Cheverly Day and the Community Market Together Again:

What a winter, record cold temperatures and lots of snow. As I sit here writing the FYI, it's hard to believe that Spring actually will come. However, we all know that Spring is right around the corner and so is Cheverly Day and the Community Market. Mark your calendars! May 31st is the day!

Many of you have asked, how can I get involved? One great "gateway" volunteer activity is to get involved in Cheverly Day. Do you have thoughts on how we can improve Cheverly Day, activities you would like to see become part of Cheverly Day, a new twist or wrinkle? If so please contact David Thorpe dcthorpe@yahoo.com or Mike Callahan mhcallahan@gmail.com. There's just one catch. We need you to help make that activity a reality!

Speaking of Snow and Ice: The Town Council and I, once again offer our "Thanks" to the Public Works Department, for the outstanding job. This winter they've done a marvelous job keeping Cheverly's streets clean and safe. This task was particularly difficult given the extremely cold weather that kept certain areas of town frozen for days at a time specifically due to WSSC leaks, natural springs, and sump pumps.

However, Public Works was up to the task and worked many hours of overtime keeping our roads safe.

Cheverly Snow Emergency Policy: Cheverly has a snow emergency policy that goes into effect whenever snow accumulates to 1 inch. It is important that everyone follow the policy, because Public Works cannot adequately

clean our streets if cars are not parked appropriately. Have you ever seen a narrow street that had cars parked on both sides? Instead of a clean street, we end up with a narrow path that winds down the road. Worse yet, our plows are much more likely to damage a car.

The Snow Emergency Parking Rules are:

1) no parking on any cul-de-sac portion of any street; 2) on any courts; 3) on the odd numbered side of 59th Ave and that portion of Inwood St. between Cheverly Ave and Belleview Ave; 4) on even numbered side of all other streets; and 5) on any street except at the curb pursuant to this section.

The snow emergency parking restrictions outlined above do not: 1) Override existing no-parking zones; 2) authorize parking where it is prohibited; 3) apply to those streets or parts of streets where enforcement of this snow emergency ordinance would allow all parking on the particular street or portion of street because of a no-parking zone on the side of the street where a car should park and 4) apply to those streets or parts of streets with any barrier or strip dividing the lanes of traffic.

That Town Council is a Bunch of Sissies: Did the Town Council really cancel the February 13th meeting because of snow? Gosh they only live a couple of blocks away. Yes, the meeting was cancelled, but the reason for the cancellation was that our invited guest from WSSC, Pepco and Maryland Department of Energy all cancelled on us.

Special Guests at the March 13th Town Meeting:

Please consider attending the March 13th Town Meeting as we will have the following guests;

- Empower Maryland: Maryland Department of Energy and Pepco will be at Town Hall from 7:00pm to 8:00pm to discuss energy efficiency programs offered by the state. Topics will include Weatherization Grants, Energy Savings and Programs offered by those pesky door knockers that want to replace your light bulbs.
- Maryland National Park and Planning: Will discuss the draft of the Kenilworth Avenue Industrial Study.
- WSSC: Will be on the agenda to discuss residents questions regarding their water bills. Please forward any questions you would like answered to Mayor@chverly-md.gov so that WSSC can be prepared to discuss.

What If I Can't Make the Meeting?: Did you know that you can now watch Town Meetings via the internet. Yup, it's true! The meetings are still available via your cable channel, but the good news about watching via the internet is that the meeting is indexed by Agenda Topic so you can go directly to the item you are interested in. So if you can't make the March 13 Meeting, please tune in at www.chverly-md.gov. Go to homepage under Meetings

Weatherization Grants: Cheverly recently passed a resolution that would allow Cheverly residents to apply for low to moderate income Weatherization Grants. These grants allow families to not only have energy audits performed for free, but also to potentially replace insulation or even appliances. While there are many families in town that will not qualify based on income, this is a great opportunity for some who may qualify. Information will be available from MDE on March 13th or you can find out more at <http://www.mdhousing.org/website/Programs/lieep/Default.aspx>.

Saint Ambrose Group Home Conclusion: As most residents know Saint Ambrose Church has decided to not pursue using the old convent building as a group home for Disabled Veteran's. Based on initial discussions with members of the school community it was decided not to pursue this course of action.

Looking for College Scholarships?: Did you know that each member of the 47th District State Delegation has a limited number of scholarships available to offer college students that attend Maryland schools. Generally the scholarship awards are between \$250 and \$1,500 depending on the number of applicants, their qualifications and their need. Please check out the websites for Delegates Ivey, Summers and Niemann, as well as Senator Ramirez for more information.

Route 202 Corridor Study: The Maryland National Park and Planning Commission is in the process of completing this study. The project team met with the Cheverly Planning Board on February 11th, to discuss the draft plan and receive comments. The Cheverly Planning Board, led by Councilperson Eldridge, provided detailed comments about the plan.

I want to give a special Shout Out to the Cheverly Planning Board. The Cheverly Planning Board has instigated the kickoff of both the Route 202 Corridor Plan and the Kenilworth Avenue Industrial Study. Additionally, they also instigated the soon to be launched Cheverly Planning Study. While these plans have frequently fallen short of the aspiration goals of the Cheverly Planning Board, they do create forward momentum.

If you see a Cheverly Planning Board Member please thank them for their volunteer activities.

Green Infrastructure Tip of the Month:

Remember you can always visit www.greencheverly.org to review the Green Infrastructure Plan and find helpful tips to incorporate on your property. During the month of March try to minimize the use of lawn fertilizers, pesticides, salt or other toxic substances in your yard. Minimizing the use of these chemicals prevents them from leaching into the ground or running off your property and into the municipal storm drains. Remember our city storm drains are the "on ramps" to the creeks and streams that run into the Chesapeake Bay. Keeping chemicals out of our storm drains is one simple way to "Save the Bay".

Message from the Chief Buddy Robshaw
(policechief@cheverly-md.gov)

WHAT DOES THEFT MEAN? A typical acronym of theft may go something like this:
Theft may well be described as...

T – Taking something;
H – Having value;
E – Eager to profit;
F – From Somebody Else's;
T – Toil and Hard Work.

The first two letters of this acronym may well be the easiest to deter. If we hide from clear view everything, i.e., GPS devices, cameras, loose change, CDs, clothing or footwear, especially items that can be easily concealed in a backpack, we can greatly reduce the chances that a thief can take (or be interested in taking) something. Secondly, if we never leave expensive items in our vehicles, hidden or not, we can greatly reduce the profits of theft and deter future attempts. One last thought: If we get in the habit of locking our car doors whenever we leave our vehicles, we will get in the habit of locking our doors.

C-PACT/CHEVERLY WATCH RESIDENT RADIO PROGRAM MEETING – The next joint meeting of C-PACT (Cheverly – Police And Citizens Together), Cheverly's Neighborhood Watch Organization, and the Cheverly Watch Resident Radio Program is scheduled for Wednesday, March 12, 2014, at 7:00 PM in the Department's conference room. The topic of discussion will be crime in 2013 and related topics..

Cheverly Community Market Announces a New Market Manager! Her name is **Kim Nemire** and comes to us via Liz Tuckermanty and her connections with the Crossroads Farmers Market in Takoma Park. It is then no surprise to know she hails from Michigan and now lives in Washington D.C. working in event planning aligned with fundraising. As a recently certified health coach, her passions are farmers markets, nutrition and food justice. You may have already met Kim as she has traveled to Cheverly meeting some of our growers during their winter customer drop offs and also meeting with current and future CCM board members. **We are truly excited to have Kim onboard and look forward to introducing her at a fundraiser to be announced soon!**

We also welcome new board member **Annalisa Meyer**, a seasoned public relations professional who currently manages communications for the Smithsonian's National Zoo and proud Cheverly resident. Annalisa will be heading up our outreach efforts to bring in new customers and keeping all of us in the know.

Contracts and policies for the 2014 season are currently being written and deadlines for applications set. Kim will be attending both Prince George's County and Maryland farmers market conferences in the next few months to get a better grasp of her new job.

Our 2014 Market days are:

May 31 -- Opening Day & Cheverly Day

June 14, June 28

July 12, July 26

August 9, August 23

September 6, September 20

October 11, October 25

November 22 -- Thanksgiving Market

December 13 -- Holiday Market

Cub Scout Pack 257 congratulates all the winners of our 2014 Pinewood Derby. Special thanks to American Legion Post 108 and the Dickman family for making it possible. Congratulations also to the Bear Den who honed their skills at the Quantico Orienteering Club event, finding all the points on the Yellow Trail. Calling all Scouts (Girl Scouts, Boy Scouts and Cub Scouts) to join us March 30th at Watkins Regional Park for our annual Search and Rescue training day. Scouts will learn first aid, Map and Compass and Search and Rescue skills. For more information on joining Cheverly Scouts contact Cubmaster Dave davidja2@dni.gov (202) 744-7100.

Boy Scout Troop 257 has had a busy winter. Our fund raiser at the Cheverly Thanksgiving and Holiday markets was very successful thanks to the members of the community who bought wreaths, greens, poinsettias, nuts and popcorn. The troop went winter camping in the cabins at Camp Sinoquippe in PA the weekend after New Year's. On Feb 15, Matt Salo of the PG/AA Chapter of the Maryland Native Plant Society took the troop on a hike in the Lower Beaverdam Creek area, where they identified birds: a crow, Carolina chickadees, red bellied and downy woodpeckers, a turkey vulture, a red shouldered hawk and cardinals; and plants: high bush blueberry shrubs, American beech trees, chestnut trees, a southern magnolia sapling, mountain laurel shrubs, English Ivy, holly trees, a sassafras tree, pine trees, and a yew tree. The Scouts were surprised at how much could be seen and identified in the middle of winter, and they were able to pass off several requirements for their next ranks. On Feb 22, the troop joined with the Cheverly Garden Club to work on a landscaping project at the American Legion, and on March 30 the Scouts will be participating in Search and Rescue training at Watkins Regional Park. We're starting to plan for summer camp and spring camping trips. Come join us for the fun and adventure—call Scoutmaster Jeffrey Felten-Green at 301-807-4137 or come to a meeting at the American Legion on Wednes-

Join your friendly neighborhood environmental group, **Friends of Lower Beaverdam Creek**, on Saturday, March 29 between 9 am and noon for our monthly Work Party. We'll be spreading wood chips on the trail, picking up trash, and removing invasive plants such as wisteria. We'll meet at the Arbor Street (green gate) entrance to the trail. Directions: Starting at the Cheverly 7-11 store, go one block north down Cheverly Ave. Make a right onto Arbor St. and go two blocks until it dead-ends. On your right is the Arbor Street entrance to the trail. Tools, gloves, snacks, and water will be provided. As always, school community service hours are available. Hope to see you there! For more information, contact Joani Horchler at 301-802-7445 (cell) or horcpool97@aol.com.

Friday, March 7th, 10am: Playgroup Storytime

Join us at Playgroup on March 7th for our very special story time day! One of our favorite New Carrollton children's librarians will read a story, sing songs, and play games. And don't forget to join us every Mon, Wed, and Friday for indoor playtime at the community center!

Fri, March 28th, 10am – 12pm: Field Day at Cheese Park

Come say "hello" to spring at Gast AKA "Cheese" Park on March 28th! We will have lots of fun outdoor games and activities to enjoy (weather permitting.) Bring a snack or drink to share if you can!

Have any used toys or gear to get rid of? Donate your goods to CPRC! We will be holding a toy sale at the April Flea Market and are accepting gently used toys and baby gear (no clothes this time, but we are planning a clothing swap soon.) Please consider donating and/or stopping by our table at the Flea Market to support our organization! Contact Liz Esposito at cprc@cheverlyparent.org for more information.

Finally, stay tuned for our exciting week of Spring Break activities coming up next month! Keep your eye on the CPRC listserv for details.

Spellman PTA Update

We Are Heroes! Spellman Student Art Showcase -- On Tuesday, March 11th at 7:00pm, please join us for a special evening to celebrate our new partnership with Art Works Studio School, based in nearby Mt. Rainier. The Spellman PTA Board identified art education as our fundraising priority for this school year, and our efforts have paid off! In February, all 500 students in the school received an additional unit of art instruction with a guest instructor from Art Works. The students used various collaged materials to create masks of their very own superhero identity. **On March 11, we will host a "gallery opening" for parents and the broader community (and hopefully a few VIPs!) to view the students' wonderful completed creations.** Please join us!

Also, mark your calendars for another **Franklin's fundraiser on Monday, April 7th** to benefit the Spellman PTA.

Questions? Contact Spellman PTA President Jen Eldridge at jalleneldridge@yahoo.com or 240-271-9737

Cheverly American Legion – March 2013

Saint Patrick's Day Party in the Dug-Out. Saturday, 15 March (Food and Irish music).

You know we are serious about our Irish! While not as big as our Sept Half-way-to-St.-Patrick's Day, it is a perfect time to put on green, to relax, and to add zest to your weekend.

FOOD: 5-7pm, or until gone! Corn Beef n Cabbage! Buy a special Guinness glass! **Dugout open until 10pm.**

Second Annual Chili Cook-Off.

Saturday, April 5 – Cheverly American Legion Post 108 We will again host a chili-cook-off that will leave your taste-buds reeling! Entries from all over are desired, not just our uprooted Texans – here is your chance to shine, earn some bragging rights, and a cash prize! You can make a run at it solo, or team up with neighbors, friends, and family. Number of entries is limited, don't delay!

Registration will be open from February 21 - March 21, and the competition entry fee will be \$20 plus a required quantity of chili. Guest tickets at the door will be \$15, which includes chili and one free drink. For more information and to register online, visit http://www.cheverlyamericanlegion.org/chili_cookoff_2014.html or stop by the Dugout to pick up a registration form. We hope you'll join us and be part of this one-of-a-kind event.

Every Friday at 7:30 PM – Queen of Hearts Game and Open Night.

The Dugout (downstairs) is open to friends, families and neighbors of Cheverly. We encourage everyone to be special guests of the American Legion Family, including all nonprofit organizations in Cheverly to join us. Let's have fun in our close-knit community! The Queen of Hearts Game is simple – each week one lucky person gets the chance to search for the Queen of Hearts on a Board (from a deck of cards). The game continues each week until a winner finds the Queen of Hearts.

Post 108 welcomes the community to visit anytime. The dugout is open 4pm-10pm daily. Call 301-773-0108.
