Message from the Mayor

I love November! Not only is it the birthday month for the Fresh Prince of Cheverly, but it is also my birthday month! November is wonderful for so many reasons. As you know, I use this entire month to think about all there is to be thankful for right here in our community.

We also use November to remember our Veterans, celebrate Thanksgiving for those who observe, and, of course, Movember Awareness Month. Movember? Movember is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues, such as prostate cancer, testicular cancer, and men's suicide. Don't forget to encourage the men in your life to get medical checkups and consider well visits for their own health.

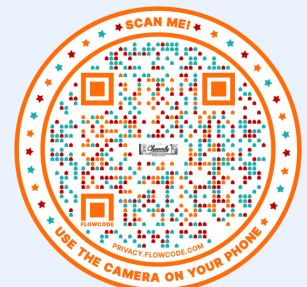

I want to be sure to highlight the Prince George's County Beautification Awards. The Cheverly Police Department received The Prince George's County Beautification Award for Community Entrances and/or Common Areas. Many kudos go to the Cheverly Native Planting Project, which designed, planted, and maintained an entrance garden for the police department. We received that award and many others. Our residents really took home the prizes, and many kudos to Yard of the Year, which went to Diane Beedle!

Now, speaking of the police. Many of you participated in our second Public Safety Forum. We had a robust discussion about methods we can use to work as a community to keep Cheverly safe, and we also talked about recruitment and retention for the Cheverly Police Department. I want to thank everyone who participated in the discussion, especially the victims and survivors of crime. As a survivor, I know the old adage that time heals all wounds does not always apply to victimization. Being the victim of a crime forever changes your sense of safety and significantly impacts your worldview. You are never the same. That being said, I know that Chief Morris is working to onboard several new officers to bring the police department back to capacity. As you heard, CPD has been authorized to take necessary steps to provide compensation packages that both recruit and maintain quality officers. I feel confident that we will continue to see improvements in staffing issues.

I am also confident that our community's response to crime will thwart any opportunistic bad actor. In no way do we want to encourage vigilantism. The worst thing that could happen is that our neighbors feel unsafe because community members take the law into their own hands. That erodes the sense of community we need to fortify safety. But we can plug in and engage. We had over two hundred participants in the Public Safety Forum. You heard me commit to having the forums quarterly and continue to work to improve communication about crime in our area. I will reiterate that our community is one of, if not the safest, in the near vicinity of the District of Columbia. Our violent crime increased from eight victims last year to twenty this year. When you compare that to the municipalities around us, it pales in comparison. Now, it is important to note that it only pales if you are not one of the twenty victims who experienced victimization. Nothing can make someone feel safer after they have experienced crime more than catching the perpetrator. I am happy to report that we were able to announce one day after the Public Safety Forum that the perpetrator of the shooting on Cheverly Avenue was apprehended.

The Cheverly community has a great deal to do with the arrest of this perpetrator. I am so thankful we live in a place where neighbors were forthcoming and shared camera footage. This was a tremendous help in evidence collection and, ultimately, in catching the perpetrator. Please remember that it is not just a catchphrase or cliché; if you see something, say something.

Some of you agreed to sign up for our Neighborhood Watch and Police Chief's Advisory Board. We need way more volunteers to really flesh out these programs. If you are interested, please shoot me an email at Mayor@cheverly-md.gov. As promised, you can look out for a short weekly communication with updates about the town, including public safety matters. I will also encourage you to attend our town meetings or join us online. We are often discussing some of the very issues that are of concern to you.

We don't want to forget that November includes Indigenous Peoples Heritage Month, sometimes referred to as Native American Heritage Month. It is a time to celebrate the rich histories, diverse cultures, and significant contributions of our nation's first people. Look for ways to learn about and honor our American Indians and Alaska Natives.

Lastly, every year, I ask: What are you thankful for? I never get a lot of responses, but I am always encouraged by what you share! Let's see if I can get more this year. What are you thankful for? Drop me a note at Mayor@cheverly-md.gov.

Mayor's Mention is to those who won the Jack Wheat and Volunteer of the Year Awards: Ahjah Prom, Josue Reyes, Ms. Vee Carter, and Gabe Horchler. Mayor's Mention is also to the Cheverly Police Department, they may be few in number, but they still handle the majority of our calls and seek to be the assets to our community we so appreciate. Here is to the start of a safe and happy holiday season!

Message from the Chief

On behalf of your Police Department, I would like to personally thank all our residents who participated in the Town's Public Safety Forum on Thursday, October 19th. The community showing was awe-inspiring, with those in attendance, both in person and virtually, offering suggestions, recommendations, and, most importantly, support for their neighbors. A special shoutout to those residents who attended and courageously expressed their feelings about being personally victimized by crime. Doing so was not easy, and I commend each of you! I also wish to thank those who attended and have since taken the opportunity to contact me either by email or phone, reaffirming their commitment to support the Police Department and the Town to ensure Cheverly remains a safe place for all. The men and women of your Police Department look forward to continued engagement, reestablishment of an effective community watch program, and enhanced communication, to mention just a few of the ideas proffered that evening.

The following are some personal safety measures offered as a gentle reminder:

- Call 9-1-1 upon witnessing any crime in progress or any situation that poses an imminent threat to life or personal safety.
- For non-emergencies and general police service information, contact the Cheverly Police Department at 301-341-1055. This line will be answered during normal business hours. After hours, callers may leave a message that will receive a return call on the next business day.
- Be aware of your surroundings and avoid distractions such as talking on your cell phone. Walk in groups whenever possible and report suspicious

activity by calling 9-1-1.

- Secure your belongings by locking your doors and windows, including properly locking your vehicle and keeping valuables out of sight.
- Do not leave valuables unattended, such as backpacks, laptops, or cellphones.

Please take advantage of the services offered by the Police Department, including home vacation checks and home security surveys. As mentioned during the Public Safety Forum, the Department is initiating programs to obtain wheel-locking devices, steering wheel-locking devices, and a reimbursement program for the purchase of home security cameras. More to follow as these programs get underway.

Please remember that Daylight Saving Time is fast approaching. "Fall Back" is a common term to denote the fall time change. It is also a reminder that we move our clocks back one hour. On Sunday, November 5, 2023, at 2:00:00 a.m., clocks are turned backward 1 hour to 1:00:00 a.m. local standard time. Don't forget to adjust your clocks to stay on schedule and enjoy the benefits of the time change.

With this time change, please be mindful of pedestrian traffic after dark. Drivers, please slow down and pay attention. Pedestrians, please wear bright-colored or reflective clothing if venturing out after dark. Traffic and pedestrian safety are everyone's responsibility. Thank you for your continued partnership as we strive to create the safest possible community for all who call Cheverly home and to make welcoming for those who work, play, and visit our town.

~Interim Chief David C. Morris

Community Bulletin Board

The Cheverly Green Infrastructure Committee is tasked with implementation of the Cheverly Green Infrastructure Plan. The Green Infrastructure Plan designates the natural area network of hubs and corridors. The Cheverly East Park natural area is one of those hubs, and is to be managed as a community natural area.

The Prince George's County Department of the Environment, through a public-private partnership with the Clean Water Partnership, has planned a project entitled "Cheverly Stream Restoration" for Red Maple Run within the Cheverly East Park natural area.

The long-term impact of projects termed stream restorations is projected to be positive. However, the short-term loss of habitat is significant and demands offsets to the effects of that loss. As an incorporated town, Cheverly must oversee projects undertaken within its borders. We recommend that the town use its influence to help ensure a successful and sustainable project.

The Cheverly Green Infrastructure Committee makes the following recommendations to the Cheverly Mayor and Council:

- Advise the Clean Water Partnership to ensure a high survival rate of trees by planting a surplus. The recommendation provides a suggestion for planting depending on tree and shrub heights at maturity to provide sufficient surplus.
- Request details of the maintenance program. For each aspect of the program, one might ask who will carry it out, when and how much. The town may ask which of the two sets of standard maintenance monitoring criteria will be used. The recommendation outlines the two standards.
- Request post-construction educational signage. A sign would explain what was done and would provide a means to contact the agency or group responsible for maintenance through a QR code. A model might be the sign at Fletcher's Field, another CWP stream restoration project.

The **Cheverly Garden Club** will be having its monthly meeting on Monday, November 20th, at 7:00 pm in the fourth-floor Parlor Room of the Cheverly United Methodist Church. We will be making evergreen centerpieces for the holidays. Please bring your own scissors and a container for the arrangement.

Remember to Leave your Leaves. Leaves left in garden beds provide habitat for caterpillars and other insects over the winter. Don't leave your leaves on the grass, as they will cut off sunlight and smother the grass blades. You can always shred them with your lawnmower to add nutrients to the lawn. Trim perennial stems about 12 inches from the ground. Stem centers provide places for native bees to overwinter.

The Garden Club would like to recognize those individuals who were honored recently by the Prince George's County Beautification Committee for helping to beautify the town of Cheverly. First-year entrants were the Nies Family Garden, the Beedle-Atizado Home, and the Cheverly Police Station. Those who have continued to maintain their properties are Liz Lescault, Jeffrey Felten-Green, Shannon Griswold & Tim Fothergill, and the Kilmer Street Park and Arboretum. Those finishing the program with earning a Golden Trowel are Carlos & Candi Diaz and the Cheverly Swim and Racquet Club. The Beedle-Atizado Home was awarded the 'Yard of the Year,' earning the most points throughout the county from the Master Gardener judges. Learn more about this program at www.pgcbeautification.com. The Garden Club would like to see more outstanding Cheverly properties recognized for their hard work.

The Cheverly Garden Club's Life-Long Learning Grant is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly, or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For more information, email the Garden Club at cheverlygardenclub@verizon.net

CHEVERLY BOY SCOUT TROOP 257

Put your son on the path to fun outdoor adventures this fall! – Boy Scout BSA Troop 257 has activities planned for boys 11 to 18 (sixth to twelfth grade.) In October, our boys honed their first aid skills with our annual Search & Rescue event. This month our Scouts will be in your neighborhood collecting non-perishable food items as part of the Scouting for Food service project. Our door-to-door campaign takes place on two consecutive weekends in November. The first weekend Scouts will distribute fliers/door hangs about the food drive and provide instructions for the collection. On the second weekend, our Scouts will return to collect the bags/boxes of food and deliver these to a local food pantry. Please participate if you can. Our goal is to collect one million pounds nationally! (No glass items.) Please keep a lookout for our flyers with the upcoming dates.

We are also planning a campout at the Antietam Battlefield over Veterans Day weekend. If you are interested in joining Scouts, please contact Micah Watson at micah@cheverlyday.com or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.) We have resumed our firewood sales. If you are looking for some, please reach out! This is our primary fundraiser. Thank you in advance!

Thanks to all who visited us at the flea market and participated in the costume swap! Lots of cute costumes made it to new homes. In November, we will have a food drive to raise money for food-insecure families in the community. Funds will be used to buy grocery gift cards and given directly to our local elementary schools (with some donuts and coffee for our lovely school staff members to keep them fueled through this busy time)! Stay tuned to the newsletter and list for further information.

Please remember weekly playgroup happens every Monday, Wednesday, and Friday in the gym from 10-12. If the gym is closed for some reason, there will be an email to the list and post on Facebook to alert parents and caregivers. Please, no skates, scooters, or bikes in the gym, as it is hard on the gym floor. Please dispose of diapers in the plastic bags provided at the Community Center. Also, pay attention to Facebook and the list for weekend playgroups.

Community Bulletin Board

As always, we are looking for a few more board members or individuals who can volunteer for specific tasks like organizing baby meetups, playgroups, and events! If you have ideas for events, we would also love to hear them. Contact cprcpresident@gmail.com with questions.

If you aren't a current member and would like to be, or just forgot to renew, please email us at cprcmembership@gmail.com or visit our website and click the "join" button. Those who did not renew you might notice you have been removed from our list. Don't miss out on great activities!!

RECREATION COUNCIL

Thank you everyone for your support of the October Flea Market! Despite the rain we had a ton of great vendors, some good food and baked goods. All of the registration money from this event will go to the Rec Council Scholarship Fund. We were able to award \$2000 in scholarships to college freshman in September.

We also had so much fun at our Halloween parade and party! So many cute costumes. The Rec Council annual holiday party is back December 2, 2023 with crafts, a surprise visit from the big man and also a puppet show by Blue Sky Puppets entitled "Pigs at the Pole". All festivities will be in the community center starting at 11am!

Remember, the purpose of the Cheverly Recreation Council is to develop a well-rounded recreation program, coordinate among all governmental agencies and community organizations interested in recreation; and to encourage, evaluate, publicize, assist, initiate, and conduct year-round programs of recreation for all age groups. We meet that last Tuesday of the month at 7 pm in the large conference room at the community center. Join us! Ideally any group or organization that has an interest in rec activities or ideas for future events would send a representative to each of our meetings. We need you to make successful programs for all ages in our community! Any questions send us an email to reccouncil@cheverly-md.gov.

CHEVERLY VILLAGE

Cheverly Village steps in to help when needs aren't minor.

We can come to the rescue when illness requires extraordinary teamwork—bringing together trained Cheverly Village volunteers and the help of many other loving friends.

The Village's vaccine clinic in October was open to all of Cheverly: we provided flu shots for kids and older adults as well as pneumonia and shingles and RSV shots.

Most Village activities are open to all, while some are designated for Cheverly Village members—such as an intimate discussion group about end-of life issues called "Peace of Mynd," which kicked off on October 8.

See the "Events" list on our website, Cheverly Village.org!

Cheverly Village's Book Club recently discussed a memoir set in Mississippi by

Community Bulletin Board

Cheverly author and Village volunteer, Howard Branch, *A Pot and a Window*. Our discussion brought out a wide range of memories drawn from our diverse backgrounds in settings from rural Minnesota and North Dakota to the deep South. As our former member, Thelma Boyd Nash, used to say, "Cheverly Village helps all ages share the wonderful stages of life."

To become a member of Cheverly Village, or to support the Village as a volunteer or a donor and help make possible community events like the flu clinic, please contact us at CheverlyVillage.org or call 240-770-1033.

CHEVERLY NATIVE PLANTING PROJECT

A message from the bee-loud Glade!

Did you know?
The fall and winter garden is teeming with life!
The leaves that fall from your trees provide winter cover for many pollinators and other invertebrates!

HERE'S HOW TO HELP! **LET'S LEAVE THE LEAVES!**

- RAKE THE LEAVES ONTO YOUR GARDEN BEDS - THEY ARE NATURE'S MULCH!
- MAKE A LEAF PILE IN A CORNER AND ALLOW IT TO DECOMPOSE
- LEAVE A THIN LAYER OF LEAVES ON YOUR LAWN - THEY WILL BREAK DOWN AND IMPROVE YOUR SOIL
- LEAVE DEAD PLANT MATERIAL SUCH AS SEEDHEADS FOR THE BIRDS

REMEMBER! **LESS IS MORE!**

The less time you spend raking, mowing, blowing and tidying, the more time you have to enjoy the fall weather and the wildlife in your garden!
