Message from the Mayor

September: A Month of Reflection, Community, and Celebration

As September unfolds, it brings with it a time to reflect on important causes, celebrate community spirit, and enjoy some simple pleasures. This month is full of observances that remind us of our shared humanity, the importance of peace, and the sacrifices made by so many to keep us safe.

National Day of Service and Remembrance

September 11th is Patriot Day, a solemn day of remembrance for the tragic events of 9/11. It's also a National Day of Service and Remembrance, honoring the sacrifices made by first responders and all those who lost their lives on that fateful day. It's a reminder of the courage and selflessness that define our first responders, who continue to protect and serve us daily. Let's take a moment to remember their bravery and express our gratitude.

International Day of Peace (September 21, 2024)

The International Day of Peace is observed on September 21st, a day dedicated to strengthening the ideals of peace across the world. Here in Cheverly, we're fortunate to have the Cheverly Women's Club, which has always been a champion for peace in our community. Their work, particularly through hosting Peace Camps, has been instrumental in teaching the values of peace, understanding, and cooperation to our younger generations. A big shout-out to the Cheverly Women's Club for their tireless efforts in promoting peace within our community!

National Coffee Day (September 29, 2024)

On a lighter note, September also brings us National Coffee Day, a day I particularly enjoy as coffee is my drug of choice! Whether you're a fan of a strong espresso, a frothy latte, or a simple black coffee, this day is all about celebrating the brew that gets us going every morning. So, let's raise our mugs and enjoy the rich, invigorating aroma of our favorite coffee—cheers to the little joys that make our days brighter!

National Voter Registration Day

Another crucial observance this month is National Voter Registration Day. Voting is a cornerstone of our democracy, and it's vital that everyone's voice is heard. Just recently, Prince George's County held a special election where our very own Jolene Ivey won the seat for County Council at-large. This victory is a testament to the importance of participating in local elections. Looking ahead, there will be more information coming about a special election for the District 5 seat, so stay tuned and make sure you're registered to vote!

Cheverly Day (September 28, 2024)

Finally, we wrap up the month with Cheverly Day on September 28th, our favorite event of the year! This day is all about celebrating the incorporation of our town and enjoying good old-fashioned fun. From sack races to local performances, Cheverly Day has something for everyone. It's also the time when we recognize the amazing volunteers who keep our town thriving. I'm excited to unveil the winners of the Jack Wheat and Volunteer awards this year.

As we wind down 2024, let's take time to appreciate the moments we share, the progress we've made, and the community we've built. Whether you're attending one of these events or simply enjoying the cooler weather, I hope to see you out and about, enjoying all that Cheverly has to offer.

Message from the Chief and Assistant Chief of Police

Dear Cheverly Community,

Your Cheverly Police Department wants to take a moment to emphasize the importance of reporting crimes and suspicious activities to law enforcement. Your safety and well-being are our top priorities, and we rely on your help to maintain a secure and peaceful community. Over the past several weeks, there have been several reports of crimes including vandalism, vehicle break-ins, and thefts. While some residents quickly reported these incidents to the police, other incidents were not reported, and the Police Department received the information well after the fact.

To quote one resident, it is important to send a message to those intent on causing harm that Cheverly is not open for their unlawful business. When crimes go unreported, or are delayed in reporting, it allows harmful behavior to continue unchecked, putting everyone at risk. Whether it's a minor incident or a more serious offense, every report matters. Timely reporting enables development of effective deployment strategies designed to prevent future incidents, facilitate better investigations, and bring offenders to justice. The importance of reporting crimes to law enforcement in general cannot be overstated. Here's why it matters:

1. Maintaining Public Safety:

- Reporting crimes helps the police identify and address threats in the community. When crimes go unreported, criminals remain unchecked, and public safety is compromised.

2. Effective Law Enforcement:

- Crime reports provide information that allows the police to allocate resources, patrol certain areas more effectively, and respond swiftly to emerging trends and patterns of criminal behavior.
3. Preventing Future Crimes:
- By reporting crimes, the police can take proactive measures to prevent similar offenses, which includes timely communicating matters of concern to the public.

We encourage residents who find themselves the victim of a crime or who observe suspicious activity to immediately call 911, especially when the crime or activity is in progress. Prince George's County's Public Safety Communications is the county's Public-Safety Answering Point (PSAP). All calls for service, including calls within the Town, are dispatched via the PSAP. Adhering to this protocol is essential to protect responding personnel, enhance accountability, and create a permanent call record. It also ensures that potential victims are communicating directly with a trained 911 call-taker, paramount for the caller's safety.

We are committed to working with our community to ensure that we respond swiftly and effectively to any threat. Your vigilance and willingness to speak up allows us to better protect your neighborhoods, your families, and your businesses. By reporting crimes, you are contributing to a safer community for everyone.

Thank you for your partnership in this important effort.

Sincerely,
David C. Morris

CODE COMPLIANCE

PARKING COMPLIANCE

According to Code Sec. 18-4.2 and Sec. 27.5

Vehicles that have not moved for 72+ hours may be towed; all vehicles need to be operational & legally operable on both private property and on the street.

Commercial vehicles are prohibited to park in front of residential properties.

SIDEWALK AND ROAD OVERGROWTH

Spring is here and the days are getting nice. With the nice weather and rising gas prices, more and more residents are out walking. Whether they are out for a weekend stroll or headed down to the Metro for a train ride to work, they are using our sidewalks and walking paths.

The warmer weather also marks the start of the growing season. As trees and other vegetation grow, they tend to encroach upon the public right-of-way (sidewalks, streets, or alleys). This overgrowth of vegetation or low hanging branches can obstruct view, creates tripping hazards or otherwise impede the public's ability to use the streets and sidewalks. This encroachment has been deemed a public nuisance in the Town Code and constitutes a hazard, which impedes the free movement of pedestrians or vehicles. As such, residents are required to ensure that public right-of-way abutting their property are kept free of overgrowth and intersections are obstruction free.

Trees located within the first (11) feet of the curb are the responsibility of the Town. Please call if you have a question or notice any condition that may pose a hazard to the community.

GRASS, WEEDS AND OVERGROWTH

Obstructions:

1. Residents are reminded that with the nice weather more and more residents are out walking. Please

keep the walkways and sidewalks clear of overgrowth, obstructions, and hanging limbs.

2. If the tree obstructing the sidewalk or roadway is in the planting box, please contact the Department of Public Works.
3. Keep vegetation from obstructing the view near intersections.

Lot Maintenance:

1. Residents are reminded to make sure your grass is cut before it reaches 8 inches in height.
2. Also, the planting strip between the sidewalk and the street is your responsibility to maintain
3. If you are going on vacation, make sure you make arrangements to have your grass cut for you.

Be sure to take into consideration that the weather can be unpredictable, but the grass still needs to be cut.

REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

1. **Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
2. **Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,
3. **Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.
4. **Place the "No Parking" signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply "No Parking" signs once the event is permitted.
5. **We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
6. **Your street must be clean and open to traffic no later than 10 PM.**

Bring your old seed heads and/or plants you want to save seeds from for a hands-on mini course on seed saving. Package up seeds for yourself and the **Cheverly Little Free Seed Library**. The library is located between the Cheverly Police station and the Community Center. Seed packets are identified with the type of seed and a QR code that gives a link to information about planting and caring for your seedlings. There are seeds for annuals, veggies, and native wildflowers available. Happy planting!

The Cheverly Garden Club's **Life-Long Learning Grant** is still taking applications. If you're passionate about gardening, flowers, environmental issues, workshops, and educational programs, this grant is for you. CHEVERLY VILLAGE Move your Booty!

The intense heat may tempt us to slow down and feel lackadaisical. But to remain healthy, we need to move our bodies. Likewise, to keep our brains healthy, our neurons need to do workouts! Finally, to nurture our emotional health, we need to share our lives with our neighbors and community. All these factors require activity or “motion.”

Cheverly village’s tagline “Aging in Motion” is adapted from “Aging in Place,” the expression widely used in the Village Movement. How does this motto relate to Moving? Many older adults in Cheverly don’t want to move away! We want to remain as valued members of the community. But we do want to move, i.e. be active. Membership in the Village can foster our ability to stay here while we “age in Motion.” Members join to learn new skills in technology and to enjoy outings together. We assist each other when we need rides to doctors. We join each other to powerwalk in the community. We help each other prepare for emergencies. We run errands for folks who need a helping hand.

In short, we remain engaged, we remain “in motion”.

To ensure this valuable Cheverly resource remains available in the future, I encourage you to make a donation to help us sponsor membership for lower income elders. (We are committed to have Village membership affordable for all Cheverly residents.) Additionally, I encourage you to join our volunteers who share their time serving our community.

Finally, I implore you seniors to join the village **now**. It is you who will sustain the Village’s future. Join before you think you need any services. Join to enhance our village community, to contribute your ideas and energy to the membership. Join to be a leader in this vital community group. We need you to “move your booty” and **join!**
