Mr. LeGloahec spoke about the Cheverly voter registry process and the draft voter registry form that is currently awaiting approval by the Town Attorney.

Ms. Kaye spoke about voter registration events prior to the election. People can also register on election day to vote. We will not use the term Non-Citizen voting; it will simply be called the Cheverly Voter Registry so that no one is singled out.

Mr. Pruden discussed the installation and placement of the ballot box. The ballot box will allow residents to drop off their ballots instead of coming to the community center to vote on election day.

The training of the Election Judges and Election Clerks was briefly reviewed.

The absentee voting process was discussed and the previous requirements for requesting an absentee ballot have been removed. The process of requesting and submitting an absentee ballot was detailed.

Election day 2021 was expounded upon; including the set-up inside the gym and the use of volunteers to facilitate the flow of voters. Masks, sanitizing stations and other social distance measures that will be implemented were also discussed.

The Board then addressed questions that were asked and posted in the chat during the course of the meeting.
