PROFILES OF CANDIDATES FOR WARD 1

Marverly Nettles

Hi. I'm Marverly Nettles, your candidate for Town Councilmember for Ward 1. Since moving here, I've quickly emerged myself into various organizations here in Cheverly. Those organizations have been highlighted during the recent global pandemic and national civil unrest; and both have impacted our community. As the former

Leader of Cheverly Community Emergency Response Team from June 2019 until January 2021, it was important to feed the community information pertaining to Preparedness. CERT became instrumental in April 2020 pulling together Food Drives and Food Distributions. In August 2020, I was elected President of Cheverly Police Chief's Advisory Board. As the call for police reform grew, Cheverly Police started rewriting policies, and PCAB took a leadership role in gathering input from the community.

Moving forward, Cheverly will be gaining neighbors in the middle of Ward 1 within 3 years with the redevelopment of Hospital Hill. It's important that we consider all possible avenues and their impact on our community. I look forward to hearing from you and working with the County to achieve Cheverly's vision. Secondly, as we've moved into interacting virtually, it is important for Cheverly to invest in technology, including increased WIFI capabilities. I will advocate for accessibility across the community to ensure "no neighbor is left behind". Thirdly, it is critical for Cheverly to take the lessons learned from the pandemic and the flood and focus on resiliency and sustainability for the community. I plan to lead Cheverly in developing an Emergency Operations Plan to prepare for future disasters and leverage resources available through the County and non-government partners to help our residents in times of trouble.

I ask for your vote on May 3. Together we can accomplish the hard work of building on what makes Cheverly amazing to ensure a bright future for all Cheverly residents.

PROFILES OF CANDIDATES FOR WARD 2

Kate Duis

Dear neighbors, My name is Kate Duis and I'm eager to serve as the next Ward 2 Councilmember. I believe everyone has a responsibility to give back and serve our community however we're able. As a non-profit fundraiser, I've done this by raising critical funds for education,

international development and women's health. In Cheverly, I've done this by serving on the Cheverly Community Market board – working to expand the food and nutritional benefits offered to customers and to rethink our operations so the market is a safe place to shop during the pandemic. As your councilmember, I will serve Ward 2 by focusing on:

- **Accessibility** – Councilmembers should be accessible and approachable. I'm committed to providing timely updates, answering your questions, and engaging in respectful dialogue even when we disagree. I'll ask critical questions about how we can reach all residents, ensure everyone feels welcomed and informed, and make engagement on town matters easier.
- **Responsiveness** – This past year has been incredibly difficult for everyone. It has also proved yet again that this community rallies together to find ways to help those in need. While we may be able to relax our COVID protocols later this year, the need to respond and assist our neighbors will persist. I'll work to connect residents to assistance where applicable, promote the work of community groups like Cheverly Village and Cheverly CERT, and, when appropriate, re-examine the role of town government to provide direct support.
- **Solutions-oriented Leadership** - As your councilmember, I'll approach problems in a holistic way – seeking out diverse perspectives from our ward and within the Council to understand the various needs and concerns that exist. I'll drive towards action, not losing sight of the end goal or opportunity. And, I'll do this with a focus on what is in front of us now and what may come next.

I will be a strong voice for Ward 2 residents, and I will work hard to prioritize your needs. To learn more, please visit www.duisward2.com or email duisward2@gmail.com. I look forward to connecting and **thank you for your vote.**

PROFILES OF CANDIDATES FOR WARD 2

Micah Watson

Ward Two, I'm Micah Watson, and I'm asking for your vote by absentee or in person on May 3. My wife and I have lived in Ward 2 since 2002 and are raising our two sons here. I'm active in our Boy Scout Troop and the Sons of the American Legion

and I'm a past co-chair of Cheverly Day and Spellman PTA board member. I'm running for reelection because we still have work to do to make Cheverly the Town that drew us here 18 years ago – a safe, healthy, walkable, community where neighbors know each other and look out for each other. The pandemic and the September flood hit Ward 2 hard, but we are resilient and I've pushed the Town to continue providing you with needed services. Over the past two years, I've secured curb, gutter, sidewalk, and safety improvements and moved us closer to having a hiker-biker trail that connects to our Industrial Park. I keep a careful eye on spending and revenue so that we can weather recessions while paying staff and providing services. We've also improved our police force – I strongly supported hiring Chief Towers and I back his efforts to hire and retain good officers and to improve use-of-force and other policies. If I'm reelected, my top priorities will be remaining accessible and responsive to you; fully restoring Town services to pre-pandemic levels; annexing Hospital Hill into the Town; preventing your Town property taxes from increasing; and ensuring development projects including Hospital Hill are high-quality, add amenities that we want, and minimize traffic and other headaches. Thank you for your consideration, it's a privilege to serve you, and I'd be honored to have your vote by absentee or at Town Hall on May 3.

PROFILES OF CANDIDATES FOR WARD 3

Nicole Bryner

In June 2019, at my first full meeting as a Councilmember, I asked if I could make a motion. It was a simple one: to move an agenda item so the residents who powerfully testified in support of the Pride Proclamation during Resident Input would not have to wait long before the Proclamation was voted

on. The Mayor said I could not make a motion. It took a whispered comment from Acting Town Administrator David Deutsch to understand that, as a Councilmember, I was indeed entitled to make a motion. So I did. The motion passed unanimously, as did the Proclamation. I'd like to say that advocating for Cheverly's residents, having my voice (and the voices of Ward 3) heard, has gotten easier in the past two years. It has not.

It should not be so difficult to make a helpful suggestion. It should not take so long to make progress happen. The pandemic has thrown into sharp focus the ways in which Cheverly's governing body has struggled to function.

In spite of that we have done so much good—hired an excellent Town Administrator and Police Chief; removed a hurtful symbol from the Town Seal; adopted noncitizen voting and a Resolution in Support of Black Lives; established a relief fund for those most impacted by Covid.

Like many, the pandemic has stretched me thin. But through seemingly unending meetings, I have worked to advocate for town residents and town staff. Our staff has been incredible in reacting and adjusting to the pandemic, keeping services running and staff and residents safe. One of my top priorities has been and will continue to be giving them the space and support they need to do their jobs.

And my other priority will be to continue to advocate for residents who so often feel unheard or underrepresented. I hope that a set of meeting guidelines I coauthored will help to make meetings more functional and efficient, if not shorter. Either way, I will keep working for equitable representation and inclusion in all town matters. Thank you for trusting me with that role.

Ted McCann

I first learned about Cheverly from friends who raved about its friendly community, laid-back culture, and diverse residents. Since we moved to Cheverly, we've had two kids and met hundreds of amazing neighbors. We've commuted with a baby and stroller on the Cheverly Metro, enjoyed the Woodsworth

Trail, joined St. Ambrose,

and alternated Saturday mornings between Cheese Park, Town Park, and Castle Park. Through it all, we've hosted and gone to countless barbecues at our neighbors' homes and watched our kids develop friendships with our neighbors' kids. I also developed slight headaches on Cheverly Day after discovering yet again that Cheverly Prom should end at least one hour earlier.

I want to be your councilman because I love this community and feel lucky to live here. I want to continue seeking progress and prosperity for all residents through thoughtful, forward-thinking development projects while ensuring our town remains the wonderful community we all know and love. I believe local government works best when we put aside our differences and deliver results on bread-and-butter issues that make our town an even better place to live. These issues include ensuring that you get the best value for your tax dollars, improving town services (such as reinstating twice a week trash pickup and fixing the cheese in Cheese Park), addressing traffic issues, and ensuring local development meets the needs of the people of Cheverly.

Kayce Munyeneh

Mrs. Munyeneh matriculated from Columbia College with a Bachelor's in Political Science and Georgetown University with a Masters in Leadership (Organizational Development). She was in the Honors College and graduated cum laude, cum honore, garnering membership in academic honor societies such as Alpha Lambda Delta and Golden Key International Honor Society.

Mrs. Munyeneh started her career as a Grants Management Specialist for the South Carolina Attorney General's Office, working on Violence Against Women's Act grants and compliance. She also worked in concert with the South Carolina Coalition Against Domestic Violence and Sexual Assault (SCCADVSA) to support the Hope Lights Project for Sexual Assault Victims.

After relocating to the District of Columbia, Mrs. Munyeneh was hired as the first domestic violence victim advocate for the Metropolitan Police Department. Determined to build the Victim Services Program to a full fledged resource for victims, she worked with a team to address all victimization in the District of Columbia. Instrumental in creating what is now known today as the Victim Services Branch, she held positions with the Metropolitan Police Department and the National Center for Victims of Crime in full-time and part-time positions respectively while also serving as an Adjunct Professor for the Department of Homeland Security's FLETC Domestic Violence Intervention Program. She acted as a liaison inter-departmentally, created public policy and education initiatives, as well as advocated on behalf of victims of violent crime and vulnerable adults. In her tenure, she has served over forty thousand victims of crime.

Mrs. Munyeneh also extended her advocacy role to supporting her colleagues and staff when she was elected as Chief Shop Steward of the National Association for Government Employees. She served as a Certified EEO Counselor to all District of Columbia employees which laid the groundwork for labor management partnerships with the Metropolitan Police Department and the Department of Forensic Science. Mrs. Munyeneh ultimately transitioned into conducting investigations as an Employee Labor Relations Manager and contract EEO Investigator/Reviewer. Ready for a new challenge, she joined the federal government and serves as a Program Manager for the Office of Civil Rights and Diversity and liaison for the Diversity, Equity, and Inclusion team.

In her "spare" time, Mrs. Munyeneh serves as a Mount Hope Commission Board Member, Ward 4 Councilmember, and Vice Mayor for the Town of Cheverly. Some of her notable accomplishments have included:

PROFILES OF CANDIDATES FOR WARD 6

Amy Fry

Friends,
I am seeking re-election for the Office of Council Member for Ward 6 for the Town of Cheverly. My family and I have lived in Cheverly for the past 7 years and are proud to call Cheverly “home.” Living in a multi-generational household, Cheverly is a wonderful place to raise our family

and we are happy to be part of a community that has so much to give and to offer.

Both my husband and I are active members of the community, devoting time to our youth through sports (“Coach Larry” is on the board of Cheverly Boys & Girls Club) and I am a troop Leader for our Girl Scouts Troop. Since being elected in 2019, I have sought to learn and engage more through memberships in the Cheverly American Legion Auxiliary Post 108, organizing events and volunteering with Cheverly Community Emergency Resource Team (CERT), and becoming a volunteer with the Cheverly Village.

I am an attorney by profession while operating a side business as a cookier, baking and decorating cookies, and teaching group fitness class (virtually since the pandemic). I have a JD from the Indiana University Maurer School of Law and a MA in International Studies from Claremont Graduate University. I am a 2nd generation Korean American and take pride in the fact that I am the first Asian American (and hopefully not the last) on our Cheverly Town Council.

During my time on council, I am proud to say I co-lead our Cheverly Census Complete Count Committee, which resulted in a 78.9% self-response rate; higher than that of our county and state, co-organized our 2020 Cheverly Angel Tree, voted affirmatively on measures to strengthen inclusion, increase voter participation, and providing relief to our community while also advocating for infrastructure improvements throughout town.

I have focused on increasing Ward 6 engagement and have sought ways to communicate effectively with our neighbors. I am active on my Ward 6 Facebook Council page and send regular newsletters regarding town business and issues facing our community. Outreach and responsiveness have always been particularly important to me and I have done my best to ensure that I have and remain accessible to all my neighbors, even during a pandemic.

If re-elected, I promise to continue my commitment to boost participation in Ward 6 and beyond, to increase efforts for inclusion and accessibility for all, and to work towards collaboration on the Council and in the county as we work towards economic development in and outside our town.

I humbly ask for your support and your vote on May 3, 2021 to remain as your Ward 6 Council Member.

MAYOR'S CORNER

Cheverly Neighbors and Friends,

Since this is our expanded election edition of the newsletter, I am limiting the April Mayor's Corner to Grads, Vaccines, Hospital Redevelopment, and a very brief mention of our FY2022 budget. Remember, you don't need a reason to vote absentee; the opportunity to vote in Town elections has been expanded, and; you can register to vote and cast your ballot on election day! Be sure to see details and instructions within this newsletter. See information on the virtual council candidates' meet and greet co-hosted by the Cheverly Women's Club and the Cheverly African American Community Organization (CAACO). If you wish to cast your ballot in person, mark your calendars for Monday, May 3rd! **Vote! Local Elections Matter!**

We need your help to congratulate every High School Graduate in Cheverly!

A group of residents is again preparing a small gift to celebrate every Cheverly 2021 high school graduating senior. We're reaching out early to get a good count. If you know of a Cheverly grad (public, private, and home-schooled) please email CheverlyGrads@gmail.com, or you are always welcome to call.

All the thanks to the Cheverly "Grad Bags" team, the Cheverly Women's Club and to the Town for approving a grant to help fund this year's effort. Let's get started!!

Vaccine Distribution is on the rise! We all need to continue to Mask Up and maintain recommended distancing to avoid delaying our reopening and recovery!

The State of Maryland has greatly improved their vaccination process. You can preregister online www.covidvax.maryland.gov or by phone at 1-855-MD-GOVAX (1-855-634-6829). There is an aggressively timed phasing of vaccines. By the time you read this newsletter, vaccines should be available for anyone over 60 and those over 16 with underlying medical conditions that increase risk for severe COVID-19 illness. By April 27, the vaccine should be available for all Marylanders, age 16 and above.

Redevelopment of Hospital Hill – the March 4 meeting and what’s next in the process.

Our March 4 Special Cheverly Meeting Hospital Hill Redevelopment addressed some of our concerns (the focus of traffic is through north and south entrances, not through Cheverly, the helicopter pad will go, voiced commitment to sustainability, stormwater management, protection of the environment, commitment to listening and incorporating what we most want in community amenities, etc.). To take the pulse of residents who joined the Zoom and increase the opportunity for input, I assembled some in-webinar polls and followed up with the survey. We preserved all questions for RDA follow-up. I have requested that we set up space on our website dedicated to the redevelopment of hospital hill. Until that happens, I am gathering all information in a folder that you can access here <http://bit.ly/3r1v0Ah>, including the presentation slides, poll results, survey results, and questions submitted in the presentation.

In the immediate, residents in Wards One and Two will have an initial focus meeting early in April to talk through their concerns as homeowners who have lived with the hospital as a neighbor for decades and who stand to be most affected by numerous aspects of the redevelopment plans. We also need to have additional community-wide focused discussions with the Redevelopment Authority focused on environment, Walkability/bikeability and connection to public transportation, public/community amenities, and more. We should

have the first round of these breakout sessions before the end of April. Please call or email me if you are not connected to the various listservs or social media and would like a personal direct notice of next steps and upcoming meetings. I am committed to making sure that we have enough space in meetings for anyone interested to join and that residents can receive guidance on how to join via computer or smart phone or to join and participate by phone. This remains the most-critical development matter to come before Cheverly in decades. We want the developer of this site to come into the process valuing Cheverly and eager to work with us to create something lasting and wonderful.

We are entering the fiscal year 2022 process!

Talk to me about your budget concerns and what you would like to see if we can afford to accomplish in this next fiscal year. I have stepped out early with a request to Council and Town Staff that we make every attempt to lower our tax rate for this next fiscal year. This means that the Town commits to staying at constant yield—taking no more in Cheverly property taxes than we did last year—out of a recognition that it has been a financially unstable year for so many.

Stay engaged and keep in touch.

As always, and especially during this time, please reach out. I am almost always available by text or call at 202-258-6167, and you can email me at mayor@cheverly-md.gov. I welcome your call and will do my best to address your concerns or get back to you with information. If you are ever in a situation where you do not hear back from me, please do reach out again or call the Town office, 301-773-8360, so that I can ensure that we connect. Thank you to those who join us at work sessions and meetings. I encourage your continued involvement by video and phone. It feels good to have community in the room, even if it is virtual. **Be Cheverly inspired.**

In an effort to keep our Town connected during this pandemic we are including upcoming events in this Newsletter. Please note we may need to cancel these events due to ongoing changes and updates with COVID-19.

Write-in petitions must be received at Town Hall by no later than Friday April 30, to be considered as an official write-in candidate.

Registration of Voters

If you are registered to vote in Prince George's County and/or the State of Maryland, you are registered to vote in the Town of Cheverly. If you are not registered with the County or the State, you may still be eligible to vote in Town elections, based on the recent adoption of the "Non-Citizen Voting" amendment to the Town Charter. Any resident of the Town of Cheverly may register with the Town provided they meet the basic requirements for voting: a minimum of 18 years of age, have resided in the Town for no less than 30 days prior to Election Day, and have not been convicted of a crime, as defined in the Maryland Code. Those individuals interested in being enrolled in the Cheverly Voter Registry may contact the Board of Election Supervisors at chvboes@gmail.com. The deadline for registering to vote is Saturday April 3, 2021. However, the Town of Cheverly will allow for same day registration of voters and same day voting, provided the individual meets the requirements noted above.

Election Day Volunteers

In order to assist with conducting the election for Town Council, the Board of Election Supervisors is seeking volunteers to help on Election Day. Tasks will include assisting with crowd flow, sanitizing election stations, and other tasks as assigned by the Board of Election Supervisors. Lunch and dinner will be provided. If you are interested in volunteering with the Town Election, please contact John LeGloahec at legloaj@gmail.com or by emailing the Board at chvboes@gmail.com.

Election Day

This election will be for the entire Town Council – the Mayoral election will take place in 2022.

On Election Day, voting will take place in the gym at Town Hall. At this time, there are capacity restrictions on individuals indoors and if the limited numbers are still in place, changes will be made to ensure the safety of voters, judges, and supervisors. The Board of Election Supervisors has proposed a unidirectional flow for voting in the gym. Voters will enter through the double doors in the lobby, proceed to their respective Ward table for check-in, receive their ballots, proceed to one of the election voting stations, drop their ballots in the ballot box and exit the gym via the rear doors to the left of the stage.

All COVID protocols will be in place, including all individuals will be required to wear masks or face coverings, maintaining social distancing – no congregating in the lobby or the gym will be allowed, and doors will be left open in the gym to allow for adequate ventilation. Pens, voting stations, and judges tables will be sanitized on a regular basis for safety. There will be appropriate spacing throughout the gymnasium.

Once the polls close on Election Day, the canvassing of ballots will begin. Under normal circumstances the canvassing is open to the public, however due to capacity limits, only elected officials, candidates for office and one designee will be permitted in the gym to watch the counting in person. The Board of Election Supervisors is preparing to broadcast the canvassing via Zoom and/or through the Town of Cheverly Channel (Verizon channel 35). Additional details will be provided closer to Election Day.

If anyone has any questions, please feel free to reach out to the Board, our email address is chvboes@gmail.com.

All forms can be accessed via the Online File Center at <https://www.cheverly-md.gov/files/>.

Absentee Voting in Cheverly Elections

Absentee voting will be available to all Cheverly registered voters, who do not wish to vote in person on Election Day, scheduled for Monday May 3, 2021. Any registered voter who wishes to vote by absentee ballot may do so by downloading the absentee ballot application, available on the Town website. Please note that no reason is required for requesting an absentee ballot. Completed applications may be mailed to or dropped off at Town Hall. There will be a blue mailbox mounted outside of Town Hall for the return of Absentee Ballot Applications. Once the ballots have been finalized, ballots will be mailed to those individuals who requested an absentee ballot. Ballots will also be available for pickup at Town Hall on Tuesdays or Wednesdays between the hours of 10:00 am and 3:00 pm. Additional instructions will be provided to individuals requesting absentee ballots on how to properly complete the ballot and return it to Town Hall. Completed absentee ballots may be returned to Town Hall via USPS, however, the Board of Election Supervisors is aware of problems with mail delivery and recommends that ballots be returned in person to a ballot box, which will be installed in front of Town Hall. If individuals choose to return their ballots by mail, ballots must be received by the close of polls on Election Day. Ballots received after the polls close will not be counted. If a Cheverly resident requests and absentee ballot, they will not be allowed to vote in person on Election Day. Records will be maintained of those Cheverly residents requesting absentee ballots. The register of absentee voters will be available for review upon request of any registered voter.

If anyone has any questions, please feel free to reach out to the Board, our email address is chvboes@gmail.com.

The Cicadas are Coming, The Cicadas are Coming: The Truth About the Brood X Periodical Cicada

Information from the Town Arborist Dr. Tolbert Feather

The periodical cicada in this area, Brood X, will emerge this year and is one of many broods that reappear every 17 years. The periodical cicadas have black bodies and red eyes and emerge in mid-May (when ground temperatures reach >64°F) completing their life cycle by the end of June.

Although the adults do feed on woody plants, potential damage to trees and shrubs occurs when the female cicadas insert eggs into the tips of twigs. Sufficient damage can cause the loss of the tips of branches. On large trees, this loss is not noticeable. On smaller trees, it can significantly reduce the canopy, but even smaller trees do recover.

Residents can isolate young trees with screening in May (netting with 1-cm or 3/8-inch mesh) to prevent damage, but there are no treatments to manage the cicadas. Cicadas have little interest in annuals and perennials. Newly emerged cicadas may be seen resting or emerging on non-woody plants, but they will soon thereafter move up into the trees.

The distinctive “singing” or mating call is the first sign that the little wide-eyed creatures are active. Although their appearance may seem ominous, cicadas do not bite people or carry or transmit any diseases. They are a true wonder of nature and a great food source for birds and small mammals.

For more information regarding the Brood X Periodical Cicada and the other broods that appear in this region, please visit the following websites:

CHEVERLY DAY

*** Watch This Space ***

Cheverly Day is October 2, 2021.

The 90th anniversary parade and the fireworks will be on October 2. The virtual Cicada Crunch will be in June. Keep watching this space for details. Scouts, churches, neighborhoods, organizations -- start working on your parade entries. Come on, Cheverly, let's outdo ourselves this year!

The **Cheverly Garden Club** will be having a Zoom meeting on Monday, April 19th at 7:00 pm. Details will be sent to Garden Club members. If you wish to join the meeting, e-mail your name and street address to CheverlyGardenClub@verizon.net by April 16th.

The Garden Club is fortunate to have Ms. Cindy Brown as our featured guest speaker. She is the manager of Collections, Education, and Access for the Smithsonian Gardens and speaking on her favorite gardening topic. Remember to 'leave the leaves' until air and ground temperatures remain above 55 degrees. This helps keep our local pollinators and butterflies alive and not in yard waste bags.

The Cheverly Garden Club's Life-Long Learning Grant is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For further information, please email Kay Holloway at kay_holloway@hotmail.com.

Stay healthy and stay hydrated!

CHEVERLY VILLAGE

Wanna Come Out to Play?

The guidance from CDC (Centers for Disease Control and Prevention)

last month opens the door to more opportunities to see each other. So does the warming springtime weather.

Here are some of the first ways in which Cheverly Village looks forward to coming out from behind our Zoom screens:

- Small gatherings. We are happy that the CDC guidance says that *fully vaccinated people can safely visit with each other without masks or physical distancing*. While the Village cannot yet hold events in the Community Center, we will find ways to put interested vaccinated members and volunteers in touch with each other for visits and games in each other's homes—indoors or outdoors. And, of course, we will provide rides when members need them. Scrabble, anyone? Crazy-Crazy Eights?
- Cheverly Village's Stand-Up Garden. Village members and friends are invited to plant and tend your favorite flowers and veggies—without having to bend over! The Garden is even wheelchair friendly. To learn more, call 240 770 1033 or email Tere-sawilliams@cheverlyvillage.org.
- Occasional group strolls. One of the first such events that the Village's Program & Events Team expects to announce will be at Legion Park, where benches, paved paths, and gentle greens invite visiting as much as strolling.
- Outings such as rides through the Arboretum, visits and gentle walks through Kenilworth Park and Aquatic Gardens, or visits to other accessible outdoor attractions.

Meanwhile, we continue to offer an exciting array of online activities, almost all of which are open to everyone. Register for them at cheverlyvillage.org, "Events List."

To find out how to be a member, a volunteer, or a supporter of Cheverly Village, reach us at www.cheverlyvillage.org, 240-770-1033, or village@cheverlyvillage.org.

Kilmer Street Park

The Town of Cheverly entered into an agreement with the Neighborhood Design Center for planning of a park at 6301 Kilmer. Following the terms of the agreement, the Neighborhood Design Center conducted surveys of town residents to learn their hopes for the park, and presented the Final Concept plan to the Mayor and Town Council. The Mayor and Council will soon consider adoption of the park plan.

In its advisory capacity, the Cheverly Green Infrastructure Committee met with the NDC over several months and worked closely with them in every stage of the planning. In addition to providing opportunities for low-impact recreation, the park will help implement the Cheverly Green Infrastructure Plan. It will add to Cheverly's network of natural areas, increase tree canopy, give preference to native plants, manage stormwater, and provide educational opportunities..

The concept, to be implemented in stages, combines plans for instructive exhibits with opportunities for active recreation.

Active recreation

ADA accessible trail

Fitness trail

Open space for free play

Exhibits, where park goers can learn more about native plants and their habitats

Food Forest, featuring edible fruits

Arboretum of native trees and shrubs, identified with labels

Pollinator meadow, combined with stormwater management

Magnolia grove, indicative of magnolia bogs formerly found in the region

The entire site would be included in the arboretum, following the certification program of ArbNet; there is no charge for certification.

The park has its own group of champions, a working group of the Green Infrastructure Committee, Friends of Kilmer Street Park. The Friends will work on detailed planning for the park and will organize hands-on volunteer work. By the time you read this, three invasive-plant removals will have taken place. The Friends have already completed the arboretum certification application.
