### *Message from the Mayor*

So much to discuss! If you have missed our resident appreciation activities, you have really been missing a treat. One of the last events in September was “Jazz in the Park” and we had one of our very own residents perform with “Cheryl Jones and the Gents” bringing the house down. Of course, I had no idea how many people would show up, but I was glad to see town park rocking with almost one hundred people if not more.

“I have never seen anything like this!” I cannot tell you how I beamed with pride as one of the musicians gushed about Cheverly. “There are young people here, old people (his words not mine), Black, White, and they are all dancing!” It was truly heartwarming to see people from all walks of life, after such isolating pandemic conditions, come together. There could not have been a better calling card for who we are as a town. Our diversity AND inclusion were on full display and so was our compassion and enjoyment for each other.

We also got to feel a sense of togetherness once again at Public Safety Day. Hat’s off to Chief Miller and all of CPD, Public Works, and the Administrative Staff for making it one of the best we’ve had. As you can imagine, any new leader wants to make initiatives their own. With new cuisine and new vendors to share information about how to stay safe, I believe CPD knocked it out of the park.

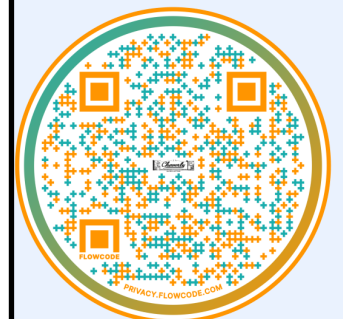

It is true, we have done an incredible job of getting the newsletter to you before the next month even starts, but this one will probably get to you after we have Cheverly Day. I hope you had a blast. I’ll talk more about that in next month’s Mayor’s Corner.

October is Domestic Violence Awareness Month, Breast Cancer Awareness Month, Pregnancy and Infant Loss Awareness Month, and there are a whole host of Mental Health Awareness Days throughout the month. The purpose of highlighting these is to make you pause and take a moment to think. Many people believe that Cheverly is such a family-oriented town that domestic violence does not live here, untrue. Domestic violence is in every neighborhood. Where there are people there is conflict and chances are there are people who have not learned tools other than violence and abuse to address that conflict. If you would like to talk to someone

more about domestic violence, please call the National Hotline at 1-800-799-7233.

For Breast Cancer Awareness Month, I will once again be distributing a small token to anyone who reaches out and provides an address where I can drop it off. Our community has been hit hard by breast cancer and it really is something we don't discuss. People of all genders experience breast cancer and acknowledging it is one step to early detection and saving lives. My hope is to get Breast Cancer Screenings down at Town Hall even if not in the month of October.

Lastly, talk about folks suffering in silence- those who have experienced pregnancy and infant loss rarely have outlets to speak about their feelings. I want to create space for people to come forward and share their needs so that we can properly direct or determine

if there is a gap in services for any of our residents.

Now, there are some additional meetings you should look out for in October. We are trying to have a meeting for residents to talk about their concerns regarding pets and animals getting loose and being in front yards. We hope to have Animal Control be able to join us for this conversation. There have been several loose animals lately in town. Aside from making sure residents are compliant, we also want to ask you to be neighborly. Not everyone likes animals for many rhymes and reasons. We have to do a better job of looking out for our neighbors and pets.

**Mayor's Mention** is to the Cheverly Day Committee. Cheverly Day is the highlight of the year, and the Cheverly Day Committee works so hard to make sure we can enjoy a full day of partying and merriment. Thank you to everyone who made it a success.

Why are you interested in Resident's Academy?

Civic Activities (Past & Present)

Are you able to attend all 8 sessions? (please specify)

The Town of Cheverly developed the Residents Academy to encourage more civic involvement through a basic understanding of Town services.

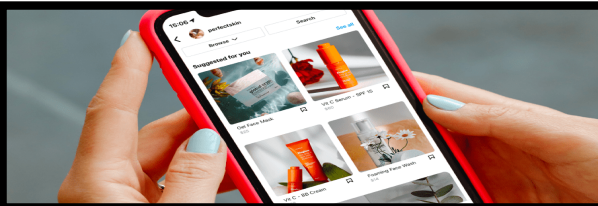

The Academy is an eight-week program that provides participants with an interactive learning experience focused on Town services, programs, and responsibilities.

Through sessions with various Town Departments, participants will learn about the challenges faced by local government as it balances budget limitations with community goals and service needs. Sessions will also cover topics such as day-to-day operations, the structure and function of Town departments, the role of Town Council, resident involvement in boards and committees, innovative approaches to problem solving, and goals for the future.

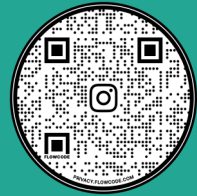

Please note, submitting this application does not automatically enroll you in the Residents Academy class.

## CODE COMPLIANCE

### PARKING COMPLIANCE

According to Code Sec. 18-4.2 and Sec. 27.5

Vehicles that have not moved for 72+ hours may be towed; all vehicles need to be operational & legally operable on both private property and on the street.

Commercial vehicles are prohibited to park in front of residential properties.

### NOISE ORDINANCE

During summer months, residents are asked to be especially considerate of their neighbors' rights to peace and quiet.

During the day (8:00 am to 9:00pm) 'continuous' noise that can be heard from 30' away, and 'intermittent' noise or 'impulsive' noise that can be heard from 50' away is generally prohibited.

Continuous Noise is defined by law as noise that does not vary for at least five minutes; Intermittent Noise is noise that changes over time, but which can be heard

for more than ten seconds at any one time; and Impulsive Noise is short bursts of sound.

During the night (9:00pm to 8:00am), any noise that can be heard from 30' away from the property from which the noise is coming is prohibited.

It is also unlawful to allow a house or vehicle alarm to sound, continuously or at intervals, for 30 minutes or more. For purposes of enforcement after the 30-minute period, the owner of the house or vehicle is presumed to be aware of the sounding alarm.

Exceptions for the rule: Construction, repair or demolition of structures or public roads is allowed during the daytime, except on Sundays and Christmas Day, and during nighttime emergencies.

Daytime use of lawnmowers and other power tools is allowed; church bells, and vehicles used by public safety, government, and public utility officials are exempt from the law.

Residents may register complaints about noise by calling the county police response number, 301-333-4000. In most cases, a Cheverly police officer will be dispatched to the scene.

# CODE COMPLIANCE

## SOLID ANIMAL WASTE ORDINANCE

**Sec. 4-10 (a)** It shall be unlawful for a person controlling an animal, except a seeing eye dog, to allow or permit solid waste of such animal to remain on the property of any other person without the consent of the owner or occupant thereof; or on such public properties as are prohibited by order of the Mayor and Council of the Town of Cheverly. Prohibited areas are sidewalks, Gast Park, American Legion Park, Boyd Park, & play areas of all other parks.

## VACATIONS & HOME SECURITY

Residents planning to be away for vacations should visit <https://www.cheverly-md.gov/cheverly-police-department/webforms/house-check-request> to arrange to have their homes checked while they are gone.

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Store valuables, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture inside.
- Set lights inside the house on a timer.
- Set telephone bells as low as possible.
- Draw shades and drapes.
- Lock cars left in the driveway.
- Make sure smoke detectors are working.
- Lock all windows and doors.
- Give your house key & itinerary to at least one friend or neighbor.

## PLEASE USE THE SIDEWALKS

As the weather begins to get nicer and more and more residents are walking or jogging in town, we are taking this opportunity to remind you that it is illegal to walk or jog in the street when a sidewalk is available on a road. The State law reads: 21-506

Rules for pedestrians on roadways

- (a) **Where a sidewalk is provided, a pedestrian may not walk along and or an adjacent roadway.**
- (b) **Where a sidewalk is provided, a pedestrian who walks along and on a highway may walk only on the left shoulder, if practicable, or on the left side of the roadway, as near as practicable to the edge of the roadway, facing any traffic that might approach from the opposite direction.**

We want all our pedestrians and motorists to be safe. So, please use the sidewalks. Not adhering to the above noted law may result in a fine being issued.

## OUTDOOR BURNING REMINDER:

### **Sec. 12-3.**

- (a) No person shall burn or cause to be burned any trash, lumber, leaves, straw, tree branches, trees, logs or other combustible material on any improved street, gutter, parking strip, parkway, park, alley or any other town property within the corporate limits of the Town of Cheverly.
- (b) No person shall burn or cause to be burned any trash, lumber, leaves, straw, tree branches, trees, logs or other combustible material within the corporate limits of the Town of Cheverly, without first obtaining a permit from the Town of Cheverly, excluding outdoor cooking devices.

### New Tree Evaluation Program

The Town recently rolled out a private tree inspection program. Residents may request one tree inspection per year by the Town's Arborist, Dr. Tolbert Feather. We are limiting inspections to one per address as we formally roll out this program to help ensure every address has an equal opportunity. There are 100 inspections in the budget, so limiting each address to one inspection will help cover the Town.

In order to request this service, a resident must fill out the form on the webpage and attach a check for \$85 made out to *Town of Cheverly*. And then mail to or drop off at Town Hall Attn: Public Works. Each inspection costs \$85, and the resident will receive a report on their tree. Once the form is approved, the inspection will be scheduled.

Checks won't be deposited until after the inspection report is completed.

### TRASH COLLECTION REMINDER

**Sec. 10-7** Except for household trash, which the town may collect from side or rear yards, all collectible trash shall be placed at the street side or curb, but shall not be placed there earlier than 7:00 p.m. on the day before it is scheduled to be collected. All containers or uncollected trash and waste must be removed from the street side or curb by 7:00 p.m. of the day it was scheduled for collection. Upon request of a resident to the town administrator and for good cause shown, the town may collect recyclables from a side or rear yard of the property.

### CONTAINERS NOT TO EXCEED THIRTY-TWO (32) GALLON CAPACITY.

**Just a reminder**, and as stated on the Town's website, **"Containers not to exceed thirty-two (32) gallon capacity."**

**Public Works will not pick up nor empty trash containers larger than 32-gallons.** This is for the safety of our Public Works employees who manually lift each and every trash can.

***\*In the interim, until you purchase a 32-gallon trash can with a tight-fitting lid, please remove all trash bags from cans larger than 32-gallons and place them on the curb prior to trash collection.***

If you have any questions, contact Public Works directly at 301 773-2666.

## Message from the Chief

Telemarketing Schemes, illegal robocalls, and caller I.D. spoofing all constitute forms of theft which criminals use to steal money and indirectly damage your psyche by claiming you can gain something by paying money or giving access to personal information.

Many legitimate companies and charities use telemarketing techniques to sell their products and services or advertise their number for consumers. Unfortunately, resulting in the rise of telephone related fraud, affecting one out of every six American citizens and the loss of over \$40 billion annually (Federal Trade Commission). In August alone, Americans received just under 2.3 billion unwanted robocalls, 24% of which were scams (PRNNewswire).

As we approach what is commonly known as the holiday season, I'd like to bring attention to how to identify fraudulent phone calls and what to look for to protect yourself from scams:

1. Know who you're dealing with. If the company or charity is unfamiliar, check it out with your local Consumer Protection Division – Maryland Attorney General Office at (410) 528-8662 and/or Better Business Bureau of Greater Maryland at (410) 347-3990. If the charity involves law enforcement call the Cheverly Police Department at (301) 341-1055.
2. Be aware that "No Complaint" is no guarantee. Fraudulent operators open and close quickly, so the fact that no one has made a complaint doesn't mean the company or charity is legitimate. You still need to look for other danger signs of fraud.
3. Don't believe promises of easy money. If someone claims that you can earn money with little or no work, get a loan or credit card, even if you have bad credit or make money on an investment with little to no risk, it's probably a scam. One should always remember that an offer that sounds too good to be true, probably is.
4. Think twice before entering contests operated by unfamiliar companies. Fraudulent marketers sometimes use contest entry forms to identify victims.
5. Never pay to play. It's illegal for a company to

require you to buy something or pay a fee to win or claim a prize. Buying something doesn't improve your chances of winning.

6. Resist pressure. Legitimate companies will be happy to send you detailed information and give you time to decide. If the marketer demands that you act immediately or will not take "No" for an answer, it is probably a scam.
7. Guard your personal information. Only provide your credit card or bank account number when you are paying for something. NEVER share your social security number with a telemarketer.
8. Senior citizens are particularly vulnerable to scams that take advantage of people living alone. Seniors need to be wary when dealing with salespersons, particularly over the phone.
9. A common scam to be aware of is the "Canadian Lottery Scam". The potential victims are contacted over the phone and are told they have won millions of dollars in the Canadian lottery however, to receive their winnings victims are told they need to pay taxes on the winning money, usually several thousand dollars. The victims are instructed to send cashier's checks to post office locations in the United States or Canada, defrauding the victims of their money.
10. Finally, use common sense. Ask names, addresses, and call back numbers. If you feel suspicious, simply hang-up. If you are or have been victimized, contact the local NON-EMERGENCY police line at (301) 352-1200.

Victims of fraud come from a variety of age, gender, racial, religious, socioeconomic, and educational backgrounds. Some swindlers deliberately seek out families that may have limited means or financial difficulties, figuring such persons may be particularly receptive to a proposal that offers fast and large profits. Once again, your first step as a victim should be to report the incident to your local police department. Note: Real Estate fraud is another deliberate and complex scheme, which is quite prevalent and can be researched online (Real Estate Fraud).

Remain Alert!!

### **CHEVERLY DAY PARKING**

There will be no parking in town park on Cheverly Day, October first. The Cheverly United Methodist Church is generously allowing residents to use its parking lot.

Starting at 1pm the Cheverly Day team will offer rides in golf carts to the mobility challenged. They will leave the church lot and drop off at the park.

Thanks so much to those that attended the back to school party and concert at the pool! It was a great way to kick off this school year. October brings with it the ever popular Halloween costume swap. We will also be having a CPRC Flea/Swap on October 15<sup>th</sup> at the Legion. This is a great way to pass on clothes/toys/baby stuff or find things that you need. Check the CPRC list and Facebook page for details and updates on time and location. Also feel free to use our website at [cheverlyparent.org](http://cheverlyparent.org) to use our calendar and check out resources. You may have already received emails but please make sure to renew your membership (or join for the first time) so we can continue doing all our fun programs. Please remember weekly playgroup happens every Monday, Wednesday, and Friday in the gym from 10-12. There are toys on the stage in and on top of the wooden box. Please keep children away and watch your fingers since the lid is heavy! Make sure to leave the gym nice and clean and the toys organized. We will continue to hold outdoor playgroups through the fall until the weather does not permit. We also try to host a Sunday coffee hour playgroup either in the gym or at a local park. Contact us if you would like to host!

As always we are looking for a few more board members or individuals who can volunteer for specific tasks like organizing baby meetups, playgroups and events! If you have ideas for events we would also love to hear them. Contact [cprcpresident@gmail.com](mailto:cprcpresident@gmail.com) with questions.

If you aren't a current member and would like to be,

or just forgot to renew, please email us at [cprcmembership@gmail.com](mailto:cprcmembership@gmail.com) or visit our website and click the "join" button.

## **CHEVERLY GREEN INFRASTRUCTURE COMMITTEE**

### **October Monthly Meeting**

**Date: Monday, October 3, 2022**

7:30-9:30 p.m. virtually via Zoom, watch for announcements on the Cheverly town website

Monthly meeting to report progress on Cheverly greening efforts and plan next steps and new initiatives. In implementing the Cheverly Green Infrastructure Plan, your Cheverly Green Infrastructure Committee is working on projects in education, planning, and research.

All are welcome to join us! Contact [sheila.salo@gmail.com](mailto:sheila.salo@gmail.com) for a copy of the meeting agenda.

### **GREEN @ HOME -- GOT LEAVES?**

The autumn leaves have begun to fall. Recycle those leaves right at home

- Mow your leaves

Save yourself time and increase your lawn's health by leaving the rake or leaf blower in the shed and mulching tree leaves with your mower. See <http://tiny.cc/5t8zsz>.

- Compost your leaves

See the composting guide on the Cheverly Green Plan website.

- Send your leaves to mulch school

The town will have your leaves mulched and make the mulch available in the Spring. For information on the leaf collection schedule, leaf bagging, and mulch delivery, see the town newsletter or the town website.

Place leaves in large brown paper yard waste bags or trash cans. The Cheverly Public Works Department suggests leaving the lid off the yard waste can and placing that can separate from the regular trash can. That will reduce confusion on collection day.

See more practical ideas for building Green Infrastructure in your own yard at [www.greencheverly.org](http://www.greencheverly.org).

## **RECREATIONAL COUNCIL**

The next meeting will be on Tuesday, October 25, 2022 at 7:00 pm in the large conference room at the Town Building.

The topic of discussion will be the Children's Halloween Party. The Party and Parade will be on October 29th.

It will begin at 10:45 am at Gast Park (Cheese/Tot Park) at the corner of Inwood and Parkway. The Parade will proceed down Parkway from the park and up Forest Road to the Town Building. Please contact Barbra Pejokovich at 301-773-5883 with any questions.

### **October Markets!**

It's Pumpkin Spice Everything season! Come to the Markets at 6401 Forest Road on **Saturday the 8<sup>th</sup> and 22<sup>nd</sup> from 8 am -12 pm.**

Please spread the word about our generous nutritional benefits matching program, which provides a 1:1 match on FMNP and SMAP benefits redeemed at the Market. Plus, all benefits users receive a bonus \$15, thanks to the Town of Cheverly, whether redeeming benefits or not.

We also offer yoga at every market at 10am, interactive story time at 10:30, and host a musical guest throughout the morning.

Good news: our holiday markets will be back to normal this year, so if you're crafty and want to be a holiday vendor, check out our website:  
<https://www.cheverlycommunitymarket.org/>

The **Cheverly Garden Club** will be holding their monthly meeting on Monday, October 17th at 7:00 pm in the fourth floor Parlor Room of the Cheverly United Methodist Church (please check the signs on the doors in case we use a different room at the church). We will be making autumn arrangements. Our members know the routine – bring a small pumpkin that you have cut open and removed the seeds; along with a sharp paring knife or other tools to cut the flowers. Pumpkins can be real, plastic, or foam, just make sure it will hold water. Visitors will need to also bring \$5 to cover supply costs. You can save the seeds for wildlife or clean and bake them to

enjoy a tasty snack for yourself.

During our business meeting we will be discussing the 'Little Free Seed Library' project. It is like the Little Free Book Libraries, but for vegetable and flower seeds.

The **Cheverly Garden Club's Life-Long Learning Grant** is still taking applications. If you are interested in gardening, flowers, environmental issues, programs, and workshops to further your education, apply for one of our Lifelong Learning Grants. The maximum award is \$500. You can apply if you are 18 years old or older, reside in Cheverly or are a full-time employee of the Town. Grant applications are available by email. December 15th is the annual deadline for applications. For an application or further information, please e-mail the club at [CheverlyGardenClub@verizon.net](mailto:CheverlyGardenClub@verizon.net).

Stay healthy, stay hydrated, and enjoy the seed catalogs!

## **CHEVERLY NATIVE PLANTING PROJECT**

One thing we have learned in the Cheverly Native Planting Project is that we have a lot of unlearning to do. For instance, while many of us were taught that it is good get rid of all our leaves, stems, and seedhead in the fall, it turns out that all that cleaning up is detrimental to a healthy yard and ecosystem.

Not only do the leaves feed the soil and help break up the clay in so many of our yards, but it also provides winter habitat for our native pollinators. Flower stems also are used as nests for a several small native bees. So, when we rake up our yard and cut down our plants, we destroy over-wintering habitat for pollinators that help our gardens grow.

And, by leaving the seedheads instead of deadheading when blooms are gone, we provide a vital food source for birds. Native seeds have a lot of fat in them which birds need to stay healthy through the cold months.

We invite you to join us this fall doing LESS work to make MORE habitat! If you want to help your neighbors understand what you are doing, CNPP has yard signs to help spread the word.

Reach out to us at [cheverlynativeplantingproject@gmail.com](mailto:cheverlynativeplantingproject@gmail.com) to get a sign, join our volunteer corps, and learn more. Also, make sure to check out our new website: [cheverlynativeplantingproject.org](https://cheverlynativeplantingproject.org) and our on social media (FB: Cheverly Native Planting Project IG: @chvnativeplantings).

## **BOY SCOUT TROOP 257**

### **Put your son on the path to fun outdoor adventures this fall!**

– Boy Scout BSA Troop 257 is expanding and has fun activities planned for boys 11 to 18 (sixth to twelfth grade.) In September, the troop installed our newly elected leadership and went kayaking. This October, we will be building a catapult for Cheverly Day as part of the Engineering merit badge. We are also planning a fall campout. Our boys will be supporting the Halloween Hike on Oct 29th. In November, we have a backpacking campout that will focus on cooking skills. Our upcoming activities include camping, backpacking and hiking all while having fun and building life skills. Please contact Micah Watson at [micah@cheverlyday.com](mailto:micah@cheverlyday.com) or 240-603-9366. (We can also connect boys and girls 11 and under with Cub Scout Pack 257, and we can connect girls 11 to 18 with a neighboring BSA Girls Troop.) Note: we will be selling firewood again this fall/winter! Please purchase some to support our troop.

## **THE CHEVERLY WOMEN'S CLUB**

Together We Can Create a Safe & Loving Community  
That is Compassionate, Caring & Kind,  
And That Defines, "Love in Action"

"Decide today to take the oath: I promise to "go first" in demonstrating forgiveness, compassion, understanding, generosity, kindness, cheerfulness, positivity, and love" - Your Friend Neale Donald Walsch (today@nealedonaldwalsch.com)

Our October 2022 Message of Inspiration:

- 1) This month we recognize and give appreciation to Tonya, the Communication Specialist for the town. Tonya has the Women's Club spirit and strives to help Cheverly create and maintain the model of community described by us above and quoted below from Neale Donald Walsch. Thank you, Tonya.
- 2) The original American Dream was a dream of equality, justice, and democracy for the nation. It was rooted in the preamble and Constitution to "secure the blessings of Liberty to ourselves and our Posterity; that all men are created equal with the right to "life, liberty, and the pursuit of happiness."
- 3) We thank the Sierra Club of Maryland, the Prince George's County Municipalities Act on Zero Waste, and the Cheverly Green Infrastructure Committee for all the tireless work you do to save our planet. Join the team to help more people explore, enjoy, and protect the Earth. ([reply@emails.sierraclub.org](mailto:reply@emails.sierraclub.org))
- 4) Move from random acts of kindness to

THOUGHTFUL ACTS. Think about a person you know who needs someone to be kind to him/her. Think of how you can be that person, what you can do, and do it. How does it make you feel?

October Meetings - Monday, October 10 at 7 p.m. / Wednesday, October 19 at 10 a.m. - Community Center.

Annual Membership - dues are \$25/individual or \$35/family (You can be fully or partially active.) We appreciate donations. Funds are used to grow a new model of community through "LOVE in ACTION".

## **CHEVERLY VILLAGE**

### **As We Promised You Last Month...**

Cheverly Village, in partnership with Wegmans Pharmacy, will once more be running our drive-thru (or walk-thru) vaccination clinic in October—the best time to get the flu shot. The clinic will be held Saturday, October 15, from 9 a.m. to 3 p.m., at the Cheverly Community Center. Shots for influenza (flu), shingles, and pneumonia will be given, as well as the DTAP vaccine. We can now confirm that the Pfizer Covalent COVID-19 Booster will also be available, and that the flu and the bivalent booster can safely be administered in the same visit! Medicare and *most* insurance will cover vaccinations through the clinic. Registration must be done in advance, and you will find registration information and additional required forms for the clinic on our events page: [www.cheverlyvillage.org/events](http://www.cheverlyvillage.org/events).

Cheverly Village thanks Wegmans Pharmacy, the Cheverly Town staff and the Cheverly Emergency Response Team for their continued partnership.

If you are a Cheverly Village member and need a ride, please email the Village Coordinator or call 240-770-1033.

### **Cheverly Village is Hiring Locally!**

We are happy to announce a new staff position of Program Administrator, a half-time position that will provide a wide range of administrative and technical support to the Village.

We are hoping to find a wonderful candidate who lives in or near Cheverly. The work is primarily from home. Candidates should email [village@cheverlyvillage.org](mailto:village@cheverlyvillage.org) to request the Program Administrator description.

Are you interested in becoming a member of Cheverly Village or to support the Village as a volunteer or a donor?

Please message us through [www.cheverlyvillage.org](http://www.cheverlyvillage.org), email us at [village@cheverlyvillage.org](mailto:village@cheverlyvillage.org), or call 240-770-1033.

## CHEVERLY AFRICAN AMERICAN COMMUNITY ORGANIZATION (CAACO)

Cheverly African American Community Organization (CAACO) Cheverly Day is October 1, 2022. Come out and celebrate with the community. CAACO will have an information table at the event so be sure to stop by to get some news you can use for 2022! CAACO meetings are every 4<sup>th</sup> Monday of the month at 7PM.

Our primary purpose is to unify the African American community in all segments of life within the Cheverly community and vicinity. We want to activate, engage, educate, and empower, to present a strong concerted effort in meeting situational awareness particular to our community. This is achievable by pursuing and supporting local policies that address our needs, building partnerships with local community groups, demonstrating a commitment to engage in local activity and establishing a physical presence in the community.
