Town of Cheverly Tree Survey Tree Pruning List

The trees were surveyed in the field between October 15, 2019 and December 6, 2019. Trees were evaluated for pruning and removal. This report is for tree pruning. The attached list is priority pruning to eliminate the most immediate hazards observed. A shorter list is for trees that are recommended for removal but require pruning to eliminate hazards, if the tree is not removed.

Number	Street	Tree	Size	Comments	Recommendations
3817	58th Avenue	Red Maple	18		Remove dead wood
2410	59th Avenue	Red Maple	20		Remove dead wood, hanger
