

Public Works Employment Opportunities

The Department of Public Works for the Town of Cheverly as multiple job openings. The Town of Cheverly offers competitive pay and benefits, including 100% Town-paid individual health insurance premium and State pension.

Laborer (Grade 4): The Town of Cheverly is seeking an energetic and hardworking Laborer. The Town of Cheverly offers competitive pay and benefits, including 100% Town-paid individual health insurance premium. The successful candidate will have the opportunity to learn all facets of Public Works including maintaining a high level of service for Cheverly residents. Preferred qualifications include experience in multiple public works operations. Application review and scheduling of interviews may begin ASAP.

While this can be a physically demanding position in the Public Works Department, this employee may be assigned to any division within the department temporarily or permanently according to the needs of the department. This employee receives direct and general supervision from the Director of Public Works and/or designated supervisor. This employee performs unskilled work in maintenance and repair of streets, parks, public buildings, refuse collection, etc. Performance is evaluated annually. This is an essential employee position, and the successful candidate must be available for emergency work and overtime.

***NOTE: refuse collection** is task assignment - Fulltime-credit for 8/hr day for assigned tasks and completion of collection route.

For more info, email secretarypublicworks@cheverly-md.gov or call 301-773-2666 about completion of a Town application.
