## MAYOR'S CORNER

### **Redevelopment of Hospital Hill is happening—your participation is critical!**

I want to make sure that you are "in the room where it happens" and bringing ALL your neighbors! The University of Maryland Prince George's Hospital Center is scheduled to relocate this spring. The County is prioritizing the redevelopment of this property into a premier housing/hotel/retail site. People are often surprised to learn that the properties that make up the hospital complex are not actually within the Town of Cheverly! Yet, this is the most-critical development matter to come before Cheverly in decades. With the development so close and prominent in our community, I believe that our town needs to annex the hospital hill site and work alongside the Redevelopment Authority (RDA) and any future developer from day one of the process to create something truly wonderful. The RDA and County Councilmember Ivey offered a broad community update on February 11 (see links below to review the presentation). I am committed to making sure that Cheverly residents are informed and have a voice and that the Town of Cheverly is a full partner in this process. I look forward to sharing the extraordinary opportunity that Cheverly offers with prospective developers and extending an invitation that we directly partner in the development process.

### **Special Meeting on Hospital Hill—mark your calendar for Thursday, March 4 at 6:30PM.**

I have requested and appreciate the RDA's support in bringing the development of hospital hill directly to you, Cheverly residents. I am calling a Special Meeting for Cheverly residents to directly review and engage this development process for Thursday, March

4, beginning at 6:30 PM. We will walk through a presentation from the RDA during this meeting, and I will encourage you to share your ideas, questions, and concerns. I urge you to please be open to the development of this site as an expansion of Cheverly.

I believe that our community wants this development to be a full part of our town. If we are recognized as full partners in this process, there is every possibility to support the greater density necessary for drawing in the amenities many residents have been seeking for years, address the concerns of the most directly affected neighbors, and preserve, protect and, restore our green infrastructure that supports our health, wellness, and desirability of our

community. I promise residents most directly affected by this development that I have requested additional meetings specific to your concerns. Please reach out to me at [mayor@cheverly-md.gov](mailto:mayor@cheverly-md.gov) or 202-258-6167 and to your councilmembers. I look forward to hearing from you.

**Navigating the COVID-19 vaccination process.**

Please review the COVID-19 information below, drawn straight from the County site and our County Executive. As I shared last month, our Maryland and Prince George's County vaccine rollout continues to evolve. I would encourage you to follow this link for the most up-to-date information, including progress through distribution phases. If you are frustrated or stuck in the process, please reach out to me directly, and I will do my best to connect you with an answer or additional assistance. <https://www.princegeorgescountymd.gov/3730/COVID-19-Vaccination>

**Are you unable to leave your home to get your COVID-19 vaccine? Please call or email.**

If you cannot leave your home to get your COVID-19 vaccine or know of a Cheverly neighbor in that situation, please contact me by phone, 202-258-6167 or email [mayor@Cheverly-md.gov](mailto:mayor@Cheverly-md.gov) (subject: In Home Vaccine). I have been reaching out to seek support in bringing vaccines directly to homebound residents (regardless of age) and having information on the extent of the need is a critical step.

**Interested in a future mobile vaccine clinic?**

Since the very beginning of the COVID-19 Vaccine rollout, I have made sure to share that our community is ready and willing to support a mobile or drive-

through vaccination clinic here in Cheverly. Please look for information to follow. If you would like a direct notification, simply email or call me, and I will specifically reach out once we have a date and time.

**Don't have email or internet access? You can now call 3-1-1 and enter #, and a person will help you pre-register for your COVID-19 vaccine—please do this today!**

**The County vaccination process has been streamlined. Have you pre-registered?**

Pre-registration indeed requires less than two minutes to complete and requires no insurance or identification at this step. You will be contacted once you are eligible and vaccine is available. You will no longer have to struggle with URLs or broken links. Once you are contacted, you will receive BOTH your initial COVID-19 AND your second dose appointment! The day and time will be assigned to support maximizing scheduling.

**Sharing how to access other vaccination sites—directly from the County Executive.**

There are a number of vaccination sites available in Prince George's County that are not operated by the County. Each site not operated by the County has its own vaccine appointment scheduling process to distribute vaccines received directly from the State. While this is not ideal, we encourage you to sign up at these other sites to increase your options to receive a COVID-19 vaccine appointment. Please remember that we do not manage nor control appointments, or distribution for any sites besides those operated by our County Health Department.

**Say it with me... Mask up, keep distanced, stay connected! Please reach out for help.**

COVID-19 has taken so much from so many in our community. If you or someone you know is in need please do not stay silent! Reach out, and I will do my best to connect you with available resources and supports here in Cheverly and beyond. There is no shame in reaching out for support to make it through this pandemic. This is what community continues to do for each other here in Cheverly.

**Please Vote or Run—Cheverly Elections for Town Council on Monday, May 3, 2021**

Please save the date of Monday, May 3, 2021, and support the electoral process! *You can vote in Cheverly as long as you can demonstrate that you are 18 years of age and have lived in town for at least 30 days. This applies to those who are not US citizens, military families on assignment, and other individuals who meet the above requirements. Also, residents can both register and vote on election day.* Please see election and voting information details inside this month's newsletter.

The March 19 deadline to file as a candidate in the Cheverly 2021 election is quickly approaching! Have you ever considered running for office? Cheverly elected office is nonpartisan and can be an excellent way to serve your community. This year, all six council member seats are up for election. The Cheverly Mayoral election is in 2022. The Town

Council's primary function is to set the Town staff's policy and direction and provide an oversight function. Our Cheverly Town staff carries out the management and administrative functions of the town. Councilmembers are required to regularly attend two meetings a month, on the second and fourth Thursday evenings. Other meetings may be called as needed. Most Councilmembers make themselves accessible for constituent services. They may also support projects that require an additional investment of time, including serving as a liaison to our Green Infrastructure Committee or Planning Board. Each Councilmember is paid \$2,400 annually and receives \$50 each quarter to cover incidental expenses. There are no other benefits other than the joy of serving your community. I served as a Cheverly Councilmember for nine years before becoming Mayor, and I can confidently tell you that serving and representing Ward One brought me great joy.

**Stay engaged and keep in touch.**

As always, and especially during this time, please reach out. I am almost always available by text or call at 202-258-6167, and you can email me at [mayor@cheverly-md.gov](mailto:mayor@cheverly-md.gov). I welcome your call and will do my best to address your concerns or get back to you with information. If you are ever in a situation where you do not hear back from me, please do reach out again or call the Town office, 301-773-8360, so that I can ensure that we connect. Thank you to those who join us at work sessions and meetings. I encourage your continued involvement by video and phone. It feels good to have community in the room, even if it is virtual. **Be Cheverly inspired**

**In an effort to keep our Town connected during this pandemic we are including upcoming events in this Newsletter. Please note we may need to cancel these events due to ongoing changes and updates with COVID-19.**

Write-in petitions must be received at Town Hall by no later than Friday April 30, to be considered as an official write-in candidate.

### *Registration of Voters*

If you are registered to vote in Prince George's County and/or the State of Maryland, you are registered to vote in the Town of Cheverly. If you are not registered with the County or the State, you may still be eligible to vote in Town elections, based on the recent adoption of the "Non-Citizen Voting" amendment to the Town Charter. Any resident of the Town of Cheverly may register with the Town provided they meet the basic requirements for voting: a minimum of 18 years of age, have resided in the Town for no less than 30 days prior to Election Day, and have not been convicted of a crime, as defined in the Maryland Code. Those individuals interested in being enrolled in the Cheverly Voter Registry may contact the Board of Election Supervisors at [chvboes@gmail.com](mailto:chvboes@gmail.com). The deadline for registering to vote is Saturday April 3, 2021. However, the Town of Cheverly will allow for same day registration of voters and same day voting, provided the individual meets the requirements noted above.

### *Election Day Volunteers*

In order to assist with conducting the election for Town Council, the Board of Election Supervisors is seeking volunteers to help on Election Day. Tasks will include assisting with crowd flow, sanitizing election stations, and other tasks as assigned by the Board of Election Supervisors. Lunch and dinner will be provided. If you are interested in volunteering with the Town Election, please contact John LeGloahec at [legloaj@gmail.com](mailto:legloaj@gmail.com) or by emailing the Board at [chvboes@gmail.com](mailto:chvboes@gmail.com).

### **Election Day**

On Election Day, voting will take place in the gym at Town Hall. At this time, there are capacity restrictions on individuals indoors and if the limited numbers are still in place, changes will be made to ensure the safety of voters, judges, and supervisors. The Board of Election Supervisors has proposed a unidirectional flow for voting in the gym. Voters will enter through the double doors in the lobby, proceed to their respective Ward table for check-in, receive their ballots, proceed to one of the election voting stations, drop their ballots in the ballot box and exit the gym via the rear doors to the left of the stage.

All COVID protocols will be in place, including all individuals will be required to wear masks or face coverings, maintaining social distancing – no congregating in the lobby or the gym will be allowed, and doors will be left open in the gym to allow for adequate ventilation. Pens, voting stations, and judges tables will be sanitized on a regular basis for safety. There will appropriate spacing throughout the gymnasium.

Once the polls close on Election Day, the canvassing of ballots will begin. Under normal circumstances the canvassing is open to the public, however due to capacity limits, only elected officials, candidates for office and one designee will be permitted in the gym to watch the counting in person. The Board of Election Supervisors is preparing to broadcast the canvassing via Zoom and/or through the Town of Cheverly Channel (Verizon channel 35). Additional details will be provided closer to Election Day.

If anyone has any questions, please feel free to reach out to the Board, our email address is [chvboes@gmail.com](mailto:chvboes@gmail.com).

*All forms can be accessed via the Online File Center at <https://www.cheverly-md.gov/files/>.*

### **Absentee Voting in Cheverly Elections**

Absentee voting will be available to all Cheverly reg-

istered voters, who do not wish to vote in person on Election Day, scheduled for Monday May 3, 2021. Any registered voter who wishes to vote by absentee ballot may do so by downloading the absentee ballot application, available on the Town website. Please note that no reason is required for requesting an absentee ballot. Completed applications may be mailed to or dropped off at Town Hall. There will be a blue mailbox mounted outside of Town Hall for the return of Absentee Ballot Applications. Once the ballots have been finalized, ballots will be mailed to those individuals who requested an absentee ballot. Ballots will also be available for pickup at Town Hall on Tuesdays or Wednesdays between the hours of 10:00 am and 3:00 pm.

Additional instructions will be provided to individuals requesting absentee ballots on how to properly complete the ballot and return it to Town Hall. Completed absentee ballots may be returned to Town Hall via USPS, however, the Board of Election Supervisors is aware of problems with mail delivery and recommends that ballots be returned in person to a ballot box, which will be installed in front of Town Hall. If individuals choose to return their ballots by mail, ballots must be received by the close of polls on Election Day. Ballots received after the polls close will not be counted. If a Cheverly resident requests and absentee ballot, they will not be allowed to vote in person on Election Day. Records will be maintained of those Cheverly residents requesting absentee ballots. The register of absentee voters will be available for review upon request of any registered voter.

If anyone has any questions, please feel free to reach out to the Board, our email address is [chvboes@gmail.com](mailto:chvboes@gmail.com).

### **What will voting look like in 2021?**

The Cheverly Board of Election Supervisors is informing all citizens of Cheverly that the Town will hold an election on Monday, May 3, 2021. This election will be for the entire Town Council – the Mayoral election will take place in 2022.

We have in-person voting in Town Hall from 7:00 am – 8:00 pm on Monday, May 3. All COVID-19 protocols will be in place, including masks, social distancing, and spacing throughout the gymnasium. The Board is planning to allow for any registered voter in Cheverly to request a ballot, if they choose not to vote in person, without providing a reason for an absentee ballot. The Town is also seeking to acquire a ballot box that will be installed in front of Town Hall – and any voter may drop their ballot in the box instead of sending the ballot back via the US Mail.

## **Announcing the Cheverly Voter Registry**

Recently, the Town of Cheverly enacted a Charter amendment allowing for “Non-Citizen” voting in Town of Cheverly elections. This amendment allows for any resident of Cheverly who meets the basic qualifications for voting: the individual shall have resided in the corporate limits of the Town of Cheverly for at least thirty (30) days prior to the day of any general or special election; shall be eighteen (18) years old on or before the day of any general or special election; and shall not have been convicted of a disqualifying crime or be under the guardianship for mental disability. In addition, the Town of Cheverly anticipates allowing voters who are registered to vote

in another location to vote in Cheverly local elections, the primary example being military families who are stationed in the area and are living in Cheverly.

The Board hopes to hold several registration sessions during the month of March and April to allow for any resident who would like to vote in the upcoming elections to register for the Cheverly Voter Registry. In addition, the Board has reached out to several nearby municipalities that have implemented similar ordinances to find out the best ways to implement this new policy.

If anyone has any questions, please feel free to reach out to the Board, our email address is [chvboes@gmail.com](mailto:chvboes@gmail.com).

Please take care of yourselves and wear your mask.

## CHEVERLY DAY

### **Watch This Space Cheverly Day 2021**

Cheverly Day will not be held in May -- but fear not -- The Cheverly Day Team hasn't given up.

The new Cheverly Day date is October 2nd. And, a virtual Cicada Crunch will be held throughout June. Watch this space and social media for more details.

Remember, it's the 90th Anniversary, we hope you are planning your parade entries and now you have five more months to make them spectacular.

The **Cheverly Garden Club** will be having a Zoom meeting on Monday, March 15<sup>th</sup> at 7:00 pm. Details will be sent to Garden Club members. If you wish to join the meeting, e-mail your name and street address to [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net) by March 12<sup>th</sup>. This will be a social meeting with no guest speaker. Now is the time to plan your vegetable garden along with native perennials and showy annuals to attract butterflies and other pollinators. When the middle of March rolls around, it's time to plant seeds for carrots, beets, kohlrabi, lettuce, and radishes.

The Cheverly Garden Club's Life-Long Learning Grant is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For further information, please email Kay Holloway at [kay\\_holloway@hotmail.com](mailto:kay_holloway@hotmail.com).

*Stay healthy and stay hydrated!*

## **Cheverly American Legion Post 108**

**Mission 22 Fundraiser** - The Cheverly American Legion family will conduct a fundraising drive for Mission 22, an organization that helps prevent veterans' suicide. It is estimated that 22 veterans die each day from suicide. Through veteran treatment programs, memorials and community social impact, this organization is working to change that. The Cheverly Auxiliary Unit 108 will match up to \$1,000 in donations received and the Sons of the Legion will match up to another \$250. The fundraising will begin on April 1, 2021 and will run through Memorial Day.

**Girls & Boys State** - Auxiliary Unit 108 is sponsoring up to four high school Juniors (next year Seniors) to attend Boys and Girls State this summer. Both summer programs are possibly going to be held virtually. It is a great opportunity to learn more about government processes and add to a future college application packet. Reach out to Cheverly American Legion if you are interested.

**Memorial Hill Display Brick Sale** - Bricks are now available for purchase and will be a permanent part of the memorial display to honor and recognize the service and sacrifice of our nation's veterans. The terrace patio memorial display along with WWII cannon will include personalized bricks intended to memorialize a service member or to show support of veterans. Please consider purchasing a brick to represent a family member who served their country or to express your support. Your donations will directly support the civic programs of Cheverly American Legion Post 108 and our efforts to support local veterans within the community we serve. You can place your order at [thatsmybrick.com/cheverlyamericanlegion/](https://thatsmybrick.com/cheverlyamericanlegion/)

**Virtual Comedy Show** - Post 108 is partnering with veteran non-profit Armed Services Arts Project ([asapasap.org](https://asapasap.org)) to bring a virtual comedy show to Cheverly. Depending on pandemic guidelines we may have some limited in-person seating available but the show will still be streamed virtually. Look to our website or social media for updates and event announcement.

**Become a Member** - Current or former servicemembers with at least one day in the armed services and still in the military or being honorably discharged are eligible to join. Family members of an eligible servicemember may join too. Email [CheverlyAmericanLegion@gmail.com](mailto:CheverlyAmericanLegion@gmail.com) for more information.

## **CHEVERLY VILLAGE**

### **Did You Know?**

Cheverly Village members are a spunky lot!

For example, one runs a therapeutic horseback riding program while also organizing Village events. One—at age 99—still heads the Guild Auxiliary at Prince George's Hospital Center. One volunteers regularly for the National Alliance on Mental Illness; and another chairs the committee responsible for maintaining his church's 157-year-old building on Capitol Hill.

Two members have leapt from airplanes (with parachutes) in the past couple years; and three members have helped create the Town's new organization, *Cheverly Community Forum on Accountability and Action*. Ten of Cheverly Village's 45 members are employed full- or part-time, in fields ranging from scientific research and college-level teaching to museum curating, court interpretation, and being a chef who owns his own restaurant. One quarter of the members are also Cheverly Village volunteers, two of these serving as Coordinators who match volunteers with member requests.

The fact that many Village members are contributing so much to the community shouldn't be surprising; Cheverly Village was founded to make it possible for seniors to continue to contribute actively to Cheverly, with a bit of help when needed.

And that's where Cheverly Village *volunteers* come in—also a lively lot! Over 60 percent of Village volunteers are also employed full- or part-time or are full-time students. We'll say more about them in a future piece.

*To find out how to be a spunky member, a lively volunteer, or a generous supporter of Cheverly Village, reach us at [www.cheverlyvillage.org](http://www.cheverlyvillage.org), 240-770-1033, or [village@cheverlyvillage.org](mailto:village@cheverlyvillage.org).*

## **4TH WARD CIVIC ASSOCIATION**

The Cheverly Ward 4 Civic Association meets at 7 PM every 3rd Monday of the month (through virtual technology during the pandemic). We discuss civic

issues affecting Cheverly and Ward 4. We encourage residents to participate in civic matters at all levels of government: town, county, state, and federal. We seek to improve communication among all Ward 4 residents and town officials.

Our engagement with town officials helped to bring about positive results regarding:

- Safer fencing for Boyd Park
- Measures to deter illegal trash dumping
- Cutting back of overgrown vegetation and improved visibility on sidewalks near metro station

How do I know if I live in Ward 4?

You may look up which ward you live in at <https://www.cheverly-md.gov/mayor-and-council/files/streets-ward/> (launches PDF).

Please contact the current W4CA secretary, Joe Dalaker, at [cheverly4thwardca@gmail.com](mailto:cheverly4thwardca@gmail.com) for further information.

### **GREEN @ HOME -- SPRING EPHEMERALS**

What are spring ephemerals? A spring ephemeral is a plant that flowers in early Spring, while the forest floor is still sunlit before the tree leaves shade it. These beautiful wildflowers make a showy appearance in Spring and then become inconspicuous or dormant the rest of the year. It's a stunning display, and a surefire way to show that Spring has arrived. These native plants are threatened by invasive Lesser Celandine, which leaves no room nor nutrition for the delicate ephemerals.

Here in Cheverly March and April bring spring ephemerals to our natural areas and yards whose owners have planted these flowers. Look for Spring Beauty, Toothwort, and Trout Lily, the latter two especially in the Boyd Park woods. May Apple, Cheverly's town flower, covers a hillside and follows the trail in Woodworth Park. To find Bloodroot, Dutchman's Breeches, and Virginia Bluebells in public areas, you will have to venture out of Cheverly, but only as far as Watkins Regional Park.

Early spring bloomers among the woody plants are Spicebush, Carolina Allspice, and Pinxter Azalea, which you can find in Woodworth Park or Euclid Woods.

So boot up, mask up, and explore Cheverly's natural areas!

# WHY DO I NEED TO GET A VACCINE?

## PREVENTS SERIOUS ILLNESS

Scientists have developed COVID-19 vaccines that are up to 95% effective in preventing infection and/or serious illness from the virus. Vaccines help our body's immune system do its job better and faster. Your immune system is your body's system for fighting infection.

## WORKS WITH YOUR IMMUNE SYSTEM

Vaccines help cells in your immune system recognize the virus. Our cells use that information to make antibodies, which are the weapons needed to fight the virus and help protect you if you are exposed to the virus in the future.

## PROTECTS THOSE AROUND YOU

Getting vaccinated yourself will also protect people around you, particularly people at increased risk for severe illness from COVID-19. When enough people are vaccinated against a virus, the germ that makes you sick, the virus can't travel as easily from person to person. Then all individuals in the community are less likely to become infected with the virus.

## USE YOUR TOOLS

Stopping this pandemic requires using all the tools available.

- Wear a mask
- Wash your hands often
- Stay at least 6 feet away from others and limit gatherings to people you live with
- Get vaccinated
