Message from the Mayor

We are chugging right along aren't we! Last month, we welcomed two new officers to Cheverly Police Department and continued to keep you up to date with public safety matters. We finally ushered in our first ever Youth Council. I am so excited about this initiative. I can't wait to hear what the brilliant young minds in Cheverly want to share. We also held one of many forums on Hospital Hill Development while welcoming the Governor to Cheverly and appreciating the generosity of \$7.5 million dollars awarded to the Redevelopment Authority for the project. I can't stress how important this development is for all of Cheverly and Prince George's County. We have a unique opportunity to change the trajectory of economic development in our area for generations to come.

You should also get this newsletter before the annual State of Cheverly Address. In this year's address, I will review issues of public safety, development, achievements, taxes, and annexation. I really want you to listen in! You can use this link to join me. <https://us02web.zoom.us/j/89043929956?pwd=dEIRZHM4anhhbXovZGhUd01haUszdz09>. The first hour is always in English and the second hour is in Spanish (albeit I am not bi-lingual, but I try my best). It is so important to keep your finger on the pulse of everything happening in town. Things can change so quickly!

We can't forget that March is Women's History Month. Check the display cases in town hall to see who is featured! March is also National Development Disabilities Awareness Month. As the mother of a child with special needs, I am always looking to find ways to be more inclusive and to create spaces that consider neurodiversity. There is a way you can join me in highlighting these efforts. People impacted by developmental disabilities celebrate Inclusion Day on the first Monday of March each year by wearing orange - the color of INCLUSION. It's easy to do, just post pictures on social media with you and your friends wearing orange (using the hashtag #includeME) to spread the message of inclusion. I would love to see your

pictures! Feel free to tag me @MayorKayce on all social media platforms so I can see how we embrace our community.

Now, I love visiting schools! This year we finally got to do the African American “Read In” at Robert Gray Elementary. The African American “Read In” was started by the National Council of Teachers of English Teachers Black Caucus in 1990. It has grown to include millions of people over the years. I am glad Cheverly was able to participate with our local schools.

The visit to schools was a reminder of our ever so important “If I Was A Mayor” Campaign. Please use this link for more information and get those essays in as soon as possible [2024 Essay \(mdmunicipal.org\)](https://mdmunicipal.org). The deadline has moved up and all essay submissions are due on March 8, 2024, by midnight.

In closing, I am reiterating you should either attend in person or view the State of Cheverly Address online. In just a few years, we have seen redistricting, new taxing, ARPA funds, and economic development have a huge impact on our town. Viewing this address is the one opportunity to hear where we stand, how we have accomplished goals from the strategic plan, and where we are going. I can’t wait to share!

Message from the Chief

Dear Cheverly Community,

As the Chief of Police for our community, I am honored to lead a dedicated team of officers and civilian staff committed to ensuring the safety and well-being of each resident. As we navigate the opportunities and challenges that lie ahead, I wanted to take a moment to connect with our vibrant community.

Our Police Department is committed to fostering a safe and secure environment for all residents. We understand the importance of collaboration and open communication between law enforcement and the community we proudly serve. Together, we can build upon the strong foundation of trust that exists within our neighborhoods.

I want to express my gratitude for the ongoing support and cooperation we receive from each member of our community. Your engagement and willingness to work together with us play a vital role in maintaining the safety and well-being of everyone.

In the spirit of transparency and accessibility, I encourage all to reach out to our department with any questions, concerns, or ideas you may have. Our commitment to community-oriented policing means that we value your input and actively seek ways to address your needs.

Throughout the upcoming months, we will be focusing on community engagement initiatives to strengthen the bonds between law enforcement and residents. Look out for neighborhood meetings, outreach programs, and events designed to facilitate positive interactions between officers and the community. We are here not just as law enforcers but as community partners dedicated to making a positive impact. Together we can build a sense of unity and shared responsibility.

Our aim is to create an inclusive environment where everyone feels heard, valued, and protected. Together, we can continue to build a community that stands strong against challenges and celebrates our collective achievements.

Thank you for your ongoing support, and I look forward to working together to make our community an even safer and more welcoming place for all.

Sincerely,
David Morris

CHEVERLY GREEN INFRASTRUCTURE COMMITTEE

Serving the Cheverly Community since 2011

March Monthly Meeting

Date: Monday, March 4, 2024

7:30-9:30 p.m., virtually via Zoom, watch for announcements on www.greencheverly.org, the Cheverly Exchange, and the Cheverly List.

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact sheila.salo@gmail.com or see www.greencheverly.org for the meeting agenda.

What is the Cheverly Green Infrastructure Plan?

The Cheverly Green Infrastructure Plan is the outcome of a three-year effort by a representative resident steering committee and was adopted by the Cheverly Town Council on September 8, 2011. The mission of the plan is to preserve, restore and sustain the natural environment of Cheverly and surrounding areas as intact and healthy ecosystems, balancing the fulfillment of human needs and protection of the natural environment. The Town Administration and Council uses the plan to guide future development, redevelopment, and investment policy decisions in a proactive and sustainable manner within and around the Town of Cheverly. The plan is similar to county master plans in its format, with a narrative followed by a table of recommendations.

The plan establishes a network of natural areas and a framework for their management. It makes recommendations for air and water quality; planting and maintenance of native species of trees and other plants; appreciation and protection of wildlife; and land use and the built environment. There are recommendations for implementation by the Town, community groups, residents, businesses, and institutions.

Read the Cheverly Green Infrastructure Plan at www.greencheverly.org. Watch future issues of the newsletter for more.

Also coming this spring we are planning a whitewater rapids trip, a backpacking campout, a slider-making cooking competition and an archery event. If you are interested in joining Scouts, please contact Micah Watson at micah@cheverlyday.com or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.) We have resumed our firewood sales. If you are looking for some, please reach out! This is our primary fundraiser. Thank you in advance!

CHEVERLY BOYS AND GIRLS CLUB

Cheverly Boys and Girls Club: Are you ready to Play Ball?! Cheverly Boys and Girls Club will open registration for Spring tee-ball, coach-pitch and kid-pitch baseball in March. Please visit <https://www.cheverlybgc.org/> for more information.

A big thanks to all that helped make the Children's Valentine Dance a huge success at CUMC! There was a DJ, crafts, snacks, bingo and lots of dancing. We had about ninety or so attendees and gathered about \$800 worth of diapers and feminine hygiene products for donation in our community. We are looking forward to continuing to help support a monthly chess club and bring a host of spring events including an art show and the return of our spring festival!

Please remember weekly playgroup happens every Monday, Wednesday, and Friday in the gym from

10-12. If the gym is closed for some reason, there will be an email to the list and post on Facebook to alert parents and caregivers. Please no skates, scooters, or bikes in the gym as it is hard on the gym floor. Please dispose of diapers in the plastic bags provided at the Community Center. Thanks for keeping it neat and relaying the information to your caregivers! Also pay attention to Facebook and the list for weekend playgroups. Anyone can volunteer to host a Sunday playgroup by signing up online.

As always, we are looking for a few more board members or individuals who can volunteer for specific tasks like organizing baby meetups, playgroups, and events! Specifically, we are looking forward to someone who can donate an hour or two a month to help with our social media!! If you have ideas for events, we would also love to hear them. Contact cprcpresident@gmail.com with questions. If you aren't a current member and would like to be, or just forgot to renew, please email us at cprcmembership@gmail.com or visit our website and click the "join" button.

CHEVERLY VILLAGE **Cheverly Village is off to a strong 2024!**

Thanks to the Village's dedicated volunteers, so far 21 members of Cheverly Village have been paired with "Snow Patrol" volunteers and have had snow cleared from their walkways, driveways, and cars. And, since late 2023, 18 Village households have had leaves cleared from priority areas.

Early highlights of 2024 have included launching *Peace of Mynd* conversations about important end-of-life topics chosen by Cheverly Village members; and announcing a new series of the *Stronger Memory* program. In this popular program, which is designed for everyone, participants do specific activities at home that have been found to stimulate the parts of the brain involved with memory. The 15-person group will meet weekly beginning on Friday, April 5th.

Other services provided by Cheverly Village volunteers so far this year include resolving worrisome tech problems, providing more than 40 rides for medical appointments and other purposes, picking up prescriptions, assembling a desk, doing errands, house-sitting tasks, and providing the warmth of a social visit or a batch of freshly-baked muffins.

To become a member of Cheverly Village, or to support the Village as a volunteer or a donor, please contact us at CheverlyVillage.org or call 240-770-1033.
