

FOR YOUR INFORMATION
by Mayor Mike Callahan

*Call 301-789-8009 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.*

Happy 2016! The Town Council and I wish all of you very Happy and Healthy New Year. The newsletter deadline was December 15th, so you won't see the Holiday Decoration winners in this edition. However, check the Town website for the winners. Hopefully, you got a glimpse of the Town Council riding around town in a blue van, decorated with antlers, lights and a boom box judging the contest.

New Year, Good Financial News: We just received the FY15 Financial Audit, for the year ending June 30th 2015. While we haven't had time to go through in detail, the summary news is excellent. We finished FY15 with a fund balance of 1.675 Million, which is 600K greater than was presented in the FY16 Budget. Why the difference? We had expected to see increased revenue in the Income Tax (\$100K) and Red Light Cameras (260K) categories, however we couldn't include it in the budget formulation process because we hadn't yet realized the revenue, and once again Town staff did an outstanding job of being frugal. In effect, we ran a virtual balanced budget, in FY15! Our Fund Balance in FY14 was 1.953 Million and it was reduced by 300K to 1.675 Million. The difference was the one-time purchase of 6301 Kilmer of 300K. This positive news will flow into the FY16 and FY17 budgets. We had planned for a small deficit in FY16. It is likely that if we see the same revenue increases we had in FY15, that we will have a small budget surplus in FY16. Great News!

Estimating the Budget: I have been asked by some; "How is our estimating done during the budget process?" There are many reasons why there are variations. In the case of Income Tax which is almost 15% of total revenue, we don't actually get information about a majority of the receipts until late June. In the case of Red Light Cameras,

we are very dependent on other organizations for maintenance. When intersections are under construction, cameras frequently are shut down for significant periods of time. Additionally, a change in technology allows cameras to now detect when a driver goes right on red without stopping. This change has been a large driver of revenue at the corner of Kilmer and Landover Road. However, the main reason we generally have revenue surpluses, when we project small deficits, is that we tend to budget conservatively. In general, by underestimating revenues and overestimating costs it has resulted in the growth of our Fund Balance.

Join the Fun, Build a Community: Every year when I write the Year In Review I realize what a special place Cheverly is and realize how important our community groups are. If you are looking for a New Year's Resolution that is easy and will be beneficial to you and the town, then Join a Neighborhood Organization. Do you enjoy the Community Market, Cheverly Day, the Nature Trail or any other aspect of Cheverly Life? Then watch the Community News section of the newsletter to Join In.

Cheverly Election in 2016: Just a reminder to all that might be interested, 2016 is an election year for Mayor in Cheverly. Municipal elections occur on the first Monday in May.

Town Council terms are 2 year terms and elections occur in odd years. The Mayor's term is 3 years. If you are interested call the Town Offices at (301) 773-8360 or look further in this Cheverly Newsletter.

What is a Bait Car? During the month of December Chief Robshaw posted on the electronic message board: "Be Alert, Cheverly Police use Bait Cars". You've probably heard about Bait Cars in regard to auto theft; however Cheverly PD is primarily using them to identify folks who commit theft from autos.

As you all know theft from autos is the most common crime here in Cheverly. The Town Council has been looking for solutions for 18 months. Chief Robshaw has identified a camera that will capture a photo of a thief in action, if they attempt to steal objects from a Bait Car.

Over the years, Cheverly PD has caught a number of individuals who commit this crime. Unfortunately, it seems like there is always someone else. We hope that by using a Bait Car and announcing the program we can deter some thieves, however, if we can't deter them we hope to catch them sooner.

Please remember; if you see something suspicious call the Cheverly Police. During the work day please call 301-341-1055 or when it is off hours call 301-789-5090.

Cheverly Police 7/24: I was speaking to a longtime resident recently who I consider to be very knowledgeable about the town and its operations. In the conversation they asked "why isn't Cheverly Police Department 7/24? I was amazed, the Cheverly Police Department IS a 7/24 operation. There are some occasions when we don't have an officer on duty, but that is extremely rare. Here are some facts:

Cheverly Police have a Memorandum of Understanding with the County, so when a Cheverly Police Officer is unavailable (on a call or not on duty) a call is automatically sent to the County Police as backup.

Cheverly Police share the 911 and after hours dispatch function with the county as dispatching is a very expensive function. All 911 calls and off hour calls go to the county dispatch. However, the county dispatcher sends the call to the Cheverly Police Officer on-duty. The call only goes to a County Officer if the Cheverly Officer is unavailable.

The Officer On-Duty number (301) 789-8009 terminates directly to the Cheverly Officer on duty & was designated to better connect Cheverly residents to the officer on-duty. This should be used in non-emergency situations, when you see something suspicious & want to draw attention to it.

Does the Police Off-Duty Number Really Work (301-789-8009)? I've heard lots of conversation about the Police Off-Duty number not working, and that no one ever answers it. There was a period of time in the late fall where we had some issues with the process. However, since that time Chief Robshaw has performed a six week audit and over 90% of calls are answered either immediately or soon after.

What about the other 10%? Please remember if the Officer on Duty is involved in another action, he is not always able to answer the phone. If there is no answer, please call the county dispatcher who will get a county backup.

Cheverly Sector Plan: The next Public Meeting for the Cheverly Sector Plan is scheduled for January 27th. The town will announce the place and time via News and Announcements or you can simply check in at the town web site.

For those just checking in, the Cheverly Sector Plan is a collaborative effort with MNCPPC to help plot the future for our area, especially given the movement of the hospital in the coming years. Your input is valuable, and the Public Meeting is your opportunity to give that input face to face, as well as hear what the planners have to say.

If you'd like to learn more there is a great presentation at: http://www.pgplanning.org/Projects/Ongoing_Plans_and_Projects/Community_Plans_and_Studies/GCSP.htm

Additionally there is the opportunity to leave feedback for the planners via an interactive WikiMap.

Look forward to seeing you on the 27th.

What is happening with 6301 Kilmer: The Town Council's goal in buying the property was to have control over the future of the land and to attempt to preserve much of the green space. We had hoped to have a couple of proposals to discuss in the January timeframe, but we are behind schedule. The timeframe looks to be delayed about two months.

Currently we are developing some cost options for addressing the home, pool and a well that exists on the property. The Council's first goal is to get the property open to the public as we decide how to move forward with the land.

It is still our goal to work with MNCPPC and the school system to determine if there are mutually beneficial opportunities that we can pursue. In the meantime it is clear that a coffee/house meeting space is the number one goal and that a dog park is important as well.

I would ask everyone interested in a Coffee House to also participate in the Cheverly Sector Plan. The location and operation of Coffee House is critical to its success. One reason we are developing cost options is to determine whether the existing building could meet the needs or if the renovations for mold, ADA, etc would be too great.

Have You Been to the Cheverly Publick Playhouse? Recently I was reminded by a resident about the Publick Playhouse on Landover Road. If you are like me, you frequently drive by look at the marquee and say to yourself that looks interesting. Unfortunately, I seldom follow through. In 2016 I plan to spend more time attending performances there. I believe you will find quality performances at a reasonable cost. What a great way to get children involved in the theatre.

Take a look: http://arts.pgparcs.com/Our_Facilities/Publick_Playhouse.htm

How do I Contact the Mayor?: Over the years I have tried to be very accessible; answering emails within 48 hours, attending most local events, holding Mayor's hours on Monday evenings, and of course attending any meeting that I am invited. One area, where I may have fallen short is answering my office phone. The reason for that is that being Mayor is not a full time job and I am generally not in the office.

Fortunately, few people actually use this phone number to contact me. However, last month I disconnected the number and I am using my cell phone number. I would appreciate folks using this number judiciously, & when possible texting me. (Please provide your name). If you should call and my voice mail is full, please don't worry, my phone retains a record of your call and I will call back. Oh, what is that number? 301-789-8009.

Recycled Asphalt Plant coming near Cheverly: The Cheverly Town Council voted to oppose the Recycled Asphalt Plant planned to be located in the Industrial Park at Cabin Branch and Sheriff Road. While this location may seem a bit far for some, it is very close to our residents in Old Ward 4 and surrounding communities. Additionally, this large industrial area drives truck traffic on the Columbia Park (Metro) Bridge. The Town Council believes strongly that we need to identify "higher and better uses" for this land.

However, the land is zoned Industrial and there is only a small chance that MDE will deny issuing the permit. Members of the community and Town Council spoke at the December 10th MDE Hearing, mostly addressing the need to control particulate matter from entering the air from this site. There are already three businesses at this location that emit particulate matter, it only seems logical that adding another one will create a greater problem. This concept is called "cumulative impact", but unfortunately MDE (Maryland Department of Environment) does not consider "cumulative impacts" when they review permits. They only address the particulate matter being emitted from a single source. The Town will continue to oppose this use and work with surrounding communities and Progressive Cheverly to do so.

My Favorite Cheverly Political Cartoon: Recently I received the following cartoon from Jonah Watson, who is clearly a talented young artist. Wouldn't it be great to know what is being said? So let's have a contest: submit your entry to mayor@cheverly-md.gov. The winning entry (as judged by a panel of experts (Micah Watson and I) will get a family ticket to the Spaghetti Dinner. Runner-ups will get a box of spaghetti.

Need help with YARD WORK?

To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc.

Teenagers can call the Town Office 301-773-8360 if they wish to add their names to this list

Malik & Tyreq McAdoo	301-832-1576

Delonta Beard	240-601-4271

Cheverly Year in Review

It seems like every year in Cheverly simply gets just a little bit better? Well 2015 was absolutely no exception. So before we start the New Year, let's look back on our successes in 2015.

General Town Accomplishments:

Cheverly remains in excellent financial condition as we ended FY15, with a Fund Balance of 1.67 Million.

Due to increases in revenue from Speed Cameras and Income Tax, as well as decreases in expenses Cheverly surpassed its budget goals.

The Town purchased 6301 Kilmer Road, a 1.3 acre lot, and will now control the future of the property. A town wide planning process was initiated to determine how to best utilize the property.

The Town Council and Planning Board led a successful effort to prevent a proposed Metro Rail Yard from being built at the Landover Metro Station.

The Town initiated the Cheverly Sector Planning process with MNCPPC and the Cheverly Planning Board with the primary focus of determining the future of the hospital grounds when a new hospital is built elsewhere.

The Town built a new stage in Town Park, with improved handicapped accessibility primarily funded by grants from Program Open Space. Public Works also terraced the surrounding area.

The Town upgraded the playground in Boyd Park with POS grant funds.

The Town, at the request of the Boys and Girls Club upgraded the baseball diamonds at Town Park.

The Town used a grant for landscaping the property next to Pinkey's Park, approximately doubling the size of the park.

The Town together with WSSC, paved a number of streets, including Lockwood, Tremont, and parts of Crest, Greenleaf and Hawthorne. Working with WSSC saved the town hundreds of thousands of dollars.

The Town replaced all the Town buildings with a fully funded grant to provide new energy efficient lighting. The lighting not only will produce savings to the town, but the new lights have vastly improved the brightness of the gym.

The Town Council continued to support the Small Grants program that allows community organization to request up to \$2,000 for worthy causes throughout the town.

The Town Council continues to support community organizations that want to have access to the building. Over the last couple of years the number of Town Organizations and Building Usage has increased.

Public Works Accomplishments:

Public Works built a new salt storage facility to meet environmental requirements and to protect neighboring streams.

Public Works initiated discussions with county storm water personnel to install storm water solutions in town for the purpose of protecting local streams and cleaning the

Anacostia.

Public Works picked up over 1,500 tons of trash, over 500 tons of recycling and 45 pallets of electronics.

Public Works performed this work while navigating the ever changing rules mandated by the county regarding recycling.

Public Works subsidized the introduction of new wheeled recycling buckets to town residents, began a water barrel program and continued to assist in distributing composting bins throughout town.

Public Works planted 141 new trees throughout town on both public and private property.

Public works removed 75 stumps throughout town preparing areas for the planting of new trees.

Public Works purchased a new auger that attaches to a tractor to improve the efficiency of planting new trees throughout town.

Public Works delivered 120 loads of mulch to private gardens throughout Cheverly and spread tons of mulch on Public Lands beautifying our town.

Cheverly Public Safety:

Due to the efforts of our Police Department, Cheverly remains a very safe place to live as our crime rate remains at an all-time low.

The Department began a "Bait Car" program in an effort to address our most common crime which is theft from parked cars. The Bait Car will take video of anyone who enters the vehicle.

Every Cheverly Police Officer carries a body worn camera which can be downloaded at the station 24 hours per day. The Department installed an 8 Terabyte storage system to ensure video can be saved for at least 5 yrs.

The Department purchased its third Ford Explorer police-rated SUV which includes a caged prisoner area and theft & fireproof communications/weapons storage area. The Department hired 4 new police officers this year.

All Departmental vehicles are now equipped with electronic report writing capability.

The Department instituted a new crime mapping system and upgraded its Code Enforcement statistical reports.

Three Cheverly Police Officers, Corporal Francis Webb #1674, Corporal Bernard Jones #1676, and Police Officer Kyle Blazer #1691 were all recognized for Outstanding Achievement by the Police Chiefs' Association of Prince George's County.

The Department now has enough Maryland Police Training Commission certified Instructors to handle all annually required certifications in-house.

For the sixth year in a row, the Department received Maryland State Highway overtime funding of \$10,000 for traffic enforcement in Cheverly

The Department's Nighttime Cellular Telephone Program, in its first full year of operations, has improved interaction between the police and Cheverly residents.

The Department's prescription drug drop off program netted its highest quantity of unwanted prescription drugs since its inception.

Town Organizations and Individuals:

Volunteerism is what makes our community great. Government functions set the ground work, but it is our residents that create the atmosphere for the town. So while I know I may leave out many contributions, here are a few of the things that make Cheverly great:

The Friends of Lower Beaverdam Creek continue to work on an amazing nature trail; removing invasive plants, creating resting spots and spreading mulch.

The Cheverly Community Market, embraced a larger portion of the community by accepting SNAP/WIC/FMNP. The largest market had over 500 people. Tim Fothergill, replaced Kim Nemire as Market Manager without missing a beat. There is more in store in 2016. Join In!

Scouting is alive and well here in Cheverly. Scouts hosted a Haunted Trail, collected 150 bags of groceries for donations at Thanksgiving and even partnered with the Cheverly Emergency Response Team in organizing a Search and Rescue exercise that rescued the Mayor from Woodworth Park.

The Cheverly Village Committee advanced the goal of creating a multigenerational membership organization to help seniors remain in Cheverly and actively engaged. The committee executed a survey of community needs, provided information sessions, and is pursuing becoming a nonprofit for the purpose of providing services.

The Cheverly Recreation Council once again provided our youngest children wonderful events like the Easter Egg Hunt, Halloween Parade and Meeting with Santa. Additionally, the Rec Council provides College Students with scholarships.

The Green Infrastructure Committee continued its activities to educate residents, advise the Mayor and Council, and undertake research on environmental issues. (Biodiversity Day, Cheverly Day Photo Contest, Backyard Bird Count)

The Cheverly Woman's Club celebrating its 96th anniversary continues to support Peace Month, Black History Month and Santa's Secret Shop.

The American Legion sitting at the front door of our community continues to welcome everyone. If you are a veteran or the son or daughter of a veteran please consider joining.

2015 was an active year for CPRC. CPRC introduced a new bounce house at its playgroup, and invited Miss Nancy from New Carrollton Library for story hours. Cheverly children enjoyed themed play groups, a Spring Dance party, a Holiday Party, Spring Break activities such as open gym at Silver Stars and milking cows at Oxon Hill Farm. CPRC organized community events to raise money for school supplies and Thanksgiving baskets for Gladys Noon Spellman students.

Cheverly Weekday Nursery, who for years have taught our children the joys of playing together, but also host the penultimate kids event in Cheverly: Truck Touch!

A special shout out to the reinvigorated Boys and Girls Club, who have worked tirelessly to teach our children sports skills and sportsmanship. Thanks also for assisting the town and county in improving the facilities at Town and Euclid Park.

Thanks to our local listserves (Cheverly Exchange, ChvList and CPRCnews) Cheverly is amazingly interconnected. How many times have you met someone and said... "oh, I know you from the listserves". One great by-product of the listserves is the amount of "reuse" that happens in our community.

One last Shout Out to our Volunteers of the Year: Luanne Smith and Oliver Greaves.

The Cheverly Day Committee once again put together a wonderful day of community fun. Thanks to David Thorpe, Glen Barton, Pat Nelson, Kathryn Andrews, and Nikki Hayes.

Thanks to everyone who fed me throughout the year. Pancakes, Fish Fry, Spaghetti, Eggs, Food Trucks! Who needs to go out when there is so much to eat right here in Cheverly?

A community that dances must be a great place to live. So let's all meet at the Sweetheart Charity Ball and the ChvProm.

Thanks to Progressive Cheverly for hosting educational and political forums, fighting for environmental justice at nearby industrial parks, working for better development at Capital Plaza and continuing to support initiatives throughout our town.

***Martin Luther King, Jr. Day

No Trash Pickup**

RECYCLING TOTALS November 2015

Curb Recycling - 38.6 tons
Electronic Recycling - 0 pallets
Appliances - 14

Thank you to all those residents who share so much of their time and energy to help make Cheverly a caring, active community and "Great Place to Call Home!" We wish you, and those you love Peace and Joy throughout 2016

Message from the Chief Buddy Robshaw
(policechief@cheverly-md.gov)

THE ELDER WATCH PROGRAM – Elder Watch, the Cheverly Police program where police officers visit the homes of elderly residents several times a month, is in need of residents or information on residents who would like to join the program. Under Elder Watch, Cheverly police officers visit the home of the elderly or infirmed to keep these important residents up to date on crime information, deterrence programs, and general news around Town. The visits last for about 15 minutes, and the officer can call first to make sure the resident is available for a visit. Please call today to join the program. Confidentiality is always assured.

SAVE THIS NUMBER IN YOUR CELL PHONE, MOBILE DEVICE, OR NEAR YOUR HOME TELEPHONE – 301-789-5090

A cell telephone with the above number will be maintained by patrol officers working the streets of Cheverly daily, from 5:00 PM until 5:00 AM (outside of our normal office business hours). In a manner similar to the Cheverly Watch Radio Program, this cell telephone can be contacted for the following reasons:

1. To report a crime in progress;
2. To report a suspicious person, vehicle, or circumstance;
3. To report an emergency situation (traffic accident, tree or wire down, fire, etc.);
4. To report a solicitor;
5. To obtain a vehicle impound release when the office is closed; or,
5. To provide a tip about a previous crime, a wanted person, or criminal activity (rewards are available).

This telephone shall not be called for the following:

1. To report a routine call for service or a call requiring a report only;
2. To seek information about an outstanding case or obtain a copy of a report;
3. To seek legal advice or general assistance.

Note: The non-emergency telephone number for routine calls for service is 301-352-1200 and the number for the Department's daytime hours is 301-341-1055.

OVER-THE-COUNTER DRUG AND PRESCRIPTION DROP BOX AT THE STATION – The Department maintains a drug drop off box in the station lobby. All Cheverly residents are encouraged to drop off their expired prescription drugs for free disposal rather than depositing these items in the regular trash or flushing unwanted drugs down a toilet. Not only does this service improve our environment, it deters unwanted narcotics and other drugs from falling into the hands of persons for which these drugs were not prescribed.

Residents who wish to drop off expired prescription drugs, unused pharmaceuticals, or over the counter medications, may do so anonymously (no requests for identification will be made) during office hours (M-F, 9:00 AM to 5:00 PM) in the metal drop off box.

Please make sure that any personal information (name, address, etc.) is blocked out on any prescription container and that the lids on all liquids are tightly closed.

WE NEED YOUR VEHICLE DONATIONS – Past vehicle donations have really allowed the Department to update technology in our offices and our vehicles and certainly helped us to facilitate a faster response to community problems. We are in an era facing the tough challenges of funding new technology and equipment through limited grant opportunities in these uncertain fiscal times. The biggest advantage to donating your vehicle to the Cheverly Police Department in lieu of a number of other worthy causes is that you can actually see your donation dollars at work in this community.

C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING – No new meeting of C-PACT (Cheverly – Police And Citizens Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program has been scheduled. Follow the Newsletter for the next scheduled date.

CHEVERLY MUNICIPAL ELECTION
MONDAY May 2, 2016 (7am—8pm)
The Mayor is the only position up for election

Candidates for Mayor must be:

- ⇒ 25 years of age,
- ⇒ a citizen of the United States, and
- ⇒ a registered voter of Cheverly, and
- ⇒ a resident of Cheverly for not less than 6 months

FILING INSTRUCTIONS FOR CANDIDATES: Filing forms may be obtained on line at http://www.cheverly-md.gov/Pages/CheverlyMD_Clerk/election or at the Town Office during normal business hours (Monday-Friday, 9am-5pm) . Call 301-773-8360 for more information. Completed forms must be returned to the Town Office **no later than 5:00PM. Friday, March 18, 2016**

NOTE: The State of Maryland is requiring a new financial disclosure form that **MUST** be completed by all candidates in order for their petition for candidacy can be considered. The form can be downloaded from the Town's website or picked-up from the Town Clerk during normal business hours.

NOTE: Pictures & Profiles of Candidates are run in the April Newsletter. They should be submitted with the nominating petition or by the newsletter deadline (**March 18**).

- ⇒ **Candidate Profiles must be brief** (no longer than 350 words). Profiles will appear as written. They will not be edited or corrected; however, if the profile is too long, staff will have to shorten it by cutting it off at the paragraph closest to the limit.
- ⇒ **Picture should be a closeup** - will be cropped to about 2"x2".

Please submit the profile and the picture by email to townclerk@cheverly-md.gov.

Please attach them as separate files; the profile as a WORD document and the picture as a JPEG file. Contact the Town Clerk at 301-773-8360 if you need further information.

FOR MORE INFORMATION: http://cheverly-md.gov/Pages/CheverlyMD_Clerk/election

RECREATION COUNCIL & BUILDING USAGE MEETING

The meeting is Tuesday January 26, 2016 at 7PM, in the conference room. The first few minutes of the meeting will be any changes or additions to the **building usage schedule for February to May.**

Our Recreation Council meetings are open to anyone, so feel free to attend.

CHRISTMAS TREES

Please put your Christmas Tree at the curb on Sunday night for YARD WASTE pickup **MONDAY**.

DO NOT PUT IN PLASTIC BAG

SAFETY REMINDER:

We ask residents to remember that your neighbors who walk to Metro, or children walking to school, and the hardworking Mail Carriers are exposed to dangerous conditions when sidewalks are not cleared in a timely manner. Failure to comply with Town Code could result in fines.

TRASH COLLECTION SCHEDULE

MON Town Wide **YARD WASTE** (**PAPER BAGS** or **Trash Cans ONLY**)

MON East side **Regular Garbage Pickup only**

TUE West side **Regular Garbage Pickup only**

WED Town wide **RECYCLING** (**no plastic bags**)

THU East side **Garbage & SPECIAL TRASH** at curb

FRI West side **Garbage & SPECIAL TRASH** at curb

Residents should place trash at the curb after 7:00PM the day before your pickup. Trash must be placed in cans with tight fitting lids to ward off rodents.

BAMBOO is picked up with Thursday/Friday Special Trash. Tied up and bundled no longer than 4'

ELECTRONICS are picked up on Wednesday with Recycling. TV's any size, computers (remove hard drive), monitors, keyboards, etc. Place these items next to your recycle bucket.

APPLIANCES - Washers, dryers, stoves, dishwashers, refrigerators/freezers (remove doors) microwaves (any size), A/C units (any size) - \$20 for removal, contact Public Works at 301-773-2666

HOLIDAYS? Public Works crews **DO NOT** work on holidays. Collections on holidays are **CANCELLED**

TOWN MEETINGS

ACTIONS TAKEN

Votes are unanimous unless otherwise noted

Town Meeting - December 10, 2015

CM Stewart to excuse **CM Rodgers**. **CM Eldridge** seconded. Approved 5-0.

NO WORKSESSION IN DECEMBER

TENTATIVE AGENDA

Town Meeting - January 14, 2016

Presentation of House Decorating Certificates

Worksession - January 28, 2016

WINTER WEATHER REMINDERS

TOWN CODE - Sec. 27-10—Parking

A snow emergency shall exist whenever snow has accumulated on the streets to a depth of one (1) inch or more. The provisions of this subsection shall be effective without any notification and shall remain in effect until the street is plowed; provided, however, that when snow shall accumulate to a depth of one inch or more after 11:00PM, the provisions of this subsection shall not be effective until 7:00AM the day following and shall remain in effect until the street is plowed.

PARKING RESTRICTIONS: During a snow emergency no person shall park any vehicle as follows:

- On the cul-de-sac portion of any street,
- On any courts,
- On the even-numbered side of all streets,
- **(exception)** On the odd-numbered side of 59th Avenue, and one block of Inwood Street between Cheverly Avenue & Bellevue Avenue.

NOTE: The snow emergency parking restrictions do not override existing no-parking zones or apply to streets where enforcement would disallow all parking because of a no-parking zone, or to streets with any barrier or strip dividing lanes of traffic.

PRIORITIES: The snow removal operations work under the following priorities: 1.) Cheverly Avenue 2.) principal connecting streets: Forest Road, Crest Avenue, Valleyway, Greenleaf Road, 62nd Avenue, State Street, Schuster Drive; 3.) all other streets.

TOWN CODE Sec. 18-4.1—SIDEWALKS

Whenever snow accumulates to a depth of one inch or more, it is the duty of each occupant to clear the snow from the sidewalk adjacent to that property, within 12 hours after the snow ceases, (unless at night, in which case it shall be removed within 12 hours after sunrise). Snow and ice removed from sidewalks shall NOT be deposited on streets or other sidewalks.

When ice forms on sidewalks, occupant shall place sand, ashes or other such material on sidewalks within 6 hours, (unless at night, in which case it can be spread by noon of the next day). Icy spots on public property can be reported to Public Works at **301-773-2666**.

Talking Trash, Recycling, Collection, Container Placement

I think it is safe to say that we all have busy schedules. Work, school, kids and chores! With all we have going on today it is hard to get everything done, there never seems to be enough time in the day.

This is especially notable when it comes to the minor property issues. On the whole, the town is in good shape and residents take pride in maintaining their property. Recently however, staff and some residents have noticed an increase in the number of properties that are failing to comply with the Trash and Recycling regulations.

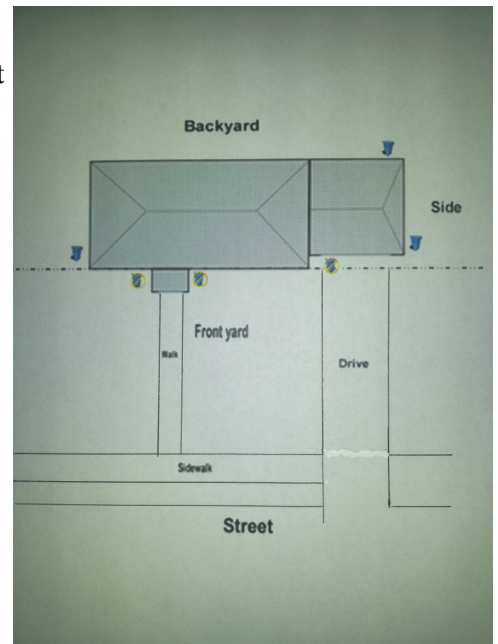

More and more homes can be seen with their trash/recycling containers stored out in front of their homes. Another common complaint is that residents are not removing their containers from the curb on the day of pickup.

We all want to do our part to keep the town looking good, we are taking this opportunity to remind residents of the rules and regulations regarding the placement and collection of trash and recycling.

- Trash Cans and Recycling bins may not be stored in front of the home. They **MUST** be stored to the side or rear of the property.
- ALL Trash containers **MUST** have tight fitting lids and be free from holes.
- Trash must be placed in rigid plastic or metal containers. You should not place trash out in plastic bags.

Trash pick-up for the East-side of Town is on Monday and Thursday. You should remove your cans by 7PM on Monday and Thursday evening.

Trash pick-up for the West-side of Town is on Tuesday and Friday. You should remove your cans by 7PM on Tuesday and Friday evening.

- Trash/Recycling/Yard Waste must be placed out no earlier than 7PM the day prior to the scheduled pick-up.
- Containers, bins or other items should be placed out by 7AM so they will not be missed.
- Yard Waste is collected on Monday. It **MUST** be tied in small bundles or in Paper Bags or a Container.
- Recycling is collected on Wednesday. This includes paper, recyclable materials and electronics.
- Special (heavy) trash items are picked-up on Thursday for the east-side or Friday for the west-side. No more than 3 bulks items can be placed out for pick-up at a time.
- Appliances require a fee and a scheduled pick-up time. You should call Public Works at 301-773-2666. and set up a pick-up time.

In the event of a holiday, you must wait until the next regular pick-up day. The Town's holidays are published in the monthly newsletter and posted on the town's website at www.cheverly-md.gov.

Please take a little bit of time to follow the guidelines and avoid fines. Violations range from \$25-\$400 per violation and you could be charged a fee for unscheduled pick-ups.

Cheverly is a beautiful town and we all need to do our part to keep it that way!

COME TO THE SWEETHEART CHARITY BALL ON FRIDAY, JANUARY 29! JOIN US for Cheverly's own 4th Annual Sweetheart Charity Ball on Friday, January 29, 7 pm to midnight. This is a fun potluck dinner/dance featuring the music of the Craig Sparks Swingtet. St. Ambrose Church Fannon Hall will host the event. Discounted tickets will be available for a minimum \$20 donation through January 15. After that, the price goes up to \$25 per ticket. Reservations are available for tables of 10 at \$200. For reservations, email Natalie Pappas at sweetheartcharityball@gmail.com.

Your tax-deductible donation, which benefits FAIR Girls, helps pay for two to three months rent for the only safe house specifically for female human trafficking survivors in the DC area. You'll have the opportunity to purchase JewelGirls Jewelry for your sweetheart, made by the FAIR Girls. The St. Ambrose Parish Conference of St. Vincent de Paul, which provides food and housing aid to local poor people, also benefits from your donation.

Checks are made payable to St. Ambrose Ladies of Charity. (The other main co-sponsor of the event is St. Ambrose Men's Club.) For a flyer or more information, or to reserve tickets, email sweetheartcharityball@gmail.com.

JOIN US FOR FLBC's WORK PARTY-SATURDAY, JANUARY 30 - Join your friendly neighborhood environmental group, Friends of Lower Beaverdam Creek (FLBC) for our monthly work party on Saturday, January 30 between 9 am and noon. We'll spread wood chips and remove invasives. We'll meet at 9 am at the green-gate entrance at Arbor Street and Parkway. Tools, gloves, snacks, water, and wake-up coffee will be provided! School community service hours are available. To walk there, start at the 7-11 store near the Metro. Cross Cheverly Ave at the light, walk down the slope, cross the wooden bridge, and continue on our trail to Parkway (green gate on your left). Driving: From 7-11 go one block north down Cheverly Ave. Right onto Arbor. Go two blocks to Parkway. The site is on your right. For more information, contact Joani Horschler at cell 301-802-7445 or horcpool97@aol.com.

Boy Scout Troop #257 closed the year with successful fundraisers at the Cheverly Holiday Markets. The troop would like to thank the Town of Cheverly for its continued support as well as wish the entire community a very happy New Year! The troop is planning lots of activities for 2016 and if you'd like to help plan events and join the fun please attend a meeting which take place on Sundays at 7pm in the Cheverly American Legion or contact Scoutmaster Michael Brown murkbrown99@gmail.com (410-919-7913).

NEWS FROM ST. AMBROSE PARISH & SCHOOL

**Farewell message from Father Kevin Kennedy.
His last day at St. Ambrose Parish is January 9th.**

My time in the wonderful hamlet of Cheverly has been a marvelous 7 1/2 years. I have enjoyed the many ways Saint Ambrose Church community has been part of the civic community in which we reside. The connection between the church and community takes so many forms. The collaboration of Saint Ambrose and the Cheverly Community Market, Sweetheart Charity Ball, Blood Drives, Cheverly Village, and the Cheverly Police are just a few examples of the ways we have worked together as religious and civic organizations. I have also enjoyed the relationship we share with Cheverly United Methodist Church. Our unity with CUMC expresses our common mission rather than a competition between churches. I offer blessings to Rev. Theresa Thames for her continued leadership. Perhaps it is the palpable dedication to the common good among Cheverly residence that I will miss tremendously. Thank you for your continued support of all that is good about Cheverly.
Fr. Kevin Carlin Kennedy

HOLY DAY MASS SCHEDULE - Please join St. Ambrose on New Years Day for a Holy Day of Obligation in honor of a Mary, Mother of God, there will be bilingual masses on Dec 31st at 6:30pm & on 1 Jan. 1st at 12:30 pm

oui.love Youth Group - Join the Saint Ambrose youth group! Our mission is to be a place where all high school students feel welcome & can feel Gods love! A place where they can grown in faith along with other high school students. If you are a teenager in high school or know of one we invite you to come and join us every Tuesday night at 7pm in Fannon Hall (Church basment entrance on the Jason St side of the church).

CATHOLIC SCHOOLS WEEK -- OPEN HOUSE and TOURS - We invite the entire community to join us for a celebration of Catholic Schools Week - the last week of January. St. Ambrose School will host an open house with tours for prospective families from 11-1PM on Sunday January 31th. A current student will lead you from classroom to classroom where you can meet the teachers and ask any questions you have about St. Ambrose School. St. Ambrose is a very warm community. Come meet our family and see everything the school has to offer! Learn more about academics, specials programs, tuition at: <http://sacheverly.org/saint-ambrose-school>

Spellman PTA Update - January 2016

Thanks for your generosity, Cheverly! THANK YOU to everyone who donated the fixings for a Thanksgiving feast for more than 40 Spellman families in need this Thanksgiving: CPRC, who purchased chickens and turkeys; Cheverly Boy Scouts, who provided canned goods; Cheverly Brownie Troop 2071, who supplied potatoes; Carla's Kidz FCC & Cheverly United Methodist Church, who provided all of the above in huge quantities; and all the individuals who gave so generously on their own.

In addition, the 2015 **Cheverly Turkey Trot** raised \$1,700 for the Spellman PTA! We will put this money to good use in support of our school, staff and students. Thanks so much for your support!

Winter Wonderland Dance: Come join us for the first PTA social event of 2016. On Friday, February 5th from 6:30-8:30pm we will host a family dance in the Spellman Multipurpose Room. Admission is \$2 per person or \$10 per family. We will have pizza, snacks & drinks available for sale. And a photo booth! Mark your calendars and come join us!

Earn \$\$ for Spellman while doing your everyday shopping! It's easy. Online or in stores, you can support Spellman Elementary in three ways:

Amazon Smile: Link your Amazon account with Spellman Elementary and earn money for the school each time you make a purchase. Visit <https://smile.amazon.com>. Sign into your Amazon account and search for Spellman PTA. Target REDCard: When you shop at Target with your REDCard credit or debit card, you can earn money for Spellman. Visit Target's Take Charge of Education page to sign up: <https://www.secure.target.com/redcard/tcoe/home> Box Tops for Education: Look for pink "Box Tops for Education" on hundreds of participating grocery products, clip them out, and drop them off in the main office at Spellman. The school will receive 10 cents for each Box Top collected!

Volunteers Needed! Do you have some free time and an interest in supporting our neighborhood public school? There are many ways that you can get involved including gardening/landscaping, grant writing, and volunteering in the classroom. Great news... the required background check for volunteers is now available online! If you're interested in being a volunteer, please contact PTA Vice President Jen Eldridge at jalleneldridge@yahoo.com or 240-271-9737.

Like us on Facebook at www.facebook.com/GNSPTA!

Cheverly Boys and Girls Club

<http://cheverlybgc.org/>

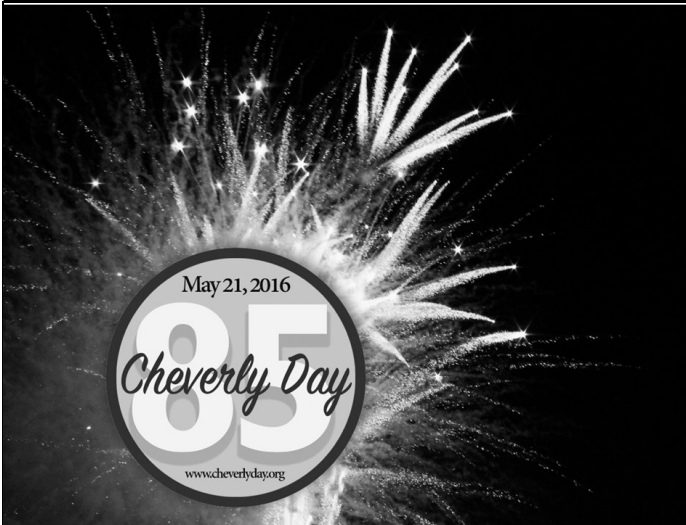

Basketball - Intramural teams have formed for kids that are ages 4 - 13. Evaluations for Cheverly County & Intramural Basketball Teams have been completed. Please email the Club Athletic Director Joe Ruddy at Jo-seph.Ruddy@yahoo.com if you have any questions. All information about the Cheverly Basketball Teams is listed on the Club's website at <http://cheverlybgc.org/>.

Board of Directors - The Cheverly Boys & Girls Club Board of Directors has several openings. Please email Club President, Luanne Smith at luannemsmith@hotmail.com if you would like to serve on the Board of Directors. The Cheverly Boys & Girls Club October General Board Meeting is scheduled for Tuesday, January 19, 2016 at 8:00 PM. The General Board Meeting will be held at the Cheverly Community Center in Conference Room #1. The Elections for the Club's Executive Committee will be held at the Club's General Board Meeting on Tuesday, February 16, 2016.

2015 Cheverly Soccer Wrap-Up - The Cheverly Boys & Girls Club had six (6) teams that competed in the Prince George's County Boys & Girls Club Fall Soccer League (6U - 12U). Additionally, six (6) intramural teams competed weekly at Cheverly Town Park. All of the Cheverly Teams in the County league were in contention for a playoff berth and two secured spots in the playoffs. The 10U Team earned a spot in the County Championship and finished as the Runners-Up and the 6U Team won the Consolation Bracket. Cheverly's 10U team continued their improvement from the prior year by winning in the semi-finals and advancing to the County Championship Game. Coaches David Combs and Guy Rinaldi guided the 10U's to a victory in a tightly contested and hard-fought semi-final edging Oxon Hill, 1-0 and they fought hard but lost in the Championship Game. Thanks to the parents for their support this season, and the kids deserve recognition for putting in a lot of extra time to work on their skills. Special thanks to Team Consultant Karim Hafizov for working with the 10U on skills and game strategy. Please stop by the Cheverly Community Center to view the team's trophies as they are now on display. The Boys and Girls Club congratulate Coaches David Combs and Guy Rinaldi for their hard work with a great group of kids. The 6U Team beat KLM, 4-0 at Town Park in the Semi-finals and Clinton, 6-1 in the Championship Game. The Boys and Girls Club and the Soccer Commissioner congratulate Coach Megan Ruddy and Assistant Coach Corey Smith for their hard work with a great group of kids to win the championship. Our thanks go out to the 6U Team on a fantastic season and their parents for bringing them out to practices and games.

Thank you for your support of the Cheverly Soccer Teams and look for us next year!

Community Bulletin Board

The Cheverly Day Committee wishes you and yours a happy, healthy 2016! We're looking forward to celebrating the 85th anniversary of our wonderful community together!

Are you a member of a community group? A marching band? A theatrical troupe? Join in our parade – we want your floats, your marchers, your musicians...let's make this year's parade the biggest and best yet. The parade application will be available on our website in January. We're also looking for corporate sponsors, community donations, and advertisers – all make a huge difference in defraying the costs of bringing this major community event to life every year. Visit our website to learn how you can lend your financial support...and thanks!

“Remember that the happiest people are not those getting more, but those giving more.” H. Jackson Brown, Jr. is right. Can you give of your time and talents this Cheverly Day? We need volunteers to plan and carry out the many tasks that make up the big event. Have ideas for new activities? Want to help us with community groups, musicians, food, publicity, or any other aspect? We want you! Join the Cheverly Day Committee – we meet monthly and we're always looking for fresh ideas.

Join the Cheverly Day party and lend a hand – we're looking forward to sharing this great celebration with the entire community. Email cheverlyday@gmail.com to get involved, and visit our website www.cheverlyday.org for links to our Facebook, blog and Twitter, and all the latest news on all things Cheverly Day 2016!

Woman's Club - The members of the Woman's Club hope you all had a great holiday season and wish you a wonderful 2016 full of joy, health, love and peace. You are invited to – 1) our **next regular meeting at Fratelli's on Monday, January 11 at 7 p.m.** You can have dinner or any portion thereof. 2) our **next discussion group around issues of race on Tuesday, January 19 at 7:30 p.m.** Let me know if you're interested and we'll send you the location the first week of January.

Some of our members will focus our peace efforts in 2016 on “How we treat each other whether we're alike or diverse”. We like to remember that we are a country of diversity and have usually believed that's one of our greatest strengths. Join us if you identify with that creed. Come ask us questions if you choose.

For more information contact – joycelang@verizon.net

Last spring **Cub Scout Pack 257** conducted it's third annual Search and Rescue Exercise together with the Boy Scouts and Cheverly's Community Emergency Response Team (CERT). Dozens of youths learned first aid map and compass skills and participated in an actual SAR exercise during which they rescued our own Cheverly Mayor Mike Callahan. In April we conducted our fifth annual river clean up for earth day and at graduation, Alex, Brady and Eamon earned (and fired) the Arrow of Light award.

This fall our pack collected more than one hundred and fifty bags of food donated by Cheverly residents for needy families in partnership with Gladys Noon Spellman school teachers.

Scouts participated in Cheverly's Veterans Day ceremony and learned about diverse holiday of light traditions. Thank you Committee Chair Micah for organizing our Scouting for Food event and Pop Corn Kernal Chris for conducting our fundraising popcorn sales.

Scouting teaches character and civic virtues to boys six and up. Our pack is sponsored by the Cheverly American Legion. To join, contact Parent-Unit Coordinator Marisa camslamom@me.com.

Ever feel that your healthcare questions are ignored?
Partnering Effectively with Your Healthcare Team: Empowering Yourself & Speaking up for Those You Love Jan 9th, 2:00 - 4:00 pm

Howard Johnson Inn - Whether you are a parent of young children or caring for a partner, parents or for yourself, this multigenerational presentation is for you. Two remarkable speakers will help you transform your healthcare relationship into a powerful, effective partnership.

Helen Barnes, RN-BC, MA, CCM, Counselor, Consultant, Educator, Case Manager is a powerful senior voice for taking charge of your healthcare interactions. She retired in 2009 from the Prince George's County Department of Family Services, Area Agency on Aging; having earlier served as a professor of nursing, a community mental health advocate and geropsychiatric nurse.

Hala Durrah, BA, MA, is an advocate for patient family centered care. Her passion for this work stems from her experiences as a mother of a chronically ill child who has undergone two liver transplants and a bone marrow transplant. Hala serves on national healthcare bodies including the American Academy of Pediatrics Family Partnerships Network Executive Committee and the Patient-Centered Primary Care Collaborative Care Delivery and Integration Cabinet. Presentation organized by Cheverly Village Planning Committee For further info: Laila Riazzi (202 258 6167) or Diane La Voy (240 599 6346) or email: ChevVillage@gmail.com

Village Voices *Cheverlians look toward a Cheverly Village*
 I am a "Cheverlian" in training. While I do not live in Cheverly (yet), I have a deep sense of connectedness with the people in my adopted community. Kudos to the unique social fabric that draws people in and makes one want to be a part of Cheverly. Living in Landover, I learned about Cheverly Village through the now defunct Gazette for Prince George's County. I was intrigued by the concept of a Village – a blend of community engagement and social service, so I volunteered to help. I attended my first Committee meeting last Jan. While we brainstormed in the entryway of the Cheverly Community Center, kids were shouting and playing basketball, the front doors swung open letting in bursts of cold air, & community meetings were buzzing around us. In the midst of it all, a small group of dedicated Cheverlians hashed out the next steps of a much broader vision of their community. As an "outsider," I was immediately embraced despite my geographical handicap. A year later, we are miles closer to bringing this vision into fruition. We are committed and we are moving forward. It's a pleasure to be a part of this movement. Tiffany Yep, Cheverlian in training

Progressive Cheverly will start the New Year with two good government events. We are very pleased to have Aimee Olivo and Micah Watson, Cheverly neighbors and respectively Chief of Staff for Councilwoman Danielle Glaros and Chief of Staff for Councilwoman Deni Taveras, as presenters for our January regular monthly forum: **How does the legislative process work in Prince George's County, and how can concerned citizens have an impact?** Thursday, January 7th, 7:00 pm, Hoyer School Cafeteria.

Then, on Friday, January 22nd at 7:00 pm in the conference room at the Howard Johnson's, we will host our **11th annual 47th District Legislative Forum** with Senator Victor Ramirez and Delegates Diana Fennell and Jimmy Tarlau. This is your chance for up-close conversation with your elected representatives, including a chance to ask questions. Please join us for either or both events.

Green Infrastructure Committee - Meeting Monday, January 4, 2016, 7:30-9:00 p.m. Large Conference Room, Cheverly Community Center
 Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research. All are welcome to join us!

GREEN @ HOME: THOSE MARVELOUS MULTI-TASKING TREES

Which of these trees is *not* native to our area?
 - White Oak - Serviceberry - Crape Myrtle
 - Hackberry - Sweetbay Magnolia

Find the answer at www.GreenCheverly.org and on the Cheverly Green Connect Facebook page.

All the *native* trees listed and more may be planted on your property by the Town of Cheverly *at no cost to you*. Find the tree agreement form and tree list at http://www.cheverly-md.gov/pages/cheverlymd_pubworks/index or call 301-773-2666.

Community Bulletin Board

GARDEN CLUB - When this comes to your door, who knows what the weather will be. The Garden Club did a quick review of the year 2015 and we are very proud of what we did with the money earned at the May Plant Sale. We donated to the Town, Gave a Grant to a Cheverly resident, American Legion for wreaths, the Churches in town and the Kentland Fire Department. We gave elsewhere and we are proud to have given back to our community. Please keep your pots from Holiday plants and containers. We recycle these in the Spring and for the sale & for people in Town that we want to give an arrangement. The meeting in January will be the third Monday at the CUMC 4th floor unless the weather is bad, check with a member using Internet for changes. Several trips are planned and YOU are invited to share with us. This information will appear in coming newsletters. Remember the fresh evergreens you may have in your home and use them over outdoor plants. The plants became confused and thought they should be growing new leaves etc. Use the branches to cover them and hopefully they will go back to a more dormant stage. You are welcomed to join us and participate in a club that is "Dirt Under The Nails".

Start the year with a new fitness routine and some new friends. **Join Cheverly Fitness Bootcamp!** Our group meets in the town gym three days per week: Tues and Thurs at 6 a.m. and Saturday mornings at 8 am (timing may change in January). The schedule is subject to change (and workouts may be canceled on holidays), so please join our mailing list at www.bit.ly/cheverly-fitness for the most up-to-date information. Workouts are volunteer-led and combine strength and cardio movements for a great total body routine. There is no cost to join, although you might be called on to tell a joke during wall sits! All fitness levels are welcome. Stay up-to-date on group news and schedule changes by subscribing to the Cheverly Fitness Bootcamp Google group at www.bit.ly/cheverly-fitness. With any questions, email Amanda Szabo at aglensky@gmail.com.

LEAF COLLECTION PROCEDURES

Vacuuming Leaves: Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves **between** the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day
- Be considerate of your neighbors. **Only rake to curb when your pick up day is imminent.** Raking too early, allows the leaves to blow into your neighbors yard.

Bag Leaves: Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening. Use **PAPER BAGS or place in trash cans**. Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags. If you have any questions, please call Public Works at 301-773-2666.
