/7. These effects would include:

- The fossil-fuel sources of electricity needed to run the servers and devices emit carbon dioxide and other greenhouse gases. These contribute to global warming and climate change.
- The heat generated requires energy-intensive cooling systems using large amounts of water.
- The exhaust from the diesel generators needed for backup power contains fine particles known to cause cancer, and respiratory, cardiovascular, and childhood development diseases.

And it's likely that, with the need for quick construction, expansion, and improvement of area electricity infrastructure in order to provide for sustained, uninterrupted supplies of electricity, a data center will raise your electric bill significantly.

## CHEVERLY DISCUSSION GROUP

The Cheverly Discussion Group (AKA - FOFA) has had some interesting meetings lately.

At our last two meetings we discussed scamming solicitors, Mercedes automobiles, recliners, racoons, annexation of Tuxedo, the new town building, ward 6 representation, closed town meetings, tree issues, bus route changes, Women' Club initiatives, prompt public works responses, welcome baskets for new residents, DC policing and Cheverly diversity.

### **What's on your mind?**

We now **alternate morning and evening meetings** to accommodate working people who cannot meet in the morning.

### **Upcoming tentative meeting schedule at the Cheverly Community Center**

**October 1st** – 7:00 PM (Wednesday)  
**October 14th** – 9:30 AM  
**October 29th** – 7:00 PM (Wednesday)

We usually meet on Tuesdays. However, some Wednesday meetings are scheduled to accommodate the use of the meeting room by other groups. We hope to stick to Tuesdays once additional meeting space becomes available in the new building.

It's a great opportunity to meet new neighbors.

Meeting reminders and updates are sent via the Cheverly Exchange and Chevlist. Look for them.

**Everyone is Welcome!** Come join your neighbors for friendly conversation and snacks. Any topic - anytime. Bring a small "pot-luck snack" for sharing if you wish, and your own coffee (or beverage of your choice). Also bring any issue important to you, your point of view and your experiences, advice and wisdom for sharing.

Contact **Joel Lang at [langfinancial@verizon.net](mailto:langfinancial@verizon.net)** or **text (301)-613-6424**, for further information, or if you would like to be added to our group email list.

Hope to see you soon--and bring a friend!

Thank you to all who made this drive possible: The Red Cross, the Town of Cheverly, and all the DONORS including many first-time donors and walk-ins we were able to accommodate. FIFTEEN donors on schedule yesterday were CHEVERLY RESIDENTS!!!

Here's a cute photo of two of the donors yesterday. Thanks, Makayla and Thomas!

The Cheverly Garden Club's next monthly meeting is Monday, October 20, 7 PM in the Cheverly UMC (2801 Cheverly Avenue) 4th floor. It is time for fall flower arrangements! Our members know the routine – bring a small pumpkin that you have cut open and removed the seeds; along with a sharp paring knife or other tools to cut the flowers. Pumpkins can be real, plastic, or foam, just make sure it will hold water. Visitors will need to also bring \$5 to cover supply costs. You can save the seeds for wildlife or clean and bake them to enjoy a tasty snack for yourself. The club will also hear from a recent life-long learning grant recipient. Speaking of which ...

**Apply now for the Cheverly Garden Club's Life-Long Learning Grant.** If you're passionate about gardening, flowers, environmental issues, workshops, and educational programs, this grant is for you. Open to Cheverly residents 18 years and older, full-time Town employees, or Cheverly Garden Club members, with a maximum award of \$500. Applications are available via email. For more information or to apply, email [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net).

Stay healthy, stay hydrated, and happy Halloween!

## CUB SCOUT PACK 257

Cheverly's Cub Scout Pack 257 celebrates the new Scouting year this month freshly off our campout at Watkins Park. To prepare for

Halloween, we told scary stories around the campfire, hunted for ghosts in the woods, and laid flowers before the statue of the Wicked Witch of the West.

Keep an ear low for Goatman this month, as soothsayers foretell he will return to the Woodworth Trail in October at the Haunted Hike. If you open your front door on a clear night, perhaps you can smell his festering scent on the wind...or hear his lone howl matching pitch with screeching train wheels, chugging their doomed song toward ...Bladensburg. Cheverly Pack 257 serves girls and boys grades Kindergarten-5th.

The Scout year follows your child's academic year. In 25/26, we will meet once a month; go on three outdoor camping trips; one indoor campout at the Maryland Science Center; volunteer to collect food for the needy; race cars at the Pinewood Derby, and boats at

the Raingutter Regatta; as well as earn a ton of awards and badges and so much s'more!

For families considering Scouting, please email [CheverlyPack257@gmail.com](mailto:CheverlyPack257@gmail.com) for more information.
