## **Town of Cheverly Boyd Park Tree Survey Exercise Pathway**

The trees were surveyed in the field on Thursday February 20, 2020. Trees were evaluated for pruning and removal to eliminate hazards near the pathway.

The results are organized from the sit up station to the chin up station to the step-up station and the end and then the wooden fence line.

Individual tree reports are provided with photographs for each tree recommended for removal.

Town of Cheverly

Boyd Park Exercise Pathway Tree Pruning

Feather and Associates March 3, 2020,

All trees marked with yellow/black striped flagging stapled to the trunk.

In order from Sit up Station to Step Up Station to fenceline

Tree	Size" dbh	Recommendation	Comments
