## MAYOR'S CORNER

Cheverly Neighbors and Friends, join me in extending—

### Congratulations to the “Unstoppable” Class of 2021 Grads!

We celebrate you!

We know that for over a year you have persevered, overcome, and excelled! You've made it work and learned so much about yourself along the way. Your community is proud you have come this far.

### We still need your help to congratulate every 2021 high school graduate in Cheverly!

The “Cheverly GradBags Team” still needs your help to make sure every Cheverly 2021 high school graduate is celebrated with a “GradBag” gift! If you know of a Cheverly grad (public, private, and home-schooled) please email [CheverlyGrads@gmail.com](mailto:CheverlyGrads@gmail.com) with the student's name, address, email, and phone number, or as much information as you have, so that the team can follow up. Further questions or needs? You can call or text Cindy at 301-442-6025. Grad Bag delivery is planned for the first week of June, and the team will continue with deliveries to grads as needed.

### Booms and Noxious Odors, Oh My! — concerned? Join the Monday, June 7 webinar!

It's happening! Our air quality monitoring program is offering us a way to bring attention to our air pollution concerns, and the Maryland Department of the Environment Air and Radiation Administration wants to hear from you! We have an extraordinary opportunity to be heard and to use our reporting to help make

a positive difference in industrial operations in our area. MDE has been participating as a partner in the effort now underway to set up a hyper-local air monitoring program in and around the Cheverly area. ***As part of the State's effort, MDE will be implementing a targeted air pollution inspection initiative!*** This initiative will use the data from the Cheverly hyper-local air monitors, input from residents and area-wide, twice-weekly inspections of multiple emission sources in the area, all to ensure that emissions are well controlled. ***An intensive effort will take place in June and July.*** The effort will continue after July but be refined based upon the two-month intensive during the summer of 2021. Please share this with all your neighbors! This is a ground-breaking opportunity to address current ills and look at how to respond to harmful aspects of future

### **DC is seeking to bring 121 Buses just beyond Cheverly! The DC DDOT and DMV facility.**

Yes. This is all things alarming. The outreach process to our Town and surrounding municipalities and civic associations was abysmal. We immediately and successfully pushed back on the original timeline of this process and have been able to secure until September to examine the layered concerns with this development proposed for 1201 Claybrick Rd. (located off of Sheriff Rd., between Marbledwood and Cabin Branch Rd).

As best as we understand at this point, this is a mandatory referral project where DC is looking to bring in a DDOT and DMV facility, comprised of 121 buses and another 121 parking spaces for employees, etc. There also is a proposal for CDL exams, bus washing, and bus fueling at this site. ***The traffic congestion and traffic safety impact are significant. We have air quality health concerns and noise and environmental concerns, and our residents, staff, and Council deserve time to listen, learn, research, and respond to what DC is seeking.*** DC plans to purchase the property contingent upon the development approval.

Our Green Infrastructure Committee and Cheverly Planning Board are lending their time and effort to identifying and advising how we can best respond. We are also seeing how we can mobilize the AQM project (see above) in this effort. Again, we face a response that the proposed use is in keeping with the zoning. ***This development brings no taxes or other economic benefits to our area. We and surrounding communities are only left with long-term combined (cumulative) health, safety, and environmental ills.*** We are looking at how we might successfully mobilize area-wide opposition and at any conditions we can place on this operation that eliminate or mitigate some of the harmful impacts on our communities.

### **COVID-19 – Keeping on top of local data and updates – please always carry a mask!**

The Covid-19 data and updates are changing faster than I can support through the Mayor's corner. In most ways, the news for our area is good, bringing

fewer restrictions, greater safety, and more opportunities. I encourage you to always carry a mask with you and to please consider masking up a respectful action when you are indoors and when outdoors in sizable gatherings. The best local resource for understanding our infection, vaccination, and opening information is <https://www.princegeorgescountymd.gov/3397/Coronavirus>. We will continue to partner for vaccination opportunities for our community throughout the months ahead. Please get vaccinated. Please stay masked when out in public. Reach out if you need help accessing vaccines, need recovery assistance, are looking for ways to connect with neighbors or community organizations, or to simply say hello!

### **The Town FY22 Budget – heavy on infrastructure and ARP positive impact on the deficit.**

I am happy to share that Council voted to lower the Cheverly property tax rate from \$.51 per \$100 to 0.49 per \$100 of assessment. For most Cheverly homeowners, that will mean that you should not pay more in property taxes this year than you did the year before. The FY22 budget is heavy on infrastructure and reflects both cuts and increases to departmental budgets. The projected impact on our fund balance is significant at \$1,545,500. Yes, you read that correctly. Looking at the guidance for the use of the American Rescue Plan funds the Town is projected to receive, upwards of \$650,000 of the FY22 projected deficit can be covered under these funds. Please examine the budget and remain engaged. Our third reader and vote to adopt the budget will be in our Thursday, June 10 Town meeting.

### **Did you know you can join Town Meetings and Worksessions by phone?**

You should see an invite to our Town Meetings and Worksessions in each newsletter. If you do not have internet access, there will always be the opportunity to join by phone. You are welcome to ask questions and give comments.

### **Stay engaged and keep in touch.**

As always, and especially during this time, please reach out. I am almost always available by text or call at 202-258-6167, and you can email me at [mayor@cheverly-md.gov](mailto:mayor@cheverly-md.gov). I welcome your call and will do my best to address your concerns or get back to you with information. If you are ever in a situation where you do not hear back from me, please do reach out again or call the Town office, 301-773-8360, so that I can ensure that we connect. Thank you to those who join us at work sessions and meetings. I encourage your continued involvement by video and phone. It feels good to have community in the room, even if it is virtual. **Be Cheverly inspired.**

May 5, 2021

Dear Valued Customer,

As part of Pepco's ongoing commitment to continuously improve service reliability, we proactively evaluate the performance of our distribution feeders within our service territory, which includes Prince George's County. The purpose of this evaluation is to identify recurring issues or mitigate any potential outages that could impact the communities served by those feeders thereby reducing the response time for the outages and increasing the reliability of the overall system.

Pepco is in the process of beginning work in your community soon and the improvement plan we have developed in support of the feeder which serves the Town of Cheverly will consist of three components:

- Main Line Reconductoring and Pole Replacements
- Transformer Upgrades and Residential Service Wire Upgrades
- Vegetation Management

Beginning in June 2021, Pepco will replace aging wooden poles with new poles and replace older, 13 kV primary wire with new tree wire. Replacing aging poles and crossarms will help to mitigate any future, potential outages due to windstorms and other inclement weather-related outages; additionally, the replacement of the aging bare copper wire with new tree wire will improve the resilience of the feeder by protecting the primary conductor from faults associated with tree limbs, animal contact and increase the capacity of the feeder.

Our work will span approximately 3/4 of a mile and will take place along Parkway Street between the following locations:

- Arbor Street and Cheverly Circle
- Cheverly Circle and Parkway Place to Forest Road
- Alongside Forest Road from Cheverly Avenue to Hillside Avenue

This upgrade project is expected to take approximately three months (barring any weatherrelated impacts) to complete with most of the work will be in public spaces as well as Pepco's existing right-of-way. The safety of the community and public at large, as well as the environment, will remain our top priority. We will adhere to all regulations and guidelines set by the Prince George's County Department of Permitting, Inspections and Enforcement as well as the Town of Cheverly through the permitting process.

As part of our work, Pepco also will schedule outages that will start by the end of June and carry over into August. The project timeline indicates an approximate week of the month in which crews will be performing work. However, actual outages affecting individual customers will vary. The plan is to provide a tentative schedule to the Town Administration at least four-weeks prior to the planned outage, with preliminary outages two-weeks out and final outage notices at least 72 hours before an actual outage occurs.

We are committed to working as safely as possible, and we will make every effort to minimize inconveniences to you and your neighbors.

If you have any questions or concerns, please contact me at [aruffin@pepco.com](mailto:aruffin@pepco.com).

Thank you,

## VACATIONS & HOME SECURITY

Residents planning to be away for vacations should call the Cheverly Police **(301-341-1055)** to arrange to have their homes checked while they are gone.

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Valuables should be stored, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture inside.
- Lights inside the house should be set on a timer.
- Set telephone bells as low as possible.
- Shades and drapes should be drawn.
- Cars left in the driveway should be locked.
- Make sure smoke detectors are working.
- All windows and doors should be locked.
- Give your house key & itinerary to at least one friend or neighbor.

# **SOLID ANIMAL WASTE ORDINANCE**

**Sec. 4-10 (a)** It shall be unlawful for a person controlling an animal, except a seeing eye dog, to allow or permit solid waste of such animal to remain on the property of any other person

without the consent of the owner or occupant thereof; or on such public properties as are prohibited by order of the Mayor and Council of the Town of Cheverly. Prohibited areas are sidewalks, Gast Park, American Legion Park, Boyd Park, & play areas of all other parks.

## TRASH COLLECTION REMINDER

**Sec. 10-7** Except for household trash, which the town may collect from side or rear yards, all collectible trash shall be placed at the street side or curb, but shall not be placed there earlier than 7:00 p.m. on the day before it is scheduled to be collected. All containers or uncollected trash and waste must be removed from the

street side or curb by 7:00 p.m. of the day it was scheduled for collection. Upon request of a resident to the town administrator and for good cause shown, the town may collect recyclables from a side or rear yard of the property.

## GRASS, WEEDS AND OVERGROWTH

## Obstructions

1. Residents are reminded that with the nice weather more and more residents are out walking. Please keep the walkways and sidewalks clear of overgrowth and obstructions.
2. Keep vegetation from obstruction of the view near intersections.

## Lot Maintenance

1. Residents are reminded to make sure your grass is cut before it reaches 8 inches in height.
2. The planting strip between the sidewalk and the street is your responsibility to maintain.
3. If you are going on vacation, make sure to make arrangements to have your grass cut for you.
4. Be sure to take into consideration that the weather can be unpredictable, but the grass still needs to be cut.

# RESIDENTIAL BUSINESS LICENSE

**Residential Business License Program has been suspended for Fiscal Year 2021 (July1 2020- June 30, 2021). We anticipate re-launching the program for FY22. Watch this space for more information to come in the Spring of 2021.**

## **The Cicadas are Coming, The Cicadas are Coming: The Truth About the Brood X Periodical Cicada**

*Information from the Town Arborist Dr. Tolbert Feather*

The periodical cicada in this area, Brood X, will emerge this year and is one of many broods that reappear every 17 years. The periodical cicadas have black bodies and red eyes and emerge in mid-May (when ground temperatures reach  $>64^{\circ}\text{F}$ ) completing their life cycle by the end of June.

Although the adults do feed on woody plants, potential damage to trees and shrubs occurs when the female cicadas insert eggs into the tips of twigs. Sufficient damage can cause the loss of the tips of branches. On large trees, this loss is not noticeable. On smaller trees, it can significantly reduce the canopy, but even smaller trees do recover.

Residents can isolate young trees with screening in May (netting with 1-cm or 3/8-inch mesh) to prevent damage, but there are no treatments to manage the cicadas. Cicadas have little interest in annuals and perennials. Newly emerged cicadas may be seen resting or emerging on non-woody plants, but they will soon thereafter move up into the trees.

The distinctive “singing” or mating call is the first sign that the little wide-eyed creatures are active. Although their appearance may seem ominous, cicadas do not bite people or carry or transmit any diseases. They are a true wonder of nature and a great food source for birds and small mammals.

For more information regarding the Brood X Periodical Cicada and the other broods that appear in this region, please visit the following websites:

<http://insects.ummz.lsa.umich.edu/fauna/>

There is also an app, Cicada Safari, you can download to help document Brood X. Have fun with them; it's a great experience for kids.

### **DRAIN**

Remove standing water from around your home. It only takes a bottle cap's worth of standing water to cause a mosquito problem.

### **DRESS**

When practical, wear long pants and long sleeves. Loose-fitting, light-colored clothing is best.

### **DEFEND**

Use repellent! The EPA has registered repellents that have been reviewed and approved to pose minimal risk when used properly:

The Town of Cheverly will be continuing to participate in The Maryland Department of Agriculture Mosquito Program. The Maryland Department of Agriculture will be spraying the entire Town for Mosquitoes on Tuesday evenings starting May 26 and going through September 28. If you have any requests or concerns, please contact them at their Prince George's County number 301-422-5080 or contact Public Works at 301-773-2666 or [secretarypublic-works@cheverly-md.gov](mailto:secretarypublic-works@cheverly-md.gov) and we will relay your information to Mosquito Control.

##### **Online Reporting**

In response to the COVID-19 pandemic, the department implemented an online reporting system for some non-emergency calls for service. These calls include auto tampering, destruction of property/property damage, lost property, theft from autos, and certain other thefts that don't rise to the level of burglary. Residents are encouraged to utilize this system, in lieu of the non-emergency number, for incidents that meet the requirements.

**The online portal can be found here:** <https://www.cheverly-md.gov/police-department/webforms/cheverly-police-department-online-report-submittal>. Once completed, the reports can be obtained, by request, via [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org). A call from one of our officers to either gather further information, or to provide the respective case number. Completed reports can be obtained by request, via [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org).

##### **Report Requests**

All reports can be requested, via email, at [reports@cheverlypolice.org](mailto:reports@cheverlypolice.org). When submitting your request, please include as much information as possible that pertains to the report. In addition, for identification purposes, a photocopy of the requesting party's ID will need to accompany the request. In response to the State of Emergency, all fees associated with report requests have been waived.

**[Tips@cheverlypolice.org](mailto:Tips@cheverlypolice.org)**

Tips@cheverlypolice.org is an email address that residents can use to send non-emergency tips or information to the department. Our investigators are constantly working to investigate criminal cases in which our residents have been victimized. If you have, or believe you have, information, photographs, or video that could assist the department, and you don't want to call, please send us an email. If you see someone in immediate danger, or a crime being committed, dial 911.

**Cheverly's Mass Notification System is here!** CodeRED allows residents to receive emergency alerts via text, email, or phone call. Upon signing up for the service, users can create a Managed Account, which allows the user to create a username and password and control the following:

1. Types of alerts received:
  - a. Emergency Alerts (Mandatory)
  - b. General Alerts (Optional)
  - c. Weather Alerts (Optional, as provided by the National Weather Service)
2. Method alerts are received:
  - a. Via text message
  - b. Via email
  - c. Via phone call

Users can also perform a Quick signup however, doing so would require the user to call CodeRED's customer service line in order to make any changes to the account.

Users are required to have either a residential or business address, within the Cheverly limits, in order to sign up for an account. The system supports multiple addresses, phone numbers, and emails.

In order to start receiving alerts, residents can sign up using any of the following ways:

By going to the Police Department's website and clicking on **CodeRED™**

By going to <https://public.coderedweb.com/CNE/en-US/BF05350699FE>

By scanning the following QR code with your smart phone or tablet:

Anyone who would like assistance signing up for alerts can call the department at 301-341-1055, to schedule an appointment.

**It is important that the community know that I value feedback. If you have a concern, an idea, or just want to introduce yourself, please do not hesitate to reach out. If you have information that could help us improve the service we provide OR information about something we did great, please do not hesitate to contact me. ## THE CHEVERLY WOMEN'S CLUB

Est. October 1919

**"Let your unique awesomeness and positive energy inspire confidence in others." Anonymous**

Please join us to learn more about the Women's Club

Monday, June 14 - 7 p.m.

phone - 425-436-6320 / access - 796-406

We congratulate the six council members who were elected to serve the 2021 - 2023 council session. We plan to work with you to continue the evolution of our town to become an even more loving and inclusive place to live.

Thank you, Jhonny (a Cheverly resident) for sharing the Women's Club philosophy. " You see Cheverly...an election is just a small battle...there is so much more to life. Take care of each other, cherish each other, try not to talk ill of each other. You may never know when there comes a time to defend each other."

1. Must be a full time college freshman in the fall of 2021
2. Must have at least one volunteer service in the past 12 months

## 4TH WARD CIVIC ASSOCIATION

The Cheverly Ward 4 Civic Association meets at 7 PM every 3rd Monday of the month (through virtual

technology during the pandemic). We discuss civic issues affecting Cheverly and Ward 4 in particular. We encourage residents to participate in civic matters at all levels of government: town, county, state, and federal. We seek to improve communication among all Ward 4 residents and town officials.

Recent topics have included:

- Updates on construction in the business development next to Ward 4
- Policies related to the COVID-19 pandemic
- Collaboration with other town organizations on cleaning green spaces

How do I know if I live in Ward 4?

You may look up which ward you live in at <https://www.cheverly-md.gov/mayor-and-council/files/streets-ward/> (launches PDF).

Please contact the current W4CA secretary, Joe Dalaker, at [cheverly4thwardca@gmail.com](mailto:cheverly4thwardca@gmail.com) for further information.

- The market is open under the same COVID-19 protocols as last year –
- There will be single points of entry and exit with one-way customer foot traffic flowing through the market.
- We will be actively managing the number of customers in the market space and providing guides for where to stand at each vendor stall so that social distancing can take place.
- And, sadly, we will not be offering live music, free yoga, or cafe tables..

## **Market Dates**

June 5 & 19

## Cheverly American Legion Post 108

**Bicycle Raffle** - Post 108 is raffling a "Goose Island Chicago" single speed bicycle. This is a limited edition bike produced by Sole Bicycles for the Goose Island Brewery. Search for it online, very cool bicycle and extra cool points trying to climb Cheverly hills on a single speed! Purchase tickets in-person at the Dugout bar or one of our events. \$2 per raffle ticket. Raffle drawing will take place at the Dugout bar on July 3rd.

**Memorial Day Ceremony** - We wrapped up the Memorial Day weekend with our busiest weekend yet! Thank you to all the volunteers who made it possible and community members who came out to enjoy the events. We had the beer garden on Friday, memorial educational experience on Sunday, and Memorial Day Ceremony on Monday. Always keep an eye on Facebook for event announcements as well as our website for community events <https://cheverlyamericanlegion.com/events-calendar>

**Mission 22 Fundraiser** - Post 108 met its fundraising goal of donating to Mission 22 and we are thrilled to be able to provide over \$2500 to their organization and support their mission to reduce veteran suicides. Great work to the leadership of Unit 108 and Squadron 108 for leading on that fundraising effort.

**Cheverly Pride** - June 5th, 3-7pm. We are excited to be a part of Cheverly's Pride Parade and be able to recognize and appreciate all LGTB veterans who have served and are serving in our nation's military. The car parade begins at the community center and ends at Post 108. We will then have beverages available for purchase in the Dugout bar, a food truck and ice cream truck will be joining, and there will be music and activities at the picnic table area. The Cheverly Pride Parade will also mark the return of Pride Night at the Dugout. Pride Night will be the first Saturday of every month.

**Food Trucks and Fresh Air** - June 25th, 6-8:30pm. Beer garden style food, drinks and live music on the rear parking lot. Food and drinks available starting at 6pm and typically lasts till around 9pm. The 108 Music Series will present live at the food truck The Crayfish Sisters, performing Americana music. Check out their music online. The 108 Music Series should be returning in a few months with large full scale shows. Stay turned. Maybe we will even be able to bring live music in the Dugout bar too. So that would mean live

music right here in Cheverly nearly every weekend.

**Post 108 Flea Market** - The first flea market saw lots of vendors come out and everyone enjoyed the tasty doughnuts made by Para Hita. Go to our website to reserve a vendor spot for just \$20.

**Become a Member** - Current or former servicemembers with at least one day in the armed services and being honorably discharged or those still in the military are eligible to join. Family members of an eligible servicemember may join too.

Email [CheverlyAmericanLegion@gmail.com](mailto:CheverlyAmericanLegion@gmail.com) for more information.

The **Cheverly Garden Club** wants to thank all of those who bought plants, shrubs, and veggies at our annual plant sale. We hope to return next year to the Town Park pavilion. Money earned from the plant sale will be spent on our Life-Long Learning grant and other benefits to the community. The cicadas are probably peaking now. Don't worry, they are harmless (they don't bite and don't sting), other than making a loud racket. They will be gone soon enough and return in another 17 years. At our June 21<sup>st</sup> meeting we will be working on our annual service project – Flowers for Shut-Ins. Garden Club members make small flower arrangements and drop them off to town residents who are under-the-weather and may need a little lift. The Garden Club contacts local pastors for names of shut-ins, but you can send a name, phone number, and address to [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net). Meeting information will be sent out to club members a week before the June 21<sup>st</sup> meeting.

The Cheverly Garden Club's Life-Long Learning Grant is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For further information, please email Kay Holloway at [kay\\_holloway@hotmail.com](mailto:kay_holloway@hotmail.com).

Stay healthy and stay hydrated!

## **CHEVERLY VILLAGE**

### **Enjoy Spring!**

Following our County and State guidance, Cheverly Village is starting to hold outdoor activities without requiring masks. We are happy that all Village members are vaccinated and that as of mid-May most, or all, Village volunteers also have had their shots. We urge all Cheverly neighbors to get vaccinated as soon as possible and to spread the word: children as young as 12 can now also get their COVID shots!

To kick off a delightful month of activities, Cheverly Village is happy to participate in Cheverly Pride 2021 on June 5. Join us! We'll meet at the Community Center at 3:00 pm for a welcome and flag-raising; then parade by car and bike down to Legion Park and from there to the American Legion. The event will include an award for the best car decoration, along with music, food truck, ice cream, drinks, kid-friendly games, and more.

Cheverly Village excursions in June will include a tour of Kenilworth Aquatic Park and Gardens, walks through our Cheverly parks, and probably a pontoon ride on the Anacostia River similar to the one we've held in May. Check Cheverly Village's website—[cheverlyvillage.org](http://cheverlyvillage.org), "Events List"—to find other outings and events.

Note: Always carry a mask with you. That will help you keep yourself and others safe if it becomes necessary to go inside or to come into close contact with other people. To keep up with the latest updates on this fast-moving public health situation, check our County website:

<https://www.princegeorgescountymd.gov/3397/Coronavirus>

The Village will continue to offer a wide array of online activities, which are open to all. These include a presentation about Modern and Contemporary Women Artists by Hirshhorn Museum docent Raluca Iarosis on June 16 and the Summer session of the 8-week Memoir Writing workshop led by Cathy Smith, which starts on June 14.

To find out how to be a member, a volunteer, or a supporter of Cheverly Village, reach us at [www.cheverlyvillage.org](http://www.cheverlyvillage.org), 240-770-1033, or [village@cheverlyvillage.org](mailto:village@cheverlyvillage.org).

## **CHEVERLY GREEN** **INFRASTRUCTURE COMMITTEE**

**June Monthly Meeting**  
**Dates: Monday, June 7, 2021**

7:30-9:30 p.m., Large Conference Room, Cheverly Community Center, 6401 Forest Road, Cheverly  
Or virtually via Zoom, watch for announcements on the Cheverly town website

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact sheila.salo@gmail.com for a copy of the meeting agenda.

### **Spring Brings Out the Volunteers**

We are still celebrating Spring and the flowering of the many volunteer activities that are helping to implement the Cheverly Green Infrastructure Plan.

The Friends of Kilmer Street Park are helping to increase Cheverly's tree cover for stormwater management, and planning for native plants and a food forest, along with passive recreation and free play. The Friends have been planting new trees and

updating the tree inventory. This inventory will form part of the park's application for recognition as an arboretum. When you visit, look for the tree tags. The Friends are also planning Moth Night, a chance to learn about our fly-by-night friends. Be sure to watch for details on the Friends of Kilmer Park Facebook group which now has over 125 members.

Town Park's new rain garden has been planted. You now can see how a rain garden works to slow down and absorb stormwater. You may want to try a rain garden in your own yard!

The Cheverly Native Plant Project is continuing to plant native plants in public spaces through an innovative program supporting native plantings with investment in solar energy.

The Air Quality Monitoring Project is bringing together the town, volunteer monitor hosts, and a Citizens' Advisory Board to learn more about air pollution problems we face.

Naturally, Friends of Lower Beaverdam Creek continues its efforts in keeping up the popular trail it created in Woodworth Park and replacing invasive plants with natives.

Remember, there's a place for you in these amazing activities!
