### *Message from the Mayor*

History is more than the study of what happened. It is an opportunity to learn and grow from those who came before us. It is also a change to remember and honor heroes and heroines who paved the way.

In September, we always remember those first responders and service people who gave their lives and those whose lives were taken in the September 11<sup>th</sup> attacks. This history has shaped the way we live and how we navigate our country. It is both a sorrowful memory and one filled with pride as we think back on the many volunteers in both the nation's Capital and New York who worked to save as many lives as possible.

We also have a bit of local history to consider during this time. A quick reminder from a ward one resident, highlighted the marker that sits in an area that is known as Crawford's Adventure Spring. The Burning of Washington was a British invasion of Washington, D.C., the capital of the United States, during the Battle of Bladensburg in the War of 1812. On August 24, 1814, after the Battle of Bladensburg, a British force led by Major General Robert Ross burned down multiple buildings, including the White House, the Capitol building, as well as other facilities of the U.S. government.

There are assertions that the former town historian, Mr. Raymond Bellamy, performed research that revealed the wooded area behind the marker, also referred to as Nature Park was used by the British in 1814 during their retreat from Washington, DC. The area was identified by the Maryland-National Capital Park and Planning Commission and in 1980 designated as a "Prince George's County Maryland Historic Resource".

You know I love awareness months and September starts one of the most interesting to me: Hispanic Awareness Month is one of the few that actually starts in the middle of the month and runs to October. How cool is that? The day of September 15th is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Also, Columbus Day or Día de la Raza, which is October 12, takes place during the month. We have so many incredible Hispanic changemakers locally and in our county that can really be celebrated during this time.

September is also National Suicide Prevention Month. Suicide is the second leading cause of death for young people ages 10 – 24. It is also one of the leading causes of preventable death. We lose a little over one hundred young people in this age group to suicide each week! Each week! Nearly 80% of people surveyed confess to thinking seriously about committing suicide. This should be heartbreaking for all of us to learn. There are resources you can share with folks considering suicide. Anyone in need of assistance with mental health or substance use-related needs can contact 988. What can people expect when calling 988? A live person who answers the phone, listens, provides support, and shares resources if needed. If you cannot remember anything else, remember to encourage your friends or loved ones to call 988.

Now, if you are reading this in the month of September, I have some really sad news. Summer is over. Our chickadees have returned to school and whatever hopes you had to sip coconut inspired beverages by any body of water is slowly fading until next year. There are some fun things to keep you inspired during this time as well.

First up is Cheverly Public Safety Day! Most municipalities celebrate National Night Out throughout the country. National Night Out is an annual community-building campaign that promotes police-community partnerships. The goal is to create more caring places to live. Cheverly has historically used Public Safety Day as the conduit to establish and create relationships between the community and

police. This year, our incredible Cheverly Police Department has doubled down on their commitment to engage with the community. After a successful National Night Out targeted for our Cheverly Station residents, we resume our regular Public Safety Day will be held on September 15, 2023, and is a wonderful opportunity to bring police and neighbors together.

The next day is more fun! Hats off to the Civic African American Community Organization (CAACO). They are hosting their 3rd Annual Community Day & Back to School Supply Distribution event on Saturday, September 16<sup>th</sup>. If you are thinking that your child will already be back in school, come on out for a fun time and a refresher as there will be entertainment and games for the kids. Also, pick up some extra school supplies. Who knows how durable clear bookbags are? We may need a few for one school year.

Next up is the Cheverly Prom. We had so much fun last year! If you are new to Cheverly and have no idea what Cheverly Prom is, or if you have some idea but have never had an interest in attending, please join us! Cheverly Prom is an adults-only, themed fundraiser benefiting the Cheverly American Legion and VineCorps. This year's theme is "A Night at the Museum". If you know anything about Cheverlians, we love an excuse to dress up in a costume! I cannot wait to see how creativity is put on display. The more people that show up, the more people that can tell the DJ what they would like to hear! Drop me a note if you want to share costume ideas!

Finally, our favorite event of the year: Cheverly Day! This is the day we all celebrate the incorporation of the town and have good old hometown fun. From old school games like sack races to performances from our residents, we have fun ALL DAY LONG! It is also the time that I get to highlight volunteers in our community who keep our town thriving and beautiful. I cannot wait to unveil the winners for the Jack Wheat and Volunteer awards.

Unbelievably, we are winding down with 2023. It is indeed true the days seem to be going faster and faster with each passing year. Be sure to have some time to stop and smell the knockout roses (technically natives). Hope to see you at some of these events to catch up and be merry.

**Message from the Chief**

One of the most rewarding moments for a Chief of Police is the occasion to recognize the outstanding efforts of the officers with whom one works. On August 10<sup>th</sup> Mayor Munyeneh and I had the opportunity to do just that when we presented Cheverly Police Officer Malakai Curtis #1731 with a Life Saving Award.

On Tuesday, July 25th, 2023, at approximately 2045 hours, Officer Curtis responded to the 5500 Block of Newton Street for a reported contact shooting. Officer Curtis was the first officer on the scene, arriving before Prince George’s County’s Emergency Medical Services (EMS). Officer Curtis located an adult male suffering from multiple gunshot wounds to the upper torso, leg, and arm. After quickly assessing that an active threat no longer existed, Officer Curtis, recognizing the severity of the wounds, immediately initiated lifesaving measures. Officer Curtis applied a chest seal and tourniquet to control the bleeding while reassuring the victim. As paramedics and other officers

arrived, Officer Curtis transitioned from caregiver to police officer, securing the crime scene and preserving evidence to maintain scene integrity for arriving investigators.

The actions Officer Curtis demonstrated that evening saved a man’s life, or to use the words of our Mayor, Officer Curtis saved a mother from the grief of losing her son.

Please join me, Mayor Munyeneh, our Council, Town Administrator Galloway, and the fine officers of the Cheverly Police Department in commending Officer Curtis. His actions reflect great credit upon himself, our department, the law enforcement profession, and the community we serve. It was an honor to stand alongside our mayor and present Officer Curtis with such a distinguished award. We could not be prouder of him, and we are fortunate to have professionals like Officer Malakai Curtis serving our community.

~Interim Chief David C. Morris

## SIDEWALK AND ROAD OVERGROWTH

With the nice weather, and rising gas prices, more and more residents are out walking. Whether they are out for a weekend stroll or headed down to the Metro for a train ride to work, they are using our sidewalks and walking paths.

As trees and other vegetation grow, they tend to encroach upon the public right-of-way (sidewalks, streets, or alleys). This overgrowth of vegetation or low hanging branches can obstruct view, creates tripping hazards or otherwise impede the public's ability to use the streets and sidewalks. This encroachment has been deemed a public nuisance in the Town Code and constitutes a hazard, which impedes the free movement of pedestrians or vehicles. As such, residents are required to ensure that public right-of-way abutting their property are kept free of overgrowth and intersections are obstruction free. Trees located within the first (11) feet of the curb are the responsibility of the Town. Please call if you have a question or notice any condition that may pose a hazard to the community.

## REMINDERS FOR SPECIAL EVENT NEIGHBORHOOD BLOCK PARTY

1. **Canvass everyone in the neighborhood to find a date that works best.** Visit each neighbor to

inform them of your plans and get feedback from them at least before you are tentatively scheduled to host the event. Complete a block party survey. Keep your neighbors informed as the event date approaches and make sure they understand they are a part of celebration. A block party letter and neighbor survey can be obtained at the Town office.

2. **Obtain necessary permits if you block off your street.** Permits must be obtained 30 days in advance for block parties. A Block Party Permit is required to block off any of a residential street for neighborhood block party purposes,
3. **Remind your neighbors 1 week before the party that the street will be closed.** It is important to keep your neighbors informed.
4. **Place the "No Parking" signs 24-48 hours prior to the party at each end of the street with the date and time of the street closure.** Town Hall can supply "No Parking" signs once the event is permitted.
5. **We recommend that you communicate with your neighbors a week prior to the Block Party.** Communicating with your neighbors help to ensure all are notified and remember not to park on the street.
6. Your street must be clean and open to traffic no later than 10 PM.

2. If the tree obstructing the sidewalk or roadway is in the planting box, please contact the Department of Public Works.
3. Keep vegetation from obstructing the view near intersections.

2. Also, the planting strip between the sidewalk and the street is your responsibility to maintain

**CPRC** CHEVERLY PARENT  
RESOURCE CENTER

Welcome fall and back to school!! Thanks to all who came out to our summer events and playgroups. Please continue to check your emails and our Facebook page for details on our membership drive which will end in September. If you have not renewed by September, you will lose access to our list and Facebook page! Please continue to visit us at our table at the Cheverly Market for some fun activities or just to chat and/or join CPRC. We are in need every other week to fill three shifts at the market to sit at the CPRC table. This is a great way to meet neighbors and fulfill your volunteer hours! Please check out our new tab on our website that lists our ongoing volunteer activities at [cheverlyparent.org/volunteer](http://cheverlyparent.org/volunteer)

Please remember weekly playgroup happens every Monday, Wednesday, and Friday in the gym from 10-12. If the gym is closed for some reason, there will be an email to the list and post on Facebook to alert parents and caregivers. Please note that there is typically no playgroup on government holidays. There are toys on the stage in and on top of the wooden box. Please keep children away and watch your fingers since the lid is heavy! Make sure to leave the gym nice and clean and the toys organized with all of the toys either inside of the wooden box or on top of the box. We need to respect the gym and keep it clean so we can continue to use it! We also try to host a Sunday coffee hour playgroup either in the gym or at a local park. Contact us if you would like to host! We are particularly interested in reinvigorating the new baby playgroup. Any caregivers for little one's ages who would like to host-- we would love your help.

As always, we are looking for a few more board members or individuals who can volunteer for specific tasks like organizing baby meetups, playgroups and events! If you have ideas for events, we would also love to hear them. Contact [cprcpresident@gmail.com](mailto:cprcpresident@gmail.com) with questions.

If you aren't a current member and would like to be, or just forgot to renew, please email us at [cprcmembership@gmail.com](mailto:cprcmembership@gmail.com) or visit our website and click the "join" button. Again, there will be a special giveaway for those who renew early.

## RECREATION COUNCIL

Is hosting a pickleball tournament on September 17th at the Cheverly Community Center. Entry will be \$35 per person and all proceeds will benefit the Rec Council Scholarship Fund! Please email [rec\\_council](mailto:rec_council)

([reccouncil@cheverly-md.org](mailto:reccouncil@cheverly-md.org)) or check out the exchange for details on how to register! Please remember that pickleball is being held in the gym every Tuesday from 10-2 and now will be held one Friday a month. We welcome any and all ideas for new events and activities from our community members!

Also save the date for the return of the annual flea market at the Community Center on Saturday, October 14th. Set up will be the evening before on October 13th. Registration is \$25 per table. Clean out your house and get some good deals on items. Again all proceeds will benefit our scholarship fund. To register email [reccouncil@cheverly-md.org](mailto:reccouncil@cheverly-md.org) or check out the list for further links and payments options! Our annual Halloween parade will also happen on October 28th. Stay tuned for further details.

Remember, the purpose of the Cheverly Recreation Council is to develop a well-rounded recreation program, coordinate among all governmental agencies and community organizations interested in recreation; and to encourage, evaluate, publicize, assist, initiate, and conduct year-round programs of recreation for all age groups. We meet that last Tuesday of the month at 7 pm in the large conference room at the community center. Ideally any group or organization that has an interest in rec activities or ideas for future events would send a representative to each of our meetings. We need you to make successful programs for all ages in our community!

## CHEVERLY GARDEN CLUB

The **Cheverly Garden Club** will have their next meeting on Monday, September 18th at the Cheverly United Methodist Church at 7:00 pm in the fourth floor Parlor Room. Our featured guest speaker will be from the Chesapeake Bay Trust and speaking about the Prince George's County Rain Check Rebate program. This will be an 'in person' meeting with refreshments provided.

Check out the new six-foot bench at the triangle park at Valley Way, Forest Road, and Greenleaf Road. There is another bench at the top of the median on Crest Avenue. These are the third and fourth benches purchased by the Cheverly Garden Club and installed by the Public Works Department. This is part of what we do with the funds we raise from the annual Plant Sale.

## CHEVERLY VILLAGE **Does Cheverly need a “Cheverly Village”?**

In 2014, when Laila Riazi and I started exploring the idea of creating a community organization to provide people with the minor assists they may need to continue to live at home and “age in motion” as valued members of our community, we sometimes heard, “We don’t need an organization for that. On our block we all support each other.”

We know that there are wonderful supportive neighborhoods all through Cheverly; that’s one of the beauties of Cheverly! Still, through our experiences with Village members over the past seven years, we have discovered needs for assistance that are beyond minor. That is when Cheverly Village can “come to the rescue” with a team of volunteers ready to assist in ways, or frequencies, that helpful neighbors may not

be able to.

Do you have a neighborly community around you? I hope so. Are you reaching out to neighbors who might be feeling lonely or disconnected? I invite you to do that. Also, check out the activities Cheverly Village offers, many of which are open to the public. To see what’s coming up, see our website, [www.cheverlyvillage.org](http://www.cheverlyvillage.org).

Six years ago, our dear friend and Village member, Thelma Boyd-Nash, who passed away recently in her mid 90’s, wrote that “Cheverly Village helps all ages share the wonderful stages of life.” Now that I’m almost 75 years old, I appreciate that statement more than ever. I deeply enjoy the fellowship of people of all ages who are consciously embarked on the exciting journey of growing older.

As I write this, in mid-August, I’m looking forward to playing Scrabble or Rummikub with my husband David and other Village friends, I plan to attend a stimulating online presentation with a best-selling author, and on Sunday I will participate in Cheverly Village’s monthly “Tech Time”—where I’ll get answers to a tech question or two. (Check out these Village events and others by visiting [www.cheverlyvillage.org](http://www.cheverlyvillage.org).) And—best of all—I know that whenever David and I need a bit of help, all we need to do is call the Village!

Mark your calendars for our annual community-wide Drive-Through Vaccine Clinic! This year’s clinic will be on Sunday, October 22, from 9 am until 3 pm. The clinic, held in partnership with Wegmans Pharmacy, will feature flu, pneumonia, and the RSV vaccines. We will again offer both adult and child vaccines, and we hope to offer a COVID booster vaccine if one is available at the time of the clinic. Please check the “Events” tab at [Cheverlyvillage.org](http://Cheverlyvillage.org) for up-to-date information, including appointment scheduling.

To learn about becoming a member of Cheverly Village or to support the Village as a volunteer or a donor, contact us at [village@cheverlyvillage.org](mailto:village@cheverlyvillage.org) or at 240-770-1033.
