#### VOTE!

I am super proud of town staff for a number of reasons. One reason in particular is that they have been able to get the newsletter in your hands on time and sometimes before the new month starts! That is why I hope you get this in time for the May 2022 election, but if not, please consider it for the next town election.

For many people, voting is a civic duty. Many people show up to polls knowing exactly who they want to vote for and leave with a sense of pride. Many others view voting as a burden, a hassle, or even useless. There are a lot of reasons why people do not vote, but it is so important to ensure everyone's voices are heard on election day.

There are a few things to consider when voting:

1. Never assume that your candidate will be elected if they are unopposed. Anything can happen! The only way you can make sure your intentions are clearly stated is to make sure you vote.
2. It has never been easier to register to vote! Our Board of Elections has done a phenomenal job at getting rid of red tape. You can register to vote on election day as long as you bring proof of residency (bill, lease, or some other government document that shows you live in town) and identification.

3. Voting for a candidate is not an endorsement, it is a preference. You are never going to agree with any candidate on every issue, but you want to pick the candidate that is aware of issues and cares about the things that concern you. When you choose not to vote, you are letting others decide who makes the decisions around you.
4. The most important reason to vote for me is knowing that so many people fought for the right for me to cast my vote. Whether evidenced by the Women's Suffrage Movement, the 24<sup>th</sup> Amendment, or the many changes we are seeing to voting laws around the country, other people have bled and died for my right to vote. I have to take that right seriously.

So, I know-life is complicated and going to vote is just one extra thing to add to your plate. Just remember, voting is one of the few chances you have to directly impact your community.

### MENTAL HEALTH AWARENESS MONTH!

May is a time to raise awareness of those living with mental or behavioral health issues and to help reduce the stigma of mental illness. So many people suffer in silence with illnesses the naked eye cannot see. Our community has not been immune to being rocked by suicide and other negative experiences that can occur because of inadequate mental health care.

Most people who are undiagnosed may be afraid to say anything or seek the necessary help that is available. Many of you may recall that I had a speaker series about mental illness last year. I invited local service providers and clergy to talk to the community about resources and ways to cope. I will be doing the same again this year. Why? One of the most essential things we can do to reduce the stigma around mental health is to talk about it. Some of you may remember me

sharing the following on the Cheverly Exchange when Prince George's lost a magnificent mayor to suicide. It definitely bears repeating:

1. **Take care of yourself. You cannot pour into anyone if you are an empty cup.**
2. **Seek professional help. One of my favorite sayings is that I have never seen anyone pull themselves out of quicksand.**
3. **Find someone, anyone you can trust, to share your feelings with. That person could be a complete stranger: The National Suicide Prevention Lifeline is available 24 hours at 800-273-8255.**
4. **Live. Life is so short, live on purpose and find something to enjoy about each day because tomorrow is not promised.**

### I SPY-A NEW TOWN SEAL!

Cheverly!!! We have a town seal!!!! On March 10, 2022, Council voted for the final seal design which was the most selected option. After a year of collaborating with consultants and providing feedback, we finally have a town seal. I am so proud of this effort and thank each and everyone of you for your participation. This was the most engaged survey process we have ever had. You may just be seeing the press release and the official design as we had to wait to get the final image and guidebook from the designers. Thank you to everyone who made this possible!

### MAYOR'S MENTION

Did you see all of the Earth Day activities we had last month? That was a tremendous lift of both our staff and community. This mention is for all the volunteers that came out to help us clean up Cheverly. You rock!

# COUNCILMEMBERS UPDATE

## WARD 1: COUNCILMEMBER MARVELY NETTLES

The Alzheimer's Association is returning to present the 2nd topic of the series:

### ***DEMENTIA CONVERSATIONS***

*This program provides tips for breaking the ice with your family so you can address some of the most common issues that are difficult to discuss: going to the doctor for a diagnosis or medical treatment, deciding when to stop driving, and making legal and financial plans for future care. To register, call 800.272.3900. Or sign-up at the link on the Cheverly website.*

Thank you to everyone who participated in a very fun and successful Plant Swap! Because of you and neighbors, we were able to raise nearly \$500 for Operation Comfort Warriors! Special thanks to Cheverly Garden Club, Cheverly Women's Club, and the Cheverly Auxiliary! We appreciated our table vendors: Cheverly Native Planting Project, Mozart Gardens, Beyond Grass, Arteasy, PG Master Gardeners, and the Franchot/Anderson-Walker Campaign. Thanks to American Force Coffee for serving coffee and pastries.

## WARD 4: COUNCILMEMBER JOSEPH DALAKER

Greetings neighbors! My website, **DalakerPublicAffairs.com**, provides additional context around issues before the town, reminders and debriefs of town events, and links to various resources on other websites. At the bottom of the homepage you can sign up to receive my updates by e-mail (DalakerPublicAffairs.com/#contact). The QR code shown here takes you to that page as well. Hope you find it helpful in staying up to speed!

## WARD 6 : COUNCILMEMBER AMY FRY

Cheverly neighbors, I encourage you to use this link <https://linktr.ee/FryWard6> or the QR Code to find ways to receive regular updates from me. I have a variety of ways I can be reached or deliver updates and want to ensure that I am accessible and communicative. Thank you!

## **SOLID ANIMAL WASTE ORDINANCE**

**Sec. 4-10 (a)** It shall be unlawful for a person controlling an animal, except a seeing eye dog, to allow or permit solid waste of such animal to remain on the property of any other person without the consent of the owner or occupant thereof; or on such public properties as are prohibited by order of the Mayor and Council of the Town of Cheverly. Prohibited areas are sidewalks, Gast Park, American Legion Park, Boyd Park, & play areas of all other parks.

## **VACATIONS & HOME SECURITY**

Residents planning to be away for vacations should visit <https://www.cheverly-md.gov/cheverly-police-department/webforms/house-check-request> to arrange to have their homes checked while they are gone.

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Store valuables, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture

inside.

- Set lights inside the house on a timer.
- Set telephone bells as low as possible.
- Draw shades and drapes.
- Lock cars left in the driveway.
- Make sure smoke detectors are working.
- Lock all windows and doors.
- Give your house key & itinerary to at least one friend or neighbor.

## **GRASS, WEEDS AND OVERGROWTH**

Obstructions:

1. Residents are reminded that with the nice weather more and more residents are out walking. Please keep the walkways and sidewalks clear of overgrowth, obstructions and hanging limbs.
2. If the tree obstructing the sidewalk or roadway is in the planting box, please contact the Department of Public Works.
3. Keep vegetation from obstructing the view near intersections.

Lot Maintenance:

1. Residents are reminded to make sure your grass is cut before it reaches 8 inches in height.
2. Also, the planting strip between the sidewalk and the street is your responsibility to maintain
3. If you are going on vacation, make sure you make arrangements to have your grass cut for you.
4. Be sure to take into consideration that the weather can be unpredictable, but the grass still needs to be cut.

## **TOWN OF CHEVERLY ORDINANCE No.: 2022-1**

**An Ordinance whereby the Mayor and Council of the Town of Cheverly amend Chapter 8-9(f)(3) of the Town Code for the purpose of creating right of special exceptions for corner lot properties.**

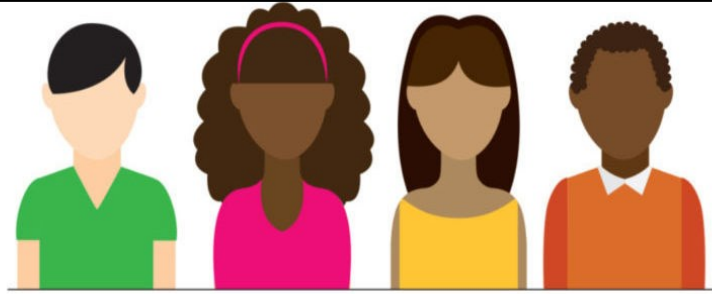

## **TOWN OF CHEVERLY ORDINANCE No.: 2022-02**

**Of the mayor and council of the town of Cheverly amending chapter 24 "streets, sidewalks and other public works projects" of the town code, by repealing and re-enacting § 24-16.1(c) and (d), to require a meeting between residents and the traffic engineer after a petition to install speed humps is validated and requiring the traffic engineer to submit its recommendations to the mayor and council for consideration; and eliminating the requirement that a technical study be performed with each petition to install speed humps.**

# THE TOWN: NEWS & ANNOUNCEMENTS

FY23

## TOWN OF CHEVERLY NOTICE OF A PROPOSED REAL PROPERTY TAX INCREASE

The Mayor and Council of the Town of Cheverly proposes to increase real property taxes for real property excluding apartments.

1. For the tax year beginning July 1, 2022, the estimated real property assessable base will increase by 3.9% from \$744,613,456 to \$773,623,491 for real property excluding apartments.
2. If the Town of Cheverly maintains the current tax rate of \$.4899 per \$100 of assessment, real property tax revenues will increase by 3.9% resulting in \$142,120 of new real property tax revenues.
3. In order to fully offset the effect of increasing assessments, the real property tax rate should be reduced to \$.4715, the constant yield tax rate.
4. The Town is considering not reducing its real property tax rate enough to fully offset increasing assessments. The Town proposes to adopt a real property tax rate of \$.4899 per \$100 of assessment for real property excluding apartments. This tax rate is 3.9% higher than the constant yield tax rate and will generate \$142,120 in additional property tax revenues.

A public hearing on the proposed real property tax rate increase will be held at 7:00 p.m., on May 10, 2022, at the Town Hall 6401 Forest Road, Cheverly Maryland and remotely via video teleconference. To join the Zoom video conference:

Department (CPD) continues to rely on the cooperation of community members to provide information on “***Safe Community***” matters of mutual concern and to work to devise solutions to traffic safety and crime. Ensuring the safety of pedestrians, cyclists, and motorists and maintaining the safe and orderly flow of traffic in and around Cheverly remains one of the primary missions of CPD. As promised, this month’s Chief’s Message will focus on pedestrian safety, in our community:

#### ***Walking Safety Tips:***

- Look both ways before stepping off a curb.
- Cross a street in a designated crosswalk.
- If there’s no sidewalk, always walk facing oncoming traffic.
- If walking at night, wear light-colored clothing or reflective tape so you’re more visible to other travelers.
- Be aware that drivers may be blinded by sunlight or by the headlights of oncoming traffic. Never assume that a driver sees you!!
- When walking with children, always grasp their hands firmly to ensure they don’t break away and dart into traffic.
- If you’re not sure you have enough time to get across the street before the light changes, wait for a ‘fresh’ green light or walk signal, as it will give you the most time to cross.
- Developmentally, most kids can’t judge speeds and distances until at least age 10, so younger kids need to cross with an adult.
- Did you know most walking injuries happen mid-block or someplace other than intersections? Whenever possible; specifically, those crossing State route 202, Columbia Park Road and Cheverly Avenue, cross the streets at corners, using traffic signals and crosswalks.
- When crossing any street always look left, right, and left again before crossing the street, and keep looking and listening while crossing.
- It’s always best to walk, jog on sidewalks or paths, but if there are no walkable sidewalks, walk facing traffic as far to the left as possible.
- Remove headphone, wireless devices when crossing the street.
- If you must use your mobile phone/device, stop walking (distraction)
- Distractions among drivers are at an all-time high today, so try to make eye contact with the driver before stepping into the road.

#### ***Tips for Drivers:***

- Slow down and especially alert in residential neighborhoods and school zones, before and after school hours.
- Most pedestrians (walkers and joggers ) are injured mid-block, not intersections, so watch out for kids who might dart into traffic or cross where they shouldn’t.
- Using mobile phones, even hands-free, makes it harder for drivers to be alert to walkers and pets.

#### **Remember Safety While Driving with Pets:**

- Loose pets inside of vehicles can become a deadly distraction for drivers, pedestrians, and bicyclists.

- Never leave pets unattended inside vehicles. Remember that cars heat up fast – even with the windows cracked!
- Never allow your pets to sit on your lap or remain on the front seat while driving.

Just a gentle reminder, keeping pets safe is every pet owner's responsibility. Equally as important, pedestrians crossing highways, streets, roads, etc. shall always have the right-of-way over vehicles making turns onto roads being crossed by pedestrians. Being a safe driver is not only an obligation – it's both the law and right thing to do, while traversing throughout the town and on area roadways. I look forward to developing and sharing strategies to minimize crime and traffic safety concerns in our community. Together, along with Town leadership, civic groups and the support of the community, the Cheverly Police Department will remain responsive, dedicated, and professional.

### **CHEVERLY PARENT RESOURCE CENTER (CPRC)**

We have had a busy few months as the temperature starts to warm up. See the flyer below for the details of the spring festival in May (co-sponsored by District Cutlery and the Cheverly Recreation Council). **With the return of the Cheverly Market and lots of fun activities we are desperately looking for some volunteers to spend a few hours a month to sit at a market table, host a playgroup/ baby meet up or lend a helping hand to coordinate one of our events!** Remember CPRC is a community run organization and it only works because of our amazing group members! As always you can help welcome our newest Cheverly residents and help support a neighbor by nourishing them when they need it most with a baby meal.

(We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.)

## **CHEVERLY GREEN INFRASTRUCTURE COMMITTEE**

May Monthly Meeting  
Date: Monday, May 2, 2022

7:30-9:30 p.m. This will be an *all-virtual* meeting via Zoom, watch for announcements on the Cheverly town website.

Monthly meeting to report progress on Cheverly

greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact [sheila.salo@gmail.com](mailto:sheila.salo@gmail.com) or see the Cheverly town website for a copy of the meeting agenda.

## **GREEN @ HOME -- Plant Trees to Limit Global Warming**

The 2022 United Nations report on climate change warns that we are not doing enough to limit global warming from rising carbon dioxide emissions. According to a Washington Post editorial of April 5, to offset these emissions, “countries will have to remove carbon dioxide directly from the air. The easiest way to do this is to stop cutting down trees and other plant life — and, indeed, to grow more.”

*How can we in Cheverly respond to climate change?*

We need to preserve our forested areas, the natural-area hubs designated in the Cheverly Green Infrastructure Plan.

Through the Cheverly Green Climate resolution of 2017, the town committed “to the protection and restoration of the remaining green infrastructure hubs, their biodiversity, ecosystem services, and social and economic benefits to our Cheverly community.”

We need to add canopy trees, as also recommended in the Green Infrastructure Plan. The Cheverly Public Works tree-planting program plans to add 1000 trees on public and private lands over 10 years.

*What can we do in our own yards?*

Preserve your large trees. Do not be bullied into removing your older trees.

Plant more trees. The Town of Cheverly will plant up to two trees in your yard absolutely free of charge. To arrange for spring or fall planting, fill out the tree agreement form at [https://www.cheverly-md.gov/sites/g/files/vyhlf401/f/uploads/tree\\_agreement\\_form.pdf](https://www.cheverly-md.gov/sites/g/files/vyhlf401/f/uploads/tree_agreement_form.pdf). On page 2 of the form, you will find a list of available trees and a ranking of trees by their value to the environment. Most of the trees are native species, a definite plus. You can also arrange tree planting by calling Public Works at 301-773-2666.

& Loving Community That is Compassionate,  
Caring, Kind, and Defines Love in Action.

Can a little felt egg save the world?

Of course not, but since March 14 Cheverly neighbors and friends have been helping the people in Kharkiv, Ukraine by donating money to Anastasia, an artist there, who then passes the money on to people who are buying food, medicine, blankets, and rubble removing equipment. In return, Ann Barsi has made 3.5" felt eggs in the bright blue and yellow of the Ukrainian flag using Anastasia's pattern and given one to each donor.

Anastasia's immediate neighborhood has been bomb-free, but there are many who have been living in the underground railway station nearby, having totally lost their homes. They come up for a bit of fresh air once a week. So, food, medicine, and blankets for one neighborhood will not save the world, but it is a tiny drop of kindness that will ease a bit of suffering. To date (4/5/22) Ann Barsi has sent over \$2200 to help them.

This week Anastasia has been transferring all the money lately to volunteers who help the Kharkiv rescue service. Since the shelling of Kharkiv has now intensified, there are even more who have lost their homes, and the rescuers have more work to do than ever. As of the last update they were not able to go outside, as their area was fired upon by time mines that detonate spontaneously. The recommendation has been to stay home until mines have been neutralized.

*May tranquility be returned to their people and nation.*

Contact Joyce Lang for more information at 301-773-2211 on Anastasia or if you want to join the club and become a member: \$25 individual/ \$35 immediate family / additional \$10 for extended family group.

The **Cheverly Garden Club** will be returning to the Town Park pavilion this year for their Annual Plant sale. The sale will be on Saturday, May 7<sup>th</sup> from 9:00am until noon or until we sell out of plants. Our focus will be on native perennials, but we will also have veggies and plants from our members' yards – Cheverly grown winners. The Cheverly American Legion Auxiliary will be on the stage selling mimosas and muffins. The Community Market will be holding their first market of the season so make sure you shop at both locations.

The club is planning a visit to historic London Town and Gardens on May 21<sup>st</sup>. A docent will lead a tour of the area and lunch will be catered. Club members are eagerly looking forward to more field trips in the spring and summer.

The **Cheverly Garden Club's Life-Long Learning Grant** is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For an application or further information, please e-mail the club at [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net)

Stay healthy, stay hydrated, and enjoy the seed catalogs!

**CHEVERLY VILLAGE**  
**Conversation for All Ages**

**Inviting Cheverly families to learn about this important conversation—with mom or dad, your spouse, siblings and grown children**

According to a CDC study and one of the nation's largest providers of hospice and palliative care, only 56% of people have discussed their end-of-life wishes with their loved ones. That conversation can be hard to start, and it needs to take place over many empathic and compassionate moments. It's also important to have a well-thought-out plan.

On Saturday, May 14, from 2:00 to 4:00pm, Cheverly Village will host an informative, online presentation by Attorney Cheryl Chapman Henderson called "It's

All in the Family: Five Must-Have Legal Documents and Your Wishes." Experienced in Elder Law and Estate Planning, Attorney Henderson will talk and answer questions about four legal documents that deal with your wishes while you are alive—Power of Attorney for Finances and Decision Making; Healthcare Power of Attorney; Advanced Directives; and the HIPAA Authorization—as well as a fifth legal document—your will.

The event is open to all. Register online at [Cheverlyvillage.org](http://Cheverlyvillage.org), "Events List," to receive the Zoom link and a reminder email.

During the weeks following the May 14 event, members of Cheverly Village will also be able to participate in small group sessions to discuss topics related to these documents. For example, should I have a joint owner of my bank account? What is a MOLST document? When should I downsize?

What else does Cheverly Village help members with, when we're not dealing with such a challenging subject as end of life? Well, for one thing, we help members with "tech" problems such as learning how to use a new smart phone or figuring out how to set the clocks in their car for daylight savings time.

To become a member, a volunteer, or a supporter of Cheverly Village, contact us at [Cheverlyvillage.org](http://Cheverlyvillage.org) or 240 770 1033.

## Cheverly American Legion Post 108

**Comedy in Cheverly** - Every Thursday evening is comedy night. Doors open at 7pm and the shows kick-off at 8pm sharp. Look to social media posts, our website, and the exchange for additional details.

**Food Trucks / Beer Garden** - Friday, May 27th, 5-dark pm. We will have several food options, and beer garden style taps flowing on the back parking lot. Look to our website or social media for updates on live music, food and draft beer options as we get closer to the date. The 108 Music Series Live at Food Truck and Fresh Air presents Mama Moon and the Rump Shakers. Full band playing blues and R&B. They are playing for tips so please be as generous as you can.

**Coffee with American Force Coffee** - Friday mornings are coffee and pastries with local coffee company American Force Coffee out of Annapolis. You can also purchase whole beans, ground, and k-cups directly from them. 8-11:30am.

**Food by Para Hita** - Para Hita is sells food to dine-in for our members and guest, and take-out for any and all. He has Burgers, Chicken Sandwich, Bean Burgers, Chicken Tenders and Fries on the menu with occasional specials.

**Hand Dance** - Local DJ's Ernie "G" and Lil' Anthony are playing great hits and providing great entertainment every Tuesday and Thursday from 12 to 4pm, and every Monday 5 to 9pm, respectively. Hand dancing aka DC Swing is an upbeat, mostly retiree crowd that absolutely knows how to get moving. The group members don't mind offering dance lessons on the spot or you can sign up for one of the local instructors who typically offer Saturday lessons.

**Become a Member** - Current or former servicemembers with at least one day in the armed services and being honorably discharged or those still in the military are eligible to join. Family members of an eligible servicemember may join too. Email [CheverlyAmericanLegion@gmail.com](mailto:CheverlyAmericanLegion@gmail.com) for more information.

## CHEVERLY NATIVE PLANTING PROJECT

We are so excited for the warm weather and spending more time outside! Not only can we enjoy a taste of the great outdoors in our yards, and an added bonus is

that being an environmental steward can start at home.

CNPP's top backyard goals include 1) eliminating all invasive plants; 2) having 70% of our native plants, shrubs, and trees be natives; 3) cutting the turf grass by half; and 4) using more effective and less harmful mosquito/pest management practices.

These goals were chosen because they are key to restoring ecosystems and regenerating biodiversity.

1) Approximately 80% of invasive species threatening our natural habitats are escapees from landscaping at homes, businesses, municipalities, etc. While they may seem manageable in our yards (don't we wish!), they are destroying natural areas. If we get rid of invasives in our yards, we stop contributing to the spread.

2) Nobody's perfect and no yard will be either. Recognizing this, we look to research and what's the minimum we should strive for. Because of their place in the food web, what's good for birds is what's needed for a healthy ecosystem. Research has shown that for birds to be able best support their young, 70% of the plants should be native. That is because baby birds are fed caterpillars and insects – not seeds or anything we put out – and caterpillars and insects need native plants for their food.

3) Because 83% of land in the U.S. is privately owned, we cannot regenerate biodiversity or create healthy ecosystems by only focusing on public lands. If we got rid of turf grass on 50% of private land, we could create 20 million acres of ecologically productive mini-habitats. The network of these mini-native havens form a "Homegrown National Park."

4) All is for naught if our attempts to control mosquitos relies on spraying. There is no "mosquitocide." The sprays used to kill adult mosquitos also kill fireflies, butterflies, dragonflies, bees, and other pollinators and beneficial insects. More effective mosquito management is to find and get rid of breeding grounds in our yards and target larvae by using GAT traps or BTI dunks in any standing water – including buckets you set out intentionally to bait them!

If you are interested in any of these goals, CNPP is available to help you with questions you have. Our volunteers include master gardeners, master naturalists, watershed stewards, master composters, habitat advisors, and more! We are happy to have someone come to your yard and help you figure out what you can do to reach your backyard goals. Contact us at [cheverlynativeplantingproject@gmail.com](mailto:cheverlynativeplantingproject@gmail.com).
