

FOR YOUR INFORMATION by Mayor Mike Callahan

*Call 301-773-0248 to contact the Mayor. The Mayor's door at the Community Center is open to visitors on **Monday evenings** from 7:30 to 9:30 PM, except holidays or if otherwise posted.*

Congratulations Holiday Light Winners: Thanks to everyone who took the time to put up outdoor Holiday Lights this year. The Town Council had a simply delightful time driving through town identifying Holiday Light winners. I'm sure many of you are wondering how did they actually do the selection? Well, it's an incredibly scientific process that has been refined for years and years, and I guarantee does not involve any adult beverages.

So congratulations to the winners, we look forward to even more decorated homes next year. The winning homes and apartments can be found inside the newsletter.

Cheverly Day is Right Around the Corner: Folks, Cheverly Day is coming soon. The Cheverly Day Committee has decided that Cheverly Day needed to have a fixed date every year so that people can plan around it. So it is now been decreed that for now, and forever more into the future, Cheverly Day will be held on the third Sat of May (unless of course we change it).

I hope everyone will put this date on their calendar, because we are looking to have the best Cheverly Day ever. We've ordered up the weather from last year, and we'll return the Mini Golf Course, the Ping Pong Ball Flume, Corn Hole, Dunk Tank and all the other great events from last year.

With your help we could add many other fun events. If you'd like to join in the planning committee please attend the Cheverly Day Planning Committee on the second Tuesday of the month or just contact David Thorpe at dcthorpe2000@yahoo.com.

Remember the New Recycling Policy: Please remember that we are no longer allowed to place any type of thin plastic item (trash bags, sandwich bags, thin plastic film, etc) in our recycling.

President's Day

**Monday, February 16
Offices Closed
No Trash Pickup**

The county facility simply can not recycle these items, and worse yet it clogs their machines causing lots of wasted time by the workers.

Furthermore, Public Works will not pick up any recycling that is placed in a clear or opaque plastic bag. However, you can place your recycling in any other trash can or box. Many residents simply use a normal trash can (no more than 35 gallons) or place their recycling in a box that they were also recycling.

Getting to Zero Waste: I have been very surprised at how much my regular trash has increased by placing the plastic bags in our regular trash versus the recycling stream. It seems like plastic bags multiply. We get them in the store, they cover the newspapers, and they are used as wrapping for most food items. While the trash from plastic bags is not very heavy, it has increased the volume.

Many folks have asked if we can do a special collection specifically for plastic bags. Unfortunately, the town has no place to bring the bags once they have been collected, so we really can't do this. It is possible for residents to bring the plastic bags back to most grocery stores and we ask you to do this if you can.

However, one step we can all take is to bring reusable bags to the grocery store in order to stop the use of plastic bags. I know this is an inconvenience, and I for one frequently forget the bags and leave them in my car. However, if we all started to use reusable bags, we could really make a dent in the number of plastic bags that end up in the landfill.

New Recycling Bins: “Wonder of wonders, miracles of miracles”. (Can you tell that Peg and I just saw Fiddler on the Roof?)

In an effort to help residents better manage their increased recycling loads the council voted to approve a pilot purchase of 330 new 35 Gallon Recycling Bins. These bins are blue, have wheels and a lid. They are easy to get to the curb, and the lid prevents paper from blowing around the neighborhood. These bins retail for approximately \$70, however Public Works is selling them to residents for only \$20. If you call Public Works at (301) 773-2666, and arrange to pay the \$20, Public Works will drop a bin at your home. Currently we are limiting each resident to a single bin, but if demand continues we will make second a purchase. So far we have sold approximately 190 of the 330 bins.

Of course, you don’t need to use these new bins. If you are comfortable with the old bins, or are using other receptacles please feel free to continue to do so.

Speaking of Recycling, What About Appliances: Some residents have asked, why isn’t my old appliance recyclable or at least eligible for Electronic Recycling. Well it turns out that appliances require special handling by town staff. So if you are disposing of a washer, dryer, stove, refrigerator, air conditioner, water heater or microwave (of any size) please contact Public Works at (301) 773-2666 to make arrangements to have the appliance removed. Public Works charges \$20 for the special processing associated with these pickups. If you simply leave it at the curb, Public Works will pick it up, but you will receive a bill for \$20 and a fine for \$25.

It is always best to have these appliances removed by the company that is delivering the new appliance to your home. Generally, they will not charge you a fee.

Cheverly Opposes Rail Yard at Landover Metro:

Remember last month when we discussed the potential for WMATA to place a rail yard at the Landover Metro Station? Well it turns out WMATA is considering placing two rail yards in the same area. Honest! After we began conversations with WMATA about the first rail yard, they mentioned that a second rail yard was potentially being placed further down Pennsy Drive.

A small group (Green Infrastructure, Planning Board, Vice Mayor Eldridge and I) met with WMATA representatives to discuss this topic. While we were not supportive of their plans we did ask them to investigate other options that would spare the Metro Station from any intensive industrial use such as a rail yard. The options discussed were: 1) Place the second yard elsewhere on the metro system and place the rail yard planned for the Metro Station at the secondary site. 2) Combine the two sites and purchase more property at the secondary site and place both rail yards at the second site, sparing the Landover Metro Station, 3) If a rail yard had to be located at the Landover Metro Station, then please mitigate the impact by placing a cover over the site.

We are planning a larger meeting with WMATA during the week of February 9th and will invite residents to this meeting. We hope to have a large turnout at this meeting in an effort to be persuasive.

Again the full text of our original letter can be found on the Town Website.

Did You Receive Your New Tax Assessment? Please pay attention to this document that you should have received just before the January 1st. Every three years the County uses a formula, based on recent sales data, the size and type of home, and any new permitted construction to determine the value of your home. Your assessment is extremely important because it determines how much in property taxes you will pay. The formula to determine your taxes is very straightforward (tax rate * (assessment / 100)). So the amount of your assessment is a significant driver of your total tax bill.

Quick Notes:

- If you own the home you are living in, and you have claimed the Homestead Exemption your assessment can only increase 10% per year until the new assessment value is reached.

- If you do not live in the home your assessment will increase 33% per year until the new assessment value is reached.

- If you plan to contest your assessment, use current sales data and compare your assessments to other comparable homes. All of this data is public and can be found at the state website: <http://sdat.resiusa.org/RealProperty/Pages/default.aspx>

How do Increased Assessments affect the Town? When the council considers how to develop the next three year budget plan, understanding how the assessable tax base will grow is a critical factor. In the last budget cycle, the assessable tax base shrank 21% and had zero growth over three years. This required us to raise the tax rate simply to keep the Town Revenue flat.

We have yet to receive the updated assessable tax base from the county, and may not get this number until late February. Until the Council gets the assessable tax base number it is difficult to develop a clear three year plan.

However, it is clear that there will be growth in the base. Once we understand how much the assessable base is going to grow, we can better plan how the impact on our Tax Rate, which is currently .58 per \$100 of assessed value.

Property Taxes are Cheverly's Major Revenue Source: In past years, I have provided detailed breakdowns on each Revenue and Expenditure category in the budget. If you check the 2013 February, March and April Newsletters (can be found on the Town Website) you will find a lot of detail. Given the Budget has remained flat, not much has changed since then.

One point of emphasis is: Property Taxes still remain Cheverly's major source of revenue, especially given cutbacks in other state programs. Property Tax Revenue is approximately 58% of the Town's total revenue stream.

	Property Tax Rev	(in millions) Total Rev	Pct
FY10	\$2.677	\$4.623	58%
FY11	\$2.834	\$4.959	57%
FY12	\$2.948	\$4.998	59%
FY13	\$2.895	\$5.199	56%
FY14	\$2.917	\$5.119	57%
FY15 (proj)	\$2.917	\$4.917	59%

Town Staff has done an excellent job of continuing to provide outstanding services to Cheverly residents, even though property tax revenue and total revenue has actually slightly decreased since FY12, and has grown by only 9% since FY10.

New Street Light for the BW Parkway Bus Stop: By the time you read this the Town Council will have considered whether to spend \$1,100 to replace the Street Light next to the Bus Stop on the entrance to the BW Parkway. This has been a three year journey of frustration. Apparently there are no records as to who built or owns this Street Light that is always out. The property is owned by the National Park Service, the Bus Stop is owned by WMATA and of course the County has some involvement. However, none of these entities will claim the light, and Pepco has stated that the light was not implemented by them because it is not there technology.

Two years ago, after much haranguing we did manage to get Pepco to fix the light, but they insisted they would never fix it again unless the technology changed. When the other parties were asked to pay for the technology transfer, there was the deafening sound of crickets.

Based on the safety of the Bus Riders and of the drivers who come down the ramp, we have placed this purchase on the January 29th work session agenda. Hopefully the expenditure will pass, and the light will be fixed forever into the future.

Helicopters; *Hey Mike, don't you live near the hospital? Hey Mike, do you hear the helicopters? Hey Mike, why the heck do they fly over the town at such low altitudes?*

Yes, Yes, and I don't really understand. First the good news, the helicopter problem is so much better than it was five years ago. The number of flights in and out of the hospital is dramatically reduced and the policy of keeping the propellers running while on the roof has been changed. These are good things.

Unfortunately, it appears that the helicopter pilots are increasing flying over town and at ever lower altitudes. The Council has heard this complaint loud and clear and has addressed this with the hospital. Unfortunately, there are many different organizations that fly to the hospital and the hospital itself has little control over the organizations.

Therefore, the Town will be contacting each organization and emphasizing the Good Neighbor Policy regarding flights over the community. Of course there will always be some flights over the town based on urgency and wind patterns. However, we are working to get them reduced.

Looking for a Good Meal? While its great that we have a new Ledo's and a refurbished Landover Restaurant, there are still many good opportunities to eat at our local non-profits. February will bring us a Sweetheart Charity Ball on February 6th (Great Dancing), Pancake Dinner on February 18th (Great Pancakes) and a Spaghetti Dinner (Great Spaghetti) on February 22nd.

I haven't given anything away to you wonderful FYI readers in quite some time. So I'll give two free tickets to the first two people that call (that's four tickets) town hall at (301) 773-0248 and can tell me what these numbers mean (38.924478, - 76.913488).

WINTER WEATHER REMINDERS

TOWN CODE - Sec. 27-10—Parking

A snow emergency shall exist whenever snow has accumulated on the streets to a depth of one (1) inch or more. The provisions of this subsection shall be effective without any notification and shall remain in effect until the street is plowed; provided, however, that when snow shall accumulate to a depth of one inch or more after 11:00PM, the provisions of this subsection shall not be effective until 7:00AM the day following and shall remain in effect until the street is plowed.

PARKING RESTRICTIONS: During a snow emergency no person shall park any vehicle as follows:

- On the cul-de-sac portion of any street,
- On any courts,
- On the even-numbered side of all streets,
- **(exception)** On the odd-numbered side of 59th Avenue, and one block of Inwood Street between Cheverly Avenue & Bellevue Avenue.

NOTE: The snow emergency parking restrictions do not override existing no-parking zones or apply to streets where enforcement would disallow all parking because of a no-parking zone, or to streets with any barrier or strip dividing lanes of traffic.

PRIORITIES: The snow removal operations work under the following priorities: 1.) Cheverly Avenue 2.) principal connecting streets: Forest Road, Crest Avenue, Valleyway, Greenleaf Road, 62nd Avenue, State Street, Schuster Drive; 3.) all other streets.

TOWN CODE Sec. 18-4.1—SIDEWALKS

Whenever snow accumulates to a depth of one inch or more, it is the duty of each occupant to clear the snow from the sidewalk adjacent to that property, within 12 hours after the snow ceases, (unless at night, in which case it shall be removed within 12 hours after sunrise). Snow and ice removed from sidewalks shall NOT be deposited on streets or other sidewalks.

When ice forms on sidewalks, occupant shall place sand, ashes or other such material on sidewalks within 6 hours, (unless at night, in which case it can be spread by noon of the next day). Icy spots on public property can be reported to Public Works at **301-773-2666**.

REMEMBER - FEBRUARY IS

BLACK HISTORY MONTH

The Cheverly Recreation Council will sponsor the John "Dent" Wilson Scholarship. This is a \$500 college scholarships to be awarded to a Cheverly resident who is enrolled full time in a academic or vocational post secondary education program for the 2014-2015 academic year. For applications call Judy DeLeonibus at 301-386-4251.

In the last 2 years we have given 6 scholarships to Cheverly teens going off to college. The money for doing this comes from the sale of the tables at our Flea Market.

When filling out your **MARYLAND TAX RETURN**, Please remember to fill in the **COUNTY AND CITY** boxes just under your address label. It is important that you print in **CHEVERLY** as your city, so that the town gets its correct share of Maryland Income Taxes.

Recreation Council - The next meeting will be the Tuesday, February 24th at 7PM in the Conference Room at the Community Center. Topic's will be the Saturday, April 4 Easter Egg Hunt and the Saturday April 11th Spring Flea Market.

Reservations for the Flea Market start Monday, March 2. Tables are \$15. Call Barbara 301-773-5883.

RECYCLING TOTALS December 2014

Curb Recycling— 62.70 tons
Electronic Recycling— 4 pallets
Appliances— 9

Message from the Chief Buddy Robshaw
(policechief@cheverly-md.gov)

IMPORTANT C-PACT MEETING FOR FEBRUARY AND NEW LOCATION:

The next joint meeting of C-PACT (Cheverly – Citizens and Police Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program will be held on Wed, February 11, 2015, at 7:00 PM. The meeting will be held in the Cheverly Station Apartment Leasing Office located at 6501 Landover Road. We will be talking about general crime in 2014 as well as specific issues central to the apartments area. Everyone is entitled and encouraged to attend this meeting.

JUST WANTED TO REMIND ALL CHEVERLY RESIDENTS:

301-789-5090

A cell telephone with the above number is maintained by patrol officers working the streets of Cheverly daily, from 5:00 PM until 5:00 AM (outside of our normal office business hours). In a manner similar to the Cheverly Watch Radio Program, this cell telephone can be contacted for the following reasons:

1. To report a crime in progress;
2. To report a suspicious person, vehicle, or circumstance;
3. To report an emergency situation (traffic accident, tree or wire down, fire, etc.);
4. To report a solicitor;
5. To obtain a vehicle impound release when the office is closed; or,
5. To provide a tip about a previous crime, a wanted person, or criminal activity (rewards are available).

This telephone shall not be called for the following:

1. To report a routine call for service or a call requiring a report only;
2. To seek information about an outstanding case or obtain a copy of a report;
3. To seek legal advice or general assistance.

Note: The non-emergency telephone number for routine calls for service is 301-352-1200 and the number for the Department's daytime hours is 301-341-1055.

Special Note: This is a trial only to see how effective this new program can be. Remember, just like Cheverly Watch, officers will not answer the telephone when they are on a call or are processing a prisoner. In addition, and there may be certain gaps in service where officers may not be available. In those circumstances, you are urged to call 911 for emergencies or 301-352-1200 for non-emergencies

GENTLE REMINDER ABOUT WINTER SNOW

REMOVAL: If you are a resident of Cheverly, please be reminded that snow lying on sidewalks in front of their residents or rental properties must be cleaned off by the owner/occupant within 12 hours after the snow has ceased to fall, or if falling at night, within 12 hours after sunrise the next day. Snow cannot be deposited on public streets or sidewalks. In addition, owners/occupants are also required to apply the appropriate material (i.e., sand or similar compound) to ice covered sidewalks within 6 hours of when such ice has formed.

Failure to adhere to such requirements will result in the issuance of a municipal infraction with a fine of \$50 for the first violation and a \$100 fine for each repeated offense. Every day that a violation continues shall be deemed a separate offense. For more information, see Town Code Section 18-4.1.

TOWN MEETINGS & WORKSESSIONS

ACTIONS TAKEN

Votes were unanimous unless otherwise noted.

Town Meeting - December 10, 2014

- ☐ CM Cook to excuse CM Thorpe. CM Riazi seconded. Approved 5-0.
- ☐ CM Coolen to honor the 60th Anniversary of the Garden. CM Rodgers seconded. Approved. 5-0.
- ☐ CM Riazi to congratulate the Champions of the Green Infrastructure Plan. CM Eldridge seconded. Approved 5-0
- ☐ CM Eldridge to send a letter to WMATA about our concerns about the process and the proposed rail yard at Landover Station. CM Riazi seconded. Approved 5-0.
- ☐ CM Riazi to make a budget adjustment to the Sanitation Materials & Supply Account in the amount of \$13,000 for the purchase of recycling containers. CM Rodgers seconded. Approved 5-0.
- ☐ CM Coolen to make a motion to close operations on Dec. 25th and Jan 2nd in appreciation for a job very well done. CM Rodgers seconded. Approved 5-0.
- ☐ CM Cook to adjourn to executive session. CM Rodgers seconded. Approved 5-0.

Town Meeting - January 8, 2015

- ☐ CM Coolen to excuse Mayor, CM Cook and CM Rodgers. CM Riazi seconded. Approved. 4-0.

TENTATIVE AGENDA

Town Meeting - February 12, 2015

- ☐ Introduction O-3-14—Amending Trash Section

Worksession - February 26, 2015

TRASH COLLECTION SCHEDULE

MON Town Wide YARD WASTE—Paper Bags ONLY

MON East side Regular Garbage Pickup only

TUE West side Regular Garbage Pickup only

WED Town wide RECYCLING (blue or yellow bins)

THU East side Garbage & SPECIAL TRASH (at curb)

FRI West side Garbage & SPECIAL TRASH (at curb)

Residents should place trash at the curb after 7:00PM the day before your pickup. Trash must be placed in cans with tight fitting lids to ward off rodents.

BAMBOO is picked up with Thursday/Friday Special Trash. Tied up and bundled not longer than 4'

ELECTRONICS are picked up on Wednesday with recycling. TV's any size, computers (remove hard drive), monitors, keyboards, etc. Place these items next to your recycle bucket.

APPLIANCES—Washers, dryers, stoves, dishwashers, refrigerators/freezers (remove doors) microwaves (any size), A/C units (any size) - \$20 for removal, contact Public Works at 301-773-2666

HOLIDAYS? Public Works crews DO NOT work on holidays. Collections on holidays are **CANCELLED**

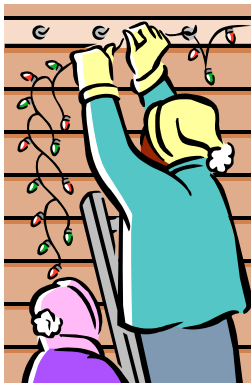

Cheverly Recreation Council - next meeting will be Tuesday, February 25th at 7PM in the Conference room at the Community Center. Topics of discussion will be the Saturday April 19th Easter Egg Hunt and the Saturday April 5, Spring Flea Market. Reservations start Saturday March 1st for the Spring Flea Market. Tables are \$15. Call Barbara 301-773-5883

Need help with YARD WORK? To assist our elderly, and other residents who need help with yard work, Cheverly maintains this list of teenagers who are interested in being hired for mowing lawns, raking leaves, shoveling snow, etc. Cheverly teenagers can call the town office 301-773-8360 if they wish to add their names to this list

Dorian Dixon 301-322-1075

**END OF 2ND COMPLETE
CYCLE OF TOWN**

LEAF COLLECTION PROCEDURES

Vacuuming Leaves: Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves **between** the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day
- Be considerate of your neighbors. Only rake to curb when your pick up day is imminent. Raking too early, allows the leaves to blow into your neighbors yard.

Bag Leaves: Yard waste is collected on **MONDAYS**

Put bags at the curb on Sunday evening. Use **Paper Bags** or trash cans only. Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags. If you have any questions, please call Public Works at 301-773-2666.

TRASH PICKUP ADJUSTMENTS DUE TO WINTER STORMS:

When weather makes it unsafe to operate the trash trucks on the streets, collection may be temporarily suspended.

NOTE: Back/side door and alley pickups **WILL NOT** be made when **snow conditions prevail.**

Please bring you trash to the curb.

SOLID ANIMAL WASTE ORDINANCE

Sec. 4-10 (a) It shall be unlawful for a person controlling an animal, except a seeing eye dog, to allow or permit solid waste of such animal to remain on the property of any other person without the consent of the owner or occupant thereof; or on such public properties as are prohibited by order of the Mayor and Council of the Town of Cheverly. Prohibited areas are sidewalks, Gast Park, American Legion Park, Boyd Park, & play areas of all other parks.

SAFETY REMINDER:

We ask residents to remember that your neighbors who walk to Metro, or children walking to school, and the hard working Mail Carriers are exposed to dangerous conditions when sidewalks are not cleared in a timely manner. Failure to comply with Town Code could result in fines.

Enough of Recycling

(just kidding)

*recycling means
effort*

but considering
when we don't recycle at least our glass or
aluminum we cost the earth in power
usage, water and oil usage and landfill
usage
-don't you think its worth it-

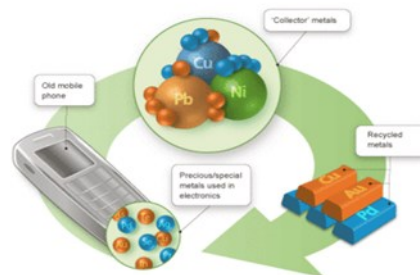

This article is the product of receiving several calls from residents troubled by the recent County, recycling, center changes to the collection of materials. It must be understood that Cheverly does not have its own recycling center; we take our recyclables to the County's recycling center in Capitol Heights. Therefore, we must obey their rules; even if we do not agree with them.

Some residents returned recycling bins back to public works and left them in the front of the building and others called saying they intended to throw everything in the trash. Well your frustration is understood but recycling is needed and recycling is "mandatory" within the corporate limits of Town of Cheverly. (Town Code Chapter -10 Sec. 6, 7.)

The Town's ordinance requires that every household in Town take the necessary steps to recycle. But, when disposal and bury at the landfill is examined next to recycling - it is clear that for Cheverly - recycling is the clear winner without even valuing the environmental benefits.

Why not recycle? Is it not a sound financial decision? Does the earth have unlimited raw materials? Shouldn't we just bury it all? What about landfill space? It is a pain to recycle?

Recycling does the earth and the environment good. It does not cost The Town a penny. The earth does not have unlimited supplies of raw materials and recycling is a way of saving those materials. Very few places want to have a landfill in their area; few individuals want to live near one, and those places that do have landfills want to close them. Burying trash is becoming quite expensive as space becomes scarce. If we think that it is a pain to recycle consider not having the material because it was all used up.

The responsible thing to do is to recycle everything that stops the depletion of the earth, can replenish its nutrients, has a market value and curbs the use of raw materials around the world. But in order to recycle more of these materials there must be a sound method of collection, of processing the material and a market. Just because it is recyclable, does not mean that the Town has the means of collecting it, that there is an accessible processing plant and/or a market for the collected and processed product.

The Town regulation about recycling is clear and now with the new recycling containers, recycling ought to increase.

During the next few weeks, at random, in accordance with the town's ordinance the public works crews will be inspecting refuse containers for recyclables. Those consistently found with recyclables inside will be recorded and a letter sent requesting compliance. (Town Code Chapter 10 – (d) (1) ((2) (a) (b) (c))

Hopefully each one finds recycling valuable and a privilege.

Community Bulletin Board

CHEVERLY GREEN INFRASTRUCTURE COMMITTEE - Meeting - Monday, February 2, 7:30-9:00 p.m. Large Conference Room, Cheverly Community Center, Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

Cheverly Green Connect - Want to find out about greening activities in Cheverly? Where can you post photos of your own greening efforts? Right on the new Cheverly Green Connect Facebook community page, www.facebook.com/pages/Cheverly-Green-Connect/1582206228683075.

Great Backyard Bird Count and Nature Hikes in Cheverly February 14th and 15th

Leaders: Matt T. Salo and others, E-mail: mtsalo1@gmail.com, 301-341-1261, Saturday, Feb. 14, 10:00 to 12:00 noon. Woodworth Park, Cheverly, Sunday, Feb. 15, 10:00 to 11:30 a.m. Nature Park, Cheverly
The PG/AA Chapter of the Maryland Native Plant Society and the Cheverly Green Infrastructure Science Advisory Committee are co-sponsoring nature hikes, coupled with the Great Backyard Bird Count of local birds, under the auspices of the Audubon Society and Cornell Lab of Ornithology on four days (Friday through Monday) from February 13th to the 16th, 2015. Two public hikes are planned for Saturday and Sunday, February 14th and 15th at the Woodworth and Nature Parks respectively. Both hikes will be guided by experienced bird watchers. We will also be identifying trees and whatever native plants we come across. This is a great chance to get out, learn about birds and enjoy what nature has to offer this time of the year.

General Directions: Approach Cheverly from either south or north on B-W Parkway; take the exit for Cheverly onto Rte. 202 (Landover Rd), head east a few hundred feet and turn right onto Cheverly Ave heading south. Continue for six blocks to Forest Rd, after a small park on your left; from there follow specific directions for each hike below. Woodworth Park, 6401 Forest Rd, Cheverly, MD. For Saturday hike at Woodworth Park turn left on Forest Rd. Follow it for about 4 blocks; on your right you will see the Town Hall at the end of a long entrance drive (opposite 64th Ave) Free parking is available on left side of Town Hall.

Cheverly Nature Park, after 3398 Tremont Ave., Cheverly, MD. [Address is for orientation only; owners are not associated with the hike]. For the Sunday hike turn right on Forest Rd and continue three blocks until the road splits; stay to the right and continue straight ahead for two more blocks passing Crest and then turn right on Tremont Ave; go to its end and park on street.

You will need a pair of binoculars; bird or plant guides are optional, but be sure to dress appropriately for the weather. Note: Fairly easy walking on good trails, but there are some slopes to climb. May be cancelled for heavy rain, wind, or other inclement weather. Call 301-341-1261, if in doubt.

If you can't make it to either of the public outings, you can simply observe and count birds around your home or neighborhood during any of the four days of the count and still make a contribution to science. For information go to the website: <http://www.birdsource.org/gbbc/howto.html>, and click for directions on "How to Participate."

Help Map Our Cheverly Green Practices

Have you installed rain barrels on your property? A rain garden? Solar panels? Do you use a compost bin? Have you planted new trees in your yard or had the town plant them?

Many of our Cheverly citizens have been adopting green practices to help our environment. Now you can help map our successes. Show what you are doing to make your Cheverly property environmentally friendly.

This Cheverly Day the Cheverly Green Infrastructure Committee will unveil a map of "best management practices" in Cheverly. You will be able to show your practices directly on the map.

In the meantime, help us gather information for the map. Fill in the survey on Cheverly Green Plan web site, www.greencheverly.org. It's right on the home page.

NEWS FROM SAINT AMBROSE PARISH AND SCHOOL

SWEETHEART CHARITY BALL, Friday, Feb 6th 7-midnight

Get your tickets now for the Potluck Dinner and Dance to benefit FAIR Girls and Catholic Charities' Immigration Legal Services and Refugee Center sponsored by the St. Ambrose Ladies of Charity to combat human trafficking. The event is held Friday, February 6, 2015 from 7pm - midnight in Fannon Hall, St. Ambrose Church. Tickets include potluck dinner, cash bar, and dancing with a live band- Dino & Friends. Tickets are \$20/person or \$200/table and may be reserved by emailing Natalie Pappas at sweetheartcharityball@gmail.com. Learn more about this worthy cause at <http://www.fairgirls.org/> and www.chatholiccharitiesdc.org/immigrants-and-refugees

ASH WEDNESDAY MASS - Feb 18th 8:30am and 7:30pm - Ash Wednesday marks the beginning of the Season of Lent. It is a season of penance, reflection, and fasting which prepares us for Christ's Resurrection on Easter Sunday. Our foreheads are marked with ashes to humble our hearts and reminds us that life passes away on Earth. We remember this when we are told "Remember, Man is dust, and unto dust you shall return." All are welcome!

SOUP AND STATIONS - Fridays 6:30pm - Stations of the Cross refers to the depiction of the final hours (or Passion) of Jesus, and the devotion commemorating the Passion. Each Friday during Lent, St. Ambrose parish will meditate on the Stations of the Cross in prayer and song. Following Stations, a simple soup is served in Fannon Hall at 7pm. Stations and Soup will continue every Friday of Lent until Easter Sunday. All are welcome!

MEN'S CLUB SPAGHETTI DINNER - Feb 22nd 3-6pm - The Saint Ambrose Men's Club invites you to our annual fundraiser. Join your friends and neighbors for some great food and fellowship. Yes friends, it's the annual...

Joseph A. Conto Spaghetti Dinner - Sunday, February 22, 2014 3:00-6:00 p.m. - Fannon Hall Saint Ambrose Church

Menu - All You Care to Eat: Pasta, Homemade Meatballs, Italian Sausage, Old World Sauce, ALSO featuring Vegetarian Sauce, Salad/Italian Dressing, Italian, Garlic Bread, Dessert/Cake, Coffee and Sodas

Tickets on sale in the Rectory (building just to the left of the church) during regular church office hours and after weekend Masses in the Church. Or e-mail abe@abolition.org with your request - while they last!

Children 5 and younger are FREE!— \$6 Children, 6-12, purchased in advance —\$7 Children, 6-12, purchased day of the dinner
\$10 Ages 13 and older, purchased in advance — \$13 Ages 13 and older, purchased day of the dinner
\$8 Take-out is available at the door. And Don't Forget the Ever-Popular Gift Basket Raffle!

Want to know more about St. Ambrose? Sign up to receive the St. Ambrose Weekly News and Bulletin by email each week! Simply send an email to AmbroseEmailList@gmail.com with your name and visit us as sacheverly.org!

SEE YOU THE LAST SATURDAY OF THE MONTH FOR FLBC's WORK PARTY!

Join your friendly neighborhood environmental group, Friends of Lower Beaverdam Creek, for our monthly Work Party on Saturday, February 28, between 9 am and noon. We'll be picking up trash, and removing English ivy from trees. We'll meet at the intersection of Parkway and Arbor Street (green gate) entrance to the trail. **Driving directions:** Starting at the Cheverly 7-11 store, go one block north down Cheverly Ave. Make a right onto Arbor St. and go two blocks until it dead-ends. On your right is the entrance to the trail. **Walking directions:** Starting at the 7-11 store, cross Cheverly Avenue at the light, walk down the slope toward a wooden bridge, cross the bridge and continue on our walking trail to Parkway extended (dirt road).

Tools, gloves, snacks, and water will be provided. As always, volunteers of all ages are welcome, and school community service hours are available. Hope to see you there! For more information, contact Joani Horchler at 301-802-7445 (cell) or horcpool97@aol.com.

Community Bulletin Board

The Saint Ambrose Men's Club provides an opportunity to men from Cheverly to come together for a brief business meeting followed by fellowship and socializing (friendly card game) every second Monday starting at 7:30pm at Fannon Hall at St. Ambrose Parish. Food and beverages provided free of charge. **All men are welcome. In fact, in 2013 the president was Episcopalean and the Man of the Year was Jewish.**

SAMC supports activities in Cheverly and at the Parish which benefited the community as a whole.

At the Parish SAMC provides for renovations in Fannon Hall, the church social hall at which many in our broader community gather for various events. Last year SAMC built a handicap-accessible bathroom on the main floor of the church – saving worshipers with mobility issues the trouble of negotiating stairs in order to use the necessary room.

SAMC provides support to both Parish and community events held at Fannon Hall, as well as the St. Ambrose school, Cheverly United Methodist Church, the American Legion, the annual Sweetheart Ball around Valentines day raising money for survivors of human trafficking, the Cheverly Prom, the Cheverly Community Market, Cheverly Day Cicada Crunch and the ever-popular Cheverly Day Beer Garden. Additionally, SAMC annual events include a Mothers Day breakfast, a spaghetti dinner, a golf tournament, a blood drive, and an Oktoberfest celebration in conjunction with the October Cheverly Community Market.

Please note the following upcoming events:

- * Sweetheart Ball – Friday February 6, 2015
- * February Meeting – Monday February 9, 2015
- * February 22—Spaghetti Dinner 3-6 Pm Fannon Hall

Progressive Cheverly - All are invited to Progressive Cheverly's next meeting and forum, on Thur, February 5. Title: "Peace and Justice in our Community." With concern aroused nationwide over the tragic events in Ferguson, New York City, & Cleveland, our speaker this month is Mary J. Park, Co-Director of Little Friends of Peace. MJ has fascinating narratives about working with police, building skills and tools to help resolve conflicts without violence. 7:00 p.m. at the Judith Hoyer Center, 2300 Bellevue Ave. Discussion afterward. Light refreshments.

Cheverly United Methodist Church

Scout Sunday Feb 8, CUMC 10:00am Worship Service. All Scout and Parents are welcome. All are Welcome.

CUMC Valentine Day Party for all Children & parents. Wednesday, February 11, 2015 – 4:30 – 5:30pm

CUMC Celebrates Black History Month

Shrove Tuesday Pancake Supper

February 17, 2015 5:30 – 7:30pm Cheverly United Methodist Church Fogle Hall

Adults \$6.00 Children (ages 4-10 \$4.00

Children (infant -3) free

CUMC Ash Wednesday Service

Wed, Feb 18, 2015 at 7:30PM. All Are Welcome

Cheverly Garden Club..... It has been COLD AND DREARY and it is about time to think SPRING. At least let me wish you a Happy Valentines Day and suggest you buy a pretty plant that you can see each day or some great gardening gloves. Please be reminded NOT TO BRUSH SNOW OR ICE OFF BUSHES. SOME PLANTINGS HAVE VERY BRITTLE BRANCHES AND WILL SNAP. It would be sad for the Camellias and Azaleas to be on the ground with dead blossoms but they are very vulnerable to breakage. Be gentle with the ice dissolver, may say "will not burn or kill" but they also do damage to the concrete walks. The next meeting will be at the CUMC 7:00PM on Feb. 16. We hope to have the winners of our continuing learning GRANT. Everyone is invited and remember even now we are thinking PLANT SALE. Contact a member if you want Caladiums. We order a certain amount and sold out last year. Enjoy the winter landscape. Feed the birds, they put on quite a show when they come for a late afternoon meal. The berries on some of our plantings are still quite visible for them to feed. Spring will come so look at the catalogues and make plans..

Boy Scout Troop #257 is starting the new year out with a big bang. During the 2nd week of January they traveled to Elk Neck, MD where they bravely camped and hiked in below freezing temperatures. While the thought of this makes some shutter, the Boy Scouts had a wonderful time and look forward to doing it again. The Boys Scouts also spent time at the American Legion on Saturday, January 17th cleaning the grounds in preparation for the 80th Anniversary Celebration. If you are interested in joining Boy Scouts contact Scoutmaster Jeffrey Felten-Green at 301-807-4137 or come to a meeting at the American Legion on Wed. from 6:30 - 7:30 pm.

Community Bulletin Board

Woman's Club - It seems appropriate that I'm writing this on MLK Day. The Woman's Club has celebrated Dr. King and Black History for many years.

We'd like to invite everyone to this year's celebration. It's on Sunday, February 22 from 4-7 p.m. at the American Legion Post #108 on Cheverly Avenue. The event is for youngsters and adults alike so bring the family. Dinner will be served and there will be a program for and including all ages to honor Dr. King and the Civil Rights Movement and promote the continuing process of growing seeds of peace. Let us know if you'd like to be on the program or have a table for vendors.

Please call Lillian Wilson for details about tables for vendors. Contact Lillian (301-772-3341 / 202-355-2068) or Joyce Lang (301-773-2211 / joycelang@verizon.net) for any other questions.

Our next meeting is on Wednesday, February 11 at Fratelli's at 7 p.m. Come if you're a club member! Come if you'd like to meet us and learn what we're about! Come if you'd like to enjoy a couple of hours socializing with friends and neighbors!

CPRC is hosting a kids' SuperSports Party on Sunday, February 8th from 3-5pm! Pump up the jock jams, get out your favorite party snacks and show your spirit at this fun-filled event for the little ones! It will be held at the Cheverly Town Hall Gym (6401 Forest Road) and free for all ages!

We'll have a mini-potluck with some munchies to keep you fueled through all the action! Just bring a snack to share, no special sign-up. There will also be free play with the playgroup toys, and some sporty activities!

Please contact Susan (susanseda@hotmail.com) or Laura (events@cheverlyparent.org) if you have any questions!

Don't forget to sign up for our listserve through googlegroups for updates and like us on Facebook for up-to-date event info.

The Cheverly Village Planning Committee

wishes all our neighbors a great 2015! We've been delighted to hear from neighbors who have been thinking about what a what a Cheverly Village might mean for them, their family, and our community.

Cheverly Village

We are creating an intergenerational way for Cheverly seniors to remain living in their homes and actively engaged the activities they enjoy. During the first half of 2015 we expect to conduct a survey to gather the perspectives of Cheverly residents of all ages, and we will be taking steps to establish Cheverly Village as non-profit organization and to continue to learn from the experience of others.

Keep your eye out for an article about Cheverly Village planning in an upcoming issue of the *Prince George's County Gazette*!

If you would like to participate in the Cheverly Village planning process—and particularly if you have entrepreneurial, legal, financial, survey design, web design or social media skills—we would love to hear from you!

In addition to the approximately 20 members of the Cheverly Village Planning Committee, a growing number of Cheverly citizens have told us of their interest in receiving periodic updates and in helping with particular tasks. To be added to this list of Village “interesteds,” please send us your contact information--email or street address and phone.

Write us at ChevVillage@gmail.com or call us, Diane La Voy (202-599-6346) and Laila Riazi (202-258-6167).

Information about villages in the DC area and around the country is available on the websites of Washington Area Villages Exchange (www.wavevillages.org) and the Village to Village Network (www.vtvnetwork.org).

CHEVERLY AMERICAN LEGION FAMILY POST 108

The American Legion Boys State and American Legion Auxiliary Girls State

American Legion Boys State and American Legion Auxiliary Girls State are the premier programs for teaching how government works while developing leadership skills & an appreciation for your rights as a citizen. As a participant in the program you will run for office, learn public speaking, create and enforce laws, and actively participate in all phases of creating and running a working government in this exciting and fun summer program. You'll meet other students from across your state who will become friends for life and you'll develop confidence and leadership skills that will shape your future. Selection to these premier programs is a great addition to college application resumes.

High school students eligible to participate must: 1) have completed their junior year in high school, by the date the program begins; 2) be interested in government and current events; 3) have high moral character; 4) show strong leadership abilities

Maryland Boys State 2015 - June 21 – 27, McDaniel College, Westminster, MD

Application due: April 15, 2015 to Cheverly American Legion

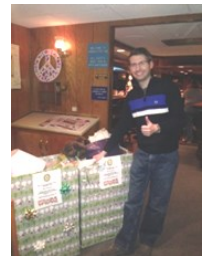

Maryland Girls State 2015 - June 21 – 25, Salisbury University, Salisbury, MD

Application due: February 15, 2015 to Cheverly Auxiliary

For applications & more info, email CheverlyAmericaLegion@gmail.com or CheverlyAuxiliary@gmail.com

Sons of the American Legion's 2014 Holiday Toy Drive a Success!

The Sons of the American Legion Squadron 108 would like to thank the Cheverly community for making their 2014 Holiday Toy Drive a great success! In partnership with the Toys for Tots Foundation, Squadron 108 was able to collect more than 70 toys for distribution to families in Prince George's County. Squadron 108 looks forward to another wonderful year working in and with the Cheverly community.

Legion Family Events and Programs

Super Bowl Night at the Dugout

Sunday, February 1, 2015, 6:00 PM

Watch the Super Bowl in the dugout!

Third Friday Ladies' Night

Friday, February 20, 7:30 PM

We're very happy to announce that Cheverly Day 2015 is on Saturday, May 16. We're doing a few things differently this year, most importantly, starting a little later in the day. Join us from 2pm to 9pm at Town Park for games and activities, food, great music, and all sorts of wonderful community groups. Of course, everything leads up to our annual fireworks...some of the best you'll find in the DC area!

This year's theme -- *Keep Cheverly Wild* -- was inspired by the two amazing trunk sculptures that mark the entrance to Town Park and the Community Center. Honed out of dead tree stumps, the sculptures celebrate wildlife and nature in and around Cheverly. Both pieces are by artist Joe Stebbing of Thurmont, Maryland. Joe is well known in the region for his carving and we think these works are a great way to showcase Cheverly's wild side.

We're looking for more volunteers to help out with expanded activities this year -- it's a great way to meet new people if you're new to the community, hang out with old friends if you've been here for awhile, and students to earn those much-needed service hours. Interested? Please contact Cheverly Day head organizer David Thorpe (dcthorpe2000@yahoo.com) and Midway organizer Pat Nelson (patnelson217@gmail.com).

Here's a great way to get your business or organization in front of a large and enthusiastic audience: Become an official Cheverly Day sponsor or advertise on our website and blog -- please see our website for details, or contact Megan Daly for sponsorship (1megandaly@gmail.com) or Kathryn Andrews (kathrynga@yahoo.com) for advertising and web info.

We think you'll agree, celebrating all that's wild in Cheverly -- whether animals, trees, trails, or people -- is going to be a lot of fun! We're looking forward to sharing the next months leading up to May 16 with you, so visit our blog and website frequently, and connect with us on Facebook and Twitter all the way through the big day!

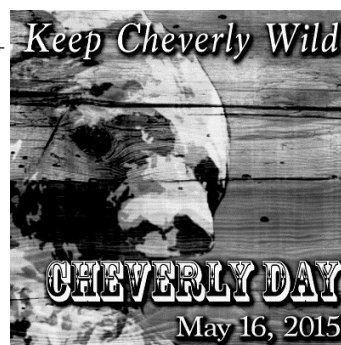

Connect with us!

Cheverly Day on Twitter: www.twitter.com/cheverlyday

Cub Scout Pack 257 conducted their Pinewood Derby races on 25 January. A central purpose of scouting is the development of moral character. This month scouts learned about maintaining a positive attitude, win lose or draw. Knowing how to lose with grace and maintain a positive attitude is good sportsmanship and an important life lesson. Next month scouts will conduct their annual Blue and Gold Celebration. In March we will partner with local Cheverly organizations and government to conduct a Search and Rescue program, including first aid and basics of emergency preparedness. For more information on joining, contact Cubmaster Dave at 202 744-7100.
