#### **What a Year!**

2024 has been a year full of political activity and community engagement. We've seen nationwide and countrywide elections take center stage, and now we're gearing up for more, including the District 5 and County Executive races, as well as our town wide elections in the coming months.

With so much happening, it can feel overwhelming to keep track of it all. That's why it's important to stay informed. If you're unclear about what's on the ballot or what the candidates stand for, reach out to the Board of Elections or your councilperson to ask questions. This election season is critical, and your participation ensures that Cheverly continues moving in the right direction.

#### **Stay Informed and Engaged**

As we navigate these political decisions, let's also focus on other areas where your voice and actions make a difference:

**Understanding Development Projects:** The Hospital Hill development site and other projects have sparked interest and questions. If you're curious or concerned about what's happening, speak up and get involved in the conversation. Your input helps shape our town's future.

**Budget Season:** With budget discussions approaching, now is the time to get involved. Learn where your tax dollars are going and advocate for the priorities you want to see reflected in the town's plans.

**The Power of Volunteerism** Cheverly thrives on the energy and commitment of its residents. Our town runs on volunteers—people like you who dedicate their time and talents to make our community better. Whether it's helping out with local events, serving on committees, or assisting town organizations, volunteerism is the backbone of Cheverly's success.

There will be a Meet and Greet at the American Legion on January 26th from 12–3 PM to highlight the many organizations and opportunities for getting involved. This

is a great chance to connect with others, learn about what’s happening in our town, and find ways to contribute. Your participation makes a real impact, whether you’re helping to organize events, supporting youth programs, or working with environmental groups.

Reflecting on Last Year’s Achievements If you haven’t had a chance to review the accomplishments from last year, feel free to request a printed report from the administrative office. It was a remarkable year, including securing \$3.5 million in additional funding for our town—an achievement we’re incredibly proud of.

**January Awareness Activities**

As we reflect on the year and prepare for what’s ahead, January is also a time to focus on important causes:

- National Mentoring Month: Recognizing the power of mentoring to guide and inspire our youth.
- National Slavery and Human Trafficking Prevention Month: Raising awareness about and

- combating these injustices.
- National Blood Donor Month: Highlighting the lifesaving importance of blood donation.
- National Braille Literacy Month: Advocating for inclusion and accessibility for all.
- Walk Your Dog Month: Promoting health and wellness for pets and their owners.
- Veganuary & Dry January: Encouraging health-conscious choices and sustainable habits.

**Looking Ahead**

2024 reminded us of the power of community and the importance of active participation. Whether you’re voting, volunteering, or asking questions to better understand our town’s priorities, your engagement matters.

As we move forward, we hope 2025 will bring even greater opportunities and positive changes for our community. Let’s continue working together to make this a year of progress and success. Thank you for all you’ve done, and here’s to another year of growth and connection!

Message from the Chief and Assistant Chief of Police

**Welcome Aboard, Congratulations, and Promise Made, Promise Delivered**

Dear Cheverly Community,

On Thursday, December 12th, the Police Department hosted a ceremony during which Mayor Munyeneh, joined by our Town Council and many of our residents, welcomed two new sworn officers, promoted eight officers, and delivered a long-awaited promise.

Please join us in welcoming Sergeant William Blount and Corporal Jody Shegan to the Cheverly Police Department, both of whom were administered their oath of office by Mayor Munyeneh. Sgt. Blount recently retired from the Prince George's County Police Department where he served with distinction for 20 years. He served his last fourteen years supervising a warrant task force with the U.S. Marshals Service. Corporal Shegan recently retired from the Metropolitan Police Department D.C. (MPDC) having served honorably for more than 23 years. Prior to serving with the MPDC, he served thirteen years with the Mount Rainier Police Department and brings a wealth of patrol experience. Both are proven leaders.

Not to be outdone, the Mayor and Council joined the Chief and Deputy Chief in recognizing the tremendous work, an acknowledgment of their professional development, promoting in rank eight officers. Please join us in congratulating the following promotees:

- Sergeant William Blount
- Corporal Wade Soller
- Corporal Jody Shegan
- Corporal Marvin Valencia
- Corporal Matthew Willis
- Police Officer First Class Desoto Jordan
- Police Officer First Class Jae Lee
- Police Officer First Class Naun Marin

Finally, and in no small measure due to the vision and steadfast support of our Mayor, Council, Town Administrator, and our residents, the Chief announced, that for the first time in more than a decade, the Cheverly Police Department was returning to 24/7 service. Recruiting and retaining the necessary staffing to deliver on an eagerly anticipated promise made by this administration was no small accomplishment, but we are excited to deliver. Promise made, promise kept. On behalf of the entire town leadership, we thank our community for your confidence, your faith, and most importantly your patience as we restored a Police Department of which this town can be proud. Thank you!

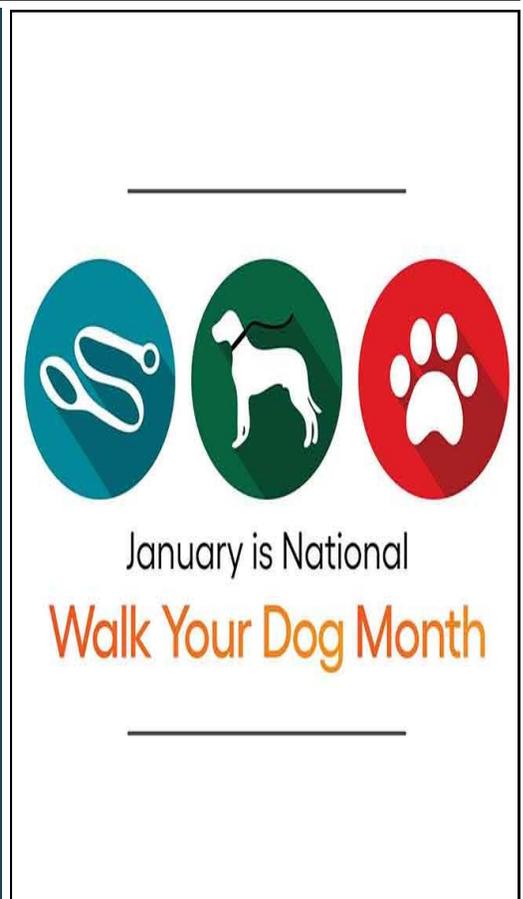

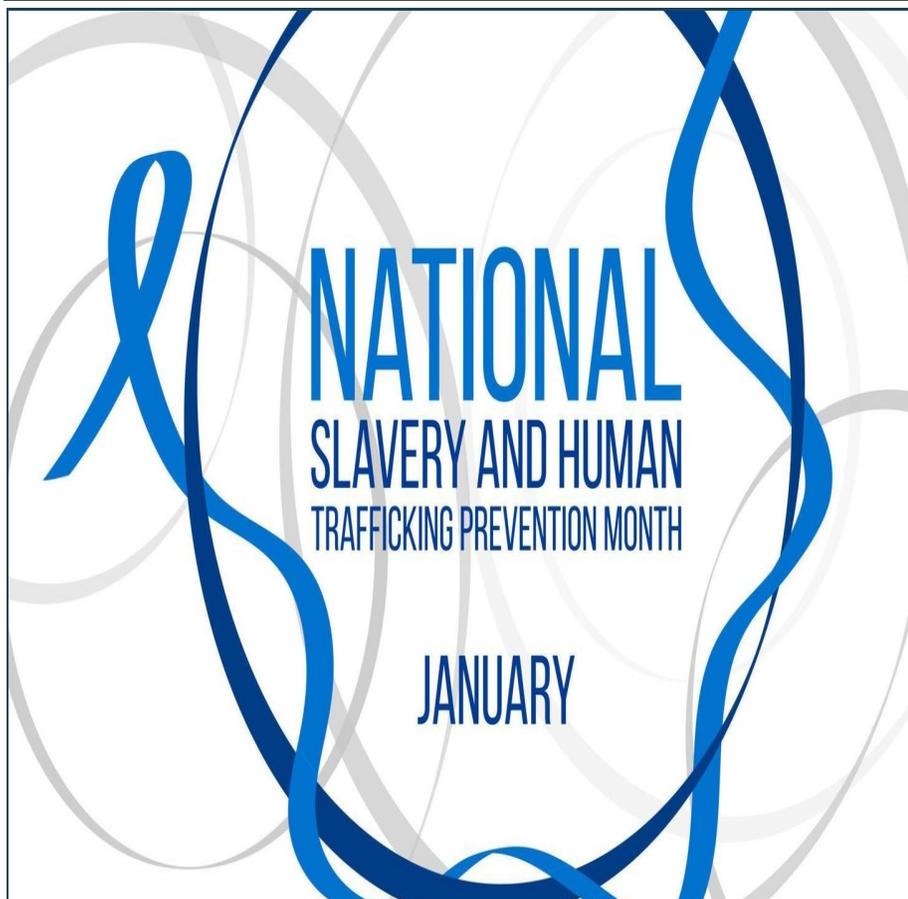

Sincerely,

David C. Morris, Chief of Police  
Jennifer A. Krauss, Assistant Chief of Police

**PRIORITIES:** The snow removal operations work under the following priorities:

- 1.) Cheverly Avenue
- 2.) principal connecting streets: Forest Road, Crest Avenue, Valley Way, Greenleaf Road, 62nd Avenue, State Street, Schuster Drive;
- 3.) all other streets.

## REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

**1. Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.

**2. Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,

**3. Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.

**4. Place the “No Parking” signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply “No Parking” signs once the event is permitted.

**5. We recommend that you communicate with your neighbors a week prior to the Block Party.**

Communicating with your neighbors help to ensure all are notified and remember not to park on the street.

**6. Your street must be clean and open to traffic no later than 10 PM.**

## CHEVERLY DISCUSSION GROUP

The **Cheverly Discussion Group** (formerly known as FOFA) is proud to announce that it is the newest approved town organization. We are neighbors who meet about **every other Tuesday at 10 AM**. The meetings are currently alternately held in two member's homes and last about 2 hours - sometimes a little longer.

Come and meet new neighbors while sharing coffee and donuts. We are very informal, collecting no dues, taking no minutes and having no fixed agenda. Anyone can introduce any topic, initiating friendly, respectful and neighborly discussion and we don't shy away from controversy.

We sometimes go around the table and re-introduce ourselves adding a comment like "what you wouldn't normally know about me" or "an embarrassing moment" or some other discussion starter.

Most any topic is OK. In the past we explored assessments, race relations, guns, WSSC bills, a military draft, vocational education in schools, discrimination in sports, violence in society and even NE Washington gentrification. Meetings are interesting, educational and sometimes surprising.

### January meeting dates are:

- January 14, 2025 – Tony & Dana Thompson, 6428 Forest Road
- January 28, 2025 – Joyce & Joel Lang, 6424 Forest Road

For latest updates, more information and possible changes of meeting location, contact: **Joel Lang**, [langfinancial@verizon.net](mailto:langfinancial@verizon.net) or text 301-613-6424 .

If you would like to be added to our mailing list, which is the best way to stay up to date with our group, request using the email address above.

Please RSVP if you are planning to attend so we can plan better. Hope to see some of you soon - and bring a friend.

## **SUSTAINABILITY TOURS: RIVERDALE PARK AND COLMAR MANOR**

Cheverly has been certified by Sustainable Maryland Certified since 2011 for its activities in protecting the environment. In October Cheverly Green Infrastructure Committee members joined SMC tours exploring what four other communities have been doing for the environment. In the December newsletter we reported on our visits to Washington Grove and Takoma Park.

Riverdale Park is a town of about 7351, with an area of 1.58 square miles. The tour showcased sustainability features in a 37-acre development, Riverdale Park Station. The plans for this "mixed-use town center" called for 187,277 square feet of commercial use, 855 multifamily units, and 126 town

## CHEVERLY VILLAGE

### **Happy Holidays**

Wherever you may celebrate your holidays, may it feel like home!

Many of us find that we belong to several family circles with each of them uniquely fulfilling. Cheverly Village is one kind of family circle: a Village within a Village.

As Cheverly Village has grown over the past eight years, it is hoped that each of our members has begun to feel a part of that supportive family and has experienced joy from meeting new Cheverly friends through our shared activities. These activities have, at times, provided space for discussion of serious topics and, at other times, a chance to be silly playing games. Remember, our motto is to "age in motion," so get out of the house and join in our many activities.

All of our activities welcome new participants.

houses. The Trolley Trail runs through the property. Considerable space is devoted to bioretention facilities. A vegetated roof covers a commercial gym building, and parking spaces along roads in the business area feature permeable paving. Some native species are used in landscaping. Electric vehicle charging stations and LED street lights have been installed.

With a population of 1554, Colmar Manor is only half a square mile in area, of which about 36% is county parkland. The tour highlighted a street intersection of permeable paving, with the installer on hand to explain engineering and maintenance aspects of the project. EV charging stations are among other sustainability projects in this small town.

*Meet Us, Greet Us.* Visit our table at the American Legion Meet and Greet, Sunday, January 26, 12 - 3 PM.
