#### *Message from the Mayor*

April is recognized as Autism Awareness Month, dedicated to raising public awareness about autism spectrum disorder (ASD) and promoting understanding and acceptance for individuals with autism. During Autism Awareness Month, organizations and communities worldwide come together to educate the public about autism, dispel myths and misconceptions, and advocate for inclusion and support for individuals on the autism spectrum and their families.

Initiatives during Autism Awareness Month may include:

**Education and Advocacy:** Providing information and resources to increase understanding of autism spectrum disorder, including its characteristics, strengths, and challenges, and advocating for policies and practices that promote inclusion, accessibility, and support for individuals with autism in various aspects of life, including education, employment, and healthcare.

**Community Events and Activities:** Hosting events, workshops, and activities to engage the community in learning about autism and promoting acceptance and inclusion. These may include awareness walks, fundraisers, art exhibits, sensory-friendly events, and seminars featuring experts in the field of autism.

**Awareness Campaigns:** Launching public awareness campaigns through social media, traditional media outlets, and other platforms to reach a wide audience and raise awareness about autism spectrum disorder. These campaigns may focus on dispelling myths and stereotypes, sharing personal stories, and highlighting the diverse experiences and perspectives of individuals with autism.

**Support Services and Resources:** Providing access to support services, resources, and assistance for individuals with autism and their families. This may include information hotlines, support groups, therapy services, and referrals to community-based organizations and agencies specializing in autism support and advocacy.

By raising awareness and promoting understanding, Autism Awareness Month

Now, let's delve into the other important observances highlighted in April:

1. **Sexual Assault Awareness Month (SAAM):** SAAM is observed annually in April to raise public awareness about sexual violence, educate communities on how to prevent it, and provide support for survivors. Through initiatives such as education and training, advocacy and support, community engagement, and prevention programs, SAAM aims to create a safer and more supportive environment for survivors and work towards ending sexual violence in all its forms.
2. **National Minority Health Month:** National Minority Health Month highlights the importance of addressing health disparities and promoting health equity among minority populations. It provides an opportunity to raise awareness about the social, economic, and environmental factors contributing to health inequities and advocate for policies and initiatives addressing these disparities.
3. **Stress Awareness Month:** Stress Awareness Month aims to raise awareness about the causes and effects of stress on mental and physical health. It encourages individuals to recognize the signs of stress, practice self-care, and seek support when needed. By promoting awareness and understanding of stress, this observance encourages individuals to prioritize their mental health and well-being.
4. **Move More Month featuring National Walking Day:** Move More Month encourages people to

incorporate physical activity into their daily routines to improve their overall health and well-being. National Walking Day, endorsed by the American Heart Association, serves as a reminder of the importance of regular physical activity. Walking is a simple and accessible form of exercise that offers numerous benefits, including reducing stress, improving cardiovascular health, and boosting mood.

I hope you will join me in walking at least one hundred miles during the month of April as part of Moving with the Mayor.

Last but not least, I want to express my gratitude to everyone who tuned in to the recent State of Cheverly Address. This address was the most watched and attended since I became mayor. I am extremely grateful for the presence of our County Council Chair, representatives from the Governor's Office, and other local elected leaders who came to hear our vision regarding development and the future of our town. I am also grateful that future leaders from Howard University and American University tuned in after speaking engagements I have had with these various institutions. I work every day to expand Cheverly's network. I am proud to be the third best-run town in the county and strive to be the first. Your engagement and participation are essential as we strive to keep our community informed and connected. Together, let's continue working towards building a more inclusive, supportive, and informed community for all. Thank you for your dedication and commitment to creating positive change in our community.

## CODE COMPLIANCE

### PARKING COMPLIANCE

According to Code Sec. 18-4.2 and Sec. 27.5

Vehicles that have not moved for 72+ hours may be towed; all vehicles need to be operational & legally operable on both private property and on the street.

Commercial vehicles are prohibited to park in front of residential properties.

### SIDEWALK AND ROAD OVERGROWTH

Spring is here and the days are getting nice. With the nice weather, and rising gas prices, more and more residents are out walking. Whether they are out for a weekend stroll or headed down to the Metro for a train ride to work, they are using our sidewalks and walking paths.

The warmer weather also marks the start of the growing season. As trees and other vegetation grow, they tend to encroach upon the public right-of-way (sidewalks, streets, or alleys). This overgrowth of vegetation or low hanging branches can obstruct view, creates tripping hazards or otherwise impede the public's ability to use the streets and sidewalks. This encroachment has been deemed a public nuisance in the Town Code and constitutes a hazard, which impedes the free movement of pedestrians or vehicles. As such, residents are required to ensure that public right-of-way abutting their property are kept free of overgrowth and intersections are obstruction free.

Trees located within the first (11) feet of the curb are the responsibility of the Town. Please call if you have a question or notice any condition that may pose a hazard to the community.

### GRASS, WEEDS AND OVERGROWTH

Obstructions:

1. Residents are reminded that with the nice weather more and more residents are out walking. Please

keep the walkways and sidewalks clear of overgrowth, obstructions and hanging limbs.

2. If the tree obstructing the sidewalk or roadway is in the planting box, please contact the Department of Public Works.
3. Keep vegetation from obstructing the view near intersections.

Lot Maintenance:

1. Residents are reminded to make sure your grass is cut before it reaches 8 inches in height.
2. Also, the planting strip between the sidewalk and the street is your responsibility to maintain
3. If you are going on vacation, make sure you make arrangements to have your grass cut for you.

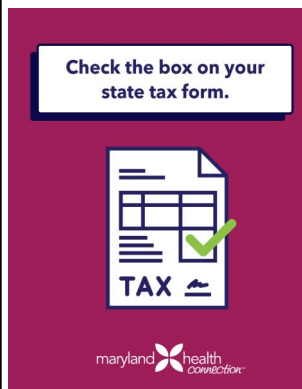

Be sure to take into consideration that the weather can be unpredictable, but the grass still needs to be cut.

### REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

1. **Canvas everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
2. **Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,
3. **Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.
4. **Place the "No Parking" signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply "No Parking" signs once the event is permitted.
5. **We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
6. Your street must be clean and open to traffic no later than 10 PM.

### Tax Season Enrollment:

## ETHICS COMMISSION

The Cheverly Ethics Commission (EC) is in the process of modernizing and preparing to serve our Town's Council, Administrations, and above all Citizens at a moment's notice.

The Commission's current membership was approved by the Town Council in October 2023, and we're working to ensure Cheverly is in compliance state-mandated ethical requirements. The EC met on February 12 to review the current governance

documents, and we hope to have all revisions complete by early summer.

The EC will meet on the third Monday of every month at 7:30 p.m.; most meetings will be closed to the public. Look for updates coming soon to our website at <https://www.cheverly-md.gov/ethics-commission>.

Our mission is divided into four main functions:

- Ensuring all state-mandated financial disclosures are completed on time each year, as well as ensuring the Cheverly Ethics Code and EC procedures meet the requirements of Maryland State Law.
- Fielding Ethics Advisory requests, in which the Commission will render an opinion on any questions or situations of an ethical nature involving our Town government.
- Inquiring and investigating allegations of ethical impropriety within the Town government, and issuing recommendations to assist the town in rectifying and preventing ethical lapses.
- Educating elected and appointed officials of their ethical responsibilities, as well as educating all Cheverly citizens of the EC's mission and vision.

Your Cheverly Ethics Commission Members are:

- David LaVoy, Ward 1
- Ed Terry, Ward 2
- Dionne Dobbins, Ward 3 (interim Secretary)
- Thomas Ruyle, Ward 4 (interim Chair)
- Tonya Parker Yates, Ward 4
- LaTonya Jones, Ward 5
- Veta Richardson, Ward 6 (interim Vice-Chair)

## CHEVERLY GREEN INFRASTRUCTURE COMMITTEE

*Serving the Cheverly Community since 2011*

**April Monthly Meeting**

**Date: Monday, April 1, 2024**

7:30-9:30 p.m., virtually via Zoom, watch for announcements on [www.greencheverly.org](http://www.greencheverly.org), the Cheverly Exchange, and the Cheverly List.

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in

# Community Bulletin Board

education, planning, and research.

All are welcome to join us! Contact sheila.salo@gmail.com or see [www.greencheverly.org](http://www.greencheverly.org) for the meeting agenda.

## **THE CHEVERLY GREEN INFRASTRUCTURE PLAN – THE NATURAL AREA NETWORK**

Networks are essential for natural systems to function properly and preserve biodiversity. In green infrastructure networks this connectivity provides resilience against natural and human disturbance.

The Cheverly Green Infrastructure Plan identified natural-area hubs with their woodlands, streams, and wetlands, the Boyd Park - Cabin Branch, Euclid Park, Woodworth Park, Cheverly Nature Park, and Cheverly East Park hubs. In 2021 the Cheverly Green Infrastructure Committee added Kilmer Street Park and Arboretum, and Outlot B, adjacent to Boyd Park. The committee has recommended annexation of Outlot B, which lies outside town boundaries.

The Green Plan provides a framework for managing the natural area network. The Cheverly Nature Park Hub, the Boyd Park - Cabin Branch Hib and the Cheverly East Park Hub are community woodlands; the Euclid Park Woods Hub, a natural resource area; and the Woodworth Park Hub, an environmental education area.

Connecting the hubs by corridors to form an integrated system will help enrich biodiversity. Adjacent properties can buffer the protected areas. Backyards, utility corridors and alleys, “green ribbons,” can provide habitat and corridors for plants and wildlife

Visit [www.greencheverly.org](http://www.greencheverly.org) for a map of Cheverly’s natural areas and recommendations of the Green Plan.

## **CHEVERLY BOYS AND GIRLS CLUB**

Cheverly Boys and Girls Club: Registration for players is closed for our Spring season, but we are always in need of coaches and umpires! Please consider volunteering. We were honored to see our league highlighted recently by stories in WTOP and NBC Washington.

## **CHEVERLY DAY VOLUNTEERS NEEDED**

Cheverly Day is September 28

The Cheverly Day Team can always use help—join the team and help plan the day OR just volunteer on September 28. Students get community hours for volunteering.

Go to [CheverlyDay.org](http://CheverlyDay.org) and be part of the best day of the year.

## **CHEVERLY BOY SCOUT TROOP 257**

Put your boy on the path to fun outdoor adventures this spring! – Boy Scout BSA Troop 257 has activities planned for boys 11 to 18 (sixth to twelfth grade.) In March, we took a trip up to PA for a biking/hiking excursion through abandoned tunnels off the PA turn-pike! In April, we are planning a backpacking campout. Also coming this spring, we are planning a whitewater rapids trip, a slider-making cooking competition, a sports day, as well as a car vacuuming fundraiser. In the summer oue boys are going to a beach campout and BSA summer camp. If you are interested in joining Scouts, please contact Micah Watson at [micah@cheverlyday.com](mailto:micah@cheverlyday.com) or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.) Note, we are still selling firewood. If you are looking for some, please reach out. This is our primary fundraiser. Thank you in advance!

**Gather with the Gardeners!** The next monthly meeting of the **Cheverly Garden Club** is Monday, April 15, 7 pm, at Cheverly UMC (2801 Cheverly Ave), 4th floor parlor. Check our Facebook page for details. New members are always welcome, and annual dues are just \$15. We hope to see you in April!

**Spring into spring:** April is a great time to divide emerging perennials. Hostas are always most forgiving for dividing and transplanting when the shoots are emerging. For vegetables, it’s time to prep your seedlings indoors for a head start on post-frost date outdoor planting in May.

**Get Ready!** The annual **Cheverly Garden Club Plant Sale** will be held on Saturday, May 11 at Town Park. Are you potting up your donations? Planning your purchases? Better yet, do both!!

**Apply now for the Cheverly Garden Club's Life-Long Learning Grant.** If you're passionate about gardening, flowers, environmental issues, workshops, and educational programs, this grant is for you. Open to Cheverly residents 18 years and older or full-time Town employees, with a maximum award of \$500. Applications are available via email, and the deadline is December 15th. For more information or to apply, email [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net).

Stay healthy, stay hydrated, and enjoy the seed and flower catalogs!

## RECREATION COUNCIL

Thanks to all those volunteers and families for making our Easter egg hunt this year a success!! Remember, the purpose of the Cheverly Recreation Council is to develop a well-rounded recreation program, coordinate among all governmental agencies & community organizations interested in recreation; and to encourage, evaluate, publicize, assist, initiate, and conduct year-round programs of recreation for all age groups.

We meet that last Tuesday of the month at 7 pm in the large conference room at the community center. Ideally any group or organization that has an interest in rec activities or ideas for future events would send a representative to each of our meetings. We need you to make successful programs for all ages in our community! Please join us at our April meeting on April 30, 2024 at 7pm in the community center to lend a hand or pitch in some ideas. See you there.

## CHEVERLY VILLAGE

### **The Comfort of “Uncomfortable” Conversations**

Members of Cheverly Village have been enjoying a series of conversations and expert presentations exploring how to navigate the challenges of aging by purposefully planning for the later chapters of our lives. Developed by a group of members, the topics of the “Peace of Mynd” (POM) program so far have included strategies for decluttering, using a health care advocate, creating an advance directive, and provisions for managing the possibility of dementia, which can happen at different ages.

Future topics will include naming an executor for one’s estate, strategies for staying fit, choosing and working with a home health aide, the option of hospice care and other topics of interest to the POM participants. While many people avoid talking about these topics and putting into place simple steps to help preserve our quality of life and personal control as we grow older, participants in the POM sessions enjoy fellowship and laughter as we investigate and begin to address these topics together.

To preserve the intimacy and trust of the POM discussions, elements of the POM program are open only to Cheverly Village members. If the opportunity to participate in the discussions appeals to you, we invite you to join the Village! However, we will be holding occasional presentations on POM-associated topics. Please check the “Events” page of

[Cheverlyvillage.org](http://Cheverlyvillage.org) for information about these events.

Cheverly Village members range in age from 42 to 102, and our average age is 72. Membership fees are set according to a sliding scale reflecting household income. We are committed to making sure everyone can afford to join the Village.

*To learn more about Cheverly Village membership, or to support the Village as a volunteer or a donor, contact us at [Cheverlyvillage.org](http://Cheverlyvillage.org) or call 240-770-1033.*

## FRIENDS OF LOWER BEAVERDAM CREEK

### **JOIN OUR APRIL 20 EARTH DAY CLEANUP**

FLBC is turning 20 this year. What better way to celebrate than by keeping trash from our streams! We are again hosting a site for the Anacostia Watershed Society’s Earth Day Cleanup and invite you to join us Sat., April 20.

We will focus on the embankment on the north side of Route 50 parallel to the Woodworth Trail and Tributary 3 of Lower Beaverdam Creek. Our challenge: To pick up the many tires that have recently been dumped from the highway. The work will involve lifting, bending, and walking on uneven surfaces and some steep slopes. Participants should wear closed-toed shoes. There are no bathrooms available on site. The event officially begins at 10, but come at 9 if you can.

Volunteer registration is open until April 16 at [anacostiaws.org](http://anacostiaws.org). Choose *Route 50 at Cheverly* (Arbor St and Parkway) as your clean-up site. Or select a less challenging site, if ours is too rigorous. For information on other activities, including our first Monday of the month work parties along the trail, contact [joani.horchler@gmail.com](mailto:joani.horchler@gmail.com).

### **ON ANOTHER NOTE:**

**THE SPRING FLOWERS ARE OUT ON WOODWORTH TRAIL! Walk the trail now while the glorious Mayapples are at their peak.**

## **THE CHEVERLY WOMEN'S CLUB**

(est. October 1919, the year women got the right to vote.)  
The oldest Cheverly Town Organization.

We invite you to a Cheverly Women's Club (WC) event we are co-sponsoring with Pastor Lillian and the Cheverly United Methodist Church (CUMC), and Mack McCarter, founder of Community Renewal (CR) on Sunday, April 14 at 10 a.m. at CUMC. The WC is the oldest volunteer organization in Cheverly, having been introduced in 1919.

The event is to honor the life and memory of Robin McClain who was a long-time resident of Cheverly and member of our club. You will also meet and hear Mack McCarter who founded Community Renewal more than 30 years ago. CR brings together caring partners to make our world a home where every single child is safe and loved. Mack believes we are capable of living in ways that enable us to be better people and have a better society where people are whole, both competent and compassionate. He says that human competency and compassion are connected to human relationships. He claims that the most profound truth of all reality is found in the truth of the deep and devoted relationship we call "friendship". Now, Mack tells us, we must apply these rules to whole cities. Join us on April 14 in connecting people, changing lives, and transforming cities.

Commit to do intentional acts of caring every day  
And to join with other people  
who make this commitment  
And to reach out to others asking them to do the same.

Regular Meeting – Apr 3 and Apr 24  
at 10 a.m. at the Community Center.

2024 Dues - \$35 (&/or a "LOVE" donation to help  
achieve our goals)

We are bringing back the CPRC Spring Festival on

May 5, 2024 in the upper part of Town Park from 2-4. There will be ponies, a petting zoo and snacks. In addition, this year we have received a sponsorship from Cheverly Home Improvement and thanks them so much for their support of this great community event.
