#### Hark How the Bells!

I am sure you have heard that song "It's the Most Wonderful Time of the Year"! Whether you celebrate holidays during this time or not, I think we can all agree, there is nothing better than snuggling in during crisp cold months and hibernating with our loved ones. Still, we want to make sure we are physically distancing and not socially distancing. We still need to check on our neighbors and loved ones. We also have a few opportunities to see each other in town as well.

Community Caring and Sharing will be held on December 3, 2021, at 5:30 p.m. in Legion Park. Bring your mittens and masks and help us light the town tree and fire up yule logs. Starbucks has graciously partnered with us to provide hot cocoa and apple cider.

We will also have our annual Holiday Decorating Contest so bring on those lights! While we want you to decorate to your hearts content, we also want you to be safe. I recently shared on social media that my neighbors experienced a fire in their home. It was a jarring reminder to me how often I had ignored the dying battery in my fire alarm and forgotten to get the

**Put a FREEZE on Winter Holiday Fires**

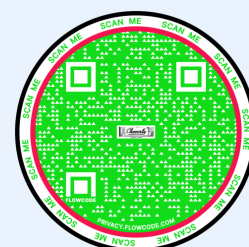

It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart.

- Half** of the home decoration fires in December are started by candles.
- More than 1/3** of home decoration fires are started by candles.
- Christmas** is the peak day for candle fires.
- Keep candles at least **12 inches** away from anything that burns.
- A dry Christmas tree can burn very hot and very fast.
- More than 1 in every 5** Christmas tree fires were caused by a heat source too close to the tree.
- Read manufacturer's instructions for the number of light strands to connect.
- Make sure your tree is **at least 3 feet** away from heat sources like fireplaces, radiators, space heaters, candles or heat vents. Also, make sure your tree does not block exits.
- Get rid of your tree after Christmas or when it is dry.

hard-wired option. I now have a fire alarm in all my bedrooms, dining room, kitchen, and basement. I also picked up an extinguisher because I did not realize they could expire. I hope to have a town wide “fire alarm” soon to get us all prepared in case of an emergency. Please consider this infographic as you plug in for the holidays.

### **Health is Wealth**

Some of you know that I had a little gift for breast cancer survivors in Town Hall this October which is Breast Cancer Awareness month. There are still a few there if you would like to pick one up. I do not want to forget to mention that some of you may just be shaving after Movember. What is Movember? (A shortened version for moustache, “mo” and “November”), is an annual event involving growing moustaches during the month of November to raise awareness of men's health issues, such as prostate cancer, testicular cancer, and men's suicide. Many moons ago, I remember being in the church that I used to attend in the District of Columbia and my pastor asked everyone who suffered from prostate cancer to stand up. I was shocked to find that every man over the age of forty, yes literally every man in church stood up. I had never realized that my own grandfather had died from the disease. Please get checked and receive medical care as soon as possible. Schedule your physicals and if you are the loved one of someone who has not been to a doctor in a while, start bugging them to go now.

---

### **What’s Next?**

November was a remarkably busy month for Mayor and Council! We were able to pass the Charter Amendment enfranchising our residents who were unable to vote in their appropriate wards. We also completed design concepts for Woodworth Park and sent out surveys regarding American Rescue Plan funds. Additionally, Mayor and Council attended a leadership retreat and created the bones for a five-year Strategic Plan. Does anybody remember that I love lists and plans?

We will soon begin stakeholder engagement regarding the Strategic Plan and the question is simple. What should Cheverly look like in the next five years and how do we get there? We have a top-notch consultant helping with this and I am excited to finally have down on paper the vision for our dear Cheverly. The first community strategic planning meeting will be December 8, 2021, at 6 p.m. We are trying to offer both a virtual and in-person meeting so that residents from all walks of life can participate. Stay plugged in for updates.

---

### **Mayor’s Mention**

Our community has so many people to be proud of! I got a few entries for Mayor’s Mention. First is Adrin Dawkins Leak, who was raised in Cheverly, MD. The daughter of Robert Dawkins, current Cheverly resident, was named Teacher of the Year! She teaches at DuVAL High School and was a graduate of Seton High School and Ohio State University. Next up is our amazing Cheverly Wolverines! They won the county Championship! We have bragging rights for days.

Last, but not least, is our Public Works secretary, Ms. Kristi Gardner. Kristi worked with the CGIC for months on the town’s application for our Sustainable Maryland Certified Award.

### **Thankful?**

*“When upon life’s billows you are tempest-tossed,*

*When you are discouraged, thinking all is lost,*

*Count your many blessings; name them one by one,*

*And it will surprise you what the Lord has done.”- Text: Johnson Oatman Jr., 1856–1922*

This entry is not to proselytize, but it is one of my favorite songs. Whenever I am feeling down, I cheer myself up by looking at how blessed I am. I will tell you; I get about one hundred emails a day as mayor and still have not received one in response to my November newsletter entry about what we are thankful for. I thought I would try it again this month too. What are you thankful for? Please share! Drop me a note via email!

All containers or uncollected trash and waste must be removed from the street side or curb by 7:00 p.m. of the day it was scheduled for collection. ## **APPLICATION OPEN FOR NEW CHEVERLY CIVILIAN POLICE COMPLAINTS BOARD**

The Town of Cheverly adopted the Resolution In Support of Black Lives. The Resolution pledged to create an independent police complaints board composed of Town residents. The independent police complaints board shall be a separate, apolitical, entity from any group or board currently active in the Town or associated with any Town function. The independent police complaints board's purpose will be to obtain and forward complaints to the Town of Cheverly Police Department's Chief of Police for community members who would otherwise not be comfortable submitting their complaints directly. The independent police complaints board will only have review authority of complaints in instances where a request for secondary review is initiated by community members. Upon request for secondary review, the independent police complaints board will review the completed report of investigation in order to advise the Cheverly Police Department's Chief of Police as to whether they believe the investigation was complete, thorough, and impartial.

Ideally, this board will be comprised of two members from each ward with one alternate. This is contingent on the pool of applications. Any Town resident is welcome to apply, unless you have a criminal conviction that is not expungeable under Maryland Law. This application will remain open for thirty (30) days after the posting and notice in the Town newsletter.

After the notice has been sent, the application will remain open for 30 days to ensure as many people as possible are made aware and can apply. Applicants

must be Town residents without criminal convictions that are not expungeable under Maryland law. Applications are available at <https://www.cheverly-md.gov/town-administrator/webforms/application-become-member-police-complaints-board>

### **Selection Process:**

**DECEMBER 31, 2021 IS THE DEADLINE TO SUBMIT APPLICATION**

After the close of the application, a panel will review the applications within 30 days, unless interest exceeds expectations and an extension is warranted to ensure all applications are properly reviewed. The selection criteria will be posted with the application.

The selection panel will be constituted as follows:

1. Town Administrator or designee
2. PCAB member (Selected by vote of their membership)
3. Civilian Oversight Expert
4. Member of the Ethics Commission (Selected by vote of their membership)
5. Ganesha Martin - in the case of any tie breaker

Ideally, 2 members from each ward will be appointed, with one alternate. Meeting this goal depends on resident participation from across the town.

Once the selection is made, the board will be announced. Meetings regarding board structure and governance along with training will happen throughout November.

In January, a messaging campaign around the new board's role and the process for submitting complaints will be commenced by the Town. Ideally, by the end of December, the board should be able to take its first complaints.

**With The Holiday Season Approaching Here Are Five Helpful Holiday Safety Tips:**

Keep all car doors locked and windows closed while in or out of your car. Set your alarm or use an anti-theft device.

- Do not leave packages or valuables on the seat of your car. This creates a temptation for thieves. If you must leave something in the car, lock it in the trunk or put it out of sight.
- Keep a secure hold on your purse, handbag, and parcels. Do not put them down or on top of the car to open the car.
- With a million things on your mind ALWAYS REMEMBER TO STAY ALERT TO YOUR SURROUNDINGS
- When leaving home for an extended time, or short period of time ( mini vacation ) DO NOT FORGET THAT THE **CHEVERLY POLICE DEPARTMENT** DOES HOUSE CHECKS.

## *Message from the Chief*

### **CPD Hiring**

The department continues to seek the right officers for the positions Please check the Cheverly Website Employment Opportunities or PoliceApp for openings.

Residents who refer a candidate who receives a final offer of employment will receive a check for \$500!

### **Online Reporting**

In response to the COVID-19 pandemic, the department implemented an online reporting system for some non-emergency calls for service. These calls include auto tampering, destruction of property/property damage, lost property, theft from autos, and certain other thefts that don't rise to the level of burglary. Residents are encouraged to utilize this system, in lieu of the non-emergency number, for incidents that meet the requirements.

The online portal can be found here: <https://www.cheverly-md.gov/police-department/webforms/cheverlypolice-department-online-report-submittal>. Once completed, the reports can be obtained by request via [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org). You will receive a call from one of our officers to either gather further information or to provide the respective case number. Once completed, the reports can be obtained, by request, via [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org).

### **Report Requests**

All reports can be requested, via email, at [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org). When submitting your request, please include as much information as possible, that pertains to the report. In addition, a photocopy of the requesting party's ID will need to accompany the request for identification purposes. In response to the state of emergency, all fees associated with report requests have been waived.

[Tips@cheverlypolice.org](mailto:Tips@cheverlypolice.org) is the email address that residents can use to send non-emergency tips or information to the department. Our investigators are constantly working to investigate criminal cases in which our residents have been victimized. If you have or believe you have information, photographs, or video that could assist the department, and you don't want to call, please send us an email. If you see someone in immediate danger or a crime being committed, dial 911.

**GREEN @ HOME -- Birds in Winter**

It's time to think about keeping your yard bird-friendly through the winter.

Finding food can be especially challenging for birds during days with extreme cold temperatures. Setting up a backyard bird feeder makes their lives easier and ours more enjoyable as we can observe the birds up close and in comfort.

Take a look at your property from a bird's perspective. Does it provide the three basic things that all birds need from their habitats?

- **FOOD:** In winter, set up your bird feeder. If you don't tidy up your yard and flowerbeds in fall, birds will love you for the seeds. Rake fallen leaves under your shrubs to act as mulch -- that encourages beneficial insects which will be bird food. Throughout the year your bird-friendly landscaping will provide fruit, seeds, beneficial insects, and other small animals that birds feed upon.
- **WATER:** Even in winter, birds need water for

drinking and bathing.

- **SHELTER:** Whether it's a safe place for sleeping, a protected haven from the elements, a hiding place to elude predators, or a secure nesting spot, providing shelter is an important way to make your property bird-friendly. Leave dead limbs and trees in place. Recycle dead branches to start a brush pile; add your old Christmas tree if you have one.

- 2) Bring a small token of love - a flower, a fruit, a small bag of popcorn, a healthy drink.
- 3) Believe that love is true, strong, and powerful.
