### *Message from the Mayor*

September brings so many reflection points. The remembrance of September 11<sup>th</sup> has extra special meaning to those who lost loved ones in the attacks on American soil. The events of that day changed several facets of life and particularly impacted the feeling of safety once shared. We saw the good of our country, with everyone rallying together to join our armed forces and support the defenders of America. We also saw the bad when there were first responders and survivors of the attacks that suffered long term health problems and unfortunately, there was an increase in hate crimes towards specific communities around the country. This September 11<sup>th</sup>, I will remember to think of the people who gave their lives for us to enjoy the freedoms we enjoy. Feel free to shoot me an email of a memorable moment or reflection you have.

With September, we also usher in the end of the summer and the beginning of fall. Thankfully, we should still have some warm weather for the Cheverly Prom! What is the Cheverly Prom? Cheverly Prom is an adult only fundraising event. This year, Cheverly Village, and the Mount Hope Commission (mounthopecommission.org) will benefit from the fundraiser. It is also a time to dance, eat, and have a good time with neighbors and friends. We hope to see you there!

The Autumn Equinox falls on none other than September 22, 2022. This is a particularly important day to me for a few reasons. One, it's the First Gentleman's Birthday! It is also National Falls Prevention Day. I know, it sounds like I made it up, but it is a real awareness observation day and is more important than you may realize. As some of you may know, what appeared to be a simple fall for my father is ultimately what led to his death a couple of years later. The primary reason people with health challenges or the elderly fall is because they are rushing. Falls can be more dangerous than they might seem. They can cause bruising, hip fractures, and head injuries, some of which can be fatal. Be sure to slow down and if you do fall, make sure you tell a loved one or your doctor so you can receive follow up care.

This type of prevention information is something you might be able to learn more about at our annual Public Safety Day. For the Cheverly Police Department, Public Safety Day has always been viewed as a day to recognize, celebrate, and strengthen both relationships with stakeholders in the public safety field as well as improve and fortify the police department's relationship with community. Be sure to join us on September 16, 2022, at Cheverly Town Park at 4:30 p.m. for good fun and good information.

Autumn also brings with it new temperatures and sunsets. I am proud to say that we have weathered the rainy and hurricane season. With the new storm water management improvements and catch basins, there has been less pooling, runoff, and flooding throughout town. I know some of you were skeptical about

putting so much emphasis on infrastructure, but I am elated to say the improvements appear to be working! I know this is a huge relief to some of you homeowners who are frequently dealing with the pains of living in a town where spring water abounds underneath.

Last but not least, I can't wait to see you all at Cheverly Day. Plan to spend all day with us on October 1, 2022. For more information about festivities, check out [www.cheverlyday.org](http://www.cheverlyday.org).

Mayor's Mention: Huge thank you to Public Works, Code Compliance, and Cheverly CERT. When we did experience a storm, streets were cleared in record time. Before the county had the chance to check in with me to see if we needed any help, everything was already handled. Our cup runneth over!

## **SOLID ANIMAL WASTE ORDINANCE**

**Sec. 4-10 (a)** It shall be unlawful for a person controlling an animal, except a seeing eye dog, to allow or permit solid waste of such animal to remain on the property of any other person without the consent of the owner or occupant thereof; or on such public properties as are prohibited by order of the Mayor and Council of the Town of Cheverly. Prohibited areas are sidewalks, Gast Park, American Legion Park, Boyd Park, & play areas of all other parks.

## **VACATIONS & HOME SECURITY**

Residents planning to be away for vacations should visit <https://www.cheverly-md.gov/cheverly-police-department/webforms/house-check-request> to arrange to have their homes checked while they are gone.

The following items should also be checked to make sure your residence is safe and looks as much as possible like someone is there:

- Cancel newspaper & mail delivery or have a neighbor pick it up for you.
- Arrange for lawn care.
- Store valuables, preferably in a bank.
- Store lawn mowers, bicycles, and lawn furniture inside.
- Set lights inside the house on a timer.
- Set telephone bells as low as possible.
- Draw shades and drapes.
- Lock cars left in the driveway.
- Make sure smoke detectors are working.
- Lock all windows and doors.
- Give your house key & itinerary to at least one friend or neighbor.

## **GRASS, WEEDS AND OVERGROWTH**

Obstructions:

1. Residents are reminded that with the nice weather more and more residents are out walking. Please keep the walkways and sidewalks clear of overgrowth, obstructions and hanging limbs.
2. If the tree obstructing the sidewalk or roadway is in the planting box, please contact the Department of Public Works.
3. Keep vegetation from obstructing the view near intersections.

Lot Maintenance:

1. Residents are reminded to make sure your grass is cut before it reaches 8 inches in height.
2. Also, the planting strip between the sidewalk and the street is your responsibility to maintain
3. If you are going on vacation, make sure you make

arrangements to have your grass cut for you.

4. Be sure to take into consideration that the weather can be unpredictable, but the grass still needs to be cut.

## **PLEASE USE THE SIDEWALKS**

As the weather begins to get nicer and more and more residents are walking or jogging in town, we are taking this opportunity to remind you that it is illegal to walk or jog in the street when a sidewalk is available on a road. The State law reads: 21-506

Rules for pedestrians on roadways

- (a) **Where a sidewalk is provided, a pedestrian may not walk along and or an adjacent roadway.**
- (b) **Where a sidewalk is provided, a pedestrian who walks along and on a highway may walk only on the left shoulder, if practicable, or on the left side of the roadway, as near as practicable to the edge of the roadway, facing any traffic that might approach from the opposite direction.**

We want all our pedestrians and motorists to be safe. So, please use the sidewalks. Not adhering to the above noted law may result in a fine being issued.

## **REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY**

1. **Canvass everyone in the neighborhood to find a date that works best.** Visit each neighbor to inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.
2. **Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,
3. **Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.
4. **Place the "No Parking" signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply "No Parking" signs once the event is permitted.
5. **We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
6. **Your street must be clean and open to traffic no later than 10 PM.**

### New Tree Evaluation Program

The Town recently rolled out a private tree inspection program. Residents may request one tree inspection per year by the Town's Arborist, Dr. Tolbert Feather. We are limiting inspections to one per address as we formally roll out this program to help ensure every address has an equal opportunity. There are 100 inspections in the budget, so limiting each address to one inspection will help cover the Town.

In order to request this service, a resident must fill out the form on the webpage and attach a check for \$85 made out to *Town of Cheverly*. And then mail to or drop off at Town Hall Attn: Public Works. Each inspection costs \$85, and the resident will receive a report on their tree. Once the form is approved, the inspection will be scheduled.

Checks won't be deposited until after the inspection report is completed.

### TRASH COLLECTION REMINDER

**Sec. 10-7** Except for household trash, which the town may collect from side or rear yards, all collectible trash shall be placed at the street side or curb, but shall not be placed there earlier than 7:00 p.m. on the day before it is scheduled to be collected. All containers or uncollected trash and waste must be removed from the street side or curb by 7:00 p.m. of the day it was scheduled for collection. Upon request of a resident to the town administrator and for good cause shown, the town may collect recyclables from a side or rear yard of the property.

### CONTAINERS NOT TO EXCEED THIRTY-TWO (32) GALLON CAPACITY.

**Just a reminder**, and as stated on the Town's website, **"Containers not to exceed thirty-two (32) gallon capacity."**

**Public Works will not pick up nor empty trash containers larger than 32-gallons.** This is for the safety of our Public Works employees who manually lift each and every trash can.

***\*In the interim, until you purchase a 32-gallon trash can with a tight-fitting lid, please remove all trash bags from cans larger than 32-gallons and place them on the curb prior to trash collection.***

### Message from the Chief

"It's with great pleasure to announce and invite ALL Cheverly residents, friends, relatives and anyone else, to attend "Public Safety Day 2022" Public Safety Day has been and will remain a day to recognize, celebrate and strengthen existing partnerships with public safety organizations; both governmental and private. This years Public Safety Day objective is "Safe Communities" This year's objective will focus on the many reasons to implement a "Safe Community" concept. The most important reason is to help create a safe , healthy environment for all Cheverly residents that encourages growth and minimizes risk. Below are a few reasons many advocates have chosen to make their "communities safe":

- Reducing the number and public costs of injuries
- Promoting health and safety
- Instilling pride in Cheverly community
- Wanting to improve the quality of life for themselves and their fellow residents
- Saving lives

Public Safety Day will be held at the Cheverly Town Park, located at 6401 Forest Road, Cheverly, MD 20785, from 4:30 p.m. – 7:30 p.m. We hope you will be able to attend and enjoy the festivities with our department and community. If you have any questions, please contact us at 301-341-1055.

## **CHEVERLY PARENT RESOURCE CENTER (CPRC)**

As we step into fall, stay tuned for some amazing activities and events coming from CPRC. Check the CPRC list and Facebook page for details and updates on time and location. Also feel free to use our website at [cheverlyparent.org](http://cheverlyparent.org) to use our calendar and check out resources. The fall also brings with it our membership drive. Please make sure to renew your membership so we can continue doing all of our fun programs. Membership fees have been slightly increased this year to keep up with the times and so we can continue to bring quality programming.

Please remember weekly playgroup happens every Monday, Wednesday and Friday in the gym from 10-12. There are toys on the stage in and on top of the wooden box. Please keep children away and watch your fingers since the lid is heavy! Make sure to leave the gym nice and clean and the toys organized. We will continue to hold outdoor playgroups through the fall until the weather does not permit. We also try to host a Sunday coffee hour playgroup either in the gym or at a local park. Contact us if you would like to host!

As always we are looking for a few more board members or individuals who can volunteer for specific tasks like organizing baby meetups, playgroups and events! If you have ideas for events we would also love to hear them. Contact [cprepresident@gmail.com](mailto:cprepresident@gmail.com) with questions.

If you aren't a current member and would like to be, or just forgot to renew, please email us at [cprcmembership@gmail.com](mailto:cprcmembership@gmail.com) or visit our website and click the "join" button.

## How Clean are Our Streams?

The Anacostia Riverkeeper has monitored water quality in our rivers through a citizen science program since 2020. The sites monitored include Lower Beaverdam Creek and Quincy Run. This year the Town of Cheverly supported the effort through a community grant to Friends of Quincy Run Watershed.

Lower Beaverdam Creek was sampled along Beaver Road in an industrial area. Cheverly's Tributary 4 runs into Lower Beaverdam Creek upstream of this site, so the measurement includes material from the eastern portion of Cheverly. The Quincy Run samples were taken where that stream runs into the Anacostia River, so includes material brought in by the tides as well as that coming from Quincy Run itself. Our Cheverly neighbors participating in the project are Marian Dombroski, Gabe Horchler and Karen Moe.

The streams are monitored for *e. Coli* bacteria, acidity, turbidity, dissolved oxygen, temperature, and salts brought in by runoff from roads and pavements. Maps and useful explanations of what is measured and how are at:

<https://www.anacostiariverkeeper.org/programs/water-quality-monitoring/>

This year's results? Lower Beaverdam Creek gets a passing grade, but Quincy Run fails.

## CHEVERLY FORUM

The Cheverly Forum presents  
Movies to Embrace Community

September 17, 2022

8 - 10:30 pm

Town Park - 6401 Forest Road  
(Town gym in case of rain)

Join your neighbors for community action and inspiration on the lawn of Town Park to watch and discuss two short award-winning films about community action and community response to events in the respective communities. These movies were produced by [NOT IN OUR TOWN](#). Free snacks and beverages (non-alcoholic) while you engage with our Cheverly community.

Learn how you can help build resiliency and take

action in our beloved Cheverly. Meet your neighbors! Connect with old friends and make new friends! The films are 30 mins each with time for chat and discussion after each. See how other communities rally together and how they build up their own communities to be inclusive, equitable, and secure. Get inspired and come on out! This area is accessible.

Great activity on a fall evening. Join the fun! This Divided Community Project is co-sponsored by Cheverly Women's Club, Progressive Cheverly, Vine Corps, Cheverly United Methodist Church, Cheverly Youth Commission and the Cheverly Village.

## RECREATIONAL COUNCIL

Our first meeting for this year will be on Tuesday, September 27, 2022 at 7:00 pm in the conference room at Town Building.

We are looking for new ideas, so come to our meeting and tell us about them. Our meetings are open to everyone.

The topic of discussion will be the children's Halloween Part on October 29th and the Holiday Party on December 3rd.

## CHEVERLY VILLAGE

**Vaccines for  
All Ages October 15!**

It's important to get the annual vaccination against influenza. This is especially true for older adults. The strains vary each year, and the best medical science goes into making each year's vaccine. The best time to get the flu shot is before the end of October each year.

Cheverly Village with Wegmans Pharmacy will offer a drive-thru, walk-thru, and bike-thru vaccination clinic on **October 15** at the Cheverly Community Center.

***This our fourth year partnering with Wegmans to offer a community-wide vaccination clinic, providing appropriate flu vaccines for children, adults, and seniors. The pneumonia and shingles vaccines, also especially important for older adults, will be available as well.*** Beginning in early September it will be possible to register using a link on our website, [www.cheverlyvillage.org](http://www.cheverlyvillage.org), and the link will also be shared in the October issue of the Cheverly Newsletter. Pre-registration for the clinic helps the day move smoothly and will also allow Wegman's to do their best to alert you to any possible insurance incompatibilities in advance of the clinic.

If you are a Cheverly Village member and need a ride, please email the Village Coordinator or call 240-770-1033.

Cheverly Village is grateful to Wegmans Pharmacy for their dedication to bringing their best to this clinic each year; and to our Cheverly Town staff and Police Department and the Cheverly Emergency Response Team (CERT) for their support.

**See you October 15 – let's all do our part to stay healthy!!**

To become a member of Cheverly Village, or to support the Village as volunteer or a donor and help make possible community events like the flu clinic, please contact us at [Cheverlyvillage.org](http://Cheverlyvillage.org) or call 240-770-1033.

## CHEVERLY AFRICAN AMERICAN COMMUNITY ORGANIZATION (CAACO)

Our 2<sup>nd</sup> CAACO Annual Community Day was held on August 27, 2022. Children received backpacks with school supplies. Thank you to all who made donations and those who provided supplies. Our primary purpose is to unify the African American community in all segments of life within the Cheverly community and vicinity. We want to activate, engage, educate, and empower, to present a strong concerted effort in meeting situational awareness particular to our community. This is achievable by pursuing and supporting local policies that address our needs, building partnerships with local community groups, demonstrating a commitment to engage in local activity and establishing a physical presence in the community.
